

THE DAILY NEBRASKAN

VOL. XXIV—NO. 118.

UNIVERSITY OF NEBRASKA, LINCOLN, NEBRASKA, THURSDAY, APRIL 2, 1925.

PRICE 5 CENTS

ENGINEERS TO TAKE JOURNEY

Eighty Students, Five Instructors to Inspect Plants in Kansas City.

WILL START SUNDAY; RETURN ON APRIL 10

Plans for the annual inspection trip of the College of Engineering are at last complete. Eighty students and five instructors will leave at 10:30 Sunday morning in special Pullman coaches of the Missouri Pacific railroad for Kansas City, Missouri. They will return April 10.

Under the direction of C. A. Sjogren, instructor in mechanical engineering, the inspection trip committee has been working since before Christmas in perfecting plans for the trip. Other members of the committee are F. W. Norris, electrical engineering, H. J. Kessler, civil engineering, J. D. Parsons, agricultural engineering, and C. M. Duff, applied mechanics.

Committee Arranges All
All responsibilities of traveling and sightseeing are arranged for by the committee. Pullman reservations and accommodations at the Westgate Hotel, Main, Delaware, and Ninth streets, even the checking of baggage are arranged for through the committee. Several of the companies to be visited have been offered complimentary lunches to the party.

"Judging from the response and co-operation we have received from various companies in arranging the trip," comments Mr. Sjogren, "it promises to be as interesting as any trip we have taken, although in a field new to us, as we ordinarily go to Chicago or Omaha."

Much correspondence with the engineering firms to be visited and with hotel and railroad representatives was required in mapping out the itinerary. Several weeks were then necessary for the registration of the students who expected to go and their assignments to berths, hotel rooms, etc. Even the men who intend to drive to Kansas City are under the supervision of the committee.

Choose Places of Interest
Places to be visited have been chosen with a view to the general interest held to all groups of the students. The advisability of keeping the party together in its inspection visits was recognized.

Participation in the annual inspection trip is required of College of Engineering upperclassmen before graduation. Long trips alternate with short journeys. The destination of the long trip made last year was Chicago.

Students who are going on the trip are expected to report at the final meeting of the committee at 5 o'clock today in Mechanical Engineering 206.

Following is the itinerary of the trip and the list of students who are going:

Sunday, April 5
10:30 p. m.—Leave Lincoln via Missouri Pacific in special Pullman coaches.

Monday, April 6
7:05—Arrive at Union Station, Kansas City, Mo. Breakfast at Union Station.

8:00—Inspection of Union passenger terminal.

11:30—Room assignment at Westgate Hotel.

1:30—Kansas City Telephone Company, 11th and Oak streets.

Tuesday, April 7
8:00—Black Steel and Wire Company, Twenty-first and Manchester.

9:30—Butler Manufacturing Co., 1229 Eastern Avenue.

11:30—Lunch as guests Butler Manufacturing Co.

1:15—Missouri Portland Cement Co., Cement City, Mo.

3:00—Standard Oil Co.'s Refineries, Sugar Creek, Mo.

Wednesday, April 8
8:00—Kansas City Railway Company's Second and Grand Power Station.

10:00—Kansas City Power and Light Company's Northeast Power Station, Warner and Missouri River.

1:00—Lunch as guests of Kansas City Power and Light Co.

2:00—W. S. Dickey Clay Mfg. Co., Monroe and Quintette streets.

5:00—Inspection of Bridges at Burlington Avenue and Missouri River.

Thursday, April 9
8:30—Armour and Company Packing plants, Armour station, Kansas City, Kansas.

11:00—Lunch as guests of Armour and Co.

1:00—Kansas City Structural Steel Co., Twenty-first and Metropolitan Avenue.

1:30—Peet Brothers Company, Kansas City, Kansas, Chemical Engineering students only.

Friday, April 10
8:30—Kansas City Missouri Water Works at Grand.

(Continued on Page Three.)

SWANSON MADE PRESIDENT

Of Delta Sigma Pi, Business Students' Fraternity

Delta Sigma Pi, fraternity of students in the College of Business Administration, elected officers for next year at a meeting held last evening. Wilbur Swanson, '26, North Platte, was elected president of the organization.

Other officers are: Clayton Goar, vice-president; Charles Griffith, secretary; James S. Bailey, treasurer, and Otto Skold, news editor.

Y. W. STAFF IS INSTALLED

Candle-lighting Service, in Charge of Agnes Kessler, Is Ceremony.

VESPER CHOIR HAS THE LEADING PART

The installation of the Y. W. C. A. staff for the coming year was held at Ellen Smith Hall Wednesday at 7 o'clock. The installation was in the form of an effective candle-lighting service, and was in charge of Agnes Kessler, the outgoing president.

TEN-YEAR LEVY FAILS TO PASS

Legislature Grants \$900,000 Appropriation for Buildings for Two Years.

OPPOSED TO PASSAGE OF LONG-TERM BILL

The state legislature passed an appropriation of \$900,000 for University buildings Tuesday afternoon after a meeting of a joint conference committee. The legislature had been deadlocked over four days on the issue. Both houses adopted the report of the committee with a large majority. The appropriation of \$300,000 for buildings for state normal schools was passed without dispute.

The recommendation made by Governor McMullen for a ten-year levy of one-eighth of a mill for University buildings was automatically defeated by the passage of the report of the committee. The legislature granted a sum in excess of the amount which would have been realized by this levy for the coming two years, but was opposed to the passage of any long-term levy or special levy for buildings.

The legislators who supported the ten-year levy finally gave their support to the report of the committee after realizing that it seemed to be a hopeless cause. The conference committee report was adopted by a vote of 70 to 23 in the house and 27 to 4 in the senate after debate of some of the minor points.

GIVE BANQUET FOR DEAN E. A. BURNETT

Ag College Students Honor Man Who Has Served Twenty-five Years.

Arrangements are complete for the banquet, in honor of Dean E. A. Burnett of the College of Agriculture, to be held this evening at the hall in the Engineers' building at the Agricultural campus. Approximately 500 faculty members, students, and friends of the Dean from Lincoln, are expected at the affair given in recognition of the Dean's twenty-five years of service to the University.

The program given at the banquet is to be broadcast over the University radio station WFAV. Ex-governor S. R. McKelvie will act as toastmaster for the evening. Other speakers are Chancellor S. Avery, Prof. W. W. Burr, Ex-Regent E. P. Brown, Frank Thompson, Richard Parsons, and Mary Bailey.

The banquet takes the place of the annual spring frolic at the College of Agriculture. Arrangements are in the hands of members of Alpha Zeta, honorary agricultural fraternity, who are working with other faculty and student groups.

Dean Burnett was made dean of the college in 1909. He came to the University as instructor in animal husbandry in 1899. In 1903, he was made director of the University Experiment Station.

Tickets for the banquet may be obtained from the finance office at the College of Agriculture campus or from students at the College.

W. A. A. CHOOSES MINOR OFFICERS

Mildred Wohlford is Vice-president; Leaders Leave for Conference.

Mildred Wohlford, '26, Omaha, was elected vice-president of the Women's Athletic Association at the general meeting held Wednesday night in Social Science auditorium. The new officers were then installed and given the oath of office of the organization. These officers are as follows:

President, Eleanor Flatemersch; vice-president, Mildred Wohlford; secretary, Laura Whelpley; treasurer, Alice Pfeiffer; soccer manager, Dorothy Peterson; and hockey manager, Marie Hermanek. They will assume the duties of their respective offices at once.

The newly elected vice-president entered Nebraska last fall a junior. She comes from Wisconsin where she was a member of the Women's Athletic Association and of Alpha Gamma Delta.

Early this morning the newly elected president, Eleanor Flatemersch, and secretary, Laura Whelpley, left for the Mid-West sectional conference of the Athletic Conference of American College Women.

Martin to Speak on "Wood Preservation"

"Wood Preservation" will be the subject of George E. Martin, consulting engineer of the Barrett Company of Chicago, in an American Society of Civil Engineers convocation at 10 o'clock tomorrow in Mechanic Arts 106. The lecture will be illustrated, and is open to the public.

Mr. Martin was formerly professor of highway engineering at Purdue University. He has also been connected with the state highway department of Indiana. "The Construction and Maintenance of Pavements," illustrated by slides, will be the title of Mr. Martin's address before the class in highway engineering at 11 o'clock.

HUSKERS WILL MEET GRINNELL

Dual Track Contest Scheduled for May 2; Will Be Held in Lincoln.

IOWANS ARE STRONG IN HURDLE RACES

A telegram was received at the athletic office yesterday afternoon from Grinnell College, stating that it had accepted Nebraska's proposal for a dual track meet, and that the date, May 2, would be satisfactory. The meet will be held in Lincoln. Contracts have not been signed, but they were forwarded to Grinnell last night.

Although Captain Taylor of Grinnell has not been showing up well in meets this year, because of illness, he will probably be in condition in time for the out-door season. He was a member of the Olympic team last year, and high and low hurdles are his specialties. Floyd Green is another hurdler who may cause Weir and Reese some trouble at the coming meet.

Coach Huff has entered his men in three meets this year. In the first, the Illinois Relays, his team made only one point, and that when Gordon Kitchen took fourth in the 300-yard run. At the Ames-Drake-Grinnell triangular meet, the Grinnell men took second place. At the Missouri Valley indoor meet at Kansas City, the Pioneers took fifth. Captain Taylor was injured in his first race, and was unable to compete in other events.

Grinnell comes to Nebraska in May an unknown quantity. Her team has just come out of the gymnasium, and is doing its first work on the cinders. It has been said that Grinnell is usually weak in indoor meets, but that she picks up considerably when she gets outside.

WOMEN VOTERS PICK SCHELLEK LEADER

University Women Choose Ida Flader for Vice-president of League.

Evelyn Schellek was elected president of the Junior League of Women Voters at the spring election held from 4 to 6 o'clock Wednesday afternoon at the Temple. Mable Utter was her opponent. Ida Flader was chosen as the new vice-president over Grace Evans. Ruth Clendenen was unanimously elected secretary upon withdrawal of the other nominee for that office, and Gwendolyn Templin, who won over Alice Olmstead, will be the treasurer of the club. Mable Utter, Grace Evans, and Alice Olmstead will be the council officers.

The new officers of the club and council will be the guests of the retiring officers at a luncheon at the Hotel Lincoln on the first Saturday after vacation.

WFAV Broadcasts Banquet Speeches

Speeches at the banquet in honor of Dean E. A. Burnett of the College of Agriculture, given in the hall of the engineering building, will be broadcast over University station WFAV this evening. Assistant Professor M. H. Wesen will deliver his weekly talk on business English. No musical program will be broadcast this week.

A new way of playing checkers has been taken up by two students of the Kansas State Teachers College who are in the telegraphy class. The game is played over the wire with a board at each end. The boards are numbered in order that each player may know where to move the checkers of his opponent as well as his own.

MORKOVIN TO SPEAK TODAY

Will Lecture on "The Life and Creative Genius of the Slavic Peoples."

P. B. K. MEMBERS TO BE ANNOUNCED

Boris V. Morkovin, professor of Russian Language at the Charles University of Prague, Czechoslovakia, will talk on "The Life and Creative Genius of the Slavic Peoples" at the regular 11 o'clock convocation at the Temple theater, this morning. Newly elected members of Phi Beta Kappa will be announced at the convocation by Prof. Allan Congdon, secretary of Nebraska chapter.

Professor Morkovin's second lecture will be given at 3 o'clock this afternoon on "Czechoslovak Spirit in History and Art" at a special convocation for fine arts students, who will be excused from classes. The general public is also invited.

Professor Morkovin arrived in Lincoln yesterday, and is staying here under the auspices of the School of Fine Arts. He has made Prague his home for the last ten years, where he has been instructor in the Russian language at the famous Czech university, founded by Charles IV in 1348. His tour of the United States, will end at the larger universities on the Pacific coast. His lectures are illustrated with colored slides, and he has received high commendation from other parts of this country that he has visited.

A Phi Beta Kappa meeting was called yesterday by H. M. Wesen, president of the chapter here, and new members to the organization were elected. No announcements could be given out, but the names of new members will be announced this morning. Facts concerning the banquet and the speaker will be announced in a week.

SIGMA DELTA CHI INITIATES TWELVE

Professional Journalistic Fraternity Takes in School of Journalism Men.

Sigma Delta Chi, national professional journalistic fraternity, initiated twelve members of the School of Journalism Wednesday evening at the Silver Lynx house.

Journalistic endeavor, attainment and proficiency; the declared intention of making journalism their profession; and personality are the things considered by the organization in selecting members.

The newly initiated men, who were pledged March 11, are: Maynard E. Arnot, '27, Pawnee City.

Judd W. Crocker, '27, Omaha.

Julius Frandsen, Jr., '27, Lincoln.

Victor T. J. Hacker, '27, Omaha.

Leonard A. Jordan, '26, Leavenworth, Kansas.

J. Marvin McGaffin, '25, David City.

Edward T. J. Morrow, '26, Lincoln.

Kenneth A. Scofield, '25, Neligh.

Clayton B. Snow, '26, Chadron.

Volta W. Torrey, '26, Aurora.

Charles V. Warren, '26, Cheyenne, Wyo.

V. Royce West, '27, Cozad.

MUSEUM PURCHASES SEVERAL SPECIMENS

Animal Skulls, Insect-collectors and Cast of Platinum Nugget Bought.

The University Museum has recently purchased a number of additions to its collections, varying from a cast of platinum nugget to specimens of insects and casts of animal skulls. Two cases of insects, each containing fifty specimens, one having those beneficial to mankind and the other showing specimens of insects injurious to plant and animal life, are included in the additions.

Two additional exhibits illustrating the lives of the bee weevil and the honey bee were also purchased. The cast of the platinum nugget is taken from the original which is in the Demidoff collection at St. Petersburg, Russia. The original weighs 18.57 kilos.

Casts of animal skulls purchased are: Pitted skull and mandible, Ore-Magnon cranium and mandible, orange male skull and mandible, chimpanzee male skull and mandible, and gorrilla male skull and mandible.

BAND FRATERNITY INITIATES

Honorary Organization Takes in Twelve Men

Gamma Lambda, honorary band fraternity, held its annual initiation last evening at the Y. M. C. A. The initiation banquet was held in the Blue room following the ceremonies. The following men were initiated: Monroe Stephens, Ray McCormack, John Yordy, Walter Mumford, Joe Durbin, Parke Keys, Paul Miller, Delbert Judd, Don Campbell, Leland Gabel, Everett Brillhart and Charles Lane.

BEARG SPEAKS AT LUNCHEON

Talks on Physical Education at Forum; Need for Exercise Is Stressed.

DECLARES ATHLETICS DEVELOPS CHARACTER

"Physical education for all college men, in the present day when we have automobiles, and so many modern conveniences, and people do not have a chance to develop during their daily activity, is a necessity," declared Head Football Coach Earnest R. Bearg, speaking at the World Forum Luncheon held at the Hotel Grand, Wednesday noon. "Every boy when he leaves the University should have developed an athletic body which will be an incentive to make him exercise in later life," continued the new Husker mentor.

"There is a great development of character in athletics, and football is one sport which, perhaps more than any other, develops the best character in a man," Coach Bearg stated. "Football exercises the most primary instincts of the individual such as hate, determination, and loyalty. It is a character-building game. Wherever we go we find football men who are leaders in their communities because they have had this character training."

Praises Dawson
In opening his remarks the new coach paid high tribute to the work of his predecessor, Fred T. Dawson, and reviewed his successful regime as head of Nebraska football. "Missouri Valley teams are playing better football each year," said Bearg. "Nebraska in coming years is going to find some tough sledding in the Valley."

Coach Bearg stressed the need of physical training for all men in the University, and deplored the lack of facilities at Nebraska which makes it impossible to give students this desired training. "The University of Nebraska, aside from the stadium, has virtually no more facilities for physical education now than an enrollment of 10,000 students than we had in 1887 when there were only 381 students here.

"The stadium has a wonderful influence on young people, because it stands for the better things in a man's character," said Bearg.

Explains Compulsory Plan
The former Illinois Coach explained at some length the details of the

(Continued on Page Two.)

MC CHESNEY CHOSEN PRESIDENT OF CLUB

Dramatic Club Elects Henry Ley Vice-president for the Coming Year.

Frances McChesney was unanimously elected president of the Dramatic Club for the next college year, Wednesday evening. Other officers chosen are: Henry Ley, vice-president; Erwin Campbell, secretary; Donald Lecker, treasurer; and Barney O'Lansky, sergeant-at-arms.

Frances McChesney, '26, Omaha, is a member of the Delta Delta Delta sorority, and vice-president of W. S. G. A. She has been a member of the student council for two years and was a member of Xi Delta, sophomore women's society.

Henry Ley, '26, Wayne, is a member of the Sigma Chi fraternity and has appeared in all the University Players productions for this season. Erwin Campbell, '26, Clay Center, is also a University Player, a member of the Glee Club and a Delta Chi.

Donald Becker, '27, Pawnee City, is a member of Delta Upsilon, Gamma Lambda and has represented the sophomore and freshmen classes on the debating teams.

COMPLETE PLAN FOR ELECTIONS

Athletic Board Members Announce Scheme for Selecting Captains.

ELECTIONS WILL BE CONTROLLED BY BOARD

The completed plan for the election of all University athletic team captains was announced yesterday afternoon by the Athletic Board of Control. The plan was adopted at a meeting held Tuesday noon. A method for the newly created elections committee of the Board to conduct the elections was also suggested and will probably be used for the first test of the plan. The plan adopted by the Board follows:

"The election of varsity team captains shall be by vote of the men who for participation during the preceding season have been awarded letters in the given sport. Voting is to be conducted under the jurisdiction of a standing committee of three members of the Athletic Board of Control.

Appointed by Chairman
"This standing committee shall be known as the Election Committee and said committee shall be appointed by Chairman of the Athletic Board at the time he makes the appointment of all standing committees.

"The Election Committee shall have entire jurisdiction over the election of all team captains and shall enforce the orders of the Athletic Board in regard to the election of such captains.

"In any controversy that is not governed by a rule of the Athletic Board the Election Committee shall have the power to make the decision and settle the controversy."

May Change Plan
The tentative method of placing the new system into operation may be subject to changes if a trial does not prove its adequacy and efficiency. According to the plan proposed for the election committee, an election for a captaincy will be called without previous notice to the letter men and they will be furnished with typed ballots containing the names of men eligible to vote and to be captain. The men will indicate their choice for captaincy and sign the ballot, seal it in an envelope, and deposit it in a box.

The committee will canvass the votes and declare the player receiving the majority to be unanimously elected. In the event of a tie another election will be called and the men will vote on the tied candidates. New elections will continue until the tie is broken.

The ballots will be kept after the elections for a period of time so that any controversy which might later arise can be settled.

STUDENTS GIVE RECITAL

Irma Croft and Alice Hussong Put on Joint Program

Irma Croft, soprano, who is studying with Homer Compton, and Alice Hussong, pianist, studying under Louise Zumrinkel Watson, will give a joint graduation recital at the Temple theater this evening. They will be assisted by Mrs. Watson at the piano. The program:

Caldara—Sebben crudele.

Scarlatti—Se Florida e fedele.

O cessate di piangermi.

Mozart—Voi che sapete, from "Le Nozze di Figaro."

Bach—MacDowell—Courante.

Beethoven—Sonata, Op. 26.

Andante con variazioni.

Scherzo.

Marcia funebre sulla morte d'un eroe.

Allegro.

Delbruck—Un Doux Lien.

Hahn—S'Heure Exquisite.

Brahms—Wie melodian Zieht es mir.

Von Feilitz—Die Stille Wasserrose.

Wolf—Fauraise.

Pontius—Du Bist Wie Eine Blume.

Pachulski—Harmonies at Evening.

Henriques—Butterfly.

MacDowell—In Deep Woods.

The Joy of Autumn.

Spruce—Yesterday and Today.

Clough-Leigher—I Drink the Fragrance of the Rose.

Rachmannoff—Morning.

The Nightingale has a Lyre of Gold.
