

SCHULTE'S MEN BREAK RECORDS

White Team Wins in Red, White and Blue Tri-Color Meet by Twelve Points.

SEARLES, ROBERTS AND JOHNSON CUT OFF TIME

The habit of breaking records is strongly ingrained in Coach Henry F. Schulte's Cornhusker track athletes. Three new varsity records were established yesterday in the Red, White, and Blue, numeral tri-color meet, in which over fifty freshmen and varsity candidates competed. Two freshmen, Searles and Roberts, set up new varsity records in the mile and a half, and 660-yard runs. Oscar Johnson, varsity man, made the other new record in the three-quarter mile run.

Roberts, the freshman half-miler, clipped one and one-fifth seconds off the old varsity 660-yard run record. The new time is 1:26.4. The old record was 1:27.6 by Houderschildt. Roberts ran the distance against time in an exhibition run for the Lions club dinner in the stadium yesterday. Running against time without any competition placed him under a considerable handicap.

Richard Searles, freshman distance runner, ran the mile and a half stretch in 7:18. The third new varsity record was made by Oscar Johnson who ran the three-quarter mile run in 3:20.4.

The White team captained by Davenport was winner of the Red, White, and Blue tri-color meet, amassing forty-nine points against thirty-seven by the Red team, and twenty by the Blue team. Harold Gish on the Red team was high-point man, making thirteen points in the hurdles, broad jump and pole vault. Fleming on the Blue team was second with eight points made in the low and high hurdles.

The Nebraska track team will leave today at 1:40 for Kansas City for the Missouri Valley indoor meet, arriving there this evening. The preliminary heats will be run Saturday afternoon, and the finals will be Saturday night. The squad will consist of the sixteen track and field men announced yesterday. "Doc" McLean, trainer, will go with the team. Senior track manager, Howard Buffet, is also going.

Robert Lasch, staff athletic reporter on The Daily Nebraskan, will cover the meet for The Daily Nebraskan. Time made in the Red, White, and Blue meet was good in nearly all of the events. Besides the three in which new varsity records were made, there were several in which time near the varsity average was made. The weakest events were field events where the varsity is also weak. The high jump and shot put were the ones in which the numeral men failed to make as good records as in the runs.

In the first outdoor varsity try-outs for the Stanford meet in April, Popelar threw the javelin 166 feet, and Scott hurled the discuss 119 feet. Scoring by each team:

Reds.

50-yard dash—failed to place.
50-yard low hurdles—Gish, first, 5 points; Joe Weir, fourth, 1 point.
50-yard high hurdles—Engel, second, 3 points; Gish, fourth, 1 point.
330-yard dash—Engel, second, 3 points.
660-yard dash—Roberts, first, 5 points.
Three-quarter mile run—failed to place.
One and a half mile run—Searles, first, 5 points.
High jump—Joe Weir, second, 3 points; Crocker, third, 2 points.
Broad jump—Gish, first, 5 points; Pate, third, 2 points; Joe Weir, fourth, 1 point.
Pole vault—failed to place.
Total—37 points.

Whites.

50-yard dash—Davenport, second, 3 points; Lee, third, 2 points; Aiken, fourth, 1 point.
50-yard low hurdles—Lee, third, 2 points.
50-yard high hurdles—Lee, third, 2 points.
330-yard dash—Hendricks, first, 5 points.
660-yard dash—Tappan, second, 3 points.
Three-quarter mile run—Forsythe, first, 5 points; Schaefer, second, 3 points.
One and a half mile run—failed to place.
High jump—Gillian, first, 5 points.
Broad jump—Aiken, second, 3 points.
Pole vault—Watke, first, 5 points; H. L. Johnson, second, 3 points.
Shot put—R. Mandery, first, 5 points; Hurd, second, 3 points.
Total—49 points.

Blues.

50-yard dash—Macaulay, first, 5 points.
50-yard low hurdles—Fleming, second, 3 points.
50-yard high hurdles—Fleming, first, 5 points.
330-yard dash—Ballah, third, 2 points; Varney, fourth, 1 point.
660-yard dash—Bushnell, third, 2 points; D. Johnson, fourth, 1 point.
Three-quarter mile run—failed to place.
One and a half mile run—failed to place.
High jump—failed to place.
Broad jump—failed to place.

WRESTLERS ARRIVE AT WESTERN MEET

Preliminaries of Intercollegiate Association to Be Run Off Today.

MINNEAPOLIS, Min., March 19.—Nebraska's wrestlers arrived here this evening for the Western Intercollegiate wrestling association individual championship meet. Albro Lundy, 158-pounder, and George Brannigan, 145-pound man, were the only Cornhusker grapplers to make the trip.

The wrestling meet is expected to be one of the largest in the history of the Western association. Wrestlers from every school in the conference, as well as fencers and gymnasium teams, will compete for honors Friday and Saturday.

The preliminaries in the wrestling events will be run off Friday morning, with the semi-finals late Friday and the finals on Saturday. Keen competition is expected in all classes.

FOOTBALL MEN DRILL ON PASS

Hold Open Practice Saturday at Three O'clock South of Stadium.

DAY GIVES LINE CHARGING PRACTICE

Spring football candidates were given an intensive drill on forward passes yesterday by Coach E. E. Bearg, and his assistants Owen Frank and Bill Day. The first part of the practice period was taken up with passing practice by the backfield, under Frank and Bearg, while the line was given drill in charging by Bill Day. Light scrimmage, in which forward passes predominated finished the practice.

The two backfield groups whom Bearg coached specially in the passing game were composed of "Jug" Brown, Shostak, Presnell, Armour, Dover and Grow at end and center; Stevens, Wickman, Schram and Gilland. In the scrimmage the first quartet headed by "Jug" Brown formed the offensive back field, and the other was on the defensive.

The defensive line had the same trouble stopping the offensive backs, that was shown in previous scrimmages. Short passes and long passes, thrown most of the time by "Jug" Brown, former Lincoln high quarter, were caught by the backs and ends for substantial gains. To give the scrimmage variety, "Jug" Brown occasionally carried the ball on end-run plays which netted much yardage. Brown slipped through the secondary defence several times, whirling and side-stepping his way through.

Stevens from Hastings made some nice gains through the line, when he was on the offensive back field. He also did some good passing. On the defensive he stopped offensive pass receivers dead in their tracks when they caught the ball.

The defensive line in the scrimmage had Hutchinson at center, Dunker and Whitmore at guards, Bass and Kuska at tackles, and Kuska at end. On the offensive line were Grow at center, Casey and Reller, guards, Raisch and Randels, tackles; and Dover and Gillian, ends.

The passing, while good yesterday, was rather slow, and Bearg will try to speed it up in the remaining two weeks of spring practice.

The practice tomorrow will be the first open practice since spring football began two weeks ago. There will be no game, but the daily scrimmage order of two teams, one offensive and the other defensive, will be used by Bearg. The practice will be at 3 in the afternoon on the practice field south of the stadium.

Nine sophomore student managers are working this spring for appointments to junior football managers for next year. Football manager for next year is Judd Davis. Sophomores, from whom two junior managers will be chosen for next year, are: Cooke, Breyer, Byers, Brinkerhoff, Jones, Howe, Cameron, Bartling, French. Two freshmen, Ernst and Whittaker, are working this spring for sophomore positions next years.

Pole vault—failed to place.
Shot put—Page, third, 2 points.
Total—20 points.

BALL PLAYERS START HITTING

Practice Will Be Held in Rock Island Park Next Week If Ground Permits.

PILL CHASERS GRADUALLY GETTING ARMS IN SHAPE

Nebraska baseball men got their first chance at the bat yesterday afternoon on the field east of Social Science. Coach W. G. Kline put his men through a batting practice for the first time this year.

It was a step further toward real work and with the continued warm weather the squad will soon move to Rock Island park for workouts, probably early next week. Only the condition of the grounds keeps them out now.

The diamond athletes are getting the kinks out of their limbs and joints. Yesterday a temporary home plate was established and with Joe Edwards slinging the pill, the men took turns at hitting the agate. "Kewpie" Lang was behind the plate.

Call for freshmen candidates will probably be made next week. Positions are already open for sophomore candidates for baseball managers and sophomores are reporting each day at the store room in the Armory.

OUTDOOR FIRING TO BEGIN SOON

After Hearst Trophy Match Is Completed Riflers Go to Bennett Range.

Outdoor firing on the range at Bennett and pistol shooting at the State Penitentiary will commence as soon as the Hearst trophy match shooting is completed. Sophomores and advanced students of Military Science who are planning on attending summer camp are especially urged to take part in the outdoor shooting. Those desiring to fire on the range at Bennett Saturday should see Capt. L. W. Eggers today.

Last summer Nebraska won the cup given to the unit firing the best targets. The reward was determined by the ten highest scores. This year it will be determined by the average scoring of the entire unit. The Nebraska rifle team is shooting its final targets today in the intercollegiate rifle match against St. John's College, Annapolis, Md., North Dakota Aggies; Rhode Island College; Agricultural College of Utah. The results of the shooting will determine the six letter men on the team this year.

University of Iowa graduates are found in all of the 48 states and in 25 foreign countries, but over half of them live in Iowa, according to a report recently compiled.

IOWA AFFIRMATIVE TEAM MEETS NEBRASKA NEGATIVE

(Continued from Page One.)

will of the people," declared Alexander McKie, Jr., '24, Law '26, Omaha, third speaker for Nebraska. "It is slow and cumbersome in method, and does not represent the opinion of the majority." He showed how long it had taken to effect amendments to the Constitution, and how it was possible for one-thirty-fifth of the people to block any amendment.

Harry S. Stevenson, '26, Council Bluffs, Ia., gave interpretation form the point of view of the negative of the identical instances cited by the affirmative. His citation of the time element showed that the average of time for states to adopt an amendment after passage of the bill by the Congress was 11.7 months. He asked by what reasoning the affirmative contended that Congress showed greater representation of the will of the people than the Supreme Court.

Mr. Dwyer of Iowa, first speaker in rebuttal, contended that when cases involving fundamental points of doctrine were considered the people, not Congress, should vote on them.

That Congress knows, since it is an ever-changing body, just what the people want, and can quickly and adequately act in accordance with that knowledge, was the main point brought out by Mr. Johnson of Nebraska. He also refuted the negative's contention that individual liberties would be tyrannized by the proposed plan.

The closeness of the negative plan to the people due to state legislative action necessary in amendment was brought out by Mr. Horack, of Iowa.

Contention that the powers of Congress were almost illimitable at the present time, and that those powers were still inviolate was made by Mr. Torrey, of Nebraska. He felt that placing power in state legislatures is more dangerous than placing it in a national Congress.

Summary of the affirmative case from the negative standpoint, that it

proposes to take from nine experts the power to declare laws unconstitutional and hand over that power to Congress, which is subject to political unreasonableness, was the main work of Mr. Stevenson, last speaker in rebuttal for Iowa.

Continuation of the controversy as to the nearness of the people to Congress and to the state legislatures, and as to the selection of which is the more perfect method of changing fundamental legislation, was carried on by Mr. McKie, last speaker for Nebraska.

Coppock Committee Holds Last Meeting

The last meeting of the teams for the Grace Coppock Fund Drive will be held at a luncheon at noon today at Ellen Smith Hall. It is in charge of Gertrude Mayland. A final report of the campaign will be given and the two team captains, Helen Olmstead and Florence Stever will make a complete check of the funds that their teams have raised.

The relay team of Pennsylvania university has entered the international track meet to be held in London during the second week in April.

Prof. Fling Gives Talk Over WFAV

"The Significance of History" was the topic of the address of Prof. F. M. Fling given over station WFAV last evening. Professor M. H. Weissen also gave his weekly lecture on Business English at the program. Musical numbers were given by Anna Bartunek, Bernice Tillma, and Jacob Friedli.

Northwestern university has invited Paavo Nurmi, the phantom Finn, to participate in the thirteenth annual scholastic track and swimming meet.

The Lone Survivor

Give your pen a drink of

Skrip

Will not clog or gum the point and makes the best pen write better.

YOU have bought several fountain pens—now suppose you buy one that is a proven success.

Buy a Sheaffer Lifetime Pen and put it in your collection. Of all the pens you have ever used it will be the lone survivor.

There is no upkeep to a Lifetime Pen. The first, last and only cost is when you buy it. Then your fountain pen purchasing is over because the Lifetime nib is unconditionally guaranteed forever.

The 46 Special at \$5.00 and the Student's Special at \$3.75 are fashioned with the same care and attention to detail that has made the Sheaffer the pen of perfection.

For Young Men

There is nothing like a
STETSON

MOST young men today know the importance of looking fit. Good appearance counts much in the game of life. The young man who dresses with taste has a decided advantage.

But—it is surprising how little thought the average man gives to his hat. It is his crown, yet he seems to stop dressing at the neck.

Be careful in your selection of your headwear. When you buy a hat, select a Stetson. Its style is right, its quality means long wear.

Service and Satisfaction

THE Daily Nebraskan is always striving to give service and satisfaction, to both the reader and the advertiser. The Murray Mat Service has been purchased by this publication in order to fulfill a long felt need of the advertisers that is to furnish them with mats and cuts which will typify that which the college student expects to see in a college publication. This service will also benefit the readers, in that it will illustrate in a much better way the merchandise which the reader is desirous of buying.

For the advertisers we have also created a copywriting department which will write copy to fit the needs of the advertisers and will also suggest type, borders and layouts. This is a service which very few college publications furnish.
