

Cornhuskers Leave for Drake Relays

SCHULTE TAKES SEVENTEEN MEN

Nebraska Track Squad Is on Way to Drake Relays at Des Moines.

Seventeen Nebraska athletes of the cinder path are on the way to Des Moines for the annual relay classic of the middle-west, the Drake Relays, where if the weather is favorable and the track well-conditioned, many old records are expected to fall before the onslaught of 2,000 athletes from all over the country.

Coach Henry F. Schulte departed yesterday afternoon at 3:50 with his seventeen proteges. The team will reach Des Moines early this morning and will participate in some of the preliminaries this afternoon.

Schulte's hopes for records are pinned on the scintillant Roland Locke and Ed Weir. This pair have been approximating world's records in practice, the former in the sprints and the latter in the hurdles, and fast time is expected from both. Locke equalled a world's record in the hundred-yard dash last week at the Kansas Relays.

The entries for the meet includes Locke, Mandery and Hein in the century event, but the track mentor may withdraw one of these at the last moment. In the 120-yard high hurdles Weir and Beerkie are the only men signed up.

"Big Ox" Krimmelmeier will probably enter the shot put event and Pospisil will be another weight man. Wirsig and Gleason are the vaulters who are making the trip.

Coach Schulte is stressing the relays, where most of the strength of his team will be placed. Probably only four of these will be entered, the quarter-mile event, the half-mile, the mile, two-mile, and medley. Only one of Schulte's best milers is making the trip so the four-mile relay probably will not be entered.

Practice this week for the stick-passers has been mainly on passing the baton. That was the main fault with the Nebraska running at Kansas and Coach Schulte intends to have it remedied for the Saturday meet. The following men made the trip:

- Frank Dailey, Lincoln.
- Avard Mandery, Tecumseh.
- Everett Crites, Central City.
- Roland Locke, North Platte.
- William Hein, Wilber.
- Everett Scherich, Ireland.
- James Lewis, University Place.
- Joy Houderschildt, Columbus.
- Rock Ross, Gibbon.
- Edward Beckord, Waco.
- Wimer Beerkie, Omaha.
- Cecil Molzen, Memphis.
- Ed Weir, Superior.
- Walter Krimmelmeier, Cambridge.
- Mcroe Gleason, Denver.
- Franz Wirsig, Sargent.
- Frank Pospisil, Lincoln.

ASPIRANTS SIGN FOR TENNIS TEAM

Nine Men File for Tournament to Decide Members of Varsity Net Squad.

Nine men made application yesterday to enter the tennis tournament which will be held next week to select the men who will constitute the Varsity tennis squad which will participate in several dual meets and the Missouri Valley tennis tourney.

More applicants are expected at the athletic coffee today and Saturday, the last day for filing. Drawings will be held Monday and if the weather remains fair the elimination will start Tuesday.

The eight men who survive the tournament will make up the squad. Trials will be held before each meet to decide the three or four men who will represent Nebraska.

Eligibility rules governing the applicants are simple; the candidate must have been in University at least two full semesters, have twenty-seven hours credit, and be carrying twelve hours of work at the present time.

The following men had signed up yesterday afternoon:

- Herb Rathack, Kenneth Hatton, John H. Straka, Paul Shildneck, J. C. Hunt, Clarence Wright, Berton Shoup, F. W. Sunderland, and K. E. Newton.

A swimming fraternity has been installed at K. S. A. C. Only members of the American Red Cross Life Savings Corps are eligible to join. Alpha Sigma Chi, as it is named, aims to give instructions in coaching and officiating at swimming meets and to create more interest in college swimming.

At last the University of Missouri has a record which no school in its conference can beat. A Rhode Island hen owned by the university college of agriculture has established a new record of laying 471 eggs a year.

BALL SQUAD DROPS GAME

Huskers Lose Non-Conference Tilt to St. Louis University, 17 to 3.

NEBRASKA PITCHERS HIT THIRTEEN TIMES

(Special to The Daily Nebraskan) ST. LOUIS, Mo., April 23.—Nebraska dropped a second baseball game today, losing to St. Louis University in a non-conference game, 17 to 3, after losing to Missouri Wednesday.

Domeier and Edwards were unable to stop the St. Louis scoring, the two being nicked for thirteen hits. Stanton allowed seven Husker bingles which were widely separated enough to become ineffective. Nebraska scored once in the second and twice in the eighth.

The first St. Louis run came in the third, followed shortly by an additional pair before the locals were put down for that stanza. Another counter in the fifth made the score four to one.

The hitting spree started in the sixth. Domeier was jerked and Edwards went in. He was immediately pounded for ten runs before his mates could retire the ambitious St. Louis players. Domeier had been smacked for six hits and four runs in five innings.

Another trio of St. Louis runs came in the eighth, ending the local scoring for the day. Edwards allowed seven hits and thirteen runs in three innings. The score:

Neb. 0 10 0 0 0 2 0—3 7 5
St. Louis 0 0 3 0 10 0 3 0—17 12 2

Batteries—Nebraska, Domeier, Edwards, and Jardine. St. Louis, Stanton and Klausner.

HONORARY FRAT ELECTS MEMBERS

Alpha Omega Alpha, Honorary Medical Fraternity, Chooses 11 Seniors.

Nebraska Chapter of the Alpha Omega Alpha announces the following elections to membership from the class of 1925, of the College of Medicine at Omaha:

- Richard D. Furnish, Kansas City, Mo.;
- Herschel B. Morton, Seward,
- Edgar V. Allen, Cozad;
- Lyle S. Powell, Douglas, Wyo.;
- William J. Shaw, Omaha;
- E. C. Peterson, Dannebrog;
- Robert A. Kroehler, Plattsmouth;
- Paul A. Brehm, Lincoln;
- Eugene C. Grau, Omaha;
- M. C. Peterson, Blair;
- and Edward R. Pelikan, David City.

The Alpha Omega Alpha is an honorary fraternity, chapters of which have been established in the twenty-six leading medical schools of the United States. The chapter at the University of Nebraska was established in 1914. Election to membership is based upon the scholarship record throughout the four years of the medical course.

SPECIAL PRIZES FOR ANNUAL "KID" PARTY

Wearers of Most Original Costumes to Be Rewarded, Committee Announces.

There will be special prizes awarded for the best and most original costumes at the "kid" party given for all freshman women by the Freshman Commission Saturday afternoon at Ellen Smith Hall from 2:30 to 3 o'clock.

The party promises to be something new in "kid" parties—native Indians of the Nebraska prairies have been invited and expect to furnish part of the entertainment, according to the committee in charge. This party is a traditional event presented by the women's Freshman Commission and is another opportunity for freshman women to become better acquainted with members of their own class.

Games, dancing and an original program followed by refreshments will comprise the afternoon's entertainment. Every freshman woman is invited to be present. There will be no admission charge.

At the University of Colorado dances, there can be no wax on the floor, no refreshments served, and no smoking enjoyed by the men.

Starting the season with no strong prospects in the weight events, Sed Hartman, who has been assisting in track this spring, has developed two men who are above the forty foot mark consistently in practice. Krimmelmeier, though eliminated at the Kansas relays, placed second among the Valley men entered in the weights. Molzen has been coming up consistently and is now putting the shot forty-one feet.

The javelin, discus and high jump are still the weakest events for the Huskers. Turner and Drishaus graduated last spring, and the freshmen prospects have not shown much form as yet. Rhodes is the best jumper for Nebraska and he is compelled to divide his time between track and baseball. Almy and Popelar are throwing the spear over the one hundred fifty-foot mark but that is not far enough to be in the money. The discus prospects, Scott and Pospisil are throwing the platter around one hundred twenty feet.

Captain Crites has been running in exceptional form after a lay off of over a month. Crites was forced out of competition by a pulled muscle in tryouts for the Missouri Valley indoor meet, and was unable to enter competition again until the New Mexico meet. Here he ran the quarter in fifty-two seconds. The next day he placed an easy second to Scherich and ran anchor on the mile relay against Colorado.

At the Kansas relays Crites ran in the mile relay and the medley relay turning in two quarter miles under fifty-one seconds. He is still compelled to take it easy in the first part of the race, which slows him down materially. The captains range of events is large, with his name written on the rolls of winning relay teams from the 2-mile down to the quarter mile relay. Besides being a half-miler and dash man Crites holds the Varsity low hurdle record.

The Huskers are sending two pole vaulters to the relay carnival who are capable of over twelve feet. Gleason, the outdoor record holder, and Wirsig, with the Varsity indoor record to his credit will be competing against the nation's best in this event. Vaulting at Drake Saturday are McKown of Emporia, Kansas, who is the intercollegiate record holder by

The University of Arizona is considering establishing a course in diplomatic and consular service. Present requirements for consular service are the ability to write and translate business letters in one foreign language, a knowledge of the commercial resources and economic history of the United States, familiarity with American trade abroad, a general knowledge of the elements of international, business and maritime law, and an understanding of accounting and bookkeeping. Requirements for the diplomatic service include those for the consular service, and also a speaking knowledge of at least one foreign language, and a knowledge of modern history since 1850 of Europe, Latin America and the Far East.

The University of Toronto has a freshman enrolled this year whose height is three feet and six inches.
