## SENIORS DEFEAT JUNIORS TUESDAY

Take Third Place as Result of 13 to 10 Victory—Final Game Today.

The seniors won third place in the rankings of the women's class basketball tournament when they managed to basket 13 tallies to the juniors' 10 yesterday at 5 o'clock on the big floor in the gymnasium. Though the score of this game was closest of all of the games played thus far, the game was not so interesting. The playing was less finished and controlled.

As a combination for centers Lucella Reckmeyer and Louise Branstad were unbeatable. Ella Nuernberger's guarding was excellent. She intercepted several passes and held her forward from scoring.

In the last few minutes of play the juniors rallied and scored six points. Until that time the seniors were able to hold them to a small score.

Today at 5 o'clock the freshmen will meet the sophomores in the final game of the tournament. The results of this contest will determine the class championship.

Following was the lineup for the junior-senior game:

Juniors—	Pos.	Seniors
Sturdevant	f	Ganzel
McFerrin, E.	f	Shively
Wohlford (C)	c	Reckmeyer
Pfeiffer	sc	Branstad
Hymmer	g	Quinn
Freeman	g	Nuernberger

Referee—Wheeler.

Scorekeeper—L. Fisher.

Timekeeper—Dickinson.

Substitutions—Senior: Gulick for Ganzel, Fisher (C) for Quinn, Quinn for Branstad, and Branstad for Gulick. Junior: Hymmer for Pfeiffer.

## PRACTICE HALTED BY COLD WEATHER

Hope to Resume Baseball Workouts Today—Sweat Suits Already Issued.

Although baseball practice started in earnest Monday afternoon, it had to be abandoned yesterday because of the cold weather. It will be resumed outside today, it is thought, and when the women's basketball meet is over, it will be held in the Armory on cold days.

Sweat suits have been issued to Varsity men, and the equipment, which has arrived, will be given out soon. Interest in this sport this year is greater than ever before, Coach Kline said yesterday, and a large squad is all ready to come out on the first warm day. Freshmen will be issued suits and permitted to be on the field as soon as the regular squad is started.

## SWIMMERS WILL NOT ENTER MEET

Nebraskans Will Not Compete in Valley Competition Due to Lack of Funds.

Because of a lack of funds, the Athletic Board of Control has decided that no Nebraska swimming team will be sent to the Missouri Valley meet this week. The competition is to be held at Washington University this year, and because of the great distance the Cornhuskers will not enter.

Dr. Clapp said yesterday that the team would have a good chance to place if it could be entered in the match. Only two other meets have been entered this season, and no more are in sight. The members of the team are working out daily.

## GRIDSTERS ARE TOUGHENING UP

Intensive Work Under Coach Bearg Showing Effects on Men in Practice.

### USING ONLY SIMPLE PLAYS AT PRESENT

Two weeks of practice have toughened up Husker spring football candidates, and the scrimmages are beginning to look like the real things before the important battles in the fall. More signal practice and lots of scrimmage of the Bearg sort was on the program yesterday. Coach Bearg lined up two teams, red jerseys on the offensive, and blues on the defensive, for the scrimmage period of almost two hours.

Some idea of the effectiveness of Bearg's new methods can be obtained from work of the offensive red-clad team in the scrimmages. Using only a few simple rudimentary plays as the ground work for later plays, the red team time and again made long gains through the blue line of the defensive eleven. As red-clad backs wriggled their way through close fields, or swept by through open gaps, there would sound across the field Coach Bearg's encouraging cry, "Go, red shirt, go."

"Go, red shirts, go" is a good summary in itself of Bearg's driving methods of intensive football training. After an afternoon of scrimmage under Bearg, the men know

west that Keith Lloyd, former Nebraska sprinter now at the University of Southern California, has been barred from future amateur athletics for having accepted a referee's fee at a football game last fall. Lloyd was one of the fastest sprinters in the country, making the century in 9.9 regularly.

New "Big Ten" standings posted for the one-lap distance, still maintain the old high three, Locke, first, time 28.1, Crites, second, 28.4, and Bill Hein, third, 29.5.

that they have been out for spring football.

Coach Bearg used two teams yesterday, picking out for the first team the men who have been showing up extra well. The line on the red team was pivoted at center by Zuver, who was supported at guards by Keller and Kase. Randall and Raich were the tackles on the first team and McIntyre and Gillen were ends.

In the backfield, Bearg used different combinations of the following six men: Brown and Prensell were at half-back stations, Vores and Bushnell alternated at full-back, and Stevens and Shostak were quarters. Later Brown was switched to quarter and Stevens put in at half.

The second team which played on the defensive most of the afternoon consisted in the main of the line

which was composed of Dover and Shaner at ends, and Simons at tackle, and Dunker, Rock, Whitmore and Douglass in the other positions. Choppy Rhodes was in moleskins yesterday, practicing kicking and punting. He and Stevens worked out in this department of the game after the main squad turned in.

The open practice session and possible practice game announced yesterday for next Saturday afternoon may be called off, Coach Bearg stating yesterday, on account of the fact that the Missouri Valley wrestling meet finals will be held at the same time at the Armory.

O. D. Byrne, candidate for end position dislocated his hip in the practice yesterday. The injury is not serious and he will be out again in a few days.

## Which Point Will You Have?

- 1-Extra fine like this
- 2-Fine like this
- 3-Medium like this
- 4-Broad like this
- 5-Stub like this

You can get all five degrees in the Classic Duofold Pens

And All Points Guaranteed for 25-Years' Wear

FOR what kind of writing do you use a pen? How do you hold it? And what style of writing is entirely natural to your hand? Close figure work or fine memoranda, for example, call for a fine or an extra-fine point. But the medium point, the broad, or the stub—these give one's penmanship a personality and character that make mighty valuable impressions in a letter or a signature.

These are reasons why, in the classic Duofold Pens, Geo. S. Parker gives the world the whole five degrees of points that the five degrees of writing require.

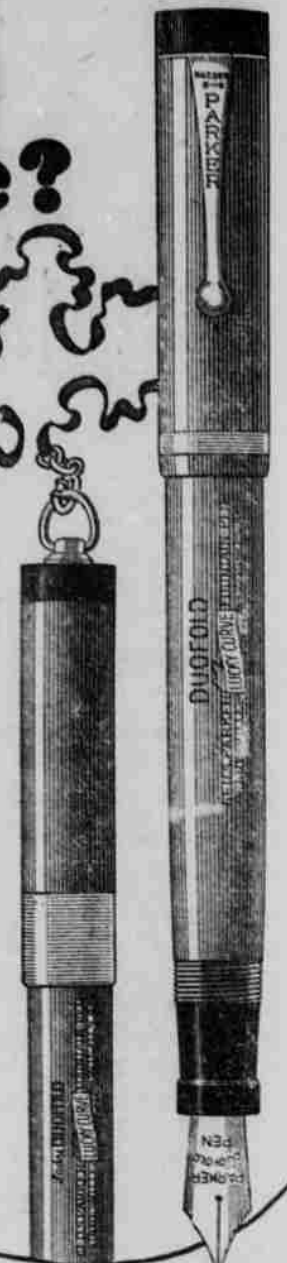

Points you can lend without a tremor, for no style of writing can distort them. Points that are tipped with super-smooth Iridium, for which we pay a premium of 200%. Points that we guarantee, if not misused, for 25 years' WEAR.

And every point set in a shapely, hand-balanced barrel that feels so inspiring you hate to lay it down.

Any good pen counter will sell you this beauty on 30 days' approval. Flashing black or black-tipped lacquer-red, the color that's handsomer than gold and makes this a hard pen to mislay.
