Everything is in readiness for the dual track meet between Nebraska and the Grinnell Pioneers tomorrow afternoon. At 2 o'clock the Huskers and the Red and Green will line up in the memorial stadium for what Coach H. F. Schulte says will be "the greatest dual meet since I have been at Nebraska."

Weather forecasts indicate that the track will be in good condition, as no bad weather is in sight. With the weather fair and the track good, Nebraska and Grinnell should have a battle royal.

The first event will be the 100-yard dash, with Locke, Dailey, and Hein entered for Nebraska. With fair weather Roland Locke stands a good chance of equalling his mark hung up at the Kansas Relays, tying a world's record at 9 and 3-5 seconds. The tadium track is considered much better than that at Kansas.

While the pole vault, shot put, and running high jump are getting started Husker fans will see what is expected to be a beautiful mile run. Ross and Lewis will carry the Nebraska colors against Gould and Breitenbach.

Then comes the 220-yard dash, with Locke, Hein, and Dailey again entered for Nebraska, and Jones, Scharneweber, and Kitchen running for Grinnell. In the 440-yard dash, the next event, Weir will show his stuff against Taylor, Olympic star in the hurdles. Weir's teammates will be Beerkle and Reese, while Taylor will have Green and Niblo as his running partners.

Crites, Scherich, Reese, and Beckord will race against Kitchen, Jones, and Stotts in the 880-yard dash. The two-mile run pits Zimmerman, Hays, and Lawson or McCartney against Meyer and Woodruff.

Entries in the 220-yard low hurdles include Weir, Beerkle, Dailey, and Locke for Nebraska. Taylor, Green, and Niblo are the Red and

## FEW ENTRIES FOR WRESTLING MEET

Twenty-six men are signed for tournament, but necessary number not reached yet.

Lack of the sufficient number of entries may make it necessary to drop the proposed handicap wrestling meet for all men in the University, according to Dr. R. G. Clapp, wrestling coach who is planning the meet. Twenty-six men have signed for the meet, but three classes have less than four men, the required number.

Unless entries are received for these vacancies by the end of this week the meet most probably will be given up.

The classes which can not be run without more entries are the 108-pound, the 158-pound, and the heavy-weight divisions. Only two men are entered in the lightweight class, two in the 158-pound class, and none in the heavy-weight division.

Medals were to have been furnished the winners of each class by Red Long of the College Book Store. The meet will be held Friday and Saturday of next week if more entries are received.

## Golf Team May Have Practices At Country Club

Nebraska golf will get under way as soon as permission to play on the Country Club golf course of Lincoln can be secured, according to announcement by the athletic office yesterday.

The golf team will be selected by the regular tournament method. After a few weeks practice for the candidates they will be paired up and matched in an elimination tournament to decide the members of the squad.

Two meets have been tentatively arranged. The Husker golfers will probably meet Drake at Lincoln and may participate in the Missouri Valley golf tournament.

## TWENTY REPORT FOR CAGE WORK

Coach E. E. Bearg Spends First Spring Basketball Practice on Goal-shooting.

Twenty men reported yesterday afternoon for the first spring basketball practice to be held at the University of Nebraska. Coach Ernest E. Bearg, who instituted the idea here, put his men through an intensive drill in shooting baskets for all of the practice to the afternoon.

Another workout will be held tonight from seven to nine o'clock, at which Coach Bearg intends to have a larger number than ever and a fast and snappy practice. Only two Varsity men reported yesterday afternoon and there are a great many freshmen who did not show up. The new coach intends to have them all out.

Coach Bearg will spend his time this year in converting the Varsity material to a new and slightly different method of playing. The short-pass system as used at Michigan will be taught the men, and more accurate basket shooting is expected to be brought out.

Practices will be held regularly from now on. Tuesdays and Thursdays the workouts will be from 4 until 6, and Mondays, Wednesdays, and Fridays from 7 to 9 in the evening.

## KANSAS IN DUAL TRACK MEET

Jayhawks Run Against Kansas Aggies At Lawrence Saturday

LAWRENCE, Kan., April 30.—The first dual meet of the season for the Kansas Jayhawkers brings together Kansas and Kansas Aggies, ancient rivals, in a meet which, if dope means anything, will go to Kansas by a comparatively large score.

Only in the distance runs do the Wildcats have the edge. In the hurdles, the weights, and the pole vault the chances are about even, but in the dashes, the high jump, and broad jump Kansas clearly outclasses the Aggies.

The meet Saturday will be the first chance for Kansas fans to see their team in action on the Lawrence track and will give a probable lineup on Kansas' chances in the triangular meet to be held in Lincoln May 16 between Kansas Aggies, Kansas, and Nebraska.

A school for cheerleaders at the University of Vermont has already enrolled twenty students.

## NEBRASKA WILL MEET KAGGIES

Coach W. G. Kline Takes Thirteen Men to Play Strong Kansas Aggie Team.

Thirteen of Coach W. G. Kline's Varsity baseball men leave this morning at 7 o'clock on the Union Pacific for Manhattan, Kas. The Huskers will play the Kansas Aggies this afternoon and Saturday.

Starting with a .500 percentage, the Nebraska baseball team will attempt to raise that standing to .666 by winning both games from the Aggies.

Dope splits on the two teams. The Aggies wear a pair of games from Missouri, while Nebraska won one and lost one. Nebraska's fast infield and hitting are expected to be the main factors in the games.

"Choppy" Rhodes will pitch today's game. Rhodes is making the trip in a car in order to drive back to Lincoln this evening. He is returning early so he can participate in the Grinnell-Nebraska track meet tomorrow. Jardine will probably be on the other end of the battery.

"Murph" Lang is slated to hurl in Saturday's game. The big pitcher is expected to show some stuff against the Kaggies. He let Missouri out without a hit or a run in his first game of the season. His brother, "Kewp" Lang will catch him.

The Huskers took their last workout yesterday afternoon in practice with the freshman squad. The frosh had little to show, and the regulars hit often and hard. It was the first workout for the first-year squad with the Varsity.

The pill-poppers will return to Lincoln Saturday night. Monday Ames will start a two-game series against the locals at Rock Island park, in the first home games of the season. Local fans will get their first opportunity to watch this year's squad.

Ewell Lang, Beryl Lang, "Red" Jardine, "Choppy" Rhodes, Fred Eckstrom, Ray Janda, Roy Andresen, Russell Gibbs, Verne Patton, Melvin Collins, Clark Smaha, Tommy Thompson, and Irvin Domeier are making the trip.

The probable line-up:  
 Nebraska— Pos. —Kansas  
 Janda 2b Lutz  
 Eckstrom 1b Brion  
 Gibbs 3b Huey  
 Smaha cf Cunningham  
 Collins 1f Munn  
 Patton rf Meek  
 Andresen ss Karns  
 Jardine c Miller  
 Rhodes p Greer or Conroy

## NEBRASKA HIGHS COMPETE MAY 9

Most Entries for Twenty-third Annual State High School Meet Will Be Received by Saturday.

UNIVERSITY TO BE HOST

Youngsters Are Grooming Themselves in Final Preparations for Classic of High School Track.

Entries for the twenty-third annual state high school track meet are coming in to the athletic office daily and most of the entries are expected to reach here by Saturday.

Scores of the best high school track teams of Nebraska are expected to enter the annual track and field classic of high school sport, sponsored by the University and held on the Memorial Stadium oval May 9.

Most of the high school teams are competing this week in their last meets before the state meet here next week, trimming off the edges in preparation for the speed fest. Coaches are grooming their charges to the last notch for the event.

Three distinct champions will come out of the melee. Champions will be awarded in three groups as follows:  
 Group I, which includes all eligible high schools with an enrollment this year of less than 150; group II, composed of all eligible high schools with an enrollment of from 150 to 300; and group III, which consists of the high schools with an enrollment of more than 300.

Preliminaries in most events will be run off in the morning, departing from the previous custom because of the increasing list of entries. The finals of both track and field events will be held beginning at 2 o'clock in the afternoon.

The Nebraska high school track meet has been held by the University for twenty-two years and is the big event in high school cinder annuals each year. Ever since Fairbury won the first meet in 1903 the youngsters have mobbed Lincoln to knock down old records and produce new winners.

In 1920 the present system of grouping was adopted and has been used ever since. DeWitt, Wilber, and Beatrice were the first to win

## BEARG DISCONTINUES FOOTBALL PRACTICE

Spring football practice, which has consisted mainly of workouts for the backs, has come to a close. Coach Ernest E. Bearg shut down the practices and put away the moleskins yesterday after exactly one month of workouts. Football men are to turn in their equipment immediately.
