THE UNIVERSITY OF NEBRASKA, LINCOLN, NEBRASKA, SUNDAY, MAY 3, 1925.

PRICE 5 CENTS

OPEN ENGINEER WEEK MONDAY

College of Engineering Busy Planning Program and Entertainment for Coming Gala Week.

GEOLOGISTS TAKE PART

Athletic Events Are Creating Much Interest Among the Members of Various Departments.

Tomorrow will be the first day of the ninth annual Engineer's Week. It will be launched by a pep meeting in the Temple at 11 o'clock, when music and cheers will supplement the program of talks by faculty members and students. A bustle of preparation was noticeable in all College of Engineering buildings last week. Models and exhibits in a half-finished state were the center of attraction in the laboratories; conspicuous corners of the halls were occupied by ticket-sellers; large, tin containers were labeled "Spikes for the Sledge"—the Engineers' Week publication on the bulletin boards were posted registration sheets for the various events of Field Day.

Field Day—Tuesday, to be observed at Antelope Park, is arousing much enthusiasm and class rivalry. Ticket sales totalled 215 Friday evening.

The calendar of Field Day events is as follows:

9:00 a. m.—Departure of trucks from in front of Mechanic Arts building.

9:00-10:00—Level Race.

9:00—Golf tournament; first four-some leaves first tee.

10:00-11—Baseball game, juniors versus freshmen.

10:00—Horseshoe tournament starts.

11:00-12—Baseball game seniors versus sophomores.

12:00-1:00Lunch, served by ladies of Grace M. E. Church.

1:00-2:30—Miscellaneous sports; tug of war, chain race, 100-yard dash, wrestling.

2:30-4:00—Ball game between winners of morning games.

2:30—Four golfers with highest scores play for championship.

Prizes are offered in each event. Evan's Laundry will present two \$5.00 laundry tickets to the level race winners. The most outstanding baseball star is to receive a fielding glove from the Lincoln Sporting Goods Company. The golf prizes have not yet been determined. "Red" Long, book-store owner, will present \$1.50 to the winners of horse-shoe contest doubles. Winners in the singles will be awarded \$2.00 by Mr. Long.

Frank Phillips, '26, Chadron, is Field Day committee chairman. Erwin Perso '25, Sidney, has charge of the sports, with Clifford Rees, '26, Carroll, overseeing the baseball games. William Schlegel, '28, Lincoln, is golf manager. Walter Scott, instructor in civil engineering, will judge the level and chain races.

Following are the interclass baseball captains: freshmen, Everett Blessing; sophomore, Earl Luff; junior, Harold Hahlbeck; senior, George Phelps.

A light-house, 36 feet in height, modeled after the one on Cape Hatteras on the Carolina coast, was erected at the corner of 12th and R streets yesterday. Brilliant lights will be flashed automatically over the campus and down the street throughout the evenings.

The department of geology will unite with the College of Engineering in the Engineers' Week exposition. The model of a mine has been planned tentatively as the geologists' float in the parade Wednesday noon. A miniature oil derrick in operation, placed on a model anticline for the accumulation of oil and gas, will be among the exhibits of this department, as will a retorting apparatus to show the distillation of oil from oil shales, and another apparatus for testing oils.

Most of the Engineers' Night exhibit is to be in the geology laboratories. The entire museum will be thrown open to visitors, with several students and faculty members on the different floors to direct sight-seers. (Continued on Page Two.)

Miss Gregory Tells Of Teacher's Work

Miss Helen Gregory of New York City, associate director of the National Committee on Visitation, Teachers, discussed the work of the visiting teacher at a luncheon at the Grand Hotel Tuesday of thirty-five students preparing for social work.

Miss Gregory told of the type of work and of the requirements for entering it. After her address she held conferences with a number of students who are planning to enter this field.

Five Letter Men Declared Ineligible

Five basketball letter men were declared ineligible Friday by the athletic board because they participated in a basketball game with Tabor college, of Tabor, Iowa during the recent basketball season.

Milo Tipton, Merritt Klepser, Matthias Volz, Orr Goodson, and Willard Usher are the men who are ineligible for further competition in Missouri Valley sports. Klepser and Goodson are the only men who were to have returned for basketball next year. Volz, however, is a regular on the baseball team and will not be able to play baseball again.

AGS ENTERTAIN AT ANNUAL FAIR

"Rube" Band Led Parade Which Opened Seventh Annual Farmers' Fair.

DANCING AND SHOWS ARE BIG FEATURES

A parade down O street opened the seventh annual Farmers' Fair yesterday noon. A "rube" band led the procession of floats representing every department of the College. The parade was one of the largest ever attempted by the College and drew large crowds.

Oscar Yoder was judged to be the best rider at the Wild West show which opened at 2:00. Bronco-busting, steer "bull-dogging" and mule riding were the features of this part of the entertainment. One of the horses, "High Moon" defied all attempts at breaking. This horse threw Mark Hirsig, who attempted to break it Friday afternoon, after about two minutes of violent "bucking," the fall breaking Hirsig's wrist.

An outdoor play "The Devil's Disciple" was staged during the afternoon by the University Players. The "Yellow Dog Saloon," "Bloody Gulch" dance hall and the "Snorpheim," featuring the "Cornfield Follies" were centers of attraction during the afternoon.

In the evening, the University Players gave another performance, the "Cornfield Follies" made a second appearance and two dance halls were opened. In addition to the amusements at the Fair were numerous educational exhibits, staged in order to give the public some idea of the work of the College.

HICKS HEADS ASSOCIATION

Nebraska History Teachers Choose University Prof. to Be President.

The annual meeting of the Nebraska History Teachers Association was held at the University Friday and Saturday. At the election of officers held Friday evening, Professor J. D. Hicks of the University of Nebraska was chosen president for the coming year, Dean Tilburg of Midland College was made vice-president and Miss Ruth Price of Lincoln was elected secretary-treasurer.

The Saturday morning program included an address by Professor Gordon G. Andrews of the University of Nebraska on "The Unique Character of the Occupation of Kansas;" "The Greenback Movement in Nebraska" by Professor Cooper of Cotner College; and "The Burning Question" by Professor Nelson of the University of North Dakota.

Professor August Charles Krey of the University of Minnesota opened the meeting Friday morning with an address at the convocation held by the students and faculty of the University History Department in the Social Science auditorium. The Lincoln teachers who met Friday afternoon at the McKinley school, and those who attended the annual dinner that evening at the University Club had the pleasure of hearing Professor Krey.

After the addresses given Saturday morning, the question was raised as to how history laboratories were to be equipped.

It is true, Professor Krey explained, that there have been great sums spent on the equipment of these laboratories without any apparent benefit. The large schools, however, were able to furnish their laboratories on such a scale as to show results, where the smaller schools could not. Fees did help to overcome this difficulty, but they, as a rule were too small to cover expenses. The real difficulty lay in the fact that social sciences can not get the response in fees that other sciences do.

PAY-UP DRIVE IS SUCCESSFUL

Nebraska Memorial Association Pleased by Manner in Which Pledges Are Paid.

GREEK LETTER FRATS HELP IN COLLECTING

The following statement was authorized by the Nebraska Memorial Association Saturday afternoon: "The result of the stadium pay-up campaign is very gratifying. For the most part, the fraternities and sororities entered into the problem of clearing up their stadium delinquencies with the same spirit that they entered the campaign to secure pledges in the fall of 1922.

"The percentages listed below are based on the result of the pay-up campaign to clear up the amount that was delinquent in each fraternity and sorority on Monday, April 27. Those organizations which secured either cash or time draft for the total amount that was delinquent last Monday are listed as 100 per cent. Those which secured only a part of the amount due, in cash or in time drafts, are listed according to the percentages of the delinquency that was cleared up by Saturday.

"To the individuals in the various fraternities should go much credit for the splendid work accomplished. Those fraternities which show a small percentage of the amount due cleared up in the form of cash or time drafts evidently did not enter into the spirit of the campaign with the seriousness which the problem warranted. It is indeed regrettable that three fraternities failed to take enough interest in the matter to even make a response.

"During the coming week a personal solicitation campaign will be conducted among all students still delinquent in an effort to clear up the entire amount outstanding at present. Each student who is delinquent will be visited in an effort to secure either the cash or a time draft. We can only hope that the response during the coming week will be as gratifying as during the week just closed."

Tennis Tournament Play Progresses

Two more men moved into the second round of the tennis tournament which decided the members of the Varsity net team Friday and Saturday. J. C. Hunt won from A. L. Hull in two sets, 6-3 and 6-1.

F. W. Sunderland went into the second bracket when his scheduled opponent, Don Elliott, withdrew from the tourney.

PHI TAU THETAS ELECT

New Officers Selected by Men Methodist Organization

Wesley chapter of Phi Tau Theta, national Methodist men's organization, chose its officers for next year at the regular meeting last Thursday. The new officers are: Joe Brown, '26, Griswold, Iowa, re-elected president; vice-president, Frank Starr, '26, Overton; secretary, Theodore King, '27, Ord; treasurer, George Bowers, '26, Filley; chaplain, Bennie Nelson, '27, Beresford, South Dakota; and historian, Robert Shields, '26, Wymore.

Dr. Huntington, Methodist student pastor and adviser of the organization will speak at the installation of officers, which is to be held at the next meeting, May 12.

GARNER MAKES TWO ADDRESSES

Speaks to Phi Beta Kappa-Sigma Xi on Education in International Affairs.

IS AN AUTHORITY ON INTERNATIONAL PEACE

Dr. James W. Garner gave two addresses at the University Friday. In the morning, he spoke to a University convocation on the subject "Proposals for International Peace" and in the evening, he delivered the annual Phi Beta Kappa-Sigma Xi address on the topic "Education in International Affairs." Dr. Garner also spoke at a banquet given in his honor by the Faculty Club on Thursday evening.

The speaker at his address Friday evening pointed out that the control of foreign affairs lies no longer in the hands of a few diplomats but in the people. "Public opinion, that immense force, is now controlling international affairs," he stated. He outlined the weaknesses of the present system, making three general criticisms.

Dr. Garner declared that in the first place, the people were not interested in foreign affairs enough and that this fault had always been an American one. In the second place, he stated that the public was very poorly trained to control such an important thing. Education, he pointed out, was the important thing. Education of the people to a standard commensurate with their present power, he pointed out, is one of the big problems facing the country today. As a third point, Dr. Garner said that the public was too apt to be prejudiced.

Prof. Maurice Weseen introduced the speaker in the evening to an audience that filled the lower floor of the Temple.

DEBATERS WILL CONTEST HERE

District Winners of State High School Debate League Meet Here.

Picked high-school debaters, representing the schools that have won the eleven district championships of the Nebraska High-School Debating League for 1924-1925, will compete in the eighteenth state debate at the University of Nebraska, Thursday, Saturday, May 7-9, for the state championship—a three-day tournament, beginning Thursday evening with six contests and ending Saturday afternoon with the state-championship contest, which in 1924 went to Geneva and in 1923 to Omaha Technical.

The district-championship winners this year are David City (Central District), Omaha Central (Eastern), Lincoln (East-Central), Albion (North-Central), Tekamah (North-eastern), Alliance (Northwestern), Superior Southern, Brock (South-eastern), Holdrege (Southwestern), Broken Bow (West-Central), Western District No. 1, Cozad, Brock and Tekamah are newcomers. at the tournament.

The teams will come prepared to maintain, as the lot drawing may decide, either side of the League question for the year—"Resolved, That the United States should enter the League of Nations." From 1908 to 1919 the state-debate contestants were one representative from each district; in 1920 the team-tournament plan was started.

The psychology department of the University of California believes that hypnosis may be used as an aid to more effective education.

The question of reducing the language requirements in foreign language is being discussed by the faculty at Northwestern.

Publish Article By Dr. Latimer

Dr. H. B. Latimer of the department of zoology and anatomy has a paper entitled "The Postnatal Growth of the Central Nervous System of the Chicken" in the April number of the Journal of Comparative Neurology.

BIZAD DAY IS BIG SUCCESS

Annual Festivity Day Is Featured by Parade and Spring Party at K. C. Hall.

Bizad Day, the annual holiday of the students of the College of Business Administration, began Friday morning at 10:00 o'clock with a parade through the business streets by the students and was brought to a successful finish by the spring party held at the K. C. Hall in the evening. The picnic was held at the Agricultural college and the program consisted of games and contests of different kinds, music, a picnic lunch and a number of short talks.

All Bizads wearing ribbons were excused from classes for the day. The parade, consisting of about twenty-five cars of Bizad enthusiasts led by the University Band, was organized at Twelfth and R street. After passing through the downtown business districts the procession reached the Ag College a little after 10:00 o'clock.

Boxing and wrestling matches, a tug-of-war and other amusements made the picnic enjoyable. One of the big drawing cards on the program was a boxing match between two of the women Bizads. Some discovered it was not impossible to dance on the grass and did this to the music of the band.

The feature event of the day was a baseball game in which the Bizad team defeated the freshman team from Wesleyan University by a score of 6 to 5. Both teams played a tight game and the score was tied at the end of the ninth inning. It was necessary to play thirteen innings before the Bizads scored the winning run.

After the lunch I. J. Zavodny, chairman of the committee in charge of the program called on Dean Le-Rossignol and Dean Engberg for talks. Clayton Goar, president of the Commercial Club and Dorris Loeffel, vice-president of the Woman's Commercial Club also gave short speeches.

One of the most successful Bizad days ever held was brought to a close by the spring party, which was held at the Knights of Columbus Hall and was attended by more than 200 persons.

Prof. Reed Attends Annual Conference

Prof. A. A. Reed, director of the Extension division, left Tuesday for Charlottesville, Va., where he is attending the tenth annual conference, April 30-May 2, of the Extension Association. He will lead in discussion of various problems in extension work. The matter of combining radio lectures with courses for credit, which is being tried at Nebraska, will probably be brought up. This is an innovation in this country.

MANY ATTEND PRE-MEDIC DAY

Deans Cutter and Keegan Are Speakers at Dinner Given at University Club.

Pre-Medic Day was very successful this year, according to Dr. Barker who accompanied the 150 who made the trip to Omaha Friday. Since many of the students went up the night before, the exhibition operations were stated at 8 o'clock in the morning at the University Hospital. Dr. Davis performed the operation.

Members of the party had lunch at the Hospital and at fraternity houses. In the afternoon, the freshmen class played the sophomores in a baseball game which the freshmen won. In the evening, they were entertained at the University Club. Dr. Gifford, Dr. Dunn, and Dr. Pollard spoke to those present. The addresses consisted of advice and suggestions for the pre-meds as to what constitutes a well-trained doctor and how the University College of Medicine helps to develop them.

Dean Cutter and Dean Keegan also were speakers at the dinner. Each fraternity gave special musical numbers or staged vaudeville acts between the speeches given during the evening. The twelve women who made the trip were entertained in the evening at the Nurses Home by Mrs. Cutter, Mrs. Keegan and Mrs. Doynar.

CORNHUSKERS VICTORIOUS IN MEET WITH GRINNELL

Nebraska's Superiority on Track Was Enough to Overcome Pioneer's Advantage in Field and Gain Victory 76-55.

MORGAN TAYLOR WINS FOUR FIRST PLACES IN TILT

Winning most of the track events to overcome Grinnell's lead in the field, the Cornhuskers took a closely-contested dual meet from the Pioneers on Stadium field Saturday afternoon, 76 to 55.

F. Morgan Taylor of Grinnell gained new laurels by his great performance, for the Olympic hurdler won four firsts, taking the high jump, the broad jump, and both hurdle races.

Big Round-Up Week Program Is Arranged

Reunions, athletic events, banquets and ceremonies will attract alumni to the University of Nebraska campus for the three days of the Fourth Annual Cornhusker Round-up, May 28, 29, and 30. Headquarters for the reunion will be in the Stadium.

The annual Ivy Day ceremonies will occupy Thursday, the first day of the Round-up. The crowning of the May Queen, whose identity, with that of her attendants, is to be kept secret until the eventful day itself, will be crowned, and members of the senior honorary organizations will be announced. The Ivy Day oration is to be given by William Norton.

Friday forenoon will be filled with alumni meetings and two baseball games. The annual "Compet" will feature in the afternoon program. The presentation of a mystery play by the University Players is to take place at the Orpheum theater in the evening.

After the class breakfasts on Saturday morning, Memorial Day services will be conducted. At noon will occur the big alumni luncheon, and in the afternoon the Women's Athletic Association, Dance Drama, and a student circus. Numerous organization banquets will fill both Friday and Saturday evenings.

Rev. Edwin Hart Jenks of Omaha will preach the baccalaureate sermon on Sunday. Dr. George E. MacLean, former chancellor of the University of Nebraska, will be commencement speaker on June 6.

Mrs. Ray DePutron, formerly Edna Sarah Holland, of the class of 1905—honor group this year, is chairman of the 1925 Round-up committee. Other members include Mrs. Fred Sidles, Mrs. Frederick E. Beaumont, Mrs. Max Beghtel, and C. E. Hinds.

PLAN BIG MAY DAY BREAKFAST

Ask Sororities and Fraternities to Close Tables and Attend in a Body.

The second all-University May-day breakfast and inter-sorority sing will be sponsored next Saturday morning May 9, at 8:30 by W. S.-G. A. The breakfast will be served cafeteria style by the Tassels, girls' pep organization. Tickets will be 25 cents.

All sororities and fraternities have been asked by the W. S.-G. A. board to close their tables and attend the breakfast in groups. All mothers of University students are invited and will be guests of the association.

Sorority groups will sing two of their songs with piano accompaniment. The singing will be judged by a committee which will be announced later. Gamma Phi Beta won the silver loving cup last year and Phi Mu won second place. The sorority that wins the cup three times in succession will be given the cup permanently. The judging last year was based on the originality of the song, the distinctness of the words, and the manner of performance.

A new feature being added to the breakfast this year, is the awarding of a prize for the best original University song. The song may be written by any group or individual member.

Other entertainment is being planned but this will not be disclosed. The University band will play during the serving of the breakfast.

Phi Delta Kappa Holds Meetings

Phi Delta Kappa, men's honorary educational fraternity, held two meetings in the past week for educational and routine business. An initiation and banquet will be held at the Grand Hotel May 7.

HOW THEY SCORED

High jump	3 1/2	43.75	5 1/2
Discus	1	12.5	8
Broad jump	4	50	5
Javelin throw	4	50	5
Totals	76	950	55

Fast time was made in all events, but Locke's performances in the 100- and 220-yard dashes and Morgan's records in the hurdles were of championship style. Locke won the 100-yard dash in 9.9 after a bad start, and took the 220 with little competition in 21.4. About fifteen yards from the finish he glanced over his shoulder to view the rest of the procession. Apparently the observation was satisfactory, for he coasted the rest of the way.

Taylor beat Ed Weir in the high hurdles, but was forced to clear the sticks in 14.8 to win. Close competition was offered him in the 220-yard hurdles by Locke, who ran neck and neck with the Olympic champion until next to the last hurdle, when the Husker flash tripped and fell. Taylor finished an easy first in 23.4, within three-tenths of the world's record. His high hurdle performance was within two-fifths of a second of the world's record. Weir hit a hurdle in this event and re-opened a wound in his knee received at the Drake relays.

Wirsig, Nebraska pole-vaulter, also turned in a good record, clearing the pole at 12 feet, 7 1/2 inches. The record was made after competition was over and did not stand as a varsity record. Wirsig tried to clear 13 feet but was unable to do it.

Rhinefort of Grinnell hurled the discus 141 feet even, almost six feet better than the Valley record of 135 feet 6 inches held by Richerson of Missouri. Rhinefort won third at the Drake relays. Rhinefort also won the shot-put.

Locke had an excellent chance to beat Taylor in the low hurdles when he tripped on a hurdle and fell, sliding several feet but receiving no serious injury. Taylor showed better form on the hurdles, but Locke's tremendous sprint gave him an advantage between the barriers that about evened matters.

The Huskers showed marked superiority in the half mile and the 440. In the half, Nebraska won all the places, Houdersheldt, Ross, and Lewis crossing the finish line in the order named. Captain Crites sprinted at the finish and overtook Scherich in the 440, the two Huskers finishing in a dead heat.

The relay, last event on the program, furnished plenty of thrills, even though it could not change the outcome of the meet. Dailey, Husker lead-off man, gained a lead of three yards on Kitchen, colored runner. Reese, the second Husker, lost ground and finished even with Stotts. Scharnweber of Grinnell pulled out ahead of Beckord, giving Jones, (Continued on Page Two.)

Takes Examination For Doctor's Degree

The examination of Cyrus Vance Williams for the degree of Doctor of Science in Bessey Hall, room 202. His major subject was vocational education and his minor, botany. His thesis was on "Fundamentals Involved in the Organization and Conduct of Vocational Agricultural Schools and Classes." The members of the committee were: Prof. H. E. Bradford, chairman; Prof. R. J. Pool, Prof. H. C. Filley, Dean W. E. Sealock, Dean E. A. Burnett, Prof. F. E. Henslik, Prof. Charles Fordyce, Prof. J. E. Weaver, Prof. O. H. Werner, Prof. L. Van Es.
