LAST OPEN GRID PRACTICE HELD

Two Hundred See Squads Scrimmage for Two Hours; Forward Passes Tried.

LAST FIVE SESSIONS CLOSED TO PUBLIC

Coach E. E. Bearg's future Cornhusker football players scrimmaged for two hours yesterday afternoon in the last open practice of spring football. Rain threatened early to put a stop to the practice.

Forward passes, ends runs, and criss-cross plays were used frequently in the scrimmage, with an occasional drive through the line.

Coach Bearg used one backfield for offensive during the scrimmage, and another for defensive. He switched the lines several times from defensive to offensive.

Some good open field running was in evidence in the scrimmage. All four of the offensive backfield quartet showed proficiency at sidestepping and whirling out of the hands of tacklers in the secondary defense zone.
