PROFESSORS ARE BACK FROM TRIP

Dr. Pool Is Elected Chairman of Botanical Committee at Meeting in Washington.

Prof. R. J. Pool, J. R. Weaver, E. R. Walker, E. N. Andersen, and G. L. Peltier have returned from Washington, D. C., where they spent the Christmas vacation in attendance upon the meetings of the various botanical organizations in which they are interested.

They greatly enjoyed association with the largest group of botanists and other scientific people ever assembled for a similar meeting. They met many former Nebraskans and alumni of the University. President Coolidge received the visitors at the White House and gave them a very characteristic Coolidge speech. Dr. Pool was elected chairman of the section of Systematic Botany of the Botanical Society of America. He will preside over that section at the next meeting at Kansas City next winter.

STUDENT INJURED IN ARMORY FRIDAY

Harvey Thiele Suffers Temporary Unconsciousness and Aphasia from Fall.

Harvey Thiele, '28, Hanover, Kansas, suffered a severe concussion of the brain resulting in temporary unconsciousness and temporary aphasia but received no lasting skull injury when he slipped on a cake of soap while entering the shower rooms at the University Armory Friday afternoon.

Although unable to remember the events leading up to the accident until late Saturday morning, he partially recalled what had happened later. He knew he had been in the shower room, and that he had been running. Dr. Ernest Everett, after taking several X-ray photographs of the injury which showed no skull fracture, discharged the patient. Thiele suffered no pain at any time, and when discharged showed no injury but a slight bump on the right temple. He cannot, however recall Friday's events clearly.

MUSEUM IS OPEN TO PUBLIC TODAY

Rare Gem Specimen Is Contributed to Exhibit by California Man.

The museum at the University will be open from 1:30 to 6 p. m. today to visitors and members of the force will be present to direct to collections of special interest and to answer any questions. The exhibits have been arranged for the convenience of visitors so far as the limited space will allow.

The gift of a fine addition to the gem collection was received last week from Robert Whitham of Los Angeles, California, who paid a visit to the University museum a few days ago. He was visiting Lincoln for the first time, being deputed by his family to attend the funeral of an uncle whom he had never seen alive.

Mr. Whitham is engaged in the gem trade in Los Angeles. He sought out the mineral gallery of the museum and expressed a wish to give something in the way of a choice gem collection to bear the name of his family and perpetuate its association with the city. He presented to the institution a twin crystal of Kunzite, a rare variety of the mineral spodumene.

Before being placed in the gem collection, this specimen has been mounted and exhibited in the case set apart for recent additions to the collections, where it has attracted much attention.

Only one picture has been taken thus far and it is urged that organizations make arrangements for their setting before the last few days.

Four dollars will be paid to the Studio at the time the picture is taken. An additional fine of one dollar will be charged if the organization breaks the appointment and does not warn the studio one day in advance.

CAGESTERS WIN DOUBLE VICTORY

Nebraska Cagemen Decisively Defeat Kansas Aggies and Oklahoma.

SCORE OF SOONER GAME IS 23 TO 18

NORMAN, Okla., Jan. 10, 1925.—Nebraska made it two in a row here tonight when they defeated the Oklahoma cagers in a fast game, 23-18. The Cornhuskers took the count of the Kansas Aggie team, 23-11, at Manhattan Friday.

Nebraska was leading Oklahoma, 11 to 5, at the half and was on top at the finish in spite of an attempted comeback by Oklahoma. The Sooners got one more point than Nebraska in the second half but were unable to overcome the early lead of the Huskers.

Coach Kline's men got a good start at Manhattan in defeating the Aggie five with little difficulty. The Nebraskans led 8-4 at the half and increased their lead in the latter period.

The winners showed good offensive strength, with Usher and Goodson bagging most of the goals. They let down on the offense late in the last half and used defensive tactics almost exclusively.

Eckstrom, substitute forward, dropped a pair of baskets during his play and Captain Volz, aside from his good guarding, counted five points with a field goal and three free throws. The box score:

The Methodist Student Council has been sponsoring a number of activities for the Methodist students. Banquets, parties at the Armory, and a picnic in the spring are among the features included for the rest of the year. ATHLETIC BOARD CONSIDERS WEST

South Dakota State Coach Is Interviewed Regarding His Application.

BOARD WILL CONTINUE MEETINGS NEXT WEEK

Coach C. A. West of South Dakota State was interviewed by the athletic board Friday and Saturday regarding his application for the position of head football coach at Nebraska.

Mr. West has an enviable record at South Dakota State, having produced a winning team this year, although prospects were bad. Last year his men were champions of the north central conference after they defeated Creighton University of Omaha.

The applicant for the position left open by the resignation of Fred T. Dawson, graduated from Coe college at Cedar Rapids, Iowa, where he played quarterback on the football team. He is also a track man. He has been at South Dakota State since 1919 and has had fair success during his term.

West stresses the passing game and works out an entire eleven, not emphasizing the starting of any one man. Their passing won over Creighton in 1923 and 1924. Last year the team was found to have intercepted more passes than all their opponents combined, and had had only a few snapped up by opponents.

South Dakota State university beat the Omaha team the past season by an attack which took the Creightonians off their feet. The Dakota defense was planned so as to practically exclude passing on the Creighton team, while their own aerial game was good enough to bring them a victory.

The athletic board will meet again next week to consider applications for the coaching job.

TIE GAME ENDS SOCCER TOURNAMENT

Score of Game Between Sophomores and Seniors for Title Is 1 to 1.

The sophomores and seniors tied for championship honors when they played a 1 to 1 game in the finals of the women's soccer tournament held Friday afternoon at four o'clock. An icy field made the playing difficult and slowed the game.

Mabel Dickinson scored the goal for the seniors and Ruth Wright tallied for the sophomores. The seniors played a strong offensive game in the first half and scored their points in that period. In the second half the sophomores came back with their offense and forced the seniors to play a defensive game. During the last quarter the senior goal was threatened time and again.

The lineup for the teams was as follows:
