

THE DAILY NEBRASKAN

VOL. XXV.—NO. 1.

THE UNIVERSITY OF NEBRASKA, LINCOLN, NEBRASKA, FRIDAY, SEPTEMBER 18, 1925.

PRICE 5 CENTS

START WORK ON NEW BUILDINGS

Field House and Auditorium May be Ready for Basketball Season.

PLAN "MEMORIAL MALL"

Architects Working on Plans for Morrill Hall—To House Museum and School of Fine Arts.

Four major building operations will be completed on the University campus within the next two years under plans made possible by appropriations of the legislature and special financial measures.

On the main campus construction work is well under way on a combined auditorium and field house. It will face Vine street, centering on Thirteenth street and, it is hoped, will be ready for the 1926 basketball season. Vine street east from the stadium to Fourteenth street, will be developed into a "Memorial Mall."

Morrill Hall, planned primarily as a geological museum, will also house the School of Fine Arts. It will be on the south side of Vine street, east of Bessey Hall. In architecture, it will be somewhat similar to Bessey Hall. Additional space will be provided for library facilities. Provision will be made in the planning for the addition of wings in the future as required. Davis and Wilson, of Lincoln, are architects.

New Gym At Ag Campus

Two buildings will be added to the campus of the College of Agriculture. A gymnasium, to cost approximately \$125,000, is being planned by McGinnis and Schaumburg, Lincoln architects. It will house indoor sports for both men and women, and will furnish ample locker facilities for all students in intramural sports.

A modern dairy barn, to cost approximately \$40,000, is being planned by F. A. Ellis, architect. It will be located at the east end of the drive from the main quadrangle which passes just south of the Animal Pathology buildings. It will be a two-story brick structure in the shape of a cross. A milk house will be built in accord with the latest discoveries in the correct care of milk, detached from the barn but near it.

Field House To Seat 11,000

The field house, capable of seating 11,000 people when used as an auditorium and 8,500 as a basketball and indoor sport amphitheater, will cost approximately \$350,000. Following the general style of architecture of the newer buildings, it will be of brick, matching Bessey Hall. It will be 250 feet long, a stage at the north end adding fifty feet and 165 feet wide. The roof will be supported by arched steel girders sixty-five feet high at the center.

The main floor provides for four full-sized basketball courts. One additional court will be available on the stage for tournament use. Seats for a thousand will be available on the stage. It is planned that in the future all University social functions will be held in the field house. Fifteen hundred couples can be accommodated on the main floor.

Full length balconies will be provided on the south and east end. Double doors will lead from the main entrance to the lobby. Entrance to the balconies will be by ramps as in the stadium.

Two men from Czecho-Slovakia enrolled in the University of Wisconsin this year.

Drastic Delinquency Rules Will Be Hard On Lazy Students

Rules concerning delinquency have been made more strict by the University authority this year. There are seven rules relating to all students and another rule which has been approved by the Inter-fraternity Council will be of concern to fraternity men only.

The new delinquency rules are as follows:

"1. Whenever at the middle or at the end of any semester a student is delinquent in two-fifths or more of his hours of registration, his name is automatically dropped from the rolls of the University.

"2. Whenever a student has accumulated twelve hours of unremoved conditions or failures in any one college, his name is automatically dropped from the rolls of the University.

"3. Whenever a student is delinquent in two or more subjects totaling at least one-third and less than two-fifths of his hours of registration, he is placed on probation.

"4. A student whose grades are less than seventy per cent in one-half or more of his hours of registration in any one semester, is placed on probation.

"5. Whenever a student, who has been placed on probation, again be-

ARTS AND SCIENCE DEAN TAKES POST

H. G. James Comes to Nebraska After Serving Thirteen Years at Texas School

Herman Gerlach James, recently named Dean of the College of Arts and Science at the University of Nebraska, has assumed his new duties with the opening of the fall term of school.

Dean James comes to Nebraska from the University of Texas where past thirteen years. For several years he has been head of the Department of Political Science in that school. He has given over much time to travel, and study along political and economic questions in Latin America. In fact he has followed closely his father, Edmund James, noted educator and economist, who for sixteen years was President of the University of Illinois.

Announce Changes in Non-Com Assignments

Several changes are announced in the non-commissioned officers staff of the military department. Sergeant F. C. Essenther has been transferred from the office to the gallery where he will take the place of Sergeant Richardson, transferred to service at Creighton University, Omaha. Taking Sergeant Essenther's place in the office, will be Sergeant H. O. Chrysler who comes from R. O. T. C. service at Creighton high school, St. Paul, Minnesota. Staff Sergeant Lytleton Lewis will continue as instructor of the freshmen course.

Sergeant Chrysler, new addition to the non-commissioned detachment is a native of Nebraska, his home town being Broken Bow.

English 127 Omitted From Class Schedule

English 127, Eighteenth century literature, a course accidentally omitted from the program of classes, will be offered this semester by Mr. Stepanek at hours to be arranged. All students who propose to take the course are requested to report in U206 Monday between 10 and 12:30 or 2:00 and 5:30 o'clock.

PLAN SPECIAL TO ILLINOIS

Burlington Will Run Train if 125 Students Sign up for the Trip.

MUST GET TICKETS SOON

The possibility of a special train of Nebraskans to the Illinois-Cornhusker game at Champaign October 3 will become a reality if 125 students make the trip, officials of the Burlington railroad said yesterday.

Repeated requests and inquiries have led the Burlington to plan a special train which will leave Lincoln October 2 at 6:30 p. m. and arrive at the Illinois institution at 11:30 o'clock the morning of the game, but these plans can only be carried out if a sufficient number of students buy or reserve tickets before September 26.

The round-trip fare from Lincoln will be \$19.46, and from Omaha, \$17.48.

Back Sunday Morning.

The "Illio Special," as it will be called, will be made up at Lincoln for students and football fans exclusively, and will remain in Champaign three or four hours after the game in order to allow passengers time to see the University. It will arrive in Lincoln sometime Sunday morning, October 4.

Reporters Are Needed On Daily Nebraskan

More reporters are needed on the staff of the Daily Nebraskan. Because of the fact that Sunday's paper will be unusually large the staff will have to work this afternoon as well as tomorrow. Anyone who wants to do any sort of reportorial work should report to the managing editor this afternoon.

The editorial office is in the basement of University Hall.

PLAN FIRST ALL-UNI PARTY OF SEMESTER

Student Committee Plans Series of Seven Parties During Coming School Year.

The first All-University party of the year will be held Saturday evening, September 26, at the Armory, Charles V. Warren, chairman of the All-University party committee, announced yesterday afternoon. Following the University custom this opening event will be made the "Welcome Party" in honor of the freshmen class.

Seven similar parties will be distributed over the school year. Several of these parties will be held at traditional times.

These parties are supervised by the All-University Party committee under the direction of the University. The committee for the coming year is as follows:

Chairman, Charles Warren; secretary, Eloise Keefe; decoration, Grace Holland, George Johnston; reception, Helen Anderson, Art Breyer; entertainmen, Gregg Watson, Wilhelmina Schellak; refreshment, Robert Hoagland, Dorothy Smith; checking, Willits Negus; publicity, Marion Gardner, Oscar Norling;

Nebraskan Is High In National Rifle Meet

Camp Perry, Ohio, Sept. 17.—(Special to the Daily Nebraskan)—Norris W. Coats, '23, is competing with the Nebraska civilian rifle team at the national rifle meet here. Coats led the Nebraska team in scoring in the Herrick trophy shoot at 800, 900 and 1,000 yards.

New Commandant May Demote Junior Cadets

Although Lieutenant Colonel F. F. Jewett, new commandant of cadets, is planning to continue as closely as possible the policy heretofore in force in the military department, there is under contemplation a change in the organization of the advanced unit, whereby juniors would be sergeants instead of lieutenants. The proposed change is based on war department instructions which state that juniors shall be given instruction leading sections, and seniors shall be trained in platoon leadership.

The change, if decided upon by Colonel Jewett, would establish a definite line of advance for cadets. Freshmen would be privates. Sophomores would be eligible for appointment as corporals. Juniors would be sergeants, platoon sergeants, and first sergeants. Seniors would hold commissions in the unit. There would be no change in uniforms except for the insignias of rank.

"N" BOOKS READY EARLY NEXT WEEK

Students' Handbook, Published by Christian Associations, Will be Given to New Students.

The twenty-fifth Student's Handbook, generally known as the "N" Book, will be placed in the hands of all new students immediately following its arrival from the printing contractors early next week. Announcement of its arrival will be made in The Daily Nebraskan.

All new students are entitled to one copy of this handbook of University life upon presentation of a card presented at the time of their registration. Men will present the card to Arthur Jorgensen, general secretary of the University Y. M. C. A., in the Temple Building, between 10 a. m. and 4 p. m. Women will go to Miss Irma Appleby, general secretary, University Y. W. C. A., Ellen Smith Hall, between 9 a. m. and 5 p. m.

West Was Editor. The staff of the Handbook is as follows: V. Royce West, '27, Cozard, editor; Marion Woodard, '26, Omaha, business manager; Genevieve Clark, '26, Stamford, associate editor; and F. Gregg Millett, Betty Webster, Horace V. Noland, Merle S. Jones, Lee Rankin, and Kate Goldstein, assistants.

The book is filled with information about University life. University Calendars, giving all dates of interest to University people, campus maps, officers of administrations, directories of Lincoln churches, notes on traditional events, publications, and other University activities, athletic statistics, fraternity and sorority directories, and memorandum sheets make up the body of the book. It is bound in scarlet with a gold "N" stamped on the front cover.

Editorial Positions On Cornhusker Open. All students wishing positions on the editorial staff of the 1926 Cornhusker may leave their applications with the editor any afternoon. Junior and senior class staffs must be completed immediately and all applications must be in by Wednesday, September 23. "No experience is necessary, but a willingness to work is essential," the editor says.

The office is in the basement of University Hall.

HERRINGTON TO MEET Y MEN. B. M. Cherrington, '11, student secretary of the National Council of the Y. M. C. A., will meet with the cabinet of the University Y. M. C. A. Sunday morning to discuss plans for the coming school year. He will also attend the state convention of the Y. M. C. A. in Fairbury next week.

METHODISTS PLAN BANQUET. The Methodist Student Council has sent about 600 invitations to Methodist freshmen to attend a banquet to be held at the Grand Hotel, Tuesday, September 22, at six o'clock. The Rev. Harry Hentington will be the speaker.

GRID PRACTICE GOING STRONG

Bearg Wastes No Time in Getting Sixty Aspirants Down to Work.

HEAVY TEAM IN PROSPECT

Nine Letter Men Form Nucleus of 1925 Machine—Sophomores Look Good.

With nine letter men and a promising bunch of sophomores from which to build the 1925 Cornhusker football machine, Coach E. E. Bearg lost no time in getting things started when he took charge of the first official practice Tuesday, and the squad of sixty men have been going through their paces at a fast clip ever since.

Practice is already going under mid-season steam; all the men are reporting in good shape for hard work and getting it. The fact that Nebraska's first game, with Illinois, is only three weeks off gives added impetus to the workouts.

Veterans Back.

The nucleus around which Coach Bearg intends to build is made up of Harold Hutchinson, Joe Weir, Ed Weir, Choppy Rhodes, Roland Locke, Avar Mandary, Frank Pospisil, Red Molzen, Walter Scholz, and Joe Westwood. Eligibilities will be under only a few this year, it is understood.

Average weights of the squad seem to indicate that Nebraska will go onto the field with a heavier team than last year. The Huskers are noted for turning out a heavy squad, but last year's team departed from that tradition. However, there are a number of men who tip the scales at two hundred pounds and many who weigh around 190 pounds.

Passing Emphasized.

Practices so far have consisted mainly of passing and kicking. Yesterday Coach Bearg divided the men into three squads of twenty each, with each running signals for passing and breaking up passes.

Place kicking was also a feature of yesterday's workout. One of the mole-skin wearers who was booting the pellet through the cross-bars was Ed Weir, All-American tackle last year.

Some of Nebraska's well-known men who are reporting are Frank Dailey, trackman, Fred Ekstrom, basketball captain, Jug Brown, former Lincoln high football star, Walter Kriemelmeyer, the "big ox" weight thrower of the track squad, Vint Lawson, former Omaha high school athlete, Ray Randels, Dorsey McIntyre, Frank Mielenz, R. M. Stephens, A. Stiner, L. Sprague, and Roy Andresen.

MANY STUDENTS FIND WORK

Employment Bureau of Y. M. C. A. Receives Many Applications Everyday.

Several hundred applications have been filed with William S. Trumbull, employment secretary of the University Y. M. C. A., by students desiring work while attending school. From fifty to seventy-five students wanting work turn in their names every day. Employment is being found for a large number of these men and it is the hope of the Employment Bureau to find places for all applicants by the end of the first quarter.

The Lions Club has been greatly instrumental in finding employment for a large number. The members of the club canvassed the business district of Lincoln seeking places for students.

METHODISTS PLAN BANQUET

The Methodist Student Council has sent about 600 invitations to Methodist freshmen to attend a banquet to be held at the Grand Hotel, Tuesday, September 22, at six o'clock. The Rev. Harry Hentington will be the speaker.

Takes Post as New Commandant of Cadets

Lieutenant-Colonel F. F. Jewett

COLONEL JEWETT IS COMMANDANT

New Head of Military Department Has Been in Service Nearly Quarter of a Century

Lieutenant-Colonel F. F. Jewett, newly appointed head of the military department and commandant of cadets, who succeeds Major Sidney Erickson, comes to the University of Nebraska after twenty-four years of service with the army establishments of the United States, during which time he has seen service in eight states of the Union, the Philippine Islands, Belgium and France.

Saw Service in France.

In the World War Colonel Jewett served as Lieutenant-colonel. His first war assignment was with the Eighty-second division composed of drafts from southern states and later filled with levies from the north. His second war duty was on the general staff of the Eighth division on the Pacific coast. He was next sent as staff officer to embarkation duty at Brest, France. There he was in charge of embarkation of one million troops, loading in all five hundred vessels of homeward bound soldiers in the thirteen months after the armistice.

Chancellor Avery's Reception Saturday

Chancellor and Mrs. Samuel Avery will be hosts at the annual reception for friends and students of the University Saturday evening from 8 until 10 o'clock. The reception will be held in the Art Gallery.

All students are invited to attend and a special invitation is extended to everyone who is new at the University.

The deans of the colleges of the University will also be present to meet the guests.

"Y" Holds Open House For New Students Here

Open house has been held at the University Y. M. C. A.'s rooms in the Temple every evening this week so that new men may meet one another and become acquainted with the University "Y" and with those connected with it. In its efforts to serve the new students and "make them feel at home" the "Y" is planning a number of other interesting programs.

"Co-Ed Avenue" Is Possibility If Regents' Plans Materialize

It is a probability that Sixteenth street, north of R street, will become "Co-ed Avenue" in the next few years, if plans of the board of regents take definite shape. The board set aside that section of Lincoln for sorority houses and dormitories, in accordance with authority given it by the Lincoln city council this summer.

Fraternities are being discouraged from building in the proposed section. One organization that had started its new home, was asked to stop work. Men's organizations now owning property along the street may be asked to vacate their homes and seek other sites elsewhere. The property will be purchased at reasonable prices by the University.

Undoubtedly it will be years before the new section becomes a reality because of lease complications and the need for appropriations to be used in the erection of new dormitories.

Kappa Alpha Theta and Kappa Kappa Gamma have recently constructed new homes along Sixteenth street and many other sororities now own building sites in the vicinity.

The new plan is being pushed forward with the idea of grouping university women in one section of Lincoln, and to prevent sororities and

GOOD GAIN IN REGISTRATION

More Students Than Ever Before In Face of Higher Standards.

WORK ABOUT COMPLETED

Officials Expect That Net Gain of About Six Per Cent Will Be Shown

With a registration to date of more than 600 students than ever before, the University of Nebraska swung into its fifty-seventh year when classes in all colleges began yesterday. Figures from the registrar's office show that 5023 had registered for work on the campus up to Wednesday evening, as against a total of 4,326 at a like time last year.

The above figures do not include any students except those taking work in the University proper and do not include any in the College of Medicine at Omaha, the secondary schools of agriculture, the Teachers College high school, or the extension courses.

Few Late This Year.

The increase in enrollment of about fifteen per cent is a little high, officials explain, because of the fact that last year about 400 students were forced to wait until after could complete their registration. This year, however, no difficulties have been encountered, and work of classifying the students is almost completed, although of course there are a certain number of late registrations.

It is expected that a net increase of about six per cent will be shown when the final figures are compiled. While there is nothing extraordinary or phenomenal in an increase of six per cent, it means that the total enrollment is doubled about every twelve years if the rate of increase is maintained.

Increased registration this year, it is also pointed out, comes in the face of increasingly higher standards of admission and stricter scholarship rules for students.

PLAYERS SEASON OPENS OCTOBER 8

"The Goose Hangs High" To Be First Production of University Players.

University Players will open their eleventh season with the New York success, "The Goose Hangs High," October 8, 9, and 10, with H. Alice Howell, director of the players and head of the department of dramatics, playing the leading role.

Seven new plays will be presented during the coming season, among which will be "Sun Up," "John Ferguson," "Cesar and Cleopatra," "Romeo and Juliet," and "Outward Bound."

ATTEND CONVENTION

Robert Shields '26 of Wymore and V. Royce West '27 of Cozard will be the University of Nebraska student delegates to go to Fairbury to attend the state convention of the Y. M. C. A. They will be accompanied by Arthur Jorgensen, general secretary of the University "Y," and will represent the student organization here.

Huskies Again High In Military Rating

The University of Nebraska R. O. T. C. unit attained Blue Star distinguished college rating last year, according to a telegram received by former-Commandant Sidney Erickson at the summer camp at Fort Snelling, Minn. The military department has not received full details of the rating and it is not known here what other colleges in the Seventh corps were likewise selected.

Twenty per cent of the colleges that rate highest in the annual war department inspection of R. O. T. C. units are selected for the "distinguished" rating. Nebraska first attained the honor two years ago.

The rating permits cadets of the unit to wear a blue star on the sleeve of their uniform.

New Field House and Auditorium

Nebraska's new auditorium and field house, being erected by the athletic department of the University at a cost of \$350,000 at Thirteenth and Vine streets. The building will have a seating capacity of 11,000 persons when it is used as an auditorium and 8,500 when it is used for basketball. Space is being provided for an "N" club meeting room and coaches offices.
