

Will Run Telegraphic Meet Today

VALLEY SQUADS WILL COMPETE

Husker Freshmen Will Try for Honors in Second Contest Against District Yearling Teams.

DEFEATED BY DRAKE

79 to 52 Is Score of Wire Meet of Last Week; Show Weakness in Century, High Jump and Javelin.

The second freshman telegraphic meet of the season will be run off today. The Husker frosh will compete against the yearling squads of the Valley. The Nebraska freshmen were defeated last week by the Drake freshmen in wire meet, 79 to 52.

In the Drake meet, the Huskers were blanked in the century, 220 and quarter but showed strength in the distance runs. The freshmen are also weak in the high jump and javelin but on the rest of the field events, split even with the Bulldogs. The calibre of the competition which the yearlings will face today is very high and results can only be conjectured at.

Davenport is a Husker ace in the dashes who may tally some points. Wyatt was high point man in the Drake meet, taking firsts in the two lowest dashes and the high and low hurdles. Searles and Stiner tied for second place honors, each taking two firsts.

The men who will compose the squad for this afternoon's meet were chosen from tryouts held for the Drake meet. The relay teams were made up according to the results of the dashes in the Drake meet.

The time of the events and the men who are entered in them are as follows:

100-yard, 4:10—Presnell, Beckwith, Davenport, Wyatt, Fisher.
 Mile, 4:20—Keller, Roberts, Moore, Searles, Johnson, Oehlerking, Reller.

220-yard, 4:30—Davenport, Presnell, Glasgow, Hendricks.

120 high hurdles, 4:40—Voris, Lefter, Blum, Wyatt, Sprague.

440-yard, 4:55—Davenport, Glasgow, Cronk, King, Mousel, Wilson, Pate, Dexter.

50 low hurdles, 5:05—Voris, Lefter, Wyatt, Petersen, Sprague.

880-yard, 5:20—Randalls, Roberts, Johnson, Hunter, Kelley, Fetterman, Dexter, Frederick, Mousel.

Half-mile relay, 5:40—Presnell, Pate, Chambers and Blum.

Mile relay, 6:00—Johnson, Fetterman, Hoffman and Davenport.

Discus, 4:30—Durish, Stiner, Raisch.

Javelin, 4:30—Stevens, Surley, Stiner.

Shot put, 4:30—Stiner, Durish, Lewis, Raisch, Presnell.

Pole vault, 5:30—Watke, Townsend, Chambers.

High Jump, 5:30—Hulsker, Blum, Mills, Stevens.

PREPARE FOR DUAL MEET WITH AGGIES

Place Stress on Distance and Field Events in Monday Practice.

The Husker trackmen spent a busy afternoon yesterday working out in the various events in preparation for the dual track meet to be held at Manhattan against the Kansas Aggies next Saturday.

Special stress was placed on the distance and field events in which Nebraska was weak in the recent dual meet with Grinnell. The latter part of the afternoon was spent on the hurdles. Ed Weir, whose leg injuries received at the Drake relays have forced him temporarily from the hurdles, was on the track for a light workout yesterday. He will probably be able to take part in the meet Saturday.

Varsity work on the track will be light today as the freshmen will be striving for records and first place in the annual Missouri Valley telegraphic meet which will be held this afternoon.

The Senior Prom of the University of Minnesota will be held in the capitol building this year. It is planned to bank the capitol halls with flowers, in a fashion similar to the way in which it is done when a governor is inaugurated.

South Dakota State College celebrates a Hobo Day. Both men and women turn hoboes for the occasion, the men "by sapping their life blood to grow beards," and the women by giving the bobbing shears a week's lay-off.

An old-fashioned "spelling bee" is being put on by the English department at Oregon Agricultural College.

Kansas Aggies Will Compete With Huskers in Track Meet

KENNETH KNOUSE

Kenneth Knouse is the Aggie captain this year. Like the Husker captain, he is a quarter miler. He is also a member of the Aggie mile relay team which is expected to show up well at the triangular meet Saturday. Knouse was defeated by Rooney of Kansas in the Kansas-Kansas Ag dual meet recently in the 440, but is hoped to be a strong contender at the triangular.

AUGUSTUS BALZER

Augustus Balzer is another Aggie star. He holds the Missouri Valley record for the indoor two-mile run and is rated as one of the best distance men in the Valley. His time at the Kansas-Kansas Ag dual meet for the distance was 9:45.2. At the Grinnell-Nebraska meet, the winning time was better than ten minutes.

JOHN GARTNER

John Gartner is one of the Aggie field event stars. His specialty is the discus heave although he can also put the shot creditably. He made a winning mark of 125 feet 5 3/4 inches for the discus when his team mates met the Aggies a short time ago.

over twenty-three feet. He will furnish Beerle and Dalley some competition in the lows, also, if dope works out.

Kimport is one of the Aggie stars who will appear at the meet. He is a star miler and half miler. Watson of Kansas is another sterling entry in these runs and Ross, Lewis and Houdersheldt will find keen competition waiting for them in these events.

Bearg Gives Basket Men Stiff Drill

Coach E. E. Bearg put his squad of spring basketball candidates through a stiff drill in fundamentals yesterday evening. Floorwork on the offensive and continued practice on the short pass featured the evening workout.

More men are urged to turlout regularly for spring practice. During spring practice much time can be spent on important fundamentals and points of the game which cannot be taken up when the regular season rolls around. Equipment can be secured at the Armory.

The practices are held from 4 to 6 o'clock on Tuesday and Thursday afternoons and from 7 to 9 o'clock on Monday, Wednesday and Friday evenings.

Will Meet Oklahoma In Two-Game Series

The Husker pastimers will face the University of Oklahoma team this week end in a two-game series. The Sooners are leading the Valley and the games are expected to be of high calibre. The Saturday morning game will be called at 10 o'clock as the triangular track meet with Kansas and Kansas Ag will be held in the afternoon. Both games will be played at Rock Island park. Student tickets are good for admission to the games as well as the track meet.

BASEBALL SQUAD HITS WEAK SPOTS

Attempt to Strengthen Hitting and Base-running, Lax Points at Ames.

The Husker baseball squad held a slugfest against the freshmen team in an attempt to strengthen their hitting and base-running stride which appeared rather lax in the games with Ames last week.

A heavy schedule lies just ahead of the baseball squad in the last two weeks of the season. The Sooners will journey to Lincoln next Friday and Saturday, May 15 and 16, to cross bats with the Huskers. They will be followed by the Kansas Aggies on the following Monday and Tuesday, May 19 and 20, who will attempt to avenge their double defeat of a few weeks ago. The Huskers will complete the present schedule by journeying to Ames to make amends for the fifteen inning defeat suffered at the home grounds last Sunday.

Five Qualify For Varsity Golf Squad

Five men qualified for the Varsity golf squad yesterday afternoon. E. E. Bearg, who is acting golf coach, has announced. Twenty-seven holes were played in the tryouts and the squad was picked from the best scores turned in for the afternoon. Six men will compose the squad and four men will be chosen from this number to make up the team for matches. The men who qualified are Joe Brown, Harold Palmer, Fred Vette, Don Miller, and George Ready.

The men will play 54 holes this week at the Country Club to determine who compose the team for the first match and the order in which they will play. The first meet is scheduled with Drake at Des Moines Friday. A dual meet has also been arranged with the University of Kansas the following week here.

The senior council at Syracuse University denied the petition to admit the debate manager to the council on the ground that further addition to the present body of twenty would make the body unwieldy and inefficient.

The radio station at the University of Minnesota has entered competition with other stations for the number of messages relayed in a period of a month.

Tom Poor, Olympic star, will also be on deck Saturday afternoon. Poor is without doubt the class of the Valley when it comes to hopping over the bar. His team-mate Graham is a close second in the event, their records being only an inch apart.

Gleason, Wirsig, and Rhodes will face competition also. They will have to clear the rod at better than twelve feet, probably, in order to beat the entries from the two Kansas squads. All three of the Huskers have done this however. Wirsig went 12 feet 7 3/4 inches after the meet with Grinnell.

Rooney and Engel of Kansas are star entries in the quarter. Scherich and Dailey are hoped to beat them, however, and Captain Crites of the Huskers runs a consistently pretty 440 which ought to be in the money.

Track fans always watch for the relays and the mile class Saturday ought not to disappoint anyone. All three teams entered are pace-makers and their times are very close as judged by Drake, and Kansas Relays.

One of the big races of the year will be between Locke and Fisher

of Kansas, at the triangular meet Saturday. Fisher is one of the best sprinters in the Valley, running the century in ten seconds consistently. Hein of Nebraska and the Hawaiian flash from Kansas—Wongwai are also expected to put up a real battle in the dashes.

Graham, Kansas captain, will run Ed Weir a real race in the barriers at the meet, also. Not only does the Kansan hurdle but he can high jump 6 feet 4 inches and broad jump
