

ANOTHER TRACK RECORD BROKEN

Houdersheldt Makes New Time for 660-yard Run on Indoor Track Wednesday.

MANY NEW MARKS ARE SET DURING LAST WEEK

Another record fell in the Wednesday workouts for track on the new indoor track when Houdersheldt of Columbus set a new record for the 660-yard run by completing the distance in one minute, twenty-seven seconds. This is the third record that has fallen in the last week. Wirsig set a new indoor pole vault mark Saturday with a leap of 12 feet, 3 1/2 inches, while Roberts broke a record of four days standing when he ran the 880-yard run in 2 minutes, 2 seconds, or 2.5 of a second under the time set by Beckord Saturday.

With over three hundred men out for track this spring, the competition is becoming keener and new material is being found. Records of last season for the indoor track have been lowered consistently in all the events but the shot put and the high jump. These two indoor events are the weak points of the Husker team.

Avard Mandary has been doing some consistent broad jumping this spring and seems to be one of the best logical contenders for this event when the outdoor season opens up. Mandary has made a leap of 22 feet, 1 inch, this season and may make the trip to Urbana.

John Rhodes will enter the all-around championship event which includes the 75-yard dash, 75-yard hurdles, 16-pound shot put, pole vault, high jump, broad jump, and the half-mile run. Ed Weir is entered in both the high and low hurdle races. Roland Locke will run the 75-yard dash and the 300-yard dash.

The only relay team the Huskers are taking is the medley team, composed of Captain Crites and Dailey in the 440-yard runs, Beckord in the 880-yard, and James Lewis, running last, will do the mile. The Huskers won this event two years ago. In the pole vault two Huskers will probably make the trip. Both Gleason and Wirsig have been doing better than twelve feet in practice.

Coach Schulte will run the 2-milers in a time trial at 3:30 today, and then again at 5 o'clock. These will be the first trials for the Varsity distance men in this event this season. Last season's cross-country men: Zimmerman, Lawson, Ross, Johnson, Hays, and McCartney are included in the list of competitors.

HOLD TRYOUTS FOR MAT TEAM

Blore and Lundy Are Winners in 115 and 158-pound Matches Yesterday.

HUSKER MEET GOPHER GRAPPLERS THIS WEEK

Richard E. Blore and Albro Lundy were winners yesterday in the wrestling team tryouts in the 115 and 158-pound divisions. Blore had a time advantage of six and a half minutes over Hudson, and Lundy bested Brannigan three minutes and thirty-two seconds in the 158-pound class.

Preliminary tryouts were held in the 135-pound class. Zimmerman, McCoskey, and Luff wrestled in five-minute matches. Coach R. G. Clapp will make the final decision in this class after further tryouts.

Albro Lundy, 158-pound class, will wrestle for Nebraska in that division Saturday against Minnesota in the dual meet if he is eligible. If Lundy is not available for the team, Brannigan will be entered. Coach Clapp said yesterday that Highley would wrestle in the heavyweight and Brainerd in the 175-pound class if Lundy can wrestle in the 158-pound

division. If he can not enter, Brainerd and Highley will change places. Nebraska should beat Minnesota Saturday according to a comparative record of the two teams against Iowa. Minnesota was defeated by Iowa two weeks ago in a dual meet, in which Iowa gained four falls, and one decision. The Iowa victory over Nebraska was made by four decisions and two falls, and the score was not as large as against Minnesota. Minnesota has been beaten every year in the past by Nebraska except last year when the Gophers won by a narrow margin.

LUCK!

You students certainly are in luck to have the opportunity of riding to school in groups of five all for the price of one person.

The YELLOW CAB COMPANY always desirous of giving the most for the money in every way have decided to arrange it so that students who have a long distance to go or those who are in a hurry may ride very economically.

Five students may ride for the price of one now.

For example five girls from the Alpha Omicron Pi house at 21st and Washington Streets may ride to the Campus for approximately 75 cents making it 15 cents apiece.

Think of the satisfaction, speed, comfort and sureness with which you can make your eight o'clocks.

Listen, men! this makes it the cheapest to go to and from parties.
