

## ANNUAL Y. M. C. A. FINANCE DRIVE IS UNDER WAY

\$2,000 is Minimum Amount Sought from University Students

### BUDGET IS ANNOUNCED

Expenditures of Christian Association for Year Total Over Eight Thousand Dollars

Today the University Y. M. C. A.'s finance drive begins. \$2,000 is the minimum amount sought from students.

Nearly one hundred men who are serving as workers during the drive met in the "Y" rooms in the Temple last night to receive final instructions. They are divided into teams of ten men each. Each team must raise two hundred dollars.

All team members and captains will meet in the Temple again this evening to check up on results of the first day of the campaign.

A survey of the budget for the year, which was made public yesterday, reveals that less than one-fourth of the income for the year will be from student subscriptions. Total expenditures are estimated at more than eight thousand dollars.

Following is the budget:

Receipts	
Student subscriptions	\$2000.00
Alumni subscriptions	1000.00
Community Chest	3000.00
Interest on Funds	185.00
University Night	600.00
Directory and 'N' Book	1800.00
Total	\$8565.00

### Expenditures

Secretary's salary	\$4000.00
Office assistant	500.00
Committee appropriations	350.00
National Student Work	200.00
Retirement fund	200.00
Office	150.00
Printing and publicity	200.00
Conferences	100.00
Speakers	300.00
Directory and 'N' Book	1300.00
Magazines	50.00
Miscellaneous	100.00
Deficit for 1924-25	1050.00
Total	\$8500.00

In speaking to the workers at the meeting last night Arthur Jorgensen, general secretary of the "Y," pointed out that increased subscriptions from the Lincoln Community Chest and from Nebraska alumni were secured on the strength of the belief that University of Nebraska men would support their own organization at least to the extent of \$2,000.

At the University of Kansas, a much smaller school than Nebraska, more than \$3,000 was raised for the Y. M. C. A. in a short time. Other schools have very much larger budgets.

That workers take time to really explain the work that the Y. M. C. A. is doing was the plea made by the president of the association, Hugh Cox.

Formal organization of the campaign machinery was completed by Judd Davis, finance chairman, at the meeting last night. Receipt books, "N" Books, and pledge cards, was distributed to the team members.

### SCENES FROM PLAY ARE GIVEN

Parts of "King Olaf" Presented in Memorial Hall

Several scenes from the saga of "King Olaf," dramatic oratorio by Edward Elgar, were presented before the Matinee musicale, Monday afternoon in Memorial Hall by the University chorus, soloists, and the University orchestra. Mrs. Carrie B. Raymond, director of music, had charge of the production. Solo parts were sung by Edward Ellingson, as King Olaf; Hermann Decker, as Ironbeard; Joy Schaefer, soprano; Albert Friedle, tenor; and Dwight Merriam, bass.

### Students May Correct Proofs of Directory

Proofs for the student directory, to be issued in a few days, are now posted in the corridor of Social Science building, and the cards have been placed near the proofs for corrections. Students who wish to correct mistakes in the proofs should make the corrections on cards placed there for the purpose. The corrections should not be made directly on the proofs. Each student who corrects his proofs should place a check mark before his name.

### Laboratory Classes To Move Into Nebraska Hall In Short Time

The work of remodeling and reinforcing Nebraska Hall has been going on rapidly and some of the laboratory classes are now ready to move back to the building. The rooms occupied by the military department are being entirely renovated and will probably be ready for occupancy some time next week.

Nebraska Hall is the second oldest building on the campus and recently was condemned because of a faulty roof that was causing the walls to spread. The entire third story of the building has been removed and the rest of the building strengthened, making the structure good for a few more years.

### PLAN CHANGE IN HARRIER LINEUP

#### Jack Ross May Run in Place of Lawson, Star of Previous Races

#### MEET DRAKE SATURDAY

The Husker cross country team, three times winners in dual meets this fall will enter the meet with Drake on the Des Moines course Saturday with a probable change in the lineup. Lawson, Scarlet and Cream star of previous races was decidedly off form against Oklahoma and Coach Schulte may not run him in this week. A check up on the time for the race Saturday shows that the Oklahoma leaders of the race Saturday ran the 5-mile distance in 26 minutes 41 seconds instead of 27 minutes 41 seconds as was previously reported.

Jack Ross, winner of the time trials Monday evening, will probably run in the place of Lawson Saturday. Ross was one of the best runners on the squad last year but has been handicapped with an infected tooth this fall which did not permit him to run up to usual form. Ross completed the course in 28 minutes 45 seconds last evening. McCartney gave Ross a good run, leading until the last quarter mile when Ross came through with a good sprint and won easily.

A request has been made to the Husker athletic management asking that Nebraska allow Iowa State college to run in the meet with Drake, making it a triangular race. The Husker authorities are willing to do this and the possibilities are that Nebraska will be matched with the two schools Saturday.

**Make Correction in Scoring**  
Contrary to reports due to a mistake in the scoring, the Husker runners defeated Oklahoma 30-27. Lawson, sixth Husker to finish was ahead of the ninth Oklahoma runner. Though his score does not count for Nebraska his placing raises the Sooner score, making the last two runners for that school finish tenth and eleventh instead of ninth and tenth.

Drake has experience two defeats this fall at the hands of Oklahoma and Ames, but there is a possibility that they might score ahead of Nebraska depending on the power of the Iowa State team. Conger and Drew are both fast men, Conger being of the quality of the two Oklahoma runners here Saturday. On the Drake team, Wahl is their best runner. These three men and others will be giving the Husker harriers plenty of trouble in keeping a clean slate.

### Y. M. C. A. Assisting in National Campaign Favoring World Court

The bringing of Senator Gilbert M. Hitchcock, Kirby Page and other speakers to Lincoln and the University has been a part of the activity of the University Y. M. C. A. in its campaign to bring the facts regarding World Peace and the World Court before students.

In compliance with a resolution adopted by the national council of Christian associations, "Y" organizations are carrying on a nation-wide educational campaign with respect to the World Court. Douglas Orr, of the local association, is one of the two state chairmen for Nebraska to supply speakers and literature to the students of the state.

Copies of the record of the court, information about its activities, and literature relative to whether or not the United States should enter, are being circulated in all the colleges of Nebraska.

Sectional meetings—one at Grand Island and one at Lincoln, were held the week end of October 16, 17 and 18. Delegates heard such speakers as Kirby Page and Conrad Hoffman, and then talked over means of start-

Each year the barbecue is sponsored by the sophomore organization to help organize the freshmen and to create a class spirit for the Olympics, the annual sophomore-freshman class battle which will be held November 21. Last year over two hundred freshmen attended the barbecue and reported a very enjoyable evening.

Tickets may be obtained from any member of the Iron Sphinx. The price for the tickets is fifty cents.

### ARRIVES HOME FROM MEETING

Arthur Jorgensen, Local Secretary of Y. M. C. A. Returns from East

#### ATTENDS CONVENTION

Arthur Jorgensen, secretary of the Young Men's Christian Association, returned Sunday evening from Washington, D. C., where he attended the International Convention of the Y. M. C. A. and a meeting of the National Council, the main legislative body of the Y. M. C. A.

Jorgensen said that the addresses of President Coolidge and Herbert Hoover were the features of the meeting and that Mr. Hoover lauded very highly the association for its work in the foreign fields. He spoke of the work carried on especially in the Near East, having often come in contact with it in connection with his relief work.

Charles P. Taft, son of the former president, was chairman of the National Council meeting. Under his direction the council adopted a resolution favoring the World Court on the basis of the Harding-Coolidge-Hughes reservations. Mr. Jorgensen also said that the national budget of \$2,000,000 and the future policies were considered by the council.

The International convention, according to the local secretary, meets along with the National Council every four years. This year all the meetings were held in the ball room of the new Willard Hotel, Washington, D. C. The convention, taking in the activities of Canada and the United States, was held October 24, 25, 26. The National Council meeting pertaining only to the work of this country, was carried on the next three days.

### PRIZE PLAY TO BE GIVEN BY PLAYERS

"Hell Bent For Heaven" Will Be Presented Nov. 12, 13, and 14, at Temple Theater

"Hell Bent For Heaven," Hatcher Hughes' Pulitzer prize drama, is to be given by the University Players at the Temple Theater November 12, 13 and 14.

The leading role is to be taken by Herbert Yenne, who plays the religious fanatic. Other parts are played by Ray Ramsay, Harold Felton, Harold Sumption and Ruth Schrank.

"Hell Bent For Heaven" is a tale of hills such as Kipling might have written had his impressionable years been spent in the Blue Mountains rather than in an army camp in India. It is good, old-fashioned melodrama of the Blue Ridge Mountains, filled with interest.

That the play ranks up well among the best of American plays is evidenced by the fact that Benjamin LeCasseler, dramatic critic, says that "as an all-around comedy, drama, melodrama, thriller, profound psychological study and human interest transcription of real life, it would be hard to beat 'Hell Bent For Heaven' in any season."

**Quiz Freshmen on Yells**  
A rather unique tradition has been instituted at Columbia—an examination of freshmen in the Columbia songs and yells.

This annual quiz, conducted by the sophomore class, was held last Friday in New York, under the direction of the Glee Club leader. Each Freshman was required to know at least eight popular college songs and four yells.

**Weather Forecast**  
Tuesday: Increasing cloudiness with probably showers.

### DEAN RETURNS FROM MEETING

Miss Amanda Heppner Arrives Home after Trip to Indiana and Michigan

#### VISITS ALTRUSA CLUBS

Miss Amanda Heppner, returned Sunday morning from a ten day trip to Indiana and Michigan where she attended the state meeting of the Indiana Altrusa clubs on October 24 and 25 at Fort Wayne and a state meeting of the Altrusa clubs held at Kalamazoo. On her way to Fort Wayne she was a guest of the club at Red Oak, Ia., Peoria, Ill., and Chicago, Ill. She expected to stop at the University of Illinois and inspect the new dormitories connected with the university, but was forced to change her plans and also to give up her visits at Paris and Danville because of illness.

During the summer months Miss Heppner visited all of the clubs between Lincoln and the Pacific coast and during the Christmas vacation she will take the southern route visiting the clubs as far south as Charlotte, North Carolina. Miss Heppner is the Lincoln Altrusa member for the dean of women, each branch of women's work being represented in the club which includes not only members in the educational lines, but also business and professional. ### CORNHUSKER SPACE MAY BE RESERVED

Arrangements May Be Made so Groups Can Have Their Pictures Taken Now

Reservations for pages in the 1926 Cornhusker can be made by organizations any afternoon in the Cornhusker office in the basement of the University Hall. Presidents of organizations are urged to take up the matter immediately and reserve the desired space. Each group will be given as many pages as it wants.

This includes clubs, societies and organizations in the various colleges; fraternities and sororities; activities, committees and boards.

Many organizations will be able to have their pictures taken this fall. It is for that reason that the Cornhusker editor, Donald F. Sampson, is urging the reservation of space at this time. Any group wanting to have the picture taken now, avoiding the rush in the winter, can make arrangements at the Cornhusker office.

#### Teach True Sportsmanship

Teaching true sportsmanship by means of handbills is an innovation being adopted at Ohio State university. At a recent basketball game 7,000 handbills with five rules of good sportsmanship printed on them were distributed among the students present. However, the bills do not stop at mere elementary instruction in being a good sport; they deal also with smoking, fairness, courtesy, and hissing. Further instructions on the bills defend the right of the coach to do his own coaching.

Nebraska reposes in second place behind Missouri in the Missouri Valley football championship race. Last week's games shook up the conference standings a little bit, and now Drake stands in third place, according to the Dickinson system of figuring championships.

When the Huskers meet Drake on next Saturday the question of superiority will be more definitely settled. Juggling figures is one way of determining the stronger team, but the method which so far cannot be beat is the one that Nebraska and Drake will use this week.

Using the Dickinson system, the

#### WILL DEDICATE STADIUM

Athletic Department Sends 40-Piece Band and 35 Freshmen Gridsters

That there will be a large Nebraska representation at the Drake-Husker game in Des Moines Saturday is indicated by the number of reservations being made this week for the student special train being run by the Rock Island railroad.

The decision of the Cornbobs, the men's pep organization, to make the trip, and the presence of the forty-piece band apparently are attracting hundreds of students, and the train is expected to be filled up when it leaves here Friday at midnight.

The entire Varsity football squad, together with thirty-five freshmen gridsters are being sent by the athletic department. The regular Varsity squad will leave early Friday and the remainder of the men will follow on the special train.

As in former years, each fraternity may enter five men. Three of these must finish and the first three finishing will score for that organization. Arrangement for the course has not been made as yet, but the men will probably be taken out on the present course to the three mile mark and run back, finishing in the stadium.

Last year the race resulted in a tie between the Sigma Phi Epsilon and Pi Kappa Alpha. The year before the Fa House fraternity won. The regulation interfraternity skin will be awarded to the winners as in the other interannual games.
