

THE DAILY NEBRASKAN

VOL. XXIV—NO. 85.

THE UNIVERSITY OF NEBRASKA, LINCOLN, NEBRASKA, SUNDAY, FEBRUARY 15, 1925.

PRICE 5 CENTS

STATE EDITORS TO MEET HERE

School of Journalism Will Entertain Newspapermen and the Writers' Guild.

TUESDAY IS FIRST DAY OF JOURNALISM WEEK

Final arrangements have been made for the first Journalism Week, which starts next Tuesday morning and which is being held together with the annual convention of the Nebraska State Press Association and the Nebraska Writers' Guild. Students in the School of Journalism are urged by Prof. M. M. Fogg, director of the School, to attend all the sessions that they possibly can, especially those Friday afternoon and Saturday morning. Students having classes at those hours may be excused by applying at the office of the Executive Dean. The lectures Tuesday and Wednesday are to be in Social Science 107. Assigned seats for the members of the School are indicated on the bulletin board outside of U106 and at SS107. Journalism badges will be distributed to members to the School on Monday at U112 and on Tuesday from 8:30 to 8:50 o'clock at SS107.

Following the lectures given by Nebraska editors on Tuesday and Wednesday journalism students will be given an opportunity to question the speakers and engage in general round-table discussion. Approximately forty persons will be accommodated Thursday night and thirty-six persons on Friday night by sororities and fraternities of the University at their chapter houses. Arrangements by visiting editors for those courtesies may be made at the office of the director of the School.

One more cup has been added to the four to be awarded in the 1924 contests. It is known as the Nebraska Educational Journal's Cup and is presented by the Nebraska Educational Journal.

State editors may register at the hotel headquarters which opens at the Lincoln Hotel at 9:00 o'clock Thursday or at University Hall 112.

The two dining rooms in the northwest corner of the Temple cafeteria will be reserved for the guests of the University at 12:15 Thursday, Friday, and Saturday, and at 5:00 o'clock Friday evening.

The detailed program of Journalism Week follows:

Tuesday Morning, 9 O'clock.

The "Columbus"—Ole Buck, field manager, the Nebraska Press Association. The County Newspaper Editorial Page—Frank O. Edgcomb, Nebraska Signal, Geneva. A Ten-Letter Word Meaning Success—J. P. O'Furey, The Cedar County News, Hartington.

Tuesday Afternoon, 2 O'clock.

A Profession of Power and Purpose—J. G. Alden, The York Republican. Country Newspapering, A Woman's Opportunity for Service—Mrs. Marie Weekes, The Norfolk Press. The Development of the Weekly Newspaper in Nebraska—E. R. Purcell, The Custer County Chief, Broken Bow.

Wednesday Morning, 9 O'clock.

Newspapering in Nebraska—M. A. Brown, The Kearney Hub. NEBRASKA WRITERS' GUILD. The Dramatic Art Club Room, the Temple.

Keene Abbott, Omaha, acting president. W. B. Kerr, Omaha, acting secretary.

Wednesday Morning, 10 O'clock.

Organization meeting.

Wednesday Afternoon, 2:15 O'clock.

1. "The Meadowlark," by the Nebraska composer, Roy Lamont Smith, interpreted by Miss Henrietta Rees, Omaha, at the piano.

2. "Why Write Fiction?" A talk by Bess Streeter Aldrich, Elmwood, author of "Mother Mason."

3. Brief review of "Manito Masks," a book of Indian plays by Hartley Burr Alexander, Lincoln.

4. "Alas, That My Heart Is a Lute," vocally interpreted by the composer of the song setting, Mrs. Myron Learned, Omaha.

5. "Our Torchlight Procession," showing how the world is to be lit by books now in preparation. A report offered by George C. Shedd, Omaha, author of "Cryder."

Thursday Morning, 10 O'clock.

1. "Rhyming Cents with Sentiment," in which O. Lawrence Hawthorne, Omaha, is to tell about the writing of syndicate verse.

2. "Outdoor Fiction," a talk by Adam Breede, Hastings, with passages from his own stories to reveal his method.

3. "Nebraska Folk-Song," by Louise Pound, Lincoln, illustrated at the piano by Lenora Burkett-Van-Kirk, Lincoln.

4. "Editorial Ups and Downs" by Grace Sorenson, Omaha, publisher of Every Child's Magazine.

5. Two forthcoming books, "Red Hair and Blue Sea," by Stanley R. Osborn Blair; "Humorous Plays for

(Continued on Page Two.)

Engineering Alumni Visit Dean Ferguson

Three alumni of the College of Engineering have been recent callers at the office of Dean O. J. Ferguson. Earl A. Howard, C. E., '24, is now on development work for the R. Hardy Manufacturing Co. of Denver. Raymond A. Fulton, E. E., '17, is district manager of the Iowa Service Company, Red Oak, Iowa. Edward Y. Porter, B. Sc., '06, (Electrical Engineering Group) is distribution engineer for the Southern Sierras Power Company of Riverside, California.

RUTH JAMES DIES OF HEART TROUBLE

Pledge to Delta Delta Delta Succumbs Saturday at the Home of Aunt Here.

Ruth James, '26, Wayne, a pledge to Delta Delta Delta sorority, who had previously attended Wayne Normal, died at the home of her aunt, Mrs. G. O. Smith, jr., 1837 C street, at 2 o'clock Saturday morning. An attack of influenza several years ago left her with a weak heart. She was ill for about a week. Her parents came to Lincoln Wednesday and were with her when she died. Funeral services will be held at Wayne on Tuesday, February 17.

WORLD FORUM WILL HEAR COMMANDANT

Major Sidney Erickson Discusses "The Necessity for Preparedness."

The second of a series of three lectures on "Varying Views on Militarism" will be given by Major Sidney Erickson, before the World Forum luncheon next Wednesday noon at the Grand Hotel. His subject is "The Necessity for Preparedness."

The first lecture on the subject was given February 4, by Dr. A. Bruce Curry, New York City. He spoke on "The New Loyalty." The last of the series will be given one week from Wednesday by Rev. E. T. Inglis, pastor of the Vine Street Congregational Church. His subject has not yet been announced.

After these three lectures, discussions for and against military training at Nebraska will be given before members of the World Forum. The speakers have not been selected.

Joint chairmen of the committee in charge of the lectures are Robert Shields, '26, Wymore, and Mariol Flynn, '26, Ulysses. Meetings are held at the Grand Hotel each Wednesday at noon, and last until one o'clock. Twenty-five cents is charged for the lunch that is served.

ENGINEERS HEAR FOUR ADDRESSES

Orientation Lectures Given to Several Sections Saturday Morning.

Four lectures were given by the department of electrical engineering at the usual rotating orientation sections Saturday morning.

"The Wizardry of Wireless" was the title of a two-reel motion picture in the section conducted by Dean O. J. Ferguson of the College of Engineering. The film dealt with the development of signal communication, showing the beacon fire, heliograph, semaphore, Indian smoke blanket, wig-wagging, and electric telephone and telegraph. Animated drawings demonstrated the electric action and other apparatus employed in radio transmission and reception. The picture was intended primarily to assist those interested in the study of radio.

F. W. Morris, instructor in electrical engineering, lectured on the storage battery.

Public utilities were dealt with in another section by Dean Ferguson.

The fourth section was addressed by Mr. Morris in a discussion of electric lighting.

An inspection trip through the Lincoln Telephone and Telegraph Company was conducted by H. S. Kinney, instructor in electrical engineering.

GREEN PAPER WILL BE USED

Engineering Professors Announce Change in Color.

After experimenting with both white and green paper, professors in the designing department of the College of Engineering have recommended that green paper be used for drafting purposes in the future. Poor lighting facilities on the fourth floor of the Mechanical Arts building makes the change necessary.

ANNOUNCE LIST OF CANDIDATES

Student Activities Office Makes Public Names of Office Seekers.

POLLS WILL BE OPEN FROM 9 TO 4 TUESDAY

Names of those filing for class presidencies, Ivy Day Orator, and Student Council vacancies were announced by the student activities office yesterday. Elections will be Tuesday from 9 a. m. until 4 p. m., and the polls will be open in the basement of the Administration building on the city campus, and in Dean Burnett's office on the Agricultural College campus.

William W. Norton, '25, law, Polk, is the only candidate for Ivy Day orator. He is a member of Phi Alpha Delta, Leicester Hyde, Pi Kappa Alpha, Norfolk, and John Kleven, Alpha Theta Chi, McCook, filed for senior president.

Only two of three vacancies in the Student Council were applied for, and the extra chair will be held open until the next election in the fall. Dale Reynolds, pharmacy student, graduated and his place on the council is open. Harry L. Rife '25, Wray, Colorado, is the only candidate for the position. Dorothy Peterson, Gamma Phi Beta, Chicago, is the other candidate for the council.

Orr Goodson, Beta Theta Pi, Lincoln, filed for junior president; John Boyer, Phi Delta Theta, Pawnee City, filed for sophomore president, as did Paul Larsen, Delta Upsilon, St. Paul. The freshman presidential candidate is Newell Joyner, Alpha Delta, Broken Bow.

All students are eligible to vote for their respective class presidents, for the Ivy Day orator, and for all Student Council candidates except Harry Rife, who is from the Pharmacy College.

RIFLE TEAM DOES BETTER SHOOTING

Huskies Defeat Oregon Aggie Team But Lose to University of Iowa.

The Nebraska rifle team continued its upward climb in intercollegiate rifle shooting last week. The team score for the week was 3,568, an increase of 92 over the week before, but still 60 points less than was made last year in the second week of firing.

The Oregon Aggies were defeated in the first week of shooting, the final score being 3,439 to Nebraska's 3,476. Iowa University was reported winner earlier in the week. The University of Delaware was the other school on the schedule. The easterners used a different type of target and as a result there was no basis of comparison.

D. P. Roberts, shooting 97 prone, 94 sitting, 91 kneeling, and 87 standing, for a total score of 369, was high man for the week. R. M. Currier was second high with three points less than Roberts. Mark Fair again led in the prone position with a score of 99, but his standing and kneeling shooting lowered his total score.

The colleges on the schedule last week were Oklahoma A. and M., University of Oregon, and Syracuse University. The report from Oklahoma should arrive Monday or Tuesday, but the returns from the other two schools will probably not arrive until toward the end of the week.

Corps area shooting is going on in the gallery along with the intercollegiate firing. The Corps match targets must all be fired before March first. The eligibility rules for the Corps area match are not as strict as for the intercollegiate. Any member of the R. O. T. C., including freshmen, is eligible. Captain Eggers would like to have more men report for this shooting, especially the freshmen who made good scores in the required freshman shooting. The Corps match will afford excellent opportunity for practice with the team and should aid men in placing on the varsity rifle team next year.

The Hearst Trophy matches will be fired soon. The requirements are about the same as for the corps area match and Capt. Eggers has extended a call for additional men for this match also.

The individual scores for the second week of shooting completed Saturday morning are:

D. P. Roberts	369
R. M. Currier	366
P. E. Treadwell	365
W. Lamml	364
W. D. Dover	354
H. Shafer	352
D. D. Lewis	351
E. L. Plotts	351
R. F. Kossek	348
Mark Fair	348
Total team score	3,568.
Average per man	356.8.
Average last week	347.6.

Louise Pound Will Lecture at Fremont

Prof. Louise Pound of the department of English, will give a program before the Woman's Club of Fremont, Monday, February 16. She will be accompanied by Mrs. Lenore Burkett-VanKirk, director of the Trinity Church choir, and music director at Cotner College.

WILL OBSERVE CHARTER DAY

To Broadcast Program for Alumni from Westinghouse Station at Hastings.

MANY ALUMNI CLUBS PLAN TO LISTEN IN

The third annual Charter Day program will be broadcast at 7:50 o'clock tomorrow evening over Westinghouse Station KFKX at Hastings, where it will be sent by long distance telephone from the microphones installed in the Art Gallery. Whether or not University Station WFAV will also broadcast has not been decided.

Alumni clubs throughout the country have been invited to listen in on the musical program and the Charter Day addresses. Programs have been mailed to all alumni. The program last year was heard in every state in the Union.

Following is the program: Music by University Band. Message from Chancellor S. Avery. Song by Men's Quartet. Message from Erle Campbell, president of the Alumni Association. Song by the Girls' Octette. Song by Men's Quartette. Message from Henry F. Schulte, track coach. Song by Girls' Octette. Message from Ed Weir, Nebraska's All-American tackle. Song by Men's Quartette. Greetings from faculty members; Guernsey Jones, professor of English history; L. A. Sherman, dean of the Graduate College and professor of English literature; Robert H. Wolcott, professor of zoology; Louise Pound, professor of English; Grove E. Barber, professor of ancient languages; Lawrence Fossler, professor of modern languages. Song by the Girls' Octette. Greetings from faculty members; E. H. Barbour, professor of geology; A. L. Candy, professor of mathematics; G. R. Chatburn, professor of applied mechanics and machine design; Clara Conklin, professor of modern languages; James Stuart Dales, '73, recording secretary of the Board of Regents and secretary of the University Senate. University Orchestra "sounding off."

Students to Participate. More than 125 students will take part in the program. This is the third year in which the broadcasting of a program has replaced the track meet which formerly marked the traditional day.

Thirty-seven alumni clubs of the University will hold special meetings tomorrow to celebrate Charter Day. Addresses and programs at the individual club meetings will supplement the radio program. Professor F. W. Upson will speak at Sioux City, Ia.; Professor Morrow Fling will speak at Alliance; Professor Philo M. Buck and Director of Athletics Fred T. Dawson will address the Grand Island club.

The Conservation and Survey division of the University has sent out moving picture films and slides to alumni clubs celebrating Charter Day. Slides depicting campus life were sent to Helena, Mont., and films were sent to Pittsburgh, Penn., and Cleveland, O.

Jayhawks Have Close Call at Columbia

Columbia, Mo., February 14—Missouri's basketball team threw a scare into the leading Kansas Jayhawks here tonight when they forced Kansas to go the limit to win, 23 to 22.

Kansas' defeat of Washington Thursday was also by a narrow margin and it looks as though the Huskers should have a chance to win from the Jayhawks next Tuesday at Lawrence, unless Missouri has enjoyed a spectacular improvement.

Ecclesia Initiates Thirty-five Women

The Ecclesia club held initiation services recently at the home of Mrs. A. A. Coats. The club is a new organization on the campus. It is composed of University women of the Christian Church. About thirty-five women were initiated.

TO PICK CAST FOR "TUT-TUT"

Kosmet Klub Will Make Selections for Comedy To Be Presented This Spring.

WILL HOLD TRYOUTS ON FEBRUARY 23, 24, AND 25

A cast of fifty people will be chosen next week for the two-act musical comedy, "Tut-Tut," by Cyril L. Coombs, which will be produced by Kosmet Klub at the Orpheum theater April 24. The tryouts will be held February 23, 24, and 25 in Dramatic Hall on the third floor of the Temple.

There are sixteen principal parts in the play. Two choruses, one of sixteen men and women and a pony chorus of ten girls, will support the leads. The principal parts are mostly comedy characters.

Lucifer, the black-faced comedian, will take the leading comedy part. He sings "On The River Nile," one of the feature songs of the comedy which was introduced by Orville Andrews at the Pan-Hellenic formal in January.

The two juvenile leads, Mary Ann, a soprano, and Lieutenant Ogden of the U. S. Navy, a tenor, have a number of solos and chorus leads in the play.

Professor Wherishe, an eccentric professor and archeologist, is another lead. Mrs. Wherishe, his wife and Prunella Wherishe, his daughter, a maiden lady with matrimonial tendencies, do their best to suppress his "digging" desires. Judge DeCision carries another eccentric comedy part.

Ahah and Mahav, two Arabian business men, have important work, as have Enarb, an Arabian sheik, and his lady friend, Esneba. Mahif, a bazaar keeper, helps to produce the excitement in Arabia. An important singing part, Tut-ank-amen himself, requires a bass soloist.

The play is of six scenes laid in five places. The first scene is the country home of Professor Wherishe and from there the action goes to the steamship "Acrobatic," to Port Said, Cairo, and Tut-ank-amen's tomb. Some novelty will be seen in the play and special scenery will be required.

Applicants may try out singly or in groups and have five minutes for their presentation. The judges of the tryouts have not yet been selected. Further announcement will be made this week by the Kosmet Klub.

DISCUSSES VALUE OF CLAY PRODUCTS

F. F. Gerber Speaks to Small Audience at Engineering Convocation.

F. F. Gerber, representing the Clay Products Association, of Chicago, gave an illustrated lecture on clay products at an Engineering convocation, Friday morning at the Temple theater. The lecture and pictures were interesting, but the audience was rather small.

In his first film, "The Romance of Clay," Mr. Gerber showed the disintegration of rock into clay and then showed how the clay was manufactured into sewer pipe and similar products. The course of the material to the finished product was shown by the film and clearly explained by the lecturer. The second film, "Matters of Health," depicted the advantages of using sewer pipe in every community, as a matter of sanitation.

Mr. Gerber, who is giving his lectures throughout the country, is sent out by a company backed by the largest sewer pipe and clay concerns in the country.

Two Scholarships Offered by School of the Little Theater

Undergraduates May Attend Sixth Summer Session at Gloucester, Mass.

Two free scholarships open to undergraduates of American schools and colleges are being offered by the Gloucester School of the Little Theater, located in Gloucester, Massachusetts, for the sixth summer session. This session is to be held during the months of July and August of 1925.

Courses in public speaking, pantomime, acting, stage directing, lighting, scenery, and playwriting are being offered and the school conducts its own experimental theater where weekly performances are given as practical application of the matter

Instructors Return After More Study

Miss Grace Morton, head of the textiles and clothing division of the department of home economics, and Miss Beulah Coon, head of vocational education in home economics, who were on leave of absence during the first semester of this year studying in Columbia University, returned to the University to resume their work the beginning of the second semester.

START GYM CLASS FOR FACULTY MEN

Dr. Clapp Expects From Twelve to Fifteen To Work Out Each Day.

Definite announcement was made Friday by Dr. Clapp, professor of physical education, that a faculty men's gymnasium class would start Monday noon. The organization of the class has been agitated by several of the men of the University faculty and Dr. Clapp stated that he expected from twelve to fifteen out each day.

The class will be conducted in the gymnasium at the same time every day in the week, and although those in charge do not expect each member to be there every day, they do expect a fairly good turn-out. Letters which have been sent out from the physical education office to each faculty member fully explain the class and its purposes.

R. O. T. C. INSPECTED BY ARMY OFFICIAL

Major Hester Is Well Pleased With Showing Made by Nebraska Cadets.

Major Hester, R. O. T. C. inspector from the office of the Chief of Infantry at Washington D. C., stated yesterday that he was highly pleased with the showing made by the Nebraska unit. He based his remarks upon a two-day inspection of the military department.

In speaking of the showing made the Major said, "I had heard of the work being done here, so I inspected the unit thoroughly and was highly pleased with what I found."

The Major saw the R. O. T. C. unit in its usual class routine. No special demonstrations were made. He visited class and drill periods Friday and Saturday. As a result, no false impressions were gained as to the knowledge and instruction of the students.

Major Hester stated that while he had not visited the other schools of the 7th Corps Area he considered the unit here one of the best in the United States. In speaking of the chances to retain the gold star here after the spring inspection he said, "I found the unit here developed far beyond expectations. It will make any of them go some to beat Nebraska."

Major Hester stated that there were three general conditions at the Nebraska university which were responsible for the development and standing of the unit. "In the first place the work of the officers under the direction of Major Erickson has been a potent factor in the development of military science by the Chancellor, the Dean, and the faculty has been a wonderful help. Then, of course, the loyalty and interest the students have taken in the work here have done much to put the unit in such a high standing."

This was Major Hester's first stop on a three-weeks' tour of the middle west R. O. T. C. units, which include Minnesota, Missouri, and Iowa, of the Seventh Corps Area. His report goes to the central offices at Washington and has no bearing on the Gold Star inspection to be held in the spring.

P. K. A. WINS IN FRAT CONTEST

After Holding Lead From Start Pi Kappa Alpha Victorious in Track Meet.

DELTA TAU DELTA IN CLOSE SECOND PLACE

Pi Kappa Alpha continued its lead Friday and Saturday in the interfraternity track meet, and won the third annual mid-winter contest after leading every day from the start. A grand total of 18,199 points was accumulated by Pi Kappa Alpha.

Delta Tau Delta, consistent second place team during the meet, pressed the winners hard up to the last day and cut their lead down to a bare 123. For a while, when Davenport of the Delta Tau Delta team was making high marks in event after event, it looked as if Pi Kappa Alpha might be pushed out of first place. 18,076 was the final Delta Tau Delta score.

Sigma Phi Epsilon held the field below the two leaders. They were quite a way down the line in points though. Their score of 15,232 was almost three thousand below Delta Tau Delta's.

Alpha Sigma Phi pushed forward in the last two days from seventh place to fourth. They were only 627 points below Sigma Phi Epsilon when the meet ended.

The individual high point man of the meet was Davenport of Delta Tau Delta who made 4286 points for his fraternity. Wyatt of Kappa Sigma comes a close second with 4224 to his credit.

Four records established last year were broken in the meet this year and two others were equalled. Avard Mandary, Alpha Tau Omega, broke the broad jump record when he jumped 21.8 1-2. Stephens, his running mate, equalled the former record.

Three men, Avard Mandary, Alpha Tau Omega, Bequith and Davenport of Delta Tau Delta, each broke the meet record in the 50-yard dash. Davenport of Delta Tau Delta and Moore of Pi Kappa Alpha lowered the half mile record one and four-tenths second.

Davenport, Wyatt, Kappa Sigma, and Scherrick, Sigma Phi Epsilon, broke the meet record in the 440-yard dash, and topped the mark set as standard for the pentathlon system of grading. Each made over 1000 points.

Wyatt, Kappa Sigma, equalled last year's low hurdle and high hurdle records.

In the 660-yard dash, a new race in the meet, time close to that set for the standard for grading was made by several men. The closest was by Davenport of Delta Tau Delta, who came within one-fifth of a second. Fetterman of Alpha Sigma Phi was also close, as was Moore of Pi Kappa Alpha.

Pi Kappa Alpha, winners of the meet, made over 1100 points more than was made by Alpha Tau Omega, winners last year. Delta Tau Delta in second place made about 4000 more than Sigma Phi Epsilon made last year in second place. Sigma Phi Epsilon, third place winners, made more in that position this year than they did in second place last year.

The standing of the teams at the close of the meet:	
Pi Kappa Alpha	18,199
Delta Tau Delta	18,076
Sigma Phi Epsilon	15,232
Alpha Sigma Phi	14,605
Sigma Nu	14,508
Sigma Alpha Epsilon	13,756
Alpha Tau Omega	13,266
Farm House	13,153
Alpha Gamma Rho	12,010
Alpha Theta Chi	11,285
Silver Lynx	10,993
Kappa Sigma	10,957
Beta Theta Pi	8,948
Delta Upsilon	8,912
Pi Kappa Phi	7,871
Phi Kappa Psi	7,529
Delta Chi	7,220
Mu Sigma	7,161
Phi Delta Theta	6,340
Phi Tau Epsilon	1,592
Omega Beta Pi	520

TO GIVE SENIOR RECITAL

Miss Evangel Hibben will give her senior organ recital Monday evening at the First Baptist church. Miss Hibben is a pupil of Miss Burlington Ross of the University School of Music.

Following is the program:
Bach—Toccata.
Baldwin—Sonata, C minor, Opus 10; Allegro patetico; Adagio; Allegro assai.
Dunn—Pilgrim Suite; Peaceful Days; America Triumphant.
Lemare—From the Southland.
Rinsky—Korsakoff—Chanson Indoue.
Rubinstein—Lemare—Reve Angeliqne.
Guilmant—Marche Religieuse.
