KAPPA SIGNS TO FINAL ROUND

PI KAPS VS. SIG ALPHAS

Friday's Results. Kappa Sigma 12, Phi Delta Theta 3.

Today's Games. Pi Kappa Phi vs. Sigma Alpha Epsilon, 3 o'clock, Rock Island Park.

Kappa Sigma defeated Phi Delta Theta, 12 to 3, Friday, thereby going into the final round of the interfraternity baseball tournament. The Kappa Sigs had an easy battle, hitting the Phi Delt hurlers hard and bunting their way.

The other finalist in the baseball tourney will be decided today when the Pi Kappa Phi and Sigma Alpha Epsilon nines meet. Their contest was postponed from Friday.

Nebraska Wins Track Championship

(Continued From Page One) said after the meet that it was probably the fastest anyone had ever run.

Wirsig settled the matter of pole vaulting supremacy in the Valley by not only taking first place, but hoisting himself over the bar at 12 feet 9 5-8 inches for a new Valley record. This was over an inch higher than the former record.

Richerson of Missouri and Cox of Oklahoma, as was expected succeeded in setting new records. Richerson lacked about two inches of establishing a new record in the shot put. He raised the discus record, however, almost eight feet when he hurled the platter 145 feet 2 3-4 inches. Cox bettered his own javelin record by about 7 inches.

Kriemelmeyer Second

Kriemelmeyer had the best of Rinefort, the Grinnell ace, in the shot but couldn't quite get the ball out past the near-record heaves of "Doss" Richerson, Missouri captain.

Wyatt stepped the 440-yard run in pretty fashion to beat out Rooney of Kansas and Grantello of Missouri. Dailey also ran a nice race, taking fourth. Coach Schulte showed he had some good quarter-milers again in the mile relay. Davenport, Tappan, Dailey, and Wyatt ran a beautiful race, their winning time being over two seconds better than the second place team.

Stevens surprised the fans by taking fourth in the 100-yard dash. He took second in the broad jump, which was won by Lancaster of Missouri handily. Rhodes also furnished a surprise when he tied Lancaster for second in the pole vault. Oklahoma presented a much stronger team than had been anticipated and was barely nosed out of second place by Missouri. She placed three men in the javelin and Niblick and Rutherford easily took first and second in the two-mile. Niblick was also second in the mile.

Conger, the Iowa State middle distance ace, lived up to his reputation. He won the mile in the fast time of 4 minutes, 24.6 seconds and then returned to win the gruelling 880 in 1 minute, 56.8 seconds.

Weir First in Hurdles. Weir opened the meet auspiciously by taking the high hurdles in a hair-breadth finish. Weir, Simpson of Drake, and Ferguson of Missouri went to the tape in almost a dead-heat. The time of 15.1 seconds was Weir's fastest this year.

The high jump, which was looked upon as the weakest event, was taken by Anderson of Oklahoma at a height of six feet even. Ten men, including Page, the elongated Nebraskan, tied for the other three places.

Ted Canty, the premier announcer of the Middle-West, not only kept the fans well informed in regard to the meet but entertained them with the latest stories during lulls in the meet. He announced that Locke's performance of equalling one and breaking another world's record on the same day had been done only twice before. Ted McMedith and Bob Simpson are the others. Simpson's feat was performed while under the tutelage of Coach Schulte.

The Valley sprint cup was won for the third successive year by Roland Locke. It was presented to him during the meet by John C. Grover, one of the donors, who was starter and referee of the meet.
