

## PROGRAM FOR CHARTER DAY IS ANNOUNCED

One Hundred Fifty Persons to Take Part in Radio Entertainment

WILL LAST SIX HOURS

Periods of Broadcast Arranged to Enable Convening Groups To Listen In

In celebration of the fifty-seventh anniversary of the signing of the bill creating the University of Nebraska, the Alumni Association will go on the air Monday, February 15, with a six-hour radio birthday program in which more than 150 persons will take part. Beginning at 7:05 eastern time two radio stations, KFAB at Lincoln, and KFXX at Hastings, will broadcast until midnight Pacific time. Each hour of the program has been arranged as a unit to enable the various local alumni associations as they convene in all parts progressing from east to west to reestablish contact with their university.

Governor Adam McMullen, Chancellor Samuel Avery, Martha Cline Huffman and Harold Holtz, president and secretary respectively of the Alumni Association, and other alumni, officials, and faculty members of the University will speak briefly. Forty-six numbers comprise the program. These range in length from the two-minute periods between hour-units when the old bell will toll to the twenty-minute concert of the University band which opens the celebration.

For two minutes at the beginning of each hour-unit the old University bell, which formerly called students to chapel and announced important events in the history of the University, will ring out. Until the recent raising of the upper stories of old University Hall this campus bell rested above the south entrance.

Variety will feature the entertainment. Rousing "pep" selections by University musical organizations, classical instrumental offerings, dramatic readings and short plays by the students and faculty members of the School of Fine Arts, short addresses—a wide range of numbers has been prepared.

This is the fourth year that the Charter Day program will be broadcast. To accommodate participants a light luncheon will be served between 11 and 12 on the second floor of Administration Hall, where the broadcast studio of the University is located.

The program follows:  
8:05-8:30 (25) University R. O. T. C. Band Concert under the direction of William T. Quick. Pep rally and Nebraska songs.

8:30-8:35 (5) Address of greeting to the Alumni by Martha Cline Huffman, '06, President of the Alumni Association.

8:35-8:48 (12) Helen Oberiles, '26, violinist.  
8:48-8:51 (8) Jean Bader, '26, Baritone.

9:00-9:05 (5) Address by Chancellor Samuel Avery, '92.  
9:05-9:15 (10) Ida Lusgarten, '27, Pianist.

9:15-9:17 (2) Talk by Dean R. Leland, University Student Pastor.  
9:17-9:27 (10) Beatrice Long, '26, Soprano.

9:27-9:30 (2) Talk by Louise Pound, '92, Professor of English.  
9:30-9:40 (10) Selections by the University of Nebraska Men's Glee Club under the direction of Professor Parvin Witte.

9:40-9:43 (2) Talk by Judge Edward P. Holmes, '78.  
9:43-10:00 (15) University of Nebraska Men's Glee Club.

10:00-10:05 (5) Address by Harold Holtz, '17, Secretary of the Nebraska Alumni Association.

## AWGAN DRIVE TO START THIS WEEK

Subscription to Nebraska's Humorous Publication Will Be on Sale For Three Days

The Awgan, Nebraska humorous publication, will start its mid-year subscription drive this week, beginning Monday, and lasting through Tuesday and Wednesday. Subscriptions will be taken in the corridor of Social Science building, at the College Book Store, and possibly in University Hall.

The subscription price for the four remaining issues of the magazine this year has been set at fifty cents and a member of the business staff stated yesterday that he was confident that the drive would be a success. Mail as well as local subscriptions will be taken this week.

## Miss Vera Barger, National Y. W. C. A. Director, to be Guest of the University

Miss Vera Barger, national Y. W. C. A. director of physical education in China, will be a guest of the University Y. W. C. A. on Tuesday, Wednesday, and Thursday of this week. Miss Barger is in the United States on a year's furlough, and is stopping in Lincoln enroute for San Francisco where she will sail for Nanking, China.

On Tuesday Miss Barger will speak at Vespers which will be held at 5 o'clock in Ellen Smith Hall. The services will be led by Carolyn Buck, and Wednesday noon she will be a guest of Miss Lee. She will speak to the members of Miss Lee's gymnastic class and all women who are majoring in physical education are invited. Miss Barger will speak at a joint

meeting of the Y. W. C. A. cabinet, the Grace Coppock staff and the team captains in the Grace Coppock campaign which is to be held the first week in March. The meeting will be held at 7 o'clock in Ellen Smith Hall.

At a meeting of the Agricultural College Y. W. C. A. at 11 o'clock on Thursday in the Home Economics building, Miss Barger will be the principal speaker, using as her subject her work in China in the field of physical education and Y. W. C. A. In the afternoon a tea will be given in honor of Miss Barger from 4 to 6 o'clock in Ellen Smith Hall. The members of the Grace Coppock staff are planning the tea with Agnes Hentzen as general chairman.

(Continued on Page Three.)

## WEATHER FORECAST

Sunday: Mostly fair with moderate temperature.

### Weather Conditions

Pressure is low across the northern portion of the country, and moderately high in the southern half, resulting in warm weather throughout the country. It is especially warm as compared with normal in the lower Missouri and upper Mississippi valley. Fair weather is general except for rain in the upper Lake region and the north Pacific region.

THOMAS A. BLAIR,  
Meteorologist.

## FORUM TO HEAR BARKER SPEAK

Zoologist Will Continue Series On "Progress" in Talk Wednesday

TICKETS ON SALE MONDAY

Dr. Franklin D. Barker, professor of zoology, will discuss "Eugenics and Progress" at the regular World Forum luncheon at the Grand Hotel Wednesday noon. This address will be a continuation of the series on progress which the Forum has been promoting.

Tickets for the luncheon must be purchased before Tuesday evening. They are twenty-five cents and may be secured at the University Y. M. C. A. office in the Temple or at the Y. W. C. A. office in Ellen Smith hall.

Dr. Barker is a specialist in the field of eugenics and it is expected that he will present an enlightening discussion of the part which eugenics may play in the progress of the world.

In previous discussions of progress Prof. J. O. Hertzler, of the department of sociology, explained his conception of the nature of progress and Prof. H. G. Deming, of the department of chemistry, spoke on "Science and Progress."

## CHESS CLUB PLAYS OKLAHOMA BY MAIL

University Trio Plans to Complete Three Games With Opponents By Unique Method

Playing chess with Oklahoma is what the University Chess Club, composed of Herbert Howe, Robert Spaulding, and Lincoln Frost, has been doing for the last month. The games are played move by move, through the mail. This will continue until the three games will be completed; that is, in about two months.

Herbert Howe, '28, Table Rock, is president. Robert Spaulding, '28, Omaha, former president of the Harvard Chess Club, is a runner-up of the Nebraska chess championship. Lincoln Frost, '27, Lincoln, is the third member of the team.

A faculty-student chess match is being scheduled for the near future. The faculty chess club is composed of Dean C. Engberg, one of the best chess players in Nebraska; Dr. E. L. Hinman, professor of philosophy; Dr. H. B. Alexander, professor of philosophy; Dean H. James, and Dr. W. C. Brenke, professor of mathematics.

### University Art Club Meets

The University Art Club met at 6 o'clock Thursday with twenty-five members present. Entertainment was furnished by Robert Reade and Wilfred Webster who gave an exhibition of the art of fencing.

## LEWIS WINS 600 YARD RACE FOR SECOND SEASON

Sprinter Scores Nebraska's Only First in K. C. A. C. Meet

### OTHER HUSKERS PLACE

Schulte Satisfied With the Results of Trip; Nebraska Stars on Injured List

Nebraska took one first, two seconds, and two third places at the annual Kansas City Athletic Club indoor track meet held at Kansas City Friday night. Jimmie Lewis won the Stephen-Douglas cup race, 600 yards, for the second consecutive season, with Glenn Johnson second. Lewis' time was 1:16 6-10. Ross took second place in the half mile run. He was beaten by Snodgrass of Pittsburgh, Kansas normal, with a time of 2:4 4-10.

Roberts ran a beautiful race in the 1,000 yard handicap race but because of the narrow track and the large number of contestants he was not able to gain the lead but pulled up to third place and held it until the finish. Wirsig cleared 12 feet 3 inches in the pole vault, and tied for third place. The winning height was 12 feet 6 inches. Kansas defeated the Nebraska one mile relay team, winning in 3:32 8-10.

One Kansas City indoor record was broken when John Kuck, putting the shot for the State Teachers College of Emporia, Kansas, threw it 40 feet 1-4 inches. The throw lacked six inches of being a world's record.

The other members of the Nebraska team failed to place in their events. The main trouble was not being used to a board track. The meet, however, was an excellent experience for the new men, and should help them in the meets in the future, according to Coach Schulte.

The team was without some of its best men on account of injuries and sickness. Weir has been in the hospital and could not report for practice. Locke, who equalled the world indoor record for 50-yards last year, was unable to make the trip. Rhodes was also compelled to stay at home. This is the first year that these men have not taken this trip since their first year of competition.

Nebraska has now won the Shannon-Douglas cup two years in succession. If Nebraska succeeds in winning it next year it becomes her permanent property. Lewis, twice winner, cannot compete next year.

## MISS POUND NAMED COMMITTEE MEMBER

Will Serve With Body on "Recognition of Universities and Colleges" With Ruth Phelps

Prof. Louise Pound of the department of English has been notified by the American Association of University Women of her appointment to membership in its committee on the recognition of colleges and universities. She serves with Dr. Ruth Phelps of the University of Minnesota on the Northwest Central Sectional sub-committee, under the chairmanship of Mrs. J. E. Johnson of Minneapolis.

"American Speech" the new official publication of the American branch of the Society for Pure English, of which Prof. Louise Pound, of the department of English, is editor, was favorably commented on by Robert Bridges, the British laureate, in the last tract of the British Society for Pure English. Mr. Bridges says in part: "American Speech" is inaugurated under the supervision of a particularly well-qualified editorial group, and with the cordial support of a long and distinguished list of scholars and writers. Dr. Pound has contributed extensively to various periodicals on literary, linguistic, and folk-lore subjects; is a member of a number of scientific and philological societies. Kemp Malone, who is associated with Dr. Pound, is of the English department of the Johns-Hopkins University. Arthur Kennedy who will have particular charge of book reviews, is at Stanford University. Thus Atlantic Seaboard, Middle West, and Far West each have representation."

## UNABLE TO LOCATE MUSIC INSTRUCTOR

Disappearance of William J. Hart, Teacher in University School of Music, Alarming

Disappearance of William J. Hart, instructor at the University school of music, has caused uneasiness in his parents and friends. Hart played an accompaniment Friday afternoon but did not meet his Friday afternoon classes at the University. It is believed that Hart may have gone to Kansas City, where he told H. F. McCulla that he had business. He had drawn two hundred dollars from a bank. It is feared that Hart may be the victim of amnesia or a nervous breakdown as the young man is carrying a heavy schedule at the University and is also interested in outside activities. It is stated that he was subject to a disorder of the heart, but he has had no recent attacks. Nothing has been heard of Hart up to eight o'clock Saturday night.

## Employment Demand Exceeds Positions

The Y. M. C. A. student employment bureau has received more applications for employment than there are positions to fill. The call for student help is the lowest now than it has been this year, according to William S. Trumbull, employment secretary. Many new students have entered the University, who are dependent on outside employment.

## Seavey Declares Rumor of Cheating And Expulsion of Law Student False

A rumor has been prevalent in the University of Nebraska that one of the Law students was discovered cheating in an examination and was expelled temporarily but readmitted. This rumor has been definitely ascertained to be untrue.

Dean Warren A. Seavey thought the matter of sufficient importance to announce its untruth to all the Law classes. He said: "The rumor is wholly without foundation. It is important that it be denied, first, because it seriously harms the man concerned, and, secondly, because it is the invariable policy of the College to expel any person discovered cheating, and it harms the reputation of the College to have it believed that it would harbor those who cheat. "Such a story is one of the most

injurious kind to the person concerned. Those who spread such, without ascertaining the facts, do an incalculable amount of harm. Thousands of people's lives have been permanently injured through the thoughtless acts of gossip-mongers, and it does not help the victims that these who spread the untruths did not know any better. This is especially true in a college community where the contacts are close. It is a pretty safe rule to follow not to repeat statements which are or may be injurious to another unless the other has been given a chance to speak, and then not to do so unless there is some object in view more important than the retelling of gossip. Those making or repeating such statements are responsible legally and morally."

## RADIO COURSES ARE CONTINUED

Extension Division Arranging New Series of Lectures On Book of Job

COLLEGES TO BROADCAST

The combined Radio-Correspondence courses of the University of Nebraska Extension Division have proven so successful that a new course of lectures on the Book of Job by Prof. F. A. Stuff, of the English department, will be broadcast from the University studio over KFAB, beginning Wednesday afternoon at 3:00 o'clock. University credit will be given to those who satisfactorily complete the course which will consist of lectures accompanied by written exercises on interpretative questions.

The radio lectures are expected to appeal especially to teachers of English, since it is a study in comparative literature and will carry over to other classics. It is also expected to be a rare opportunity for women's organizations who will be supplied with outlines and exercises on request.

Some changes are being made in the plan of departmental radio program for the second semester, affecting the periods from 3:00 to 3:30 o'clock on Monday, Tuesday, Wednesday and Friday, and the 8:05 to 8:30 period on Friday.

Beginning next Monday, February 8, at 3:00 o'clock the Teachers College will go on the air. Two members of the faculty will speak on the program each time for twelve minutes. Continuing the course on sociology which was given last semester on Wednesdays, talks on this subject will be broadcast at 3:00 o'clock each Tuesday, beginning on February 9.

Members of the various departments of the College of Engineering will give a series of talks each Friday at 3:00 o'clock beginning February 5, on engineering in its home and other relations. Lectures on popular sciences by representatives of the science departments will be given at 3:15 Friday afternoon, beginning February 5. This group will be by the department of chemistry.

Dr. R. H. Wolcott, of the department of zoology, will continue his series of talks on "Bird Life," omitting February 5 and 19, when there will be talks on "Farming by Wireless" by members of the faculty of the College of Agriculture.

## HOLD CONVOCATION FOR MISS RICHARDS

Program Given in Honor of Birth Of the "Mother of Home Economics"

The freshmen girls of the Home Economics department gave a convocation Thursday, February 4 to commemorate the birthday of Ellen Richards, which was December 3.

Ellen Richards, "Mother of Home Economics" did more for the advancement of Home Economics, as we know it today, than any other person.

Miss Ruth Davis, chairman of the program committee, said, "In studying the life of Ellen Richards we come to a greater appreciation of our own possibilities, and through her efforts we have Home Economic departments in all parts of the country."

Miss Evelyn Wynkoop sang a group of songs entitled, "Smiles" by Ashford, and a group of girls gave a skit from the pageant "Forest Primeval." This pageant was given at Farmers Fair a few years ago. The remainder of the program consisted of a play of the life of Ellen Richards, given by the freshmen girls.

## KANSAS TAKES 25 TO 14 GAME FROM HUSKERS

Nebraska Unable to Stop Jayhawk Rushes in First Period

FIELD HOUSE DEDICATED

Chancellor Samuel Avery and George E. Condra Talk; McMullen Tosses First Ball

Nebraska's chances for a Missouri Valley basketball championship were somewhat shattered Saturday night when the Kansas Jayhawks handed the Huskers a 25 to 14 defeat in the opening game in the new field house. It was the Huskers' first loss in the conference.

Kansas with a team of rangy, fast passing players that were able to hit the basket from anywhere on the floor, ran wild the first half, counting fourteen points while the Nebraska quintet had to be satisfied with four.

Nebraska staged a short rally during the opening minutes of the second half that threatened for a time to overcome the Kansas lead. Four baskets and a gift toss put Nebraska within three points of the Jayhawks. This was the only time in the game that the Huskers threatened.

Peterson, Kansas center, was the outstanding player of the game. He did everything that a basketball player is supposed to do, and was the pivot man in the Kansas offense. Although Eckstrom, Husker center, towered above Peterson in height, the Jayhawk always got the tip-off.

Gordon, flashy Kansas forward, was the high point man of the game with eight counters to his credit. He ran Peterson a close race for individual honors. Schmidt, the Jayhawk leading scorer and the leading player in the individual scoring column in the Missouri valley, was unable to add but one point to his season's total. He was so closely covered by Brown that he seldom was given an opportunity for a shot at the basket. Burton played the best defensive game for the victors, getting the ball off the Nebraska backboard on nearly every shot.

Short dedication ceremonies were held before the opening of the game. Dr. George Condra opened the dedication with a short talk on the benefits to be derived through the new Field House and stated that much of the honor for the building of the structure went to Chancellor Samuel Avery, whom he introduced to the five thousand spectators.

Chancellor Avery spoke briefly and said that the new building was made possible through the co-operation of all of the people in the entire state of Nebraska. The Chancellor introduced Governor Adam McMullen who tossed the first ball of the game.

To Gordon of Kansas went the honor of scoring the first basket in the new Nebraska field house. Eckstrom made the first Nebraska counter when he made good a gift toss. Burton followed with a long shot from the center of the floor. For ten minutes the teams battled on even terms with Kansas leading four to one. The Huskers seemed to be unable to locate the basket on long shots, many times the ball would roll around the hoop and then drop to the outside.

Belgard broke the scoreless period with a free throw and this seemed to be a signal for the Kansas offense. Peterson tipped the ball through the hoop from beneath the basket and he followed with another from the center of the floor. Eckstrom scored Nebraska's only basket of the first period when he made a neat shot from the side. Belgard retaliated for Kansas by dropping one through from beneath the hoop and Zuber batted one in the air that went through. Eckstrom added one point to the Nebraska column by making good a free throw. Peterson ended the scoring of the half with another. Elliott started the scoring in the

(Continued on Page Four.)

## 1926 CORNHUSKER Assist. Business Managers

The Student Publication Board will receive applications until noon Monday, February 8, from upper-classmen for two positions as assistant business managers of the 1926 Cornhusker.

Application blanks may be got at the office of the Chairman at University Hall 104 and of Secretary J. K. Selleck.

Applicants are requested to submit as clearly and as concisely as may be, evidence as to their qualifications for discharging the duties of these positions.

M. M. FOGG, Chairman,  
Student Publication Board.

## Office Filings Must Be In By February 12

Filings for positions on the Student Publication Board and for all class offices will be received at the student activities office before 5:00 o'clock Friday, February 12.

The second semester election will be held Tuesday, February 16, in the basement of the administration building.

## RELIEFWORKERS MEET AT COTNER

Workers From Foreign Lands Scheduled to Appear On Program

MEETINGS OPEN FRIDAY

The Nebraska Student Volunteer Movement will hold a series of meetings at Cotner College, February 12, 13, and 14, where speakers from foreign fields will talk on conditions existing in their countries. Over one hundred fifty delegates from Nebraska schools and colleges are expected to attend the meetings.

Miss Laura B. Croff will speak on the church movement in China, Miss Dale Ellis, on conditions in the Philippines, Mr. Fawell of India will give several lectures and Mr. Thomas, representative from Africa, will talk. These speakers are stationed in these countries now and are home on furlough. Mrs. Emery, of York college, will give talks on the Christian movement in Africa, and Mr. Arthur Jorgenson, of the University of Nebraska Y. M. C. A. will talk on the conditions in Japan. Miss Erma Appleby of the Y. W. C. A. of the University of Nebraska will speak on the student movement in the United States and will assist with the programs.

Miss Dorothy Thomas will represent the University of Nebraska at the conference. There will also be a representative from the headquarters of the Student Volunteer Movement at New York City, who will report on the work of other organizations in the United States.

The meetings are open to any one wishing to attend. The purpose in holding them is not to get students interested in volunteer work, but for the information and education of people interested in world problems.

The series will be opened Friday afternoon, February 12, at 4 o'clock, with a program and a reception. Miss Appleby and Mr. Jorgenson of Nebraska will take an active part in receiving delegates.

## MUSEUM SPEAKERS NAMED BY COLLINS

Assistant Curator Announces Full Program of Lectures for Month of February

The series of lectures to be given at the University Museum on Sunday afternoons in February has been announced by F. G. Collins, assistant curator. The first lecture will be Sunday, February 7, by Mr. Collins, on "Mineralogical Romance" or "The Early History of a Great American Institution." "Frank S. Shoemaker will give an illustrated lecture February 14 entitled "Among the Sandhills of Nebraska." Miss Marjorie Shanafelt of the department of geology, will give talks on February 21. "Corrals of the Summers Island." Mr. Collins will speak again on February 28 on "What an American Started in London," which will be an account of the history of a great scientific institution. The lectures will be given twice each Sunday afternoon at 3 and again at 4 o'clock. Large attendance has made necessary the repetition of the lectures.
