DISCUSSIONS OF BIBLE CONTINUE

Dr. Curry Speaks to Student Meetings in Temple on Friday and Saturday.

ADDRESSES TOMORROW WILL CONCLUDE SERIES

"Methods of Bible Study," "The Practical Application of the Christ Life," "Problems of Prayer," and "The Book Approach Through the Bible to a Study of Campus Problems," were the subjects of four student Bible discussion groups led by Dr. A. Bruce Curry, of the Biblical Institute of New York, at the Temple, Friday and Saturday.

"How We Carry on With Bible Study after the Session is Over" will be the subject of the Sunday discussions, at 9:30 o'clock and 3 o'clock at the Temple. The morning meeting will be dismissed before church services begin. It will be especially for delegates from the seven state colleges.

Dealing with the "book approach" to problems affecting the student, Dr. Curry entered into a discussion of the tenth chapter of Mark, Saturday afternoon. Two of the main lessons derived from the meeting concerned material happiness to a great extent.

"Jesus never said anything about its being wrong to earn money," said Dr. Curry. "His objection to wealth was based on some pretty keen psychology. I do not see how you students can stand for the idea of the desire of 'wealth for wealth's sake.' Students all over the country are coming more and more away from that ideal of happiness."

The idea of the fitness of marriage, the misuse of the word "love," and the idea of the Creator that there should be one man for one woman, and one only, were brought out in connection with the action of Christ in his conversation with the Pharisees.

Dr. Curry advocated a new Reformation in his lecture Saturday morning in the Temple to a group of University of Nebraska students and representatives from seven other colleges in this state. "I believe that there is a chance for a new Renaissance and why should not this new movement start in America?" asked Dr. Curry. Given a dozen students who really believed as he did, Dr. Curry declared that the thing could be accomplished in a few decades.

Dr. Curry pointed out that very few people are living in the true way of Jesus. He showed that there are two outlooks, God's outlook goes the hard way and any man who chooses the road of Jesus is choosing a difficult way. In comparing the game of life with the game of football, Dr. Curry showed that only the man who went down under the interference could win. The great souls of the race have chosen the way of God, rather than an easy life.

Before forming a student discussion group Dr. Curry gave several reasons why the groups so often accomplished nothing. "Many discussion groups are talked to death by the leader," said Dr. Curry, "and those participating in the groups must have a base of facts and ideals upon which to lean."

"You may come out of a discussion with rather ragged results—no definite answer may have been found for your problem—but if thinking is the result, a great deal has been accomplished," he continued.

The question that was discussed in the group formed Saturday morning was, "What good does it do to pray?" Many problems connected with prayer were given such as the following: "Are prayers answered? What is the nature of prayer? What may we legitimately pray for? Does prayer have a psychological effect upon us?" These questions were thoroughly discussed for about one hour.

WFAV Heard By Fans in Hawaii

Across half a continent and half an ocean was heard the program broadcasted by University Station WFAV on the evening of January 17, according to a letter received by Operator R. A. Cushman from Jack Costa, Haiku, Maui, Territory of Hawaii.

The "Midnight Follies" program, broadcasted that evening, was heard at 7:45 P. M. Hawaiian time. The clarity of the results is demonstrated by the fact that Mr. Costa enumerated accurately the numbers played. Radio fans in Anchorage, Alaska, Haynes, Alaska, and Landis, Saskatchewan, have heard University programs.

Station WFAV is awaiting acknowledgments of the basketball game and "Midnight Follies" program broadcasted last evening.

INCREASE AMOUNT OF AWARD

Witter Bynner Announces Larger Undergraduate Poetry Prize.

Witter Bynner has announced that his Undergraduate Poetry Prize has been increased from one hundred dollars to one hundred and fifty dollars. The contest is open to any college undergraduate in America. The contest is open to any college undergraduate in America. The 1924 award went to Martha E. Keller, of Vassar college, for her contributions, "Old Ellen Witherspoon" and "Daphne."

All verse submitted must be typewritten, and must not exceed two hundred lines. Manuscripts must be in the hands of the judges before May 15, 1925. They should be addressed to Witter Bynner, Box 1601, Santa Fe, New Mexico.

The judges this year will be Sara Teasdale, George Sterling and Witter Bynner.

UNIVERSITY BAND IN CONCERT TODAY

R. O. T. C. Organization to Give Free Program in Armory This Afternoon.

This afternoon at 3 o'clock in the Armory the University R. O. T. C. Band will give the initial concert of a series planned for the semester. Admission is free. The program has been prepared as elaborately as possible as a token of appreciation to the student body for aid in sending the band to the Notre Dame football game last fall.

Music lovers will find a delightful selection of pieces for the concert this afternoon it is said. If the attendance is good, the band will continue its plan of giving frequent Sunday afternoon concerts.

SELECT DATES FOR ENGINEERS' WEEK

Annual Festival Will Be May 4-9; Gerber To Head All Committees.

Selection of Carl Gerber, '26, Omaha, as chairman of all committees for Engineer's Week, to be held from May 4 to 9 this year was announced yesterday by F. J. Boucher, president of the Nebraska Engineers Society. Forrest Hall, '26, Neligh, was appointed secretary-treasurer.

The new chairman will announce his committees next week. The program for the week will include the traditional parade, "open house" of all the laboratories, a dance, an engineer's banquet, and other features not yet planned. Exhibits and window displays in Lincoln stores will be used to advertise the event.

Lampe Will Speak To Presbyterians

M. Willard Lampe of Chicago, Secretary of the Board of Christian Education of the Presbyterian Church, will speak on "The Youth Movement Within the Christian Church," at the Pan-Presbyterian dinner at the Grand Hotel, Thursday from six to eight o'clock.

Mr. Lampe is a former student of the University of Nebraska. Judge Dean and other members of the Westminster Foundation will be present. About one hundred and fifty students are expected to be present. John Allison, president of the Pan-Presbyterian club will preside.

Reservations should be made with Dr. Dean R. Leland, Presbyterian student pastor, 101 Temple, before Wednesday.

Complete Library of Late Dr. Wolfe Presented to Department of Philosophy

Large Portrait Also Given to University by Wife of Former Professor.

Dr. Katherine H. K. Wolfe, city school physician of Lincoln, has presented the department of philosophy of the University with the complete library of the late Dr. H. K. Wolfe. With this gift she included a large portrait of Dr. Wolfe, the founder of the department of philosophy, and professor during the years 1889 to 1897 and 1907 to 1918.

The portrait was presented to the university at a general convocation held in the Temple Theater last week under the auspices of the department of philosophy. The Wolfe Fellowship in Philosophy, established in honor of Dr. Wolfe, will be available in several months.

Dr. H. K. Wolfe spent his student days in Germany, where he was trained under the leadership of Wilhelm Wundt, the famous Leipzig

Debaters Must Pick Sides on Question

Each candidate for the University debate team is requested to turn in to Prof. M. M. Fogg, University Hall 112, by Monday afternoon, a written statement as to which side of the inter-collegiate debate question he wishes to maintain in the preliminary debate which is to be held this week to choose the teams that will represent the University of Nebraska in debates with the University of Iowa and the University of South Dakota on March 19.

OFFICE SEEKERS MUST FILE NOW

Election of Day Presidents and Ivy Day Orator Comes on February 7.

POSTPONE SELECTION OF PUBLICATION BOARD

Candidates for the class presidencies and for Ivy Day Orator, which will be elected February 17, must file their names with John K. Selleck, student activities agent, before 3 o'clock, Friday, February 13, announced Emmett V. Maun, president, after a student council meeting yesterday.

Election of members to the student Publication Board was changed to next spring when they will be elected with the Student Council for next year instead of being elected with class officers at the coming elections. The change of policy was decided upon for the reason that choice of members for the Student Publication Board can be more judiciously made in the spring than at the present time. The spring elections will come some time between April and May 15.

No filings of candidates for class officers will be announced before the closing of the filings on Friday, February 13, at 5:00 p. m.

ENGINEERS ORGANIZE PROFESSIONAL CLUB

Includes Members of Seven National Organizations; Discuss Questions.

The organization of a community club is being planned by the Lincoln members of the engineering profession. The club, which will include members of the seven national professional organizations, will hold regular meetings for the discussion of such civic questions as zoning and the location of railway stations.

Temporary officers are: William Pahl, Burlington railway, chairman; Prof. A. A. Luebs, of the University engineering department, secretary. Prof. O. J. Ferguson, dean of the College of Engineering, was appointed chairman of the committee on the constitution and by-laws and he will be assisted by Mr. Pahl and Prof. A. W. Haney. The program committee is composed of Prof. W. L. DeBaufre, Prof. C. A. Duff, and William Grant.

The next meeting of this club will be held February 28. There will also be informal luncheons at the Chamber of Commerce on every Monday noon.

GREEK CONTEST BEGINS MONDAY

Third Annual Interfraternity Track Meet Will Continue All Week.

ONLY TEN TEAMS ON PRESENT ENTRY LIST

The third annual mid-winter interfraternity track meet will begin Monday afternoon on the track underneath the east stands of the stadium. Ten fraternities completed their entry Saturday by paying the one dollar entry fee, and several more are expected Monday to bring the total number of entries near that of last year, when eighteen were in the meet.

Fraternities entered in the meet are: Alpha Tau Omega, winners last year, Sigma Phi Epsilon, Pi Kappa Alpha, Alpha Theta Chi, Sigma Alpha Epsilon, Alpha Sigma Phi, Mu Sigma, Sigma Nu, Delta Chi, Alpha Gamma Rho.

A trophy skin will be awarded the winning team and a second place skin to the runners-up. In addition, a cup may be donated by a Lincoln firm to the winning fraternity.

The competitions will begin at 3:15 Monday afternoon with the mile run and the shotput. The same events will take place at 4:15 and 5:15. Contestants may run at the time most convenient.

The pentathlon basis of competition will be used as in former years. The scoring standards are 1000 points for time equalling the standard put up for each event. Time below this standard mark will be credited with fewer points. For example, a mile run in 4:40 will earn 1000 points, in 4:50 it will earn 800; in 5:00, 600; in 5:10, 400; and in 5:20, 200.

Daily standings of the teams in the meet will be posted on the bulletin board outside the Armory.

Coach Henry Schulte is particularly anxious that all fraternities participate in the meet because of the opportunity it gives to bring to light men of undeveloped athletic ability. Successful intercollegiate teams are the result of successful intra-mural meets.

The schedule of events is as follows:

- Feb. 9—Mile-run and shotput.
- Feb. 10—50-yard dash and high jump.
- Feb. 11—50-yard low hurdles, and 880-yard run.
- Feb. 12—600-yard run and pole vault.
- Feb. 13—440-yard dash and broad jump.
- Feb. 14—50-yard high hurdles and two-mile run.

ORDERS MUST BE MADE THIS WEEK

Students Must Reserve Cornhuskers Now or Never Says Business Manager.

"The last chance for students to reserve their 1925 Cornhusker comes this week. The order for the exact number of books that have been purchased will be placed with the printer in the next ten days and it is absolutely necessary that every student wishing to get a copy make his reservation at the Cornhusker office any afternoon," says Robert Lang, business manager. "Many students are planning to buy their yearbook a little later, but unless they place their order now they will be disappointed."

Work on the book has been progressing rapidly in the past few weeks and many of the sections are entirely completed. The student life section will be larger than ever before, and several members of the staff are now working hard on this section.

A deposit of two dollars and a half is required to reserve the book for spring delivery.

Graduate May Lecture At Oregon University

Miss Olivia Pound, graduate of the University of Nebraska and assistant principal of Lincoln high school, has been invited to give two courses next summer at the University of Oregon at Eugene. This work is to include a course in the problem of the high school adviser for girls and in the organization and direction of extra-curricular studies. In case Miss Pound accepts she will also supervise a small number of advanced students.

Miss Pound has been invited to appear on the general program of the North Central Association of Colleges and Secondary Schools which will meet in Chicago March 20 and 21.

All Senior Pictures Must Be In Thursday

"All seniors entitled to have their pictures in the senior section of the Cornhusker must have their pictures taken by Thursday and their proofs in by Saturday," said Wendell Berge, editor. "Seniors should make appointments at either Hauck or Townsend studios immediately, regardless of the studio assigned. If the proofs are not turned in by Saturday the staff will arbitrarily make the choice."

TRY OUT DAYS ARE ANNOUNCED

Students May Appear Before Judges on February 23, 24, and 25.

KOSMET KLUB WILL FILL ROLES IN ANNUAL PLAY

Try outs for the 1925 Kosmet Klub production, "Tut-Tut," will be held on the evenings of February 23, 24 and 25, according to an announcement made yesterday by the Klub. They will be held in Dramatic Hall on the third floor of the Temple. The date when applications may be made will be set some time this week.

Judges for the try outs have not yet been selected but the Klub will announce its choice in the near future. Applicants may appear before the judges singly or in groups and may have the assistance of a pianist if they so indicate on their applications. The time allotted to each candidate for a role in the play has been limited to five minutes.

The production sponsored by the organization this year was written by Cyril Coombs. It is a comedy in three acts and contains many song hits written by the author. Mr. Coombs was also the author of the 1923 and 1924 productions.

A cast of forty is required for the new comedy. A number of solos and seven or eight chorus ensembles are included. A feature song of the play, "On The River Nile," was sung at the Pan-Hellenic formal and drew much favorable comment.

The play will be presented in Lincoln on April 24 and will also be given in Omaha at a later date. The Omaha theater to be used for its presentation has not been selected but will probably be either the Brandeis or the Gayety.

VANVOLKENBERG TO READ BARRIE PLAY

Theater Director to Interpret "What Every Woman Knows" Here Thursday.

Ellen Van Volkenberg, director of the California "Theater of the Golden Bough," will read "What Every Woman Knows," a four-act play by James Barrie, Thursday evening at 8 o'clock at the Temple Theater. Miss Van Volkenberg is brought to Lincoln by the Dramatic Club. Tickets are for sale by members of the Club.

Miss Van Volkenberg gives an imitative interpretation of the play based upon Maude Adam's production of the same play. She is said to have the most marvelous memory of any actress on the American stage. In fact, her memory is so astonishing that once having seen a play produced she can give an interpretative reading without having studied the manuscript.

Series of Night Classes Announced By University Extension Division

Courses Offered for Persons Unable to Carry Regular College Work.

For the benefit of those who desire to share in the educational advantages of the University, but who are unable to attend regular classes, the Extension division announces a series of night classes for the second semester, beginning Monday, February 9. All courses give residence credit, but some may be carried without credit. A registration fee of one dollar is paid by each student not already registered for University work this semester. The tuition fee, unless otherwise stated, is two dollars a credit hour for a course without credit or three dollars an hour with credit. For each class a registration of twenty students will be required.

The courses follow: Business Administration: Fire Insurance—History and Economics of fire insurance; hazards; rates; organization of companies and agencies; the standard policy; coinsurance and reinsurance; loss adjustment; finance of companies; public regulation; Nebraska code and practice. Wednesdays, beginning February 11, 7:30; Social Science 208. Credit, two hours. Mr. Robb. Marketing—A detailed analysis of the distribution of manufactured products; selling agencies; market analysis; substitutes for the middleman; advertising as a marketing device; special marketing problems. Tuesdays, beginning February 10, 7:30, Social Science 208. Credit, two hours. Mr. Fullbrook. Economics Problems, Socialism—A study of monopolistic combinations, anti-trust legislation, our present economic system and the part played in it by competition will be made. The second half of the course will deal with socialism in theory and practice. Thursdays, beginning February 12, 7:30, Social Science 208. Credit, two hours. Mr. Bullock. (Continued on Page Three.)

ANNOUNCES FELLOWSHIPS

Coffin Foundation Will Make Numerous \$500 Awards.

The Charles A. Coffin Foundation which produces \$5,000 annually for fellowships for advanced students in physics, electricity and physical chemistry, is again offering fellowships valued at a minimum of \$500 each. Students who are, or who soon will be, university graduates are eligible.

It is the desire of the committee to select only men who could not otherwise continue their research work. Applications of students who are now seniors in universities must be filed with the dean of the college by April 15, 1925. Applicants who have completed their college work more than a year before may apply direct to the committee, Schenectady, N. Y. The awards will be announced June 1.

GLEE CLUB SINGS IN VALLEY CONTEST

Members Leave This Afternoon For Contest in Kansas City Tomorrow.

Thirty members of the University Glee Club will leave this afternoon at 1:40 for Kansas City, Missouri, to participate Monday evening in the first annual Missouri Valley Glee Club association contest. If the Nebraska club wins first place in the contest it will go to New York city later in the month to represent the Valley district in a national contest.

On the way the club will stop at Falls City to give a Sacred Concert at the First Methodist church. The winning club in the contest will receive a silver loving cup presented by alumni of the clubs competing. The cup will become the permanent possession of the club which first wins it three times. Another cup will then be put up.

All music in the contest will be sung without accompaniment. The Nebraska club will sing "Come Again Sweet Love" by Dowland, the prize song to be sung by every school, "On The River Nile," by Palestrina, and "There Is No Place Like Nebraska."

The Nebraska club has been training for the contest since last fall under the direction of Parvin Witte who has been director for the past four years.

The night of the contest will be proclaimed College Night in Kansas City. There is great competition among the alumni clubs of the city to bring out the largest representation at the contest. Convention Hall is expected by the committee in charge to hold full 4,000 college students and alumni who will congregate that night to hear their old college songs.

Members of the club who are going to Kansas City are:

Dietrich C. Dirks, student director. **First Tenor.** Corliss Totman, William Hay, Kenneth Cooke, John Shroyer, Frederick Karrer, Ole Jacobsen, and Wallace Nelson.

Second Tenor. James Marshall, Rob Roy MacGregor, Duane Anderson, Marshall Neely, Dwight McCormack, Paul Wolvine, and Sutton Morris.

Barritone. Ray Lewis, George Johnston, Ward Wray, Arthur Link, Leon Peterson, Horace Porter, and Freeman Sunderland.

Bass. Gene Bader, Lloyd Robinson, Al-drich Hanicke, Erwin Jones, Bernard Combs, Grant Changstrom, and Frances Mortenson.

NEBRASKA WINS FROM SOONERS

After Poor Start Huskers Take 31 to 17 Basket Victory Over Oklahoma.

TIPTON AND SMAHA ARE HIGH POINT MEN OF GAME

Coach Kline's cagers administered a second defeat to the quintet from the University of Oklahoma when they defeated them on the Armory court, 31 to 17, Saturday evening.

The game was characterized by the large number of fouls, the good defensive work of the Oklahoma team, especially in the opening part of the game, and the failure of the Cornhuskers to hit the basket in the early part of the game.

The first score came within two minutes of play, when Wheeler of Oklahoma made a free throw on a foul committed by Captain Volz. Another point was quickly added to the Oklahoma list when Moore made a point after Eckstrom made a personal foul. Tipton then evened the score by making the first field goal of the game and the first score for Nebraska. Field goals by Ruppert, Wheeler and Moore gave the Oklahoma quintet a comfortable lead.

Black was substituted for Eckstrom in the Nebraska lineup. Klepser followed for Black and Smaha for Usher. Then the Nebraska scoring machine, with the cards 9 to 2 against them, started to work in earnest. Baskets by Tipton, Klepser, and Smaha, and two free throws by Klepser brought the score up to 9 to 10 in favor of Nebraska, a lead that was never lost. Tipton then made a long shot from the center of the court that entered the basket without touching the edge and then duplicated his performance. Klepser added one more field goal to the swelling Nebraska count. The first substitution for Oklahoma came just as the half ended when Honea went in for Ruppert. Score at the end of the first half was 16 to 9.

During the intermission a drill was presented by "Eighteen future Cornhuskers" under the direction of O. B. Anderson of the local Y. M. C. A. Nebraska started the second half with the same team that left the floor at the end of the first half, while Oklahoma had her original line-up.

Goodson slipped in a field goal within the first minute of play, and Smaha followed with two more. Numerous substitutions were made on both sides.

Tipton of Nebraska was high point man of the game with eleven points and Smaha was second with ten points. McBride, Oklahoma all-star forward, was unable to score.

The line-up:

Player	fg	ft	f	pts
Nebraska—				
Eckstrom, f	0	0	3	0
Usher, f	0	0	0	0
Goodson, c	3	0	1	6
Volz, c (C)	0	0	3	0

NEW ART INSTRUCTOR COMING

Theresa Emerson Is To Succeed Prof. Hermine Stellar.

Miss Theresa Emerson will arrive this week to take up her duties as instructor in drawing and painting for the second semester in the School of Fine Arts. She will succeed Associate Professor Hermine Stellar who will leave soon for Europe.

Miss Emerson won the \$1,000 competitive scholarship for her work in painting and graduated with honors from the School of Fine Arts at Syracuse University. She has just returned from fifteen months of study in Paris.

E. C. Tullis Speaks to Biological Society

Edgar C. Tullis, delegate to the National Convention of Phi Sigma, honorary biological society, addressed the local organization at its regular meeting last Thursday evening, February 5. He discussed the various proceedings of the convention in detail. Plans were also made for future meetings. Several guests were present.
