

CROSS COUNTRY SQUAD FINISHES IN THIRD PLACE

Harriers Show an Unbroken String of Victories in Dual Meets

SCHULTE DOES COACHING

Seven Men Are Eligible for Varsity Letters; Five Have Made Last Nebraska Run

(By Paul Zimmerman)
Finishing the season with a third place in the annual Missouri Valley run at Lawrence, which followed an unbroken string of victories in dual meets this fall, the Husker cross country squad experienced the most successful season in several years. Added interest was taken in the sport this season under the coaching of Henry F. Schulte, of track coaching fame.

Taking charge of the cross country team for the first time, Coach Schulte repeated his performances in track and football, shown by past records, by turning out a record squad of harriers. With no exceptional material at hand he built up a well balanced squad of distance men, who were able to place in a group in every meet.

Win Missouri Meet
The first dual of the season was run at Missouri on the Tiger course. According to an early agreement the course was only three miles long, but the Husker runners, though trained for the longer distance, were able to easily down the Missouri runners with a score of 19-36. Lawson was the first Husker runner to finish, taking first, followed by Steele of Missouri. Zimmerman, Captain Lewis, Hays, Searle and Reller followed in the order named, and ahead of the next Missourian.

The same Husker team lined up against the Kansas Jayhawkers on the Nebraska course, Homecoming day, and placed the whole team ahead of the first Kansas runner. Lawson was again the individual winner, while the score was 15-40. Hays, Reller and Zimmerman tied for second.

Win By Narrow Margin
On October 31, the undefeated Oklahoma distance men met the victorious Scarlet and Cream runners on the muddy home course, with the Cornhusker hill-and-dale crew winning by a one point margin. Captain Rutherford of the Sooner team with his team mate Niblick tied for first far ahead of the field. Zimmerman was the first Nebraska runner to finish, taking third. The final count was 27-28.

Running in a cold, blinding snow storm, the Nebraska distance men defeated Drake at Des Moines on the morning of November 7 by a score of 25 to 30. Wahl and Wright of Drake finished first and second, while Captain Lewis, followed by the entire Husker team took the next six places. Ross, the second Husker to finish, was running his first race this fall, replacing Lawson in the lineup.

The Husker team entered the Missouri Valley contest at Lawrence, Kansas, as one of the leading contenders for the Valley title, taking third place. Iowa State beat out the Huskers for second place by four points, while the Kansas Aggies won the meet. Ross was the first Nebraska harrier across the line, taking twelfth place. Zimmerman, captain of last season, was the second Husker to finish, taking fourteenth. Hays, Searle, and Lawson were the other Huskers to qualify in the order named.

Seven Qualify For Letters
Seven of Coach Schulte's men qualified for cross country letters this fall, and five of these runners have represented Nebraska for the last time in the five mile run. Captain Lewis, Ross, Lawson, Ex-Captain Zimmerman, and Searle will be lost by graduation. Hays and Reller will be the only two veteran letter men to return next fall.

Among other men who have shown promise this season are Roberts, Johnson, McCartney, Chatfield, Graham, and Dexter. A squad of thirty men was out for the sport this fall, and a larger turnout will be expected by Coach Schulte next season.

Faculty members at the University of Oregon are protesting that they are not admitted to the associated students' organization and are therefore unable to see football games at a reduced rate.

A coffin has been lost belonging to an undertaker in Palo Alto. The coffin was borrowed by a fraternity in Stanford University. The name of the fraternity is unknown to the undertaker and also the boy that borrowed it.

According to figures recently compiled Amherst has a larger percentage of its graduates in "Who's Who in America" than any other institution. She has 869 out of 10,000. Wesleyan is second with 698. Yale is seventh, Cornell is tenth, Princeton is eleventh and Columbia is sixteenth in the list. Amherst has produced thirty-two college presidents.
