as the principal speaker for the af- Kathro Kidwell and Eva Krough. fair. No definite plans have been made yet, but will be announced in the near future.

"Nebraska is going to have a mighty hard fight to whip Oklahoma, was the coment of Herbert Gish, director of athletics. "Their team is about the same size and weight as the Washington eleven."

Last week's rally was rather disappointing due to the continued rain, but plans are made far enough ahead for Friday that every loyal Cornhusker will know where the rally will be held. It is hoped that several thousand students will be there.
