

GREEK CONTEST BEGINS MONDAY

(Continued from page 1)

A venture at the possible strength of the teams, shows Alpha Tau Omega, champions last year, strong again, but weakened by the fact that four of their best men are on the varsity squad this year. Sigma Phi Epsilon, second place winners last year, are as strong this year as last if not stronger, but they too lost to the varsity. Delta Upsilon will be heard from in the meet. They have a number of veterans from last year plus a group of promising freshmen. Alpha Sigma Phi always furnishes dangerous competition and will make a strong bid for first honors. Pi Kappa Alpha, who won third place last year as Bushnell Guild, will be strong too.

The meet begins under better conditions than the second annual meet conducted last spring. The interfraternity track meet at that time was postponed four or five times from the middle of the winter until the middle of spring.

It is certain to prove the dramatic event of the year and the management suggests the early purchase of seats to avoid disappointment.

THAT'S GOOD!

We hear this famous expression around here quite a bit these days, but of course not in the same connection.

It happens when the boys try on the new Kuppenheimer suits. Invariably, their comment is "That's Good!" usually with a strong adjective in between.
