

HARRIERS PLAN FOR LAST MEET

Colds, Sprains and Infection Have Kept Men from Suing Up.

MEET KANSAS AGGIES, LAST YEAR'S WINNERS

Still crippled, the Husker harriers are preparing for the Kansas Aggie meet; the last conference race of the season. The Aggies, winners of the championship this year, should win by a substantial margin; but a race is never won until the tape is crossed. The cross-country team will probably journey to Omaha for the Mid-western A. A. U. race November 29, but no decision has yet been made by Coach McMaster.

If the Husker team is in as poor shape Saturday as they were at the Missouri Valley classic, the Aggies will have an easy time of it, and the present indications show the squad still weak. Lewis, who recovered to some extent from his illness, and Captain Zimmerman has been showing improvement. Hays, who was bothered with infection, is now suffering from a bad cold. McCartney has not been in suit as a result of a cold. Jack Ross, who was among the high men at the Missouri Valley meet is probably out for the remainder of the season with an ankle sprain.

The Aggie squad has not lost a meet so far this fall, and the winning of the Valley Championship gives them a decided advantage over the Nebraska runners. Of the first ten to place in the meet at Drake, the Aggies placed four men, while the Huskers were unable to place a man higher than fourteenth position. Kimport, captain, and Sallee placed second and third in the race. If the Huskers can side track the injuries of the squad before Saturday, the Kansas farmers can depend on a good meet.

BARBOUR SPEAKS BEFORE FRESHMEN

house the large telescope which has been stored away for many years because of a lack of a space to mount it was expressed by Dr. Barbour.

The fact that man's theories regarding the formation of the earth have been advanced from time to time was mentioned by the speaker. One by one they have been discarded as new facts have been discovered.

While the planetesimal theory is generally accepted by most scientists today, it is not improbable that it too will be cast aside as further information is brought to light.

As evidence of the presence of enormous quantities of dust particles in space it was pointed out that 500,000 tons of iron particles fall on the earth's surface each year.

The sun is the controlling factor of earth, not only from the point of gravity, but also because of the light factor. Sun light is the one thing

that can energize plants and enable them to produce food material.

The **VAN CRAFT** Shirt
PATENTED

Made in 3 superb fabrics—poplin, mercerized cotton, pongee, and very fine broadcloth.

COLLEGE MEN like collar-attached shirts because they're so comfortable—even if they are slightly messy. And from now on it's very likely that you'll insist on the Van Craft Shirt, because it has the Van Heusen Collar attached. That makes all the difference in the world, as you will see. All the solid comfort of your old collar-attached shirts, without their wrinkles and tendency to wilt and crumple. Van Craft is smart and cool and crisp. Play in it, dance in it, lounge in it. It's all one to the Van Craft.

No bands or seams in the collar, no starch to irritate the neck. Cannot wilt. Washes it without a wrinkle—plus the Van Heusen—more comfortable than a soft collar, better looking than a stiff collar.

The Approving Plaudits of Thousands Met the Opening of the Greater Gold's!

The characteristic "Lincoln's Busy Store" fully justified its name in the hearty acclaim accorded its first two opening days—Monday and Tuesday!

Thousands came; we delighted with the new Store—its appointments and merchandise displays.

On every hand was substantial evidence that the same policies and business methods that has made it the Store famous for "The Best for Less" would be continued.

Old friends and new joined in proclaiming it the Store ideal—conveniently arranged, with timely merchandise of character unusually low priced!

YOU are invited to come Wednesday—all the special offerings provided for Opening Week continue on sale.

You'll find it the same Gold Store as before—only with greater stocks, wider selections and even better service than ever.

Below are listed a few of the timely merchandise presentations for the opening days. Every department in the Store participates in making the week a memorable one for the busy shoppers of Nebraska.

The name "Gold" and "values" are synonymous—and will ever be to the thrifty folk of this section of Nebraska. For the Gold Store, though greater than ever, continues to be the Store for the masses—

"Not a New Store at the Old Address, But the Old Store in a Newer Dress"

This is YOUR personal invitation to inspect the new and greater Gold's—the new monument of civic utility and thrift at the corner of Eleventh and O Streets.
