

KAGGIES MEET CORNHUSKERS HERE TODAY

KANSAS SQUAD OUT FOR BLOOD

First of Two-game Series with Wildcats Starts This Afternoon at 4 O'clock at Rock Island Park.

GREER AND LANG PITCH

Pitchers' Battle Expected When Two of Valley's Best Hurlers Face Each Other Today.

Smarting from the effects of a pair of defeats handed them in their own backyard by the Huskers, the Kansas Aggie baseball squad comes to Lincoln for a two game series beginning this afternoon at 4 o'clock at the Rock Island park.

Greer, rated as one of the best pitchers in the Valley, will oppose the veteran Jack Lang in what promises to be one of the best battles of the season. The Huskers fell on Greer at Manhattan and he left the game under the barrage of hits from the Nebraska batsmen, but he is entering the game tomorrow with the intention of avenging his previous rough handling. Conroy, another hurling ace, will probably work in the second game.

Coach Kline has been putting the Huskers through some stiff workouts in an attempt to strengthen their batting and base-running, and the team is in firstclass shape.

The Aggies have developed considerably since their trouncing at the hands of the Nebraska nine, and gave the Oklahoma Sooners some stiff opposition the last week, the first game going to Oklahoma 1 to 0.

The present series winds up the home season for Nebraska unless extra games can be scheduled. The Huskers leave Thursday for Ames for a series with Iowa State.

A large crowd is expected for the games with the Aggies which begin at 4 o'clock sharp at the Rock Island park.

Freshmen Meet Kansas In Telegraphic Meet

A freshman telegraphic track meet has been scheduled with the University of Kansas freshmen Thursday, May 21, Coach Schulte announced yesterday. It is thought that the University of Missouri freshmen may also compete Thursday, making it a triangular meet.

The Nebraska yearlings have already competed in two telegraphic meets this year. They were defeated by Drake freshmen in a telegraphic meet several days ago 79 to 52. The Bulldogs showed strength in the hurdles and in the dashes and the Husker frosh were strongest in the distances. The Huskers were also weak in the high jump and the javelin. Coach Schulte has not yet received word of the results of the Missouri Valley wire meet which was held last Tuesday.

SEMI-FINALS PLAYED OFF

Will Not Complete Tournament But Start Round-Robbin Competition Soon.

FIVE WHO WILL COMPOSE SQUAD ALREADY CHOSEN

The semi-finals of the Varsity tennis tournament were played off yesterday afternoon. The tournament, which was held to decide members of the Varsity tennis squad, will not be completed, according to H. D. Gish, acting director of athletics. The five men who will compose the squad have already been selected and they will play a round-robin tournament to determine the members of the Varsity team which will represent Nebraska against the Kansas Aggies next Friday at Manhattan.

Paul Shildneck defeated John Newton in the semi-final bracket in a hard match. Newton took the first set, 8 to 6, and Shildneck won the last three sets 7 to 5, 6 to 0, and 6 to 4. Herb Rathsack won the game with F. W. Sunderland, 6 to 3, 6 to 2, and 6 to 2.

John Newton, Paul Shildneck, Herb Rathsack, John Straka, and F. W. Sunderland are the men who were selected to compose the Varsity squad. The three men who will be members of the team will be picked after the round-robin tournament which will be played Tuesday, Wednesday and Thursday. Each man will meet each of the other members of the squad and the games will be decided on the basis of two sets out of three.

LAST DUAL MEET NEXT SATURDAY

Husker Tracksters Spend Light Day Limbering up After Saturday Meet.

The Husker tracksters spent a light day on the track yesterday afternoon in limbering up after the triangular meet of last Saturday. The last dual meet of the season will be held at Manhattan against the Kansas Aggies next Saturday. Judging from the scores made in the triangular meet between Kansas, Kansas Aggies and Nebraska, the Huskers should have little trouble when they clash with the Aggies next Saturday.

Ed Weir and Locke worked out for considerable time on the getaway yesterday. Weir's knee, which was injured on the hurdles, is rapidly improving and he will probably be in good condition for the Kaggie meet.

Balzer and Kimport should score for the Aggies in the distance events in the coming dual contest. Balzer was leading the field by a winning distance last Saturday when he pulled a leg muscle and lost on the final lap, limping in for a third place after making the entire final circuit with the injured leg.
