TRUMBLE BREAKS MARKS

Shatters Both Hurdle Records; Discusses And Javelin Marks Fall; Bailey Is Star

Four state high school records were broken in the twenty-fourth annual Nebraska high school track and field meet held in the stadium yesterday afternoon.

Harold Trumble, crack Cambridge hurdler, after tying his own state record of 15.6 seconds in the 120 yard high hurdles in the preliminaries Friday afternoon, came through in great form Saturday to set a new mark of 15.5 seconds in the high hurdles and to lower the 220 yard hurdle record from 26.2 seconds to 25.6 seconds.

Locke Runs Exhibition

Roland Locke ran a handicap 100 yard dash against Lowe, Freshman sprinter, and despite his two races Friday at Kansas, the long ride back, on which he was bumped by a passing auto when changing a flat tire, he succeeded in shading 9.8 seconds.

The other records broken were in the javelin and discus throws. Lyman of Allen raised the discus record from 120 feet to 124 1-2 inches. Miller of Havelock set a new javelin record of 169 feet 8 1-2 inches.

Keiss also bettered the 220 low hurdle record he set last year when he stepped them in 26 seconds flat. However, this was after Trumble's record breaking time of 25.6 seconds. Keiss took three firsts in Group III, winning both hurdle races and the shot put but was used out for individual honors by his teammate Hann, who placed in five events to score 16 points.

Scottsbluff Led A Surprise

Hann had been doped to win the 220 and 440 but a lad from Scottsbluff, their only entry, Bailey by name, showed Hann a clean pair of heels in both races. Incidentally Bailey won the individual event medal for the best time from any group in both races. His 52.6 seconds in the 440 was one of the best running performances of the day.

Mousel of Cambridge carried off individual honors in Group II with 13 points. He was closely followed by Miller of Havelock, with 12 1-2 points and his teammate, Trumble with 10. Robinson of Big Springs rural by winning the 100 and 220 yard dashes in Group I walked off with individual scoring honors in that group.

Champion 440 Man Runs

Soderburg, crack University Freshman quarter miler, was pitted against Ostergard, former Gothenburg high star who in 1923 set the present high school 440 record of 52 seconds, for a special 440 race. Ostergard took it in 51.5 seconds but Soderburg stepped it faster than he has any time this season to stay right on his heels.

Tecumseh, winner of the home course relays earlier in the season, took the 880 relay in Group II in a close finish over Callaway and set easily the fastest time, running it in 1 minute 33.8 seconds.

Lincoln showed up better than had been expected, nosing Omaha Tech out by two points to take place in

Group III. Kearney finished fourth in Group III with 11 points. Columbus, Omaha Central, and Scottsbluff all tied for fifth place with 10 points.

The holding of preliminaries Friday afternoon proved very satisfactory, letting the contestants enter the finals fresh instead of wearied from a string of eliminations.

All events were run in finals except the Group III mile and the relays which were run in heats against time.

The summary of events is as follows:

- Group I. 100-yard dash—Robinson (Big Springs Rural). Heckenlively (Fairfield, Scherzinger (Lincoln), Kely (Lincoln). Time—10.6 seconds. 220 yard dash—Robinson (Big Springs Rural). Kely (Lincoln), Longine (Stamford). Time—27.7 seconds.
