SMOKERS

In justice to the Executive Dean one point should be mentioned in regard to the letter which appears in the Student Opinion column today. The Dean has requested The Daily Nebraskan not to use the word "smoker" in headlines dealing with social events. In compliance with this request the managing editor put the word on the office list of expressions which are never to be used in headlines. It was due to a mistake that the word "smoker" was used in the Alpha Kappa Psi story. The Dean was not at fault in permitting the affair to be advertised as a smoker. The responsibility for that rests with The Daily Nebraskan.

THE MINNESOTA CASE

The bill introduced in the Minnesota legislature to make military training optional in the University of that state, came to an early end. The measure was referred to a legislative committee. After a hearing at which students of the university spoke for and against the bill, the committee voted to postpone it indefinitely.

Student Opinion

The Daily Nebraskan assumes no responsibility for the sentiments expressed by correspondents, and reserves the right to exclude any communication whose publication may for any reason seem undesirable. Except by special arrangements, communications cannot be published anonymously.

To the Editor:

We want to call the attention of the student body and of the administration to a notice which appeared in The Daily Nebraskan recently. The headline read "Alpha Kappa Psi's Will Hold Smoker," and then, in smaller type, "Every Man in the Bizad College is Invited to Entertainment." We have investigated and have learned that the smoker was held, and that at the request of Dean Heppner's office, it was dismissed at 8 o'clock.

Recently a similar affair was planned by the Centurions for the College of Arts and Sciences. It was announced in The Daily Nebraskan in the same way in which the Bizad smoker was announced. Word came

from Dean Engberg's office later in the day "advising" the Centurions to "postpone" the affair indefinitely. Two members of the organization waited upon the Chancellor to protest against such discrimination against one college when other colleges often held smokers. Without committing himself on the matter, the Chancellor ushered the two into Dean Engberg's office and left them to argue the matter with him.

An hour's debate ensued. Logic was of no avail. The protests of the two young men that their program was to conclude at 8 o'clock and was not going to break University rules fell upon deaf ears. For fear of protests from the people out in the state, the Dean thought it better that we should not emphasize the evil practice of smoking which infests the University. He offered to permit a banquet, but "smokers," he said, were to be absolutely forbidden.

Merely as a matter of curiosity, we should like to know the Dean's defense of his policy in the light of the Bizad smoker which was held Wednesday evening.

NEBRASKA TRACK TEAM ROYALLY ENTERTAINED

(Continued from Page One.)

came up on the last hundred yards with a terrific sprint, passing Zimmerman to win. The Husker harrier placed second.

Gleason won the pole vault, with Rhodes second. Rhodes tied for third in the high jump, while the Huskers were blanked in the broad jump. Hein placed second in the 220 and Dailey third. The relay team composed of Beckord, Scherrich, Hein, and Dailey, easily won from the coast team. In the weights, Krimmelmeyer placed third in the shot, Pospisil third in the discus throw, and Popelar took a third in the javelin. The other

third place went to Hays in the 2-mile. Defeat New Mexico. The Husker tracksters easily defeated the New Mexico Lobos in the second cinder fray of the trip at Albuquerque. The final count was 85 1-3 for Nebraska and 36 2-3 for New Mexico.

Weir and Locke, heralded as the greatest in the Middle-West, ran true to form. They tied for high-point honors with ten points each. Locke took his counters by winning first in the 100 and 220-yard dashes, and Weir scored in the hurdle races.

Nebraska took a full sweep in three events, the 100-yard dash, the 440-yard dash, and the mile run. Scarlet and Cream bearers eased in ahead for the first three places in these events. Dailey, running close behind Locke, finished a few yards ahead of Hein in the 100-yard dash.

In the mile, which Cohen won, Hays and Lawson finished in a tie for second. The third cleanup came in the quarter-mile, when Crites, Beckord, and Lewis crossed the tape in that order.

The weather at Albuquerque was exceptionally warm and the high alti-

tude evidently had some effect on the Nebraskans. They had spent some time on the way from Palo Alto, California, to the New Mexico city, viewing Hollywood and the Grand Canyon.

In the half-mile and two-twenty Nebraska runners took the first two places with only two men entered. The two-mile and the mile-relay were not run on account of the high altitude, a half-mile relay being substituted for the latter. The summary:

100-yard dash: Locke, Nebraska, first; Dailey, Nebraska, second; Hein, Nebraska third. Time 10 seconds.

220-yard dash: Locke, Nebraska, first; Dailey, Nebraska, second; Time 21:9.

440-yard dash: Crites, Nebraska, first; Beckord, Nebraska, second; Lewis, Nebraska, third. Time 52.8.

120-yard high hurdles: Weir, Nebraska, first; Mulcahy, New Mexico,

The buses in this town seem to be trying to save tyres as they drive on two wheels most of the time. I lost two lives yesterday.

We went out to Wembley today, as they were kind enough to hold the show open for us. Admission was 1 and 6, which doesn't make 7, but means about 35 cents. Tomorrow we're going to Henley to see the Catford-Catbridge crew race, if the fog raises so they can find the river. After that, to Windsor, Stratford-on-Avon and maybe Scotland.

You know, we flew over here from Paris with the Purmews. Kitty says she likes the air. She seems to be giving me lots of it lately. Well, Jack's a nice cat, wasn't he, but what she can see in him... fur cat's sake!
