Synopsis of "The Piper"

There is a show in the town of Hamlin, and a member of the show has just freed the village from rats. Three days of peace pass, and the Piper asks one thousand gilders for his services which is refused him. Resenting this, the Piper plays fascinating music and leads all the children away while the people are in church.

The people blame the mayor for this, since he refused to pay the Piper. They demand that Barbara, the mayor's daughter, be given up as an offering and sent away to a nun. But as they are passing the hill where the Piper is keeping the children, the girl's lover asks the Piper to prevent them from taking her away. The Piper plays a tune that bewitches the people causing them to go on and leave Barbara.

The Piper had taken a little crippled boy named Jan, and the mother now comes and begs for the return of her son. Still feeling the pangs of Hamlin's rebuke, he refuses. Barbara and Michael, her lover, are married, and they go back to Hamlin to say farewell. The Piper also returns and hears that Veronika, Little Jan's mother, is ill unto death. While the Piper feels that Veronika is the only one in Hamlin worthy of having her child returned, he brings all the children back and is cheered by the villagers.

Husker Track Squad Ready for Missouri
(Continued From Page One)

Gish has received a letter from Pete Wendell, secretary of the Western A. A. U. registration committee, saying that he has placed A. A. U. sanctions on the books for all Nebraska meets.

Dr. A. P. Condon, Dr. C. N. Newell, and A. B. Griffith, all efficient timers, have been secured for the meet Saturday.

These measures have been taken to insure official recognition of any records made at Nebraska meets. These records are of rather long standing as a rule and the proper precautions must be taken to have new records recognized.

Student tickets will be accepted Saturday for the Missouri-Nebraska dual meet. These tickets, according to Gish are good for all dual meets but will not be accepted for the Valley meet, which will be held in Lincoln the latter part of this month.

A parade will be staged a few minutes before the meet Saturday. The athletes will warm up while the band plays in the middle of the field. Then all contestants and officials will march to the center of the field and be introduced to the crowd.

Printed programs will be distributed free of charge. In them will be the name and number of each contestant.

Blue Team is Winner

The Blue team won the tri-color meet held Thursday evening with 70 1-2 points. The White team was second with 51 points and the Red team third with 33 1-2 points.

Renewed interest has been shown in these meets since it was decided to give a medal to the man making the most points in the series of meets. Several men of varsity caliber have been uncovered who will help build up next year's squad.

The summary of the events:

100-yard dash: Lowe (B) first; Donisthorpe (B) second; Krause (W) third; Doty (R) fourth, 10.2.

Mile run: Graham (W) first; Cummings (B) second; Frink (R) third; Olsen (W) fourth. Time, 4 minutes, 52 seconds.

220-yard dash: Doty (R) first; Donisthorpe (B) second; Lowe (B) third; Ritcher (W) fourth. Time 22.6

High hurdles: Marrow (B) first; Fleming (R) second; Reneau (R)
