

## OMAHA TAKES CHAMPIONSHIP

Captures Debate Laurels by Defeating Superior 2 to 1 in Finals of State Tournament Here.

### TAKES NEGATIVE SIDE

Question is: "Resolved, That the United States Should Enter the League of Nations;" Meets Lincoln and Brock.

Omaha Central won the championship of the Nebraska high school debating league for 1925 by defeating Superior 2 to 1 in the finals of annual state tournament at the University Saturday morning.

The team maintained the negative of the question: "Resolved, That the United States Should Enter the League of Nations." In the second round of the debate, Omaha Central won a 2 to 1 victory over Lincoln.

Prof. M. M. Fogg, president of the league presided at the meeting. Prof. Henry H. Foster of the College of Law, Prof. John Owen Rankin of the Department of Rural Economics, and Prof. Lauritz Vold of the College of Law, were the judges of the contest.

## GILMAN IS MADE BISHOP

Alumnus Fills Position in Hankow, China

Rev. A. A. Gilman, '98, was recently consecrated Suffragan Bishop of Hankow, China.

Bishop Gilman was born in 1878 in North Platte. He was graduated from the University of Nebraska with Phi Beta Kappa honors and from the Philadelphia Divinity School in 1901.

He spent his diaconate in home mission work in Wyoming and went to China in 1902. His first few years in China were spent in mastering the Chinese language.

## ENGINEERS WILL MEET

Will See Three Reels of Moving Pictures of Westinghouse Electric Co.

The student chapter of the American Institute of Electrical Engineers will hold a meeting Thursday night, May 14. Three reels of moving pictures from the Westinghouse Electric company will be shown.

Other engineering students and the general public can attend this meeting.

## Hackler Is Appointed Editor of Cadet News

Victor T. Hackler, '26, Omaha, has been appointed editor of The Cadet News, the official publication of the Military department, for next year.

## Delta Omicron Holds Election of Officers

Delta Omicron, honorary musical sorority, held its annual election of officers at Ellen Smith Hall Thursday evening.

## SMITH IS AWARDED SIGMA TAU MEDAL

Annual Prizes Presented at Convocation for Engineers' Week.

L. E. Smith, Dunlap, Ia., sophomore in the College of Engineering, was presented with the Sigma Tau medal for having attained the highest scholarship average for his freshman year.

Second on the program was the presentation of a Civil Engineering handbook to D. P. Roberts, '25, by Professor Mickey, chairman of the Civil Engineering department.

Friday afternoon the sections which met were biological and medical, chemistry, mathematics, physics, and social science.

The annual dinner took place at Ellen Smith Hall Friday evening, with Dean H. Von W. Schulte of Creighton University delivering the past president's address.

Saturday morning the biology, earth science, social science and chemistry sections met on the College of Agriculture campus.

Discussions of the chemistry section were: "The Preparation and Properties of 6-Methyl Coumarin," by R. H. Edee,

During the banquet copies of "The Sledge," official Engineering College scandal sheet, were distributed and caused a great deal of comment.

After giving a few yells for Nebraska the crowd left and Nebraska's Tenth Annual Engineers' Week officially ended.

## Dr. Holland Rose to Talk on World Peace

Dr. Holland Rose of Cambridge University will speak on "The League of Nations and World Peace," at St. Paul church at 8 o'clock this evening.

He was a member of the English commission appointed in 1918 to investigate plans for world organization and since that time has followed closely the development of the league of nations and of the world court.

Three years ago he gave a lecture course of two weeks at the University summer school.

## Sixth of Series of Studies Is Published

"Nebraska Place-Names" by Lillian Linder Lewis, A. M., was recently published as the sixth of the University of Nebraska Studies in Language, Literature and Criticism.

## END MEETINGS OF SCIENTISTS

Joint Sessions of Science, Chemical and Mathematical Societies Close.

### POOL GIVES FINAL ADDRESS SATURDAY

The last of the joint meetings of the Nebraska Academy of Science, the Nebraska chapter of the American Chemical Society, and the local section of the Mathematical Society of America, which have been held at the University of Nebraska since Thursday morning, took place yesterday evening.

Sectional meetings in biology, medicine, chemistry, earth science, engineering, mathematics, physics, and social science filled the three days of the convention.

Prof. Geza Doby, noted biochemist of the University of Budapest, Hungary, spoke on "Enzymes and Plant Diseases" Thursday evening.

F. G. Collins, curator of the Museum, spoke on "The Museum and the Education of Nebraska" at a general meeting at Bessey Hall Friday morning.

Friday afternoon the sections which met were biological and medical, chemistry, mathematics, physics, and social science.

The annual dinner took place at Ellen Smith Hall Friday evening, with Dean H. Von W. Schulte of Creighton University delivering the past president's address.

Saturday morning the biology, earth science, social science and chemistry sections met on the College of Agriculture campus.

Discussions of the chemistry section were: "The Preparation and Properties of 6-Methyl Coumarin," by R. H. Edee,

In the earth science section, John R. Muhm of the department of geography discussed the regional economic development of Nebraska.

The presentation of plaques to fraternities having the highest scholarship ratings for the first semester of this year and the second semester of last year, will be the feature of the evening.

## 700 ATTEND MAY BREAKFAST

W. S. C. A. Sponsors Intersorority Function

More than seven hundred students, mothers, and fathers were present at the May Day breakfast held in the Armory Saturday morning.

Harriet Cruise and Ruth Haberly sang several numbers, and Katherine King entertained with a dance.

The intersorority singing was another feature of the program.

## Alumnus Is Co-Author Of Engineering Paper

Walter J. Wohlenberg, M. E., '10, associate professor of mechanical engineering at Yale University, is co-author of a paper entitled "Radiation in Pulverized-Fuel Furnaces," to be given at the May meeting of the American Society of Mechanical Engineers, Milwaukee, Wis.

## Chancellor and Dean Resign

CHANCELLOR SAMUEL AVERY

EXECUTIVE DEAN CARL C. ENGBERG

Chancellor Avery and Dean Engberg, pictured above, have resigned their positions, the resignations being accepted Friday by the Board of Regents.

## Plan Program Of Speeches For Banquet

The program for the annual interfraternity banquet which will be held Wednesday, May 13, at the Scottish Rite Temple, will be short, according to the committee report.

The presentation of plaques to fraternities having the highest scholarship ratings for the first semester of this year and the second semester of last year, will be the feature of the evening.

## PROFESSOR REED RETURNS

Has Attended Meeting of Committee of National Extension Association.

Prof. A. A. Reed, director of the University Extension division, returned last week from New York City, where he served as a member of a committee representing the National University Extension Association.

## Dean LeRossignol Attends Meeting

Dean J. E. LeRossignol of the College of Business Administration attended the meeting of the American Association of Collegiate Schools of Business at Columbus, Ohio, May 7-9.

## AVERY AND ENGBERG RESIGN FROM EXECUTIVE POSITIONS

Board of Regents Announces Acceptance of Withdrawals of University Chancellor and Executive Dean at Friday Meeting.

### STRAIN ON HEALTH IS REASON FOR RESIGNATION

Chancellor Will Complete Twenty Years of Service August 31, 1928; Engberg Will Give up Duties Year from Next September.

The Board of Regents of the University at its meeting Friday announced the acceptance of the resignations of Chancellor S. Avery, to take effect on August 31, 1928, and of Executive Dean Carl C. Engberg, to take effect September 1, 1926.

Both signified their willingness to serve the University further, Chancellor Avery requesting that he continue to serve as a professor and Chancellor Emeritus and Dean Engberg requesting that he be retired to the Department of Mathematics of which he was a professor before he assumed his present position.

### Have Not Chosen Judges for Contest

The judges for the poetry and essay contest which closed May 1, have not yet been picked but will be announced later, according to J. A. Rice, jr., chairman of the faculty committee in charge.

Persons not connected with the University will act as judges again this year as formerly. Much material was submitted in the contest but until the judges are selected none of the work will be read.

Plays may be submitted until November 1 and the prize winning plays will probably be presented by the University Players next year.

The department of physical education and athletics was subdivided as follows: Division of physical education for men, Dr. R. G. Clapp, chairman.

## TWO APPEAR IN RECITAL

Josephine Hassler and Virginia Wary Appear Friday Evening.

Josephine Hassler, cellist, and Virginia Wary, pianist, presented their senior recital at the First Christian church Friday evening.

## Request Applicants to Fill Class Schedules

Each applicant for appointment to the staff of the Cornhusker or The Daily Nebraskan is requested to file at my office (University Hall 112) by 1 o'clock Monday, May 11, a filled-out class-schedule blank indicating clearly his recitation and laboratory rooms each day of this week, and also giving his street address and telephone number.

M. M. FOGG, Chairman, Student Publication Board, May 9, 1925.

## Have Given Long Service

A banquet was tendered to Chancellor Avery on April 19 by the faculty of the University as a recognition of his unselfish work for the institution.

### Chancellor Will Complete Twenty Years of Service August 31, 1928; Engberg Will Give up Duties Year from Next September.

The Board of Regents of the University at its meeting Friday announced the acceptance of the resignations of Chancellor S. Avery, to take effect on August 31, 1928, and of Executive Dean Carl C. Engberg, to take effect September 1, 1926.

Both signified their willingness to serve the University further, Chancellor Avery requesting that he continue to serve as a professor and Chancellor Emeritus and Dean Engberg requesting that he be retired to the Department of Mathematics of which he was a professor before he assumed his present position.

Dean Engberg was born in 1872 in Sweden, coming to this country in 1888. He took a degree from the University of Nebraska in 1895, a doctor's degree in 1899, and in 1890 began teaching here.
