

VARSITY SHOWS HEELS TO SUBS

Regulars Do Their Stuff In Approved Form In Fast Scrimmage.

LOCKE AND RHODES STAR

First Open Practice of Season To Be Held Saturday When Varsity and Freshmen Mix.

It was only a little over a week ago that football practice began, but Coach E. E. Bearg has gotten the Varsity men into shape so well that yesterday afternoon they romped all over the reserves in a fast scrimmage that was the real thing.

The hard work on fundamentals which was on the program in every practice until yesterday has made for machine-like performance in the first string.

Yesterday's scrimmage was not confined to any one department of the game. Working on defense, and later on offense, the regulars showed stuff which gladdened the hearts of the fans who lined the roofs of cars outside the fence. On the defensive, the first string held the seconds to less than fifteen yards of gain in twenty downs.

Locke Shows His Speed.

It was on the attack that the regular lineup showed marked proficiency. Roland Locke started the noise early in the scrimmage when he broke through the line and ran nearly the length of the field for the first touchdown. He showed some good broken-field running.

After a successful kick by "Jug" Brown the first string was placed on the twenty yard line and told to go. In one or two downs when no large gain was made, Roy Mandery snagged a short pass and traversed the field for another score.

"Choppy" Rhodes broke up the defense on a line play and raced back across the field for a third score.

The scrimmage lasted until sunset, and left a feeling in the onlookers that something would be done this season.

Speed or Weight.

The team which will carry Cornhusker colors will be somewhat light, as last year. What is lacking in weight will be made up in speed, however. Whether speed can offset weight is the question, of course.

Bob Stephens, playing first string quarterback, is fast. He broke through several times for gains of fifteen yards. "Jug" Brown is fast; and Choppy Rhodes and Roland Locke, making up the remainder of the "regular" backfield, are already known for their speed.

Coach Bearg's lack of backfield material is still evident, although

All Doubt Dispelled as to Whether These Two Will Be Seen on Gridiron

Joe Westoupal

Roland Locke

Doubt as to whether two Nebraska veterans would play was dispelled early this week when Joe Westoupal was declared eligible by authorities and Roland Locke donned the mole-skins for good.

Locke was undecided as to football, considering staying out of the game in favor of track. He made his decision last week and has been in the regular lineup since.

several men are developing who will be heard from this fall. Oehlrich, Du Teau, Dailey, and Presnell are making up the backfield of the second team and usually get into play with the regulars.

Dailey was the chief ground gainer for the seconds during the short time that they played on the offensive. Oehlrich also showed some stuff, and Du Teau as a signal-caller is working well in the harness.

Nebraska fans will have their first opportunity to see the 1925 Huskers in action Saturday afternoon when the Varsity lines up against the freshmen in the annual game. It will be the first open practice.

A new four-manual pipe-organ has just been installed in the School of Music of the University of Wisconsin.

Wisconsin was the only Mid-West University entering a team in the inter-collegiate winter sports meet at Lake Placid, N. Y., this year.

Joe Westoupal played center last year in the absence of Harold Hutchinson, and filled the place well. This year Joe has been playing guard on the first string, and alternating on the second string at the center position. Joe's ability as a roving center will be remembered from last year and at guard he should land a regular berth.

BIG FRESHMAN SQUAD AT K. U.

Nearly One Hundred First Year Men Working Out Under Coach Bunn.

LAWRENCE, Kans., Sept. 23.—Almost 100 members of the freshman class at the University of Kansas answered the call for football practice this year, and ninety-six of them are now being given preliminary workouts under the direction of John Bunn, freshman coach.

The freshman material this year is unusually light, averaging a trifle under 160 pounds, and there is a scarcity of line material, Coach Bunn says. They are, however, putting in several hours each evening in practice, and from the available material Coach Bunn will select a freshman team that will give the Varsity some

good training during the football season.

A summary of the freshman material indicates that more men are out for backfield positions than for any other place. There are thirty-five candidates for the backfield, twenty-one for the ends, and forty for other line positions.

ILLINOIS SQUAD CUT BY ZUPPKE

Veteran Coach Trims Squad for Intensive Work—Illini Have Plenty of Beef.

URBANA, Ill., Sept. 23.—After watching the aspiring Illinois football players for a week, Coach Bob Zuppke has trimmed his list of candidates to sixty men. Most of the men on the list had showed the veteran Illini coach their wares last year.

Some of the candidates for the Illini eleven not included on this list probably will be put on later after they have had a chance to develop.

The total weight of the sixty men on the squad is 10,536 pounds, an average for the entire group of 175 1-2 pounds per man. The total weight of the forty-one line candidates is 3,110 pounds, an average per man of 163 2-3, while the total weight of the forty-one line candidates is 7,426, an average of 181 1-8 pounds.

There is a variance of nearly 100 pounds between the weights of the lightest and heaviest man on the squad, C. F. Major of Champaign, a first-year man, carrying off the light-weight honors at 142 pounds, while M. H. Mitterwallner of Los Angeles, Cal., has the heavy-weight record at 240 pounds.

Illini Loose Five Veterans.

The University of Illinois football team has lost Frank Rokusek, captain and end; Dick Hall, tackle; Lou Simmer and Roy Miller, guards; and Gil Roberts, center; from the 1924 squad. All graduated in June.

ILLINOIS SCOUTS TO WATCH HUSKERS

Nebraska and Illinois Scouts To Watch Rivals in Practice Saturday.

Continuing the plan inaugurated two years ago by Coach Fred T. Dawson, Nebraska and Illinois will each send scouts to view their respective rivals in the practice tilts with the freshmen which will be held at both schools Saturday.

Assistant Coach Owen Frank and Dick Newman, freshman coach, will go to Urbana to see the Illini collide with the freshmen.

It was when Coach Bearg, then assistant coach at Illinois, came to Lincoln to scout the Huskers for Zuppke that Nebraskans got their first glimpse of the man who is now guiding the destinies of the Huskers.

The practice game with the freshman in the stadium Saturday afternoon will be open to everyone and will be the first opportunity that Cornhusker fans have had to see what sort of a team Bearg is developing.

About 175 different plants and herbs are now growing in the 10-acre drug garden of the Wisconsin Pharmaceutical Experiment station at Madison.

University Dental Clinic, Liberty theater building, now open.—Adv.

Cambridge To Debate Illinois.

Three men from Cambridge University, England, will debate with a team of Illinois orators, October 26. The Cambridge debate team will come in connection with a tour they are making over the United States. The members are competing with the debate teams of some of the largest universities and colleges in the country.

Four men from Norway enrolled in the University of Wisconsin last year.
