

# TRACK MEN GET HARD WORKOUT

Schulte Will Ease Training Rest of Week; Some Minor Injuries

## STEPHENS IS ON THE LIST

Coach Schulte sent his proteges through their final hard workout in preparation for the Missouri Valley meet at the Stadium last night. For most of the squad the tapering off for the week-end grind began, but a few went through a moderately stiff workout.

Stephens, the new sprint find, was working hard on starting. His 10.1 time on the 100 the other night was quite a surprise and Coach Schulte is grooming him to run in case Hein's leg is not in proper shape.

## Weight Men Slacken Work

The weight men have laid off of hard work. All are in fine shape with the exception of Pospisil. He strained his back some time ago and it is still bothering him. Kriemmel-meyer has a bad knee but it is not expected to interfere with his work with the weights.

Dopesters who thought the Huskers had a cinch on the meet were worried when they began figuring it up last night. They could dope Nebraska to win but it was by too narrow a margin for comfort.

## Men Should Be at Best

The whole season has been planned with the idea of having the men at their best, this week-end and with but few exceptions they should be. The minor injuries are all being taken care of by Doc McLean and his staff.

Lots of starting for the sprinters and hurdlers and pace work for the distance men was the order for the first part of the week. The jumpers and vaulters have laid off now until their workout in the meet.

Work was started yesterday to put the track in shape, a battery of managers working on the back-stretch and curves and the inside lane. More work will be done on it this afternoon and by tomorrow if the weather remains good, it should be ready for the fast-stepping crew that will be here.

### CORRECTION

A mistake was made in the results of the Tri-Color Meet published in yesterday's Nebraskan. The name of Donisthorpe, captain of the Blue team, who took second in the 220-yard dash, was omitted from the list of winners.

**Thetas in Charge of Marion Talley.** Marion Talley, 19-year-old coloratura soprano of Kansas City, Mo., who recently made a spectacular debut with the Metropolitan Opera Company, will appear in a concert May 26 at Ohio State University under the auspices of the Kappa Alpha Theta chapter there.

### MORE GAMES ARE TODAY

Two more baseball teams advanced to the semi-final round of the interfraternity series by their victories yesterday.

Pi Kappa Phi, winner in Group II, defeated Theta Chi, champions of Group I, 13 to 7. The Theta Chi nine started off, leading for the first five innings, but Pi Kappa Phi forged out in front and won the contest easily. Maaske pitched for the winners and held the Theta Chi sluggers to six safeties. Schmidt caught Maaske's offerings. Pi Kappa Phi made thirteen hits off Blessing, who was the Theta Chi hurler. Sunderland was catcher.

### Delta Sigs Out

Kappa Sigma eliminated Delta Sigma Delta in the play-off of the game which was cut short at the sixth inning. The teams agreed to play the remaining three innings. At the end of the sixth frame, the score stood 5 to 4 in favor of the Kappa Sigs. The Delta Sigs started off in a fashion dangerous to Kappa Sigma, scoring three runs in the first inning played today. However, the Kappa Sigs came back and pushed over four tallies in the next frame. The contest was safe for them from then on, as they scored twice more in the ninth, making the total 11 to 7 for Kappa Sigma.

Ekstrom was the Kappa Sig hurler, and held the opposing batters to four hits. Othmer was on the receiving end of the victorious battery. The Delta Sigs used four pitchers, although the Kappa Sigs only nicked them for eight safeties. Harding, Beckman, Brown and Tomes was the Delta Sig battery.

## \$360 REWARD Plus Two Months of Sales Training

FOR eight weeks during July and August we offer you an opportunity to put class room theories to the test—to acquire under trained salesmen a business experience that will be invaluable later on—and last, but not least, a chance to bring the emaciated bankroll to its former robust state.

This summer as in previous years, Woman's World—a magazine entering 1,325,000 homes monthly—invites ambitious college men to enter its subscription sales organization, to work shoulder to shoulder with seasoned veterans, to learn the thrill that comes with getting a prospect's name on the dotted line and to reap the cash rewards that industry and ability invariably bring.

The work is dignified, intensely interesting and keeps you out in the open. No other branch of modern business offers such large or such quick returns as does the sales department. This is a real opportunity and we will help you make the grade.

A letter or postcard will bring you full details without obligation, together with a booklet of letters from other college men in our employ. Write promptly, please, as units are now being filled.
