

TELEGRAPHIC MEET STARTS

Nebraska Freshmen Run Off First Events in Valley Contest

CONTINUE MEET TODAY

Lowe won the 100-yard dash, Chadderdon the mile, and Krause the 220-yard low hurdles in the first events on the program for the Missouri Valley Freshman telegraphic meet which were held yesterday in conjunction with the Drake-Nebraska dual meet.

Time on the events cannot be announced until after all the records are in from all the schools. The meet is conducted under the auspices of Washington University of St. Louis. All results will be sent in Saturday and the winners announced early next week.

The remainder of the events will be held this afternoon and tomorrow at the stadium for the Nebraska Freshmen.

Century Close

Lowe barely nosed out Doty in the 100-yard dash finish yesterday, with Doniathorpe running third. Chadderdon stepped a nice mile, with Lemley running second, and Graham third. Krause had a good lead in the low hurdles despite changing step on them in the middle. Fleming ran second and Stockwell third.

The 880-yard run was put off until this afternoon. The 220-yard dash and the 120-yard high hurdles are the other track events on the program for tonight. All field events will be held today.

This will leave the 440, the 2-mile, and the 880 and mile relays to be run Friday afternoon.

CADETS GOING TO CAMP HOLD RALLY

John Boyer To Head Platoon of Nebraska R. O. T. C. Men at Fort Snelling

Nebraska's fighting Cornhusker cadets' campaign for first place at the Fort Snelling summer R. O. T. C. camp was started last night with a pep banquet and rally at the Grand Hotel, when preliminary organization for the various camp activities was formed. For several years prior to last year the Nebraska detachment won second place at camp for all-round efficiency. The fight this year is to bring home the cup for first place. The unit is favored by a number of men who attended the basic camp two years ago. John A. Boyer, Pawnee City, was elected permanent platoon chairman, to be in general charge of all platoon affairs. Judd Crocker, Omaha, was

Summer School Credit Will Be Granted for Social Service Work

The University of Nebraska is offering a course in social work this summer under the leadership of Miss Joanna Colcord, a national leader in social work. The social work is offered in the Institute of Social Work which is a part of the accredited summer school course. The social work is based primarily on the elements of family case work.

The institute will be conducted especially for trained or volunteer workers in the social field. Those eligible for the course are teachers, doctors, institutional heads and subordinate officers, nurses, public officials, church workers, probation officers, community volunteers, and board members. Also majors in sociology may register for the course.

The institute and the accompanying accredited course is offered to train more workers for the field. One state adjoining Nebraska has employed all trained workers in its effort to reduce poverty and criminality by eliminating the causes in the individual.

For this reason the department of sociology of the University of Nebraska is offering a survey course and a special institute through the extension division in the 1926 summer school.

Those eligible for the accredited course may enroll in the institute. Persons receiving credit must attend a set number of institute sessions.

The institute is in session from June 14 to June 25. Two hours lecture and two hours conference daily

are scheduled. No credit will be given for attending the Institute sessions unless the full six weeks accredited course is taken. Admittance fee to the institute is \$5.00.

The institute will be conducted by Miss Joanna Colcord, general secretary of the Minneapolis Family Welfare Society. Miss Colcord is also the author of "Broken Homes."

The nature of the courses offered by the institute is elementary case work with special attention to processes of interviewing and investigation. Actual cases will be used for illustration.

The accredited course is open to those who are eligible for the institute and will begin June 7 extending to July 12. A one hour lecture is given daily with the presupposition that two hours study has been spent on the lesson.

Two hours credit will be given to those who have completed the course satisfactorily. The total cost of the course is \$8.00, including matriculation, \$5.00; tuition, \$2.00; and registration, \$1.00, unless paid as a student in the summer session.

The first, fourth, fifth and sixth weeks will be conducted by Miss Anna M. Cameron; and the second and third weeks by Miss Colcord.

History, theory, problems and nature of family case work will be taught. The class will be limited to thirty persons.

Persons wishing to make reservations for the course should see Professor A. A. Reed, University of Nebraska Extension Division.

ected assistant chairman, Ted Johnson, Lincoln, was elected chairman of the athletics committee, with Gordon Luikart, Riverton, Wyoming, assistant. Horace Noland, Lincoln, was elected chairman of the social committee.

To the camp publications were elected William Cefnar, Omaha, as Blue Torch (camp annual) representative; and Edward Morrow, Lincoln, editor of the Cornhusker Kadet. Robert Powell, Lincoln, and Harold Zipp, Lincoln, were made official photographers.

Speeches were made by Donald Sampson, cadet colonel, who related experiences at camp two years ago; Commandant Jewett, and Captains Bigelow, Hoss, and Hunt.

PACIFIC RELATIONS MEETING

Pacific College Representatives Will Consider Race Relations

(By New Student Service) Last summer student representatives of all races bordering the Pacific ocean met in Honolulu to promote friendship and resolve discord between races and nations. This con-

ference has suggested a California Institute on Pacific relations which will meet next fall. Definite plans were drawn up in April by representatives of Cosmopolitan Clubs of Mills College, College of the Pacific, University of California, and Stanford and various Y. W. C. A. and Y. M. C. A. groups.

Membership in the conference is open to student organizations on any college campus interested in problems of the Pacific. Kano Kawai, representative from the Stanford Japanese club, was chosen chairman of the sponsoring committee. William F. Stallings, secretary of the international department of the University of California Y. M. C. A. is secretary.

Nebraska Defeats Drake on Track

(Continued From Page One)

Wyatt right behind him. Davenport pulled up on the back-stretch and the three came around the curve almost together. Wyatt ran away from them at the finish and Davenport came from behind barely to nose out Tolles for second place.

Wirsig was breaking in a new pole and was forced to take second to Rhodes at 12 feet, 2 inches. Stephens got away in fine shape again in the broad jump, winning easily with a leap of 22 feet, 7 3-4 inches.

Joe Wostoupal was taken out of the stands by Coach Schulte to try the javelin and he surprised himself by winning with a throw of 171 feet 6 3-8 inches. This is the best javelin mark made in competition by any of the Huskers this year.

Zimmerman and Searles had an easy time in the two-mile although they ran in the fast time of 10 minutes, 5 seconds. They tried to finish in a tie but failed to adjust their paces properly and the judges declared that Zimmerman hit the tape slightly ahead of Searles.
