

## SQUAD GIVEN SCRIMMAGES

Review of Fundamentals Given Men Out for Spring Practice.

### BEARG WILL WORK ON FORWARD PASS TODAY

A review of fundamentals and a varied assortment of scrimmage occupied the time of Husker spring football candidates yesterday. Coach E.E. Bearg had two full teams battling away in scrimmage at the end of the period, and another set of linemen running signals. The practice today will be on forward pass formations.

The backfield quartet on the first team yesterday was made up of Brown, Presnell, Stevens, and Oelrich. In the line were Grow at center, Rock and Keller, guards, Raisch and Randels, tackles, and McIntyre and Shaner, ends.

On the second team Shostak, Armour, Schram, and Wickman formed the backfield. Gross was at center supported at guards by Kuska and Whitmore, and at tackles by Casey and Douglas. Ends were Dover and Howell.

Some hard work on forward passes is going to be on the schedule this afternoon and succeeding days as Bearg wants to develop some good passers in the backfield and good receivers at ends, and in the backfield, before the season opens in September.

The plays used in the daily workouts are interspersed more freely with open formations, trick plays, and forward passes than has hitherto been the custom of Nebraska football teams. This is all in line with the Illinois system of play that Bearg is introducing.

The first open practice scrimmage will be held next Saturday at 3 in the afternoon. The snow storm last Friday prevented the open practice scheduled for the benefit of the visiting high school basketball players. The scrimmage will be on the field south of the stadium field, and spectators will be asked to watch from the north and east sides.

Coach W. G. Kline

Coach W. G. "Bill" Kline has been at Nebraska two years. Charging the Husker five from a second division team into a championship contender has made Coach Kline's record an enviable one. When he came to Nebraska from Florida University in 1923, Coach Kline was faced with a Husker basket team which was in fifth and sixth place most of the time. Last season the team finished in third place and this year gave Kansas a real run for the championship, finishing second.

Coach Kline has left off basketball only to start developing his baseball team, of which he is coach also.

### TENNIS COURTS OPEN SOON

The tennis courts will be open for play in two or three weeks and net fans may begin oiling up joints for tennis competition. Announcement made by Dr. R. G. Clapp yesterday stated that the courts will be worked on in the next few days and ready for occupancy in a short time.

It is not definitely known whether Nebraska will enter tennis competition with a team this year. Facilities for work and material will probably decide that.

Doubt was expressed by Dr. Clapp as to the possibility of a golf team for Nebraska. "The athletic board may decide not to enter a golf team in any meets," he said, "but nothing definite has been done."

## ANOTHER FIELD DAY PLANNED

Track and Field Numeral Athletes Compete Again This Afternoon.

### SCHULTE ANNOUNCES MEN FOR NEXT INDOOR MEET

Coach Henry F. Schulte's track and field numeral athletes will have another field day this afternoon in the second Red, White, and Blue tricolor meet at 4:15 on the Stadium indoor track. The main middle distance runs will be in the odd distances—330-yard dash, 660-yard mile run, and mile and a half run. The first varsity tryouts in the javelin and discus events for the outdoor meet in April with Stanford University, will also be held during the afternoon.

Fifty-six aspirants for Nebraska's future track teams will compete in the Red, White, and Blue tourney which is an innovation in Nebraska track training started this year by Schulte. The teams are composed of numeral men who have not competed on the varsity. Some of the freshmen on the teams are of first-class varsity material, and some new varsity records may be set up this afternoon in some of the events. Searles, freshman two-miler, and Roberts, half-miler, held the track records for a time this winter.

Benches for spectators will be provided inside the track and on the balcony. The track events start at 4:15 with the three-quarter mile run, followed by the 330-yard and 660-yard dashes at 4:30 and 4:45. Field events will be held simultaneously beginning at 4:15.

Coach Schulte announced yesterday the sixteen men who will represent Nebraska at the Missouri Valley indoor meet at Kansas City. They are: Locke, Dailey, Weir, Reese, Krimmelmeyer, Rhodes, Wirsig, Crites, Lewis, Cohen, Zimmerman, Ross, Houdersheldt, Scherrick, Lawson and Davis.

Captains of the Red, White and Blue teams are Joe Weir, red team,

Arthur Latta

"Art" Latta is this year's basketball manager. He succeeded Adam Kruger, who held the position for two years. Latta is well known in campus circles and is a senior in the College of Business Administration. His home is in Tekamah.

He is president of the Kosmet Klub and was vice-president of Vikings, junior men's honorary society, last year. He sings with the University Glee club.

Latta is a member of Phi Gamma Delta.

Davenport, white team; and Bushnell, blue.

## TWO WRESTLERS LEAVE FOR MEET

Lundy and Brannigan Will Represent Nebraska in Western Contests.

Nebraska's representatives in the Western Intercollegiate wrestling association individual championships left this morning at 5 o'clock for the University of Minnesota. Lundy and Brannigan, the only Husker men entered; will reach Minneapolis this evening and compete in the preliminaries tomorrow.

Lundy will wrestle in the 158-pound class and Brannigan in the 158-pound division. They were the only two men left on the Nebraska squad after injuries and ineligibilities had taken their toll.

Captain Dale Skinner crawled into tight Tuesday evening but could not wrestle, so all hope was abandoned of his competing at Minneapolis. He was injured in the Minnesota meet.

Blore, 115-pounder received a leg injury two weeks ago which put him out of the running and Highley was injured in the Missouri Valley meet last week, making it impossible for him to go to Minneapolis.

Toof, hurdles, high jump; Voris, hurdles; Hyrd, shot put, discus; R. Mandery; Sprague, Hendricks, 440; Johnson, H. L., 440; Watke.

Blue: Ballah, mile; Conklin, 880; Hulsker, broad jump, high jump, sprints; Kelly, 880; Krimmelmeyer, shot put; Moore, two-mile; Presnell, hurdles, sprints; Runsey, hurdles, sprints; Varney, 440, hurdles; Wyatt, hurdles, sprints, broad jump; Spieve, high jump; Bushnell, mile; Wilson, 440; Chambers, pole vault; Dick Johnson, Swanson, Cronk, 880.

## Huskers Who Starred On 1925 Team

Captain "Mutt" Volz

Captain "Mutt" Volz was chosen by Missouri Valley coaches as guard on the mythical all-Missouri Valley team. Many amateur selections also have given him that honor. Volz is leaving the Nebraska court this year.

"Mutt" is a senior in the College of Business Administration and a member of Phi Gamma Delta. His home is in Omaha.

Willard O. Usher

"Bill" Usher is the diminutive forward who was captain of the 1924 team and who is always in there worrying the opposing guards. Usher, in spite of his handicap in size, manages to drop a few baskets almost every game.

Usher has played his last year for Nebraska. He hails from Lincoln and a member of Alpha Sigma Phi.

Orr Goodson

Orr Goodson is another Cornhusker who will not return to Nebraska for basketball next year. His loss will be noticed around the center position.

Goodson won a place on the all-Missouri Valley team chosen by the coaches of the conference. His selection for center on the "all" team was practically general, as the sports editor of the Kansas City Star also gave him that honor.

Orr is enrolled in the College of Business Administration and is a member of Beta Theta Pi.

Milo Tipton

Milo Tipton, Varsity guard, comes from Tabor, Iowa. He played his third and last year on the Varsity squad this year, and though he will still be back at Nebraska in the College of Law, he will be ineligible for Valley basketball.

Tipton is rated as one of the best guards in the Valley. The Sports editor of the Kansas City Star selected him as captain of the second team, and the official coaches' selections gave him second team guard. He is a member of Alpha Sigma Phi.

Merritt J. Klepser

Merritt J. Klepser, forward on the 1924 Varsity squad, comes from Omaha where he was captain of the Central high school team. Klepser got into many of the games this year, being paired a great deal with Smaha.

Klepser served his second year on the Husker squad. He was not in school the first semester but after the beginning of the second semester he got into the contest.

He is a sophomore in the College of Business Administration and a member of Alpha Sigma Phi.

Leo Black

Leo Black of Grand Island filled an important position on the 1925 squad at forward. He started in most of the games, being paired often with Usher or Ekstrom, and often went nearly the full route. Coach Kline's policy of changing the forwards in the last half prevented any from playing full games, but Black was as near a regular as anyone.

Black's home is in Grand Island, where he was a high school basketball player. He is a member of Kappa Sigma.

Roy Andresen

Andresen, a sophomore in the College of Business Administration, will be back for two more years of basketball. His play this year was good, and he is sure to become one of the mainstays of the Nebraska squad.

He brought attention to himself as a freshman player and when given the chance on the Varsity showed up well. His home is in Bloomfield, Nebraska and he is a member of Sigma Alpha Epsilon.

Clark Smaha

Clark Smaha, a sophomore in the College of Business Administration, played his first year on the Varsity squad. He comes from Ravenna, where he was a stellar high school basketball player.

Clark has been a flashy player since high school days. In the two years he has to play he should develop into a star.

He is a member of Delta Upsilon.

Wilmer J. Beerke

Wilmer Beerke, of Omaha, was reserve forward on the squad this year. Beerke got into a lot of games as substitute on the forward end.

The first attention which he drew was when he was an athlete at Central high school of Omaha. He was on track, football, and basketball teams and captained the basketball team when he was a senior.

He is a member of Phi Kappa Psi and a junior in the College of Business Administration.

Fred Ekstrom

Ekstrom played forward and reserve center during the past season. His playing was highly commended by many and he was used to good advantage as a regular forward, as well as substitute center man for Goodson.

He is from Newman Grove and a member of Kappa Sigma. He is enrolled in the College of Business Administration.
