Harriers and Football Men Enter Events in Numeral Competition

TAPPAN RUNS FAST 440

Only a few men, composed of the distance runners and football men for the most part, were present at the numeral track meet held on the indoor track at 4 o'clock yesterday. Captain Locke took a few starts but did not compete. Rhodes was also out but did not take part in any of one of the events. The distance men of the harrier squad entered either the 440-yard or the half mile for the speed work. Coach Schulte will run men today and Friday for time to score on fall numerals for those who have not yet qualified.

Tappan made the best time for the 440-yard dash Wednesday, with a time of 55.4 seconds. Searle, a cross country runner took second honors with 57.2 seconds. Zimmerman took the half mile in 2 minutes 11 seconds with McCartney running second in 2 minutes 13 seconds. Hancock and Swift, in different heats, made 6.1 seconds in the 50-yard dash.

Pospisil took several turns at throwing the discus, while Krimel-meyer put the shot over 42 feet in several trials. Mully and Murphy ran the 50-yard dash in 6.2 seconds. Beck covered the quarter mile distance in 58.4 seconds; Elfinc was four tenths of a second behind him. Lawson, another of the harriers, ran the 440-yards in 59 seconds. Cummings ran the half mile in 2 minutes 13.4 seconds with Graham 1.3 seconds behind him.

IN THE VALLEY

...by...
"Zim" and "Zim"

Several of Coach Bear's football men appeared in the preliminaries of the interfraternity wrestling card Tuesday afternoon. Randels won by a fall from his fellow linesman, Pospisil, after six minutes of determined (not scientific) wrestling. Randels introduced a new hold resembling only slightly, a body chancery, to show the Wahoo athlete the trappers.

"Red" Molsen and Lee, each won preliminary matches in the heavy-weight and 175-pound classes. Reller, another football player, lost in the first preliminary bout of the 175-pound weight. Randels and Molsen will meet in the finals of the heavy-weight division to decide the football championship along with who is who in the bone crushing pastime among the fraternities.

This column stands corrected. A statement was made Tuesday that Ed Weir, was the only All-Team All-American of two seasons. It has been pointed out by a reader that Weir missed tackle on one team. "Rings" Lardner, the much read humorist, said that the only All-American team would be Grange at quarter, with the Lardner family and his friends wearing the other ten suits. The general belief on the matter, is however, that as a picker of All-Americans, Lardner makes a good feature writer.

Dr. Clapp will have charge of the wrestling squad again this winter. His two assistants will be Claude Swindel and Floyd Reed. Swindel has appeared on several wrestling cards in Kansas City in the 115-pound weight. Reed is a former Husker wrestling captain, winning the Western Conference championship in the 158-pound class.

That the Huskers will have the opportunity to make a favorable impression in the Valley meet, looks almost certain so early in the season.

Three captains, Kellogg...of 1924, Skinner of 1925, and Highley, the present captain, are back in school. Kellogg was a Western conference winner in the 135-pound event, while Skinner took the 145-pound class at the same meet in 1924.

Other letter men to return are Blore in the 115-pound division, Thomas in the 158-pound class, and Pickwell of the same division. Besides this there are numerous other men competing for every division except the 108-pound class. Just how these men will stand up against the Oklahoma A. and M., and Ames boys remains to be seen.

of football played by the teams in the Missouri Valley. The day has come when the schools of the Valley need not fear any team in the country. This has been thoroughly demonstrated this past season by the showing Nebraska and Missouri made in their interseasonal games.
