## 400 SEE OPEN GRID WORKOUT

Stadium Gates Are Thrown Open for First Time Since Bearg Took Charge.

### BROWN AND STEPHENS MAKE LONG PLUNGES

Four hundred spectators viewed the first open football scrimmage on the practice field at the stadium yesterday afternoon from 3 to 5, when two varsity teams under the direction of Coach Bearg clashed. Over thirty players got into the fray during the afternoon.

The scrimmage was not a regulation game and first one team and then the other was given the ball to advance down the field.

The Red team was given the ball first and after some plunges by Oehlrich, Brown and Stephens, Oehlrich went over the line. The Red backfield was working especially well, with Brown and Stephens making some nice open-field runs.

Near the end of the fracas, Brown ran 30 yards around end, but the Reds were penalized fifteen yards on the next play for holding. Brown made them back with a twenty-yard run and Presnell went through the line for a touchdown.

The White team was on the defense most of the afternoon. Hutchinson at center was the mainstay of the blonde jerseys. He broke through time after time to throw the Red backs for a loss. Voris played a good game in the White backfield as did Armour.

The lineups for the game:

Reds—	Fos.	Whites
Dover	le	J. Weir
Fischer	lt	Casoy
Reller	lg	Rock
Zuver	c	Hutchinson
J. Kuska	rg	Grow
Randels	rt	Dunker
Lawson	re	Peaker
Stephens	qb	Shostak
Brown	lh	Armour
Presnell	rh	Wickman
Oehlrich	fb	Voris

Red substitutes: Bass, Simmons, H. Kuska, Wilson.

White substitutes: Raesch, Gross, McIntyre, Douglas.

## BASEBALL MEN ARE COMING INTO FORM

Workouts Will Be Held at Rock Island Field Park If in Condition.

Baseball practice was held Saturday afternoon, when the men, after warming up, had another session of hitting. Most of the men are rapidly rounding into form and the practice was improved. If the ground at Rock Island Park is in condition, practice will be held there.

The pitching staff is made up of two pitchers from last year, Lang and Rhodes, although Rhodes will not be out until after the California track meet, and Edwards, Ash, Higgins, Raun, and Doehmer, who pitched for the freshmen last year. Behind the plate, Coach Kline has Hubka and Lang of last year, Jardine, of last year's freshman team, and Ed Hughes, Dick Poole and Al Raun who showed up well in this position in interfraternity baseball.

The infield is not so strong, for the short-stop and third baseman are not back. First and second bases are filled by Vols and Andra, captain of the team last year. Anderson, Revis, Thompson, Gibbs, Drasher and Schrum are all trying out for infield positions. In the outfield are Collins, Eckstrom and Pachen, all regulars of last year.

A last-minute member of the Nebraska squad at the indoor meet at Kansas City was Edward Beckord, Husker half-miler, who was ill with the grippe early in the week. A quick recovery brought him into the fold, and strengthened the Nebraska representation at the indoor meet. Beckord is one of Schulte's best middle-distance runners, and his loss on account of sickness would have been greatly felt by the team.

Track is about the only University sport that is engaged in all-year round in some form or other. The fall season sees the cross-country runners jogging for miles on the road to Belmont over which the dual cross-country runs are held during football games, the runners returning to the stadium between halves. Then there is a lull of only a few weeks between the close of cross-country running and the first official call for indoor track. Even during that time the more eager tracksters are working out on the indoor cinder path under the stadium, building up endurance power for the more strenuous season of competition in later winter and spring.

With the increasing amount of interest in track and field athletics, and the better facilities being pro-

## K. U. RELAYS WILL BE HELD APRIL 18

Will Be First Major Outdoor Track Carnival of Season in Middle-West.

LAWRENCE, Kans., March 21.—The last of the big indoor meets for middle-western track athletes has been held, and the eyes of the cinder fans, as well as those of the athletes and coaches, are turned toward the third annual University of Kansas relays to be held here on April 18. This will be the first major outdoor track carnival in the Middle-West this season, and will give coaches their first real line on the abilities of their men for the outdoor season.

Advance word from coaches insures an entry list at the Kansas relays of more than a thousand athletes and among them practically all of the middle western Olympic-team stars who still remain in collegiate competition.

vided all over the country for indoor track, the indoor track season with its great meets like the Illinois relays, K. C. A. C. meet, Valley meet and others, is becoming almost as important as the outdoor season. In fact, some of the best running ever seen in America was done on indoor tracks this winter in the races in which the Finnish runners, Nurmi and Ritola, competed with America's middle-distance runners, Hahn and Ray.

Back again to track as an all-year-round sport, the indoor season is beginning to assume an importance of its own, instead of, as hitherto, a mere means of preparation for the outdoor season in spring. And this means that just as much work and preparation in being put into the winter indoor track sport, as into the outdoor season.

When the outdoor season is well in swing, it continues with unabated interest until the very last days of school when the great conference and intersectional meets are held. Even that does not close the track season, for after the college meets are over the various amateur athletic clubs of the country like the Boston, and the Illinois Clubs have meets in which not only the stars of the current college year compete but also the stars of college days gone by. Joie Ray, Bill Hahn, and numerous others are examples of college track men who keep up active participation in the sport after graduation.

## FRIDAY THE THIRTEENTH SNEAKS BACK FOR A RETURN ENGAGEMENT

Your old fountain pen made a big blotch on your paper on Friday the thirteenth. It blotted again almost every day since—and tearing that date out of the calendar will not remedy the situation! Avoid this annoyance by taking your pen to Latsch Brothers at 1118 O street and let them make the proper adjustments on your pen. Do this right away for tomorrow it will blot again! Don't forget!—Adv.

## RIFLE TEAMS FIRE IN CLOSING MEET

Results of Matches to Be Known When Records from Other Schools Arrive.

The Nebraska rifle teams completed the final targets of the season in indoor intercollegiate rifle match shooting yesterday.

The men's rifle team was shooting against St. John's College, Annapolis, Md., North Dakota Aggies; Rhode Island State College; Agricultural College of Utah and New York University.

The women's team spent a busy week in contesting dual matches with the University of Syracuse, University of Kansas, and the University of Maine. Nebraskan Want Ads Bring Results

# Service and Satisfaction

THE Daily Nebraskan is always striving to give service and satisfaction, to both the reader and the advertiser. The Murray Mat Service has been purchased by this publication in order to fulfill a long felt need of the advertisers that is to furnish them with mats and cuts which will typify that which the college student expects to see in a college publication. This service will also benefit the readers, in that it will illustrate in a much better way the merchandise which the reader is desirous of buying.

For the advertisers we have also created a copywriting department which will write copy to fit the needs of the advertisers and will also suggest type, borders and layouts. This is a service which very few college publications furnish.
