WILL HOLD FIRST RALLY OF SEASON FRIDAY NIGHT
 (Continued from Page One.)
 student put one on his or her car.
 The value of a splendid rally before a game has much to do with a team winning a game. In comment on the rally Coach Bearg said: "Few students realize the tremendous effect these rallies have in giving the team a fighting spirit. Nebraska has a reputation for supporting her team—let's keep up the reputation."
 Captain Ed Weir had the following to say: "The spirit for the football season will be determined by the way our first home rally goes. The way in which we get started will make a lot of difference. Don't forget that the spirit of the students is reflected in the performance of the team. This is going to be one of our very toughest games, and it can't be won by eleven alone, the whole school must be fighting with them."

Adds Gloss and Lustre, Makes Your Hair Easy to Manage
 If you want to make your hair easy to manage and add to its natural gloss and lustre, this is very easy to do.
 Just put a few drops of Glostora on the bristles of your hair brush, and brush it through your hair when you dress it. You will be surprised at the result. It will give your hair an unusually rich, silky gloss and lustre—instantly.
 Glostora simply makes your hair more beautiful by enhancing its natural wave and color. It keeps the wave and curl in, and leaves your hair so soft and pliable, and so easy to manage, that it will stay any style you arrange it, even after shampooing—whether long or bobbed.
 A few drops of Glostora impart that bright, brilliant, silky sheen, so much admired, and your hair will fairly sparkle and glow with natural gloss and lustre.
 A large bottle of Glostora costs but a trifle at any drug store or toilet goods counter. Try it! You will be delighted to see how much more beautiful your hair will look, and how easy it will be to manage.

Style Demands the Wide Belt
 Harpham "wides" give that swagger effect all good dressers want. Snappy, long wearing. The Western, a predominant style, is made of finest selected grain bridle leather, lock-stitched with wax thread and richly finished by hand. Say, "Harpham, wide" to your dealer and look for the trade mark inside the belt.
