

ACCEPTS ACTS FOR UNI NIGHT

Committee Decides on Seven Presented; Three More Will Be Selected.

ASKS TO HAVE ITEMS HANDED TO MEMBERS

Four twelve-minute acts and three curtain skits which will be produced, together with one additional curtain skit and two additional full-length acts, at University Night, annual "fun-fest" sponsored by the University Y. M. C. A., at the Orpheum and Temple Theaters, Saturday night, February 28, were accepted by the University Night committee Monday evening.

The full-length acts accepted will be presented by Corn-Cobs, Tassels, Dramatic Club, and an orchestra. The skits will be presented by William Norton, William Wright, Albert Miller and C. Holland.

Any interesting bits of news about the University or people in it, which is desired to have appear in the program, should be turned in to some member of the committee, according to Bennett S. Martin, '25, Oregon, Mo., general chairman.

Two full-length acts and one curtain skit will be selected at the next meeting of the committee, Monday, February 16, at Ellen Smith Hall at 5 o'clock.

DEBATE TRYOUTS COME THIS WEEK

Selection of University Teams Will Be Made Wednesday or Thursday.

Try-outs for the Nebraska debate teams which will meet Dakota will probably be held Wednesday or Thursday. These dates may be changed at the choice of the judges. Selection to a speaking position on either of the teams entitles the student to membership in Delta Sigma Rho, national honorary society for intercollegiate debaters.

The question for the try-outs and the two debates is: Resolved, That Congress should be given the power to overrule, by a four-fifths vote of both houses, Supreme Court decisions which hold acts of Congress unconstitutional.

The Nebraska-Iowa debate, in which Nebraska upholds the affirmative, will be held in Lincoln at the Temple theater, March 19. The Nebraska-south Dakota argument in which Nebraska has the negative, will be held the same day at Vermillion, S. D.

All students in good standing are eligible to compete and those desirous of doing so should arrange their work accordingly.

Order of speaking is to be decided by lot before the debate, and the time will probably be eight minutes because of the number of candidates. That Volta Torrey will be the first affirmative speaker was decided at a drawing made Monday.

THREE HUNDRED GO TO BAND CONCERT

University Musicians Give First Program of Series in Memorial Hall.

Three hundred persons heard the initial band concert of the season given by the University R. O. T. C. band Sunday afternoon at the Armory. Although the attendance at the concert was not as large as was expected, Director W. T. Quick said yesterday the concert would be continued through the second semester.

The program was prepared in an elaborate manner by the director of the band in appreciation for the students' sending the organization to Notre Dame last fall. Music-lovers were delighted with the selections given Sunday and it is thought that attendance will increase in future concerts.

A saxophone solo was given by Spencer Fairhead of Syracuse, Nebraska. It was the only solo number on the program.

The University of Nebraska quartet was to have appeared, but it was with the Glee Club in Kansas City Sunday. It will appear in other concerts.

Professor Quick stated that another concert of a similar nature was being planned for the middle of March, to be held at the Armory also. The last appearance of the band for the year will probably be at Antelope Park in May, if present plans work out successfully.

First "Journalism Week" Will Come February 17-21 at the University

Nebraska State Press Association and Writers' Guild Will Meet.

The first "Journalism Week" of the School of Journalism of the University of Nebraska will be held Tuesday to Saturday, February 17 to 21, in a combined program with the fifty-second convention of the Nebraska State Press Association and the first meeting of the newly organized Nebraska Writers' Guild. The University and the School of Journalism will be host to the visitors.

The week opens with seven addresses Tuesday and Wednesday at the School of Journalism on various aspects of newspaper work by Frank O. Edgecombe, editor of the Nebraska Signal, Geneva; J. G. Alden, editor of the York Republican, York; E. R. Purcell, editor of the Custer County Chief, Broken Bow; J. P. Furey, editor of the Cedar County News, Hartington; Mrs. Marie Weeks, editor of the Norfolk Press and president of the Association; W. A. Brown, editor of the Kearney Hub; and Field

Weir Shows Up Well in 50-yard Hurdles

Weir made Ivan Riley break a world's record in order to win the high hurdles at the K. C. A. C meet. He nosed out the famous Keeble of Missouri University who had been favored by dopsters to place second.

ENGINEERS HEAR C. J. FRANKFORTER

Chemistry Professor Delivers Quarterly Orientation Lecture.

"The Relation of Chemistry to Engineering" was the subject of the address by Prof. C. J. Frankforter of the chemistry department at the quarterly orientation lecture of the College of Engineering Saturday morning in Social Science auditorium.

Developments in chemical theory were discussed by the speaker. He outlined the contacts which such workers must have with engineering practice. Numerous examples illustrated the importance of metalurgy and metallurgy in making axes, explosives, rubber, leather substitutes, and similar products.

The value of a knowledge of chemistry and an appreciation of the size of the field was impressed upon the engineering students.

Orientation lectures are heard in Social Science auditorium at the beginning of each quarter. After this general lecture the students are assigned to smaller, rotating sections.

Seven Cadets Receive Reserve Commissions

Seven students who completed the advanced course in military science at the end of the first semester have received their commissions as second lieutenants in the organized reserve. They are Jay W. Hepperly, Norfolk; Donald P. Roberts, Lincoln; John H. Graebing, Lincoln; Amos K. Gramlich, Fort Crook; Carl H. Johnson, Lincoln; Edward C. Richardson, Lincoln; Henry H. Strickland, Lincoln.

Charles V. Warren, Cheyenne, Wyo., has received a certificate of eligibility and will receive his commission when he reaches his majority.

Manager Ole Buck. Friday evening a reception and "mixer" followed by entertainment will be given by the students and faculty of the school in honor of the visiting editors.

Various exhibits will be open during the week and visitors are invited to inspect the collection of paintings of New York City and the Nebraska Art Association's collection in the University art gallery. Guides will be furnished and explanatory lectures will be given to groups, if requested at the University Museum.

The four silver loving cups to be awarded in the 1924 contests of the Association and the competing papers will be on exhibition in the library and reading room of the School of Journalism. These four cups are the Community Service Cup, presented by the Omaha Chamber of Commerce; the Front Page cup, presented by the Hartington Community club, the Editorial cup, presented by the Lincoln Chamber of Commerce; and the Field Manager's cup, presented by Ole Buck.

(Continued on Page Two.)

OFFER FOREIGN AWARDS

Scandinavian Foundation to Help Advanced Students.

Traveling fellowships of \$1,000 are being offered by the American-Scandinavian Foundation for advanced students who wish to continue their studies in Scandinavian countries. Fellowships are being offered for a number of subjects. Work may be done in Sweden, Denmark, or Norway. The period of study is one academic year.

Candidates must have been born in the United States or possessions. It is desirable that they be college graduates, and each must submit a definite course of study. A knowledge of the language of the country in which they desire to study is desirable.

CURRY LEADS FINAL TALKS

Emphasizes Means of Continuing Discussions Groups After This Series.

DRAWN ILLUSTRATIONS FROM BIBLE PASSAGES

Means of continuing Bible discussion groups after the recent series of twelve meetings of the past week were emphasized by Dr. A. Bruce Curry, of the New York Biblical Institute, in the concluding talks of the series Sunday at the Temple. The week-end meetings were largely attended by delegates from the seven state colleges in Nebraska, while the earlier meetings were mainly for students in the University.

Continuing on the general subject for the whole series, Dr. Curry drew illustrations from biblical passages illustrating the living of "Life at Its Best." The Sunday afternoon passage was the tenth chapter of Mark.

Wants Meetings Followed Up. Following a short preliminary discussion of the chapter, Dr. Curry expounded the method of the Christ as evidenced in this chapter in the final presentation of his subject. He proposed to have his work followed up by the people who attended the last few meetings more than any other, as the group there was a selected group—selected as the group the Christ selected for the carrying of his message, according to the illustration of the sower and the reaper.

Dr. Curry traced the history of the Christian religious movement from its origin with the Hebrews, showing the similarity of the movements of the reformation led by Luther and his contemporaries and the initiation of the Christian movement 1900 years ago. The analogous nature of other attempts at reformation at various times in the history of the world was illustrated.

The need at present, not of such a change as a reformation, but a changing back to the higher ideals a bit obscured by modern times was strongly urged. The part that each student might play in this sort of re-bolstering up the Christian movement was emphasized.

In the morning session, Dr. Curry presented numerous printed pamphlets through which the student of the Bible might secure aid in his study. Hints about leading discussion groups were thrown out.

Dr. Curry will lead Bible discussion groups at the University of Colorado and at the University of Kansas in the next two weeks.

DARTMOUTH UNIVERSITY

Over a thousand guests are expected at the fifteenth annual winter carnival here. Elaborate plans are being made to make the event memorable.

PI KAPPA ALPHA LEADS IN MEET

Tracksters Run up 2284 Points on First Day; Delta Tau Delta Is Second.

STINER, SIGMA NU, IS HIGH-POINT MAN

Pi Kappa Alpha, scoring 1148 in the shotput and 1186 in the mile run for a total of 2284 points, led the field after the first day of the interfraternity mid-winter track meet. Delta Tau Delta placed second with a total of 1944 points and Sigma Phi Epsilon third with 1533 points.

Lonnie Stiner of Sigma Nu was individual high-point man of the afternoon. He made 892 points by putting the shot 38 feet, 6 inches. Anderson of Sigma Alpha Epsilon put the shot 36 feet, 7 inches for 754 points.

Moore of Pi Kappa Alpha was the fastest man in the mile race which he ran in 4:56 3-5 for 668 points.

Eight additional fraternities entered the meet Monday. The entry list is now eighteen, the same as last year. Several fraternities in the meet last year have not entered. Coach Schulte said yesterday that it will be possible for a fraternity to enter the meet today and make up the events run off yesterday.

A study of the results yesterday shows that every team scored in the shotput, which requires less preparatory training than the track events. In the mile run, which requires some weeks of training, the results were not so good. Six teams failed to qualify at all for the mile run, and the scores made by the rest were low.

Detailed results are posted on the Armory bulletin board.

Summary table of track meet results showing points for various fraternities like Pi Kappa Alpha, Delta Tau Delta, Sigma Phi Epsilon, etc.

AWGWAN FOR JANUARY OUT

Publication of University Humorous Magazine Held Up By Examinations.

COVER DESIGN IS MADE BY THIESSEN

The January edition of the Awgwan, University of Nebraska humorous publication, was placed on sale yesterday afternoon. The edition was held up several weeks because of examinations but future numbers will probably be out more on schedule.

This edition was dedicated to the faculty, and carried an appropriate cover design by Leonard Thiesen, '28. It pictured the absent-minded professor about to walk into an uncovered manhole. The cover was the first half-tone design used this year.

Contributions to this last copy were Irene Schrimpf, '25; J. Ward, Wray, '27; Lucile Laner, Constance Caraway, H. H. Branch, Jr., '28; Volta Torrey, '26; Norma Carpenter, '28; and Weldon Melick, '26. It has been asked by the editorial department that contributors get their copy to the office as early as possible before the edition goes to press.

Holmes Will Speak At Tuesday Vespers

Dr. John Andrew Holmes, pastor of First-Plymouth Congregational church, will be the speaker at Vespers this evening at 5 o'clock in Ellen Smith Hall. There will be special music in addition to the regular vesper choir. Dorothy Carr will lead the services, which all University women are invited to attend.

UNIVERSITY OF NORTH DAKOTA—A successful student campaign has recently been carried on at the University by Peter Burtress, senior in the school of journalism, for the abolishment of fraternity formal. The idea, when first proposed, met with little approval, but by a series of editorials, news stories, and personal interviews, Burtress was able to change the attitude of the college in six days.

Decide Universities too Complacent About Spiritual Life of Students

Representatives at Foreign Mission Convention Discuss Their Problem.

That the schools and universities of the United States are too complacent in regard to spiritual life and that the spiritual side of life is not given adequate attention were the sentiments of the student representatives at the Foreign Mission Convention of the United States and Canada, held in Washington, D. C., January 28 to February 2, according to Beulah Sundell, '25, Omaha, who was the Nebraska representative.

The primary purpose of the convention was to enlarge and deepen the realization of foreign missionary responsibilities and obligations.

Five thousand people attended the meeting. Only one hundred were students. Numerous speakers from all over the world discussed the problems of the mission field. President Coolidge voiced the assertion that "Missions could rise no higher than their sources" and brought out the fact that America is too prone to

send out missionaries who are not true Christians, but promoters of our own civilization. He pointed out that although we have much to give to these foreign peoples, we also have much to learn from them.

It was reported that the Christian missionary forces are slowly showing returns for their toil. In Turkey the conditions are growing better and a new leadership is being brought to light as a result of the Christian missionary movement. The people of the near-East are more plastic than they were before. Polygamy is considered bad form, women are lifting the veils from their faces, and the curtains are being taken down from between the men and women in the street cars.

In Korea, the conditions are becoming so improved that the missionaries are planning to leave the work in charge of the natives. In China, however, the field for mission work remains a large one.

Speakers at the convention included Calvin Coolidge; Dr. J. R. Mott, national Y. M. C. A. representative; Bishop Brent; and Dr. Axling.

ENGINEERS FORM NEW CLUB

Dean Ferguson Is Made Officer at Omaha Meeting.

Dean O. J. Ferguson of the College of Engineering is vice-chairman of the Nebraska Section of the American Institute of Electrical Engineers, which was organized at Omaha recently. P. M. McCullough, E. E. '17, was elected chairman, and Mr. Minard, secretary-treasurer.

The executive committee, consisting of the three officers, will meet in Lincoln soon to arrange the year's program of activities for the organization.

STUDENTS FILE FOR POSITIONS

Candidates May Register for Class Presidencies Until February 13.

IVY DAY ORATOR WILL BE CHOSEN

Filings for class presidencies, and the Ivy Day Orator will be received at the Student Activities office from now until February 13 at 5 o'clock. All filings will be kept sealed until that time, and any candidate may withdraw up until that date. The election will be held February 17.

All university students are eligible to vote for the Ivy Day orator, who will make the oration this spring.

Because of the resignation of Kathryn Warner and Frances Weintz, forced by the point system, two places are open on the Student Council. All students are eligible to vote for candidates for these positions. Because of the graduation of Dale Reynolds, there is a third vacancy on the council. Only members of the Pharmacy college may vote for the new member to take his place.

Council members must have made an average of seventy-five per cent to be eligible for office. This average must have been made the previous semester.

Election of members to the student publication board was changed until next spring. It will probably be held shortly before May 15, having been changed because it was thought members could be better chosen in the spring than at the present time.

Gives Demonstration To Chappell Teachers

Miss Opal Lewton, instructor in kindergarten-primary education, carried on a demonstration at Chappell last Wednesday, Thursday, and Friday. Miss Lewton introduced the latest methods of kindergarten-primary education to the entire teaching force and patrons of Chappell.

Says Ellen Van Volkenburg, Who Is To Read Barrie Play, Is Real Artist

"Very fine—a real artist—she has made a name for herself on Broadway," Miss H. Alice Howell, head of the dramatic department, said yesterday of Ellen Van Volkenburg who will read "What Every Woman Knows," a four-act play by James Barrie, at the Temple Theater Thursday evening. "She has achieved success by her exquisite grace and charm. Her intonation is very delightful—so very true."

The manuscript of the play has never been studied by Miss Van Vol-

Locke Equals World's Record at K. C. A. C.

Locke equalled the world's record for the 50-yard dash at the meet at Kansas City. His time was five and one-fifth seconds. Farley of Missouri also sprinted the distance in the same time in the first heat but was beaten in the finals by the Husker.

WILL LIMIT COMPETITION

Valley Teams Not to Invite Outside Schools to Meets.

No schools or universities outside the Missouri Valley conference are to be invited to participate in either the Missouri Valley indoor or outdoor meets this year according to a ruling made last Friday at a meeting of Valley coaches and athletic directors held in Kansas City.

The new ruling will limit competition strictly to Valley schools and the meets will be primarily conference affairs. Heretofore smaller schools in the territory of the Missouri Valley have been invited to the meets, with the right to win the Missouri Valley championship.

February Cadet News Comes Out This Week

The February issue of the Cadet News will be out this week, it was announced by the staff yesterday. The second issue of the papers will be off the press in time for the inspection officers to see, when they arrive this week.

Emmet Mason is editor and Victor Hackler is business manager of this publication, which made its debut several weeks ago. Floyd Stryker has been chosen circulation manager and will have charge of the distribution of the publication.

HUSKERS TAKE GAME 35 TO 29

Grinnell's Attempt to Come Back in Last Few Minutes Fails to Succeed.

TIPTON AND GOODSON LEAD IN THE SCORING

Using a fast attack against a fast attack, the Nebraska cagers last night won from Grinnell in a hard game on the Armory floor, 35 to 29. The Grinnell team gave Nebraska a hard fight and for a while in the closing minutes of play looked as if it would turn the tide of victory their way. The Cornhuskers led during the first half and at half-mark had the score on their side, 20-11.

Grinnell attempted their comeback after ten minutes of the last period had slipped by. Goals by Chase and Gelvin of the visitors cut down the score to 31-24 in favor of Nebraska. With six minutes to play Coach Kline substituted Smaha and Klepser for Usher and Black at forwards, and Anderson for Goodson at center.

The Grinnell score continued to mount and stopped only at 31-27. Playing a stalling game the Huskers staved off defeat and added a few points to their score.

The game started with a rush. Volz scored within the first thirty seconds of play. Gelvin, Grinnell captain, tied with a pair of free throws on Goodson's foul.

Coach Kline had started a new combination on the floor in Smaha and Eckstrom as forwards. Smaha, high-point man in the Oklahoma game, got a pretty basket when he received a hard pass on a dead run and shot a neat one from the side.

Both teams showed some pretty work in the first half. The Grinnell basketekers were using a defense which vied with that of Nebraska and held scoring down. The visitors were not so well versed in offensive and in that branch tendered the advantage to Nebraska.

Coach Kline sent in Klepser and Usher to form the forward wall in place of Smaha and Eckstrom. This combination finished the half and started the second frame.

Grinnell's attempted comeback and improved offense featured the second half. Gelvin and Moran led the attack and played a good brand of (Continued on Page Four.)

MUSIC TEACHERS TO STAGE CONVENTION

Well-known Artists Will Conduct Master Classes; To Hold Discussions.

The ninth annual convention of the Nebraska State Music Teachers' Association is being held at the Lincoln hotel yesterday, today and tomorrow. Master classes are being conducted by Oscar Seagle, baritone, Rudolph Reuter, pianist, Richard Czerwonky, violinist, and Jacob Kwalwasser, lecturer-pianist. Speakers from Lincoln and from towns in the state will discuss problems of interest to the music teachers.

Following is the program for yesterday and today:

- Monday Forenoon. 9—Registration of music teachers. 10—Assembly in ball room. 10:40—Welcome by Mayor Frank C. Zehrung. 10:50—Greeting by Mrs. Laura Schuler Smith, president of the Nebraska State Music Teachers Association. 11-12:30—Lecture and Discussion; "Scientific Tests and Measurements Applied to Music,"—Jacob Kwalwasser, head of the department of public school music, University of Iowa.

- Monday Afternoon. 1:30-2:30—"Suggestions from Psychology for Teachers of Music," Dr. Winifred Hyde, professor of psychology, University of Nebraska. 3:30—Myra Hess, pianist, at Temple Theater. 7:00—9:00—Registration for Monday evening master class conferences. 8:00—Community Concert, complimentary to the Nebraska Music Teachers Association; Lincoln city schools, orchestra, glee clubs, and piano ensemble—under the direction of H. O. Ferguson, director of music, Lincoln public schools.

- Tuesday Forenoon. 9:00-12:00—Master class conferences. Voice—Oscar Seagle, artist leader, garden room. Piano—Rudolph Reuter, artist leader, ball room. Violin—Richard Czerwonky, artist leader, Chinese room. 12:00-12:15—Photograph of separate master classes.

- Tuesday Evening. 8:00 Banquet in ball room. 8:30—Grand Concert, Pastors and Ballet House, Auditorium.
