

THE DAILY NEBRASKAN

VOL. XXVI. NO. 1.

THE UNIVERSITY OF NEBRASKA, LINCOLN, NEBRASKA, FRIDAY, SEPTEMBER 17, 1926.

PRICE 5 CENTS

101 FACULTY APPOINTMENTS ARE ANNOUNCED

Full Professorships Included In Complete List Issued By Chancellor

FEW POSITIONS CREATED

Retiring Members and Those On Leave of Absence Cause Changes

A combined list of all new faculty appointments at the University has been announced from the Chancellor's office. There are 101 appointments ranging from full professorships to assistantships. The list includes those in the College of Medicine at Omaha, and the School of Agriculture at Curtis.

Only a few of the appointments are for newly created positions. They represent in the main the normal number required each year to replace faculty members who are on leave of absence, who have gone to other schools, or who have retired. The greater part are in the ranks of instructor and departmental assistants.

By departments the appointments follow:

Animal Husbandry

Mr. Ray Robert Thalman, B.S., Utah Agricultural College, is to be graduate student assistant. He has recently been with the United States Forest Service.

Assistant Professor A. D. Weber, B.S. and M.S., Kansas State Agricultural College, comes from a position in the same department at Kansas State College.

Animal Pathology and Hygiene
Mr. J. F. Olney, M.S., Michigan Agricultural College, is to be an instructor.

Applied Mechanics

Mr. Paul F. Keim, B.S. in Civil Engineering, University of California, is to be an instructor. Mr. Keim has been junior civil engineer for the city of Los Angeles for the past year.

Wilfred G. Hill, B.S. in Architectural Engineering, Iowa State College, is to be an instructor in drawing. He comes from Des Moines, where he was connected with a firm of architects.

T. T. Aakhus, B.S. in Electrical Engineering, University of Colorado, is to be an instructor in drawing and machine design.

Business Administration

Prof. Forrest Clifford Blood, A.B. Dartmouth, A.M. DePauw, is to be associate professor of advertising and sales management. He comes from a similar position at Marquette.

Botany

Mr. William Edward Bruner, B.S. Nebraska, A.M. Nebraska, is to be an instructor. He has been a member of the University of Oklahoma faculty.

(Continued on Page Two.)

New Students Invited to Chancellor's Reception

The Chancellor's reception, an annual event on the University calendar, is to be held in the Art Hall, on the third floor of the Library building, Saturday evening, September 18. The reception, given by the Chancellor and Mrs. Avery, Dean and Mrs. Chaburn, and Dean Heppner, will be held from 8 to 10 o'clock. All students and faculty members are invited, and a special invitation has been extended to new students.

"No Excuses from Physical Education For Women," is Decree of Department

No more excuses from physical education for the young women of the University! This is the decree sent out from the physical education department. Why? Miss Clara Rausch, a specialist in corrective and individual gymnastics, and the new equipment for her work, are to a large extent the reason.

There will be posture classes to remedy flat chests, forward shoulders, prominent abdomen, weak feet; classes for the overweight, classes for the underweight; special exercises for heart, post operative, gaiter cases and so on. Every young woman, no matter what her physical condition is, as long as she is physically able to attend the University, will find a type of work offered for her physical development.

This work has been carried on in the past on a small scale for the few who desired it under the direction of Miss Lee, head of the Physical Education Department, who in preparation for the work served for two years in the Children's Hospital of Boston under the supervision of Dr. Robert Lovett. Now the department has Miss Rausch who will devote her entire time to this phase of the work and a large room is being prepared in the basement of the Armory for these classes. This room will be fully equipped with the latest apparatus

Prominent Musician of Omaha Is on Faculty

HENRY COX WILL DIRECT ORCHESTRA

Well-known Omaha Conductor Put in Charge of University Musicians

Prof. Henry Cox, well-known vocal and instrumental conductor of Omaha, has been appointed director of the University orchestras.

Professor Cox began his professional career as a teacher at the age of fifteen, was director of the Pella, Iowa, band at the age of sixteen, and graduated from the Des Moines Musical College the next year. He taught at Central College, Pella, Iowa, in 1900, and became director of musical organizations at the University of Iowa in 1906.

Professor Cox will also be in charge of courses in instrumental ensemble. He will be associated with Professor Quick, who will act as assistant conductor.

"N" BOOKS GIVEN TO 400 FRESHMEN

Men Receive Copies from Y. M. C. A. Offices in Temple; Women in Ellen Smith Hall

About 400 copies of the student's handbook, generally known as the "N" book, have been distributed to freshmen since registration began.

All new students are entitled to a copy of the handbook upon presentation of a card given them in the registration line. The men may receive their copies at the office of C. D. Hayes, secretary of the University Y. M. C. A., Temple building, between the hours of 9 and 4 o'clock. Women receive their copies at the office of Miss Erna Appleby, secretary of the University Y. W. C. A., from 9 to 5 o'clock. When the new students have been supplied, the surplus handbooks will be placed on sale at cost price, which will be lower than last year.

The staff of the current edition is: Charles O. Bruce, editor and business manager; Eloise Keefe, associate editor; Ruth Palmer, Archie Eddy, Julia Rider, James Higin, Geraldine Fleming, Lyman P. Cass, Kate Goldstein, and Spencer Bruce.

Museum Attracts State Fair Visitors

Two thousand persons visited the Museum during the State Fair Week, according to the most conservative estimate. There were many people in the building at all times, but the museum was not thronged with visitors as in previous years.

COLISEUM WILL HOUSE WINTER CLASS SPORTS

Herbert Gish Announces List Of Intra-Murals for Coming Year

BEGIN NEW POINT SYSTEM

Trophy Will Be Given Fraternity Securing Most Counters During Whole Season

Intra-mural athletics, under the direction of Acting Athletic Director Herbert Gish, will be introduced to Nebraska students this year with the University Coliseum completed, facilities have been increased so that a complete program of winter sports may be carried out. The program of athletics has been divided into three classes. The major class includes basketball, mid-winter track and baseball; the intermediate class includes wrestling and cross country running; in the minor class are tennis, handball, volleyball, horse-shoe pitching and rifle shooting.

The most radical change in the program will be the all-year point system. By this plan a trophy will be awarded the fraternity which has the largest number of points for the entire year. An example of this point awarding may be taken from basketball. Each team entering receives fifty points and the winner receives points according to the number of games they win. This idea will be carried out in the other sports with some changes.

Ample Room

The Coliseum has six basketball courts which will afford ample room for tournaments. Acting Director Gish plans on having about four courts, eleven handball courts, four wrestling rings and a number of indoor baseball and volleyball courts will be prepared for the use of the students.

Same At Ag Campus

With the addition of the student activities building at the Agricultural College, campus sports under the program of the intra-mural activities will be carried on there. The system of points will be the same at both places.

Although a permanent trophy will be presented this year, the trophy skins will still be awarded to the winners of the various events as has been the custom in the past.

The outdoor program consisting of fall track and tennis will begin immediately. The indoor program will not get under way until about the middle of October. The Coliseum will be fixed up within the next two weeks so that students may begin practicing for the coming events.

Gish is having a pamphlet printed on the intra-mural sports which will include the rules, regulations and schedule. This handbook will be distributed in the near future.

MORE WOMEN URGED TO ENTER SPORTS

"A Sport for Every Girl," is New Slogan Chosen by Women's Athletic Association

"A sport for every girl!" This is the slogan the Women's Athletic Association has chosen to represent their goal for the coming year. Hockey is the first sport on the schedule. Practices begin Monday, and posters in both ends of the Armory give every woman who is interested a chance to sign up.

Hockey practice will be every afternoon from 4 to 5 o'clock. Monday is junior-senior night; Tuesday, general; Wednesday is for sophomores; Thursday the freshmen play; and Friday is general.

Will Expand

"This year we want to go outside of our own department and get girls who have not selected physical education as a major," declared Madge Zorbaugh, hockey chairman for the year. "And our hardest work is going to be reaching those girls—not the organization of the sports themselves."

Class managers will be chosen to supervise the play so soon as hockey practices are organized. All women interested in hockey who wish to ask questions should see Madge Zorbaugh.

Reporters Needed for Daily Nebraskan Work

More reporters are needed by The Daily Nebraskan to cover departmental and building news. Applicants should see as soon as possible the Managing Editor in University Hall to fill out application blanks.

WHITE IS HONOR GUEST AT DINNER

Members of "Think Shop" Attend Affair Sponsored by Delta Sigma Rho

Prof. H. Adelbert White was the guest of honor at a dinner given last night at the University Club by former members of the "Think Shop." The dinner was sponsored by Delta Sigma Rho, national forensic fraternity, of which Professor White is one of the vice-presidents. Following the dinner Professor White gave a short talk.

Coming to Nebraska from Washington and Jefferson College, Wash-

Courtesy the Lincoln Star. PROF. H. ADELBERT WHITE.

ington, Pa., as professor of English, Dr. White will be in charge of the debating classes formerly taught by Professor Fogg. English literature, however, will occupy more than half of his teaching hours. The "Think Shop," which Chancellor Avery has refused to remove from its location, will be under the direction of Professor White.

Dr. White has also been professor at Purdue and Lombard Universities. He has the degrees of A.M. and Ph.D. from Yale; A.M. from Harvard, and A.B. with honors in English from Wesleyan, Middletown, Conn. He has edited a number of texts for college use.

FRESHMEN PARTY IS FRIDAY NIGHT

Y. M. C. A. Is Host to First-Year Men; Prof. O. R. Martin and Ed Weir Will Speak

First-year men will have a chance to get acquainted Friday evening at the annual stag party given by the Y. M. C. A. at the Temple for all Freshmen men.

The party will start at 7:30 and close at 9 o'clock. Ed Weir, captain of the Husker football team for the last two years will give the main speech of the evening, welcoming the freshmen. Prof. O. R. Martin, president of the Y. M. C. A. advisory council will talk, introducing the new secretary, C. D. Hays. Judd Crocker, president of the Innocents, also on the list of speakers, will welcome the men on behalf of that society, and will give a short talk on the school in general.

Allison in Charge

John Allison, president of the University Y. M. C. A. and general director of affairs for the evening, will explain the position of the "Y" on the campus and tell of its work. He will outline some of the plans for the coming year, especially as concerns first year men. Songs and cheers are to be led by Nick Amos, Varsity cheer leader. The new Y. M. C. A. cabinet will be the hosts.

FIRST BLUE PRINT APPEARS TOMORROW

Free Copies Will Be Distributed To Freshman Orientation Class in Morning

Free copies of the September issue of the Nebraska Blue Print, which is being issued earlier than usual this year for the benefit of the freshmen engineers, will be presented to the latter at the first general assembly of the freshmen engineers' orientation class Saturday morning.

Features of this number are articles on campus expansion and development, campus activities, fraternity and sorority development and engineering in Honduras.

The staff for this year is as follows:

General manager, Forest E. Hall, Editor, Emerson Mead. Asst. Editors, John Clema and Ralph Raikes. Business manager, Chester Hawke. Asst. Business Managers, Gene Spellman and E. R. Fowler. Circulation Manager, C. L. Carter. Asst. Circulation Managers, Rex Hase and Robert Kensch.

HUSKER GRID WORK STARTS; 75 MEN REPORT

Passing and Kicking Begins Preparation for First Game in Two Weeks

18 LETTER MEN RETURN

Seven Applicants for End Position; Must Fill Six Vacancies

Seventy-five Cornhusker gridsters opened the 1926 campaign Wednesday by passing and kicking the ball, limbering stiff muscles, and settling down to the two weeks' preparation for the game October 2 with the Bulldogs from Des Moines, who won a 14-0 blizzard bout from the Huskers last season.

Included in this list are eighteen letter men from former Husker teams. None of the others are trying out for the Varsity for the first time, although a few have been on the squad before. From this group Coach E. E. Bearg has the job of picking a half dozen or more youngsters to take the places of Weir, Hutchison, Rhoades and others lost by graduation.

Three-hundred Ushers Needed for Grid Games

Cadets who wish to serve as ushers at the Stadium during the football season should apply at once at the Student Activities Office in the Coliseum. Three hundred cadets will be needed.

Seven Men for End

Seven letter men back for the end position affords little worry in that direction. The seven ends are Willard Burnham of St. Francis, Kas., 160 pounds; Eward Lee, Edgemont, S. D., 173 pounds; Vint Lawson, Omaha, 177 pounds; Roy Mandery, Tecumseh, 190 pounds; George Shaner, North Platte, 170 pounds; Leon Sprague, York, 170 pounds; and Joe Weir, Superior, 173 pounds. Listed among the promising new men are Robert Krall, Grand Island, 175 pounds; Harold Peaker, Kearney, 160 pounds; and Adolph Simic of Oak, 168 pounds.

Captain Lonnie Stiner of Hastings, 180 pounds; Ray Randells, Anthony, Kas., 190 pounds; and Cecil Melton, Memphis, 200 pounds, are back to take care of the tackle situation. Among the new men are Cliff Ashburn, Tilden, 190 pounds; Everett Durisch, Lincoln, 190 pounds; Roy Gates, Columbus, 185 pounds; Leroy Lucas, Omaha, 216 pounds; and Earl Voris of Greeley, Colo., 190 pounds.

Several new men are making a strong bid for the guard positions. Clarence Raish, the 215 pounder from Grand Island, and Frank Possipil from Wahoo are the returning guards. Among the new men are Walter Drath, Herndon, Kas., 190 pounds; Dan McMullen, Belleville, Kas., 200 pounds; Merrill Reller, Princeton, 173 pounds; Verner Staads, Sioux City, Iowa, 198 pounds; and Robert Whitmore of Scottsbluff, 185 pounds.

(Continued on Page Six.)

Varsity Dance Committee Will Make Social Plans

The first meeting of the new varsity dance committee will be held this noon at the Grand Hotel. It will be called at 12 o'clock, and following lunch, plans for the year will be discussed. Definite arrangements for the first party, September 25, will be made and the details of decorating the building for the opening will be discussed with Ralph Ireland, the decorator in charge.

Nebraska Wins in Judging Contests

The Nebraska College of Agriculture live stock judging team placed first at the national swine show held at Peoria, Illinois, this week. Five teams were entered placing in the following order: Nebraska, Illinois, Iowa, Purdue, and Ohio.

The men who made the trip are: Irvin McKinley, Ponca; Ross Miller, Lincoln; Lowell Waldo, Dewitt; Thome Johnson, Broken Bow; Edward Crowley, Cambridge. They were accompanied by Prof. W. J. Loeffel.

Irvin McKinley was high man of the five teams. Ross Miller placed second and Edward Crowley, fourth. The team won \$240 in prize money.

Nebraskan Campaign Will Begin Tuesday

The subscription campaign for The Daily Nebraskan will start next Tuesday, according to Simpson Morton, business manager. On that day free issues of the paper will be given out at the College Book Store. The campaign conducted at the Coliseum for the freshmen was well up to expectations.

Comes to Nebraska to Head University Y. M. C. A.

HAYES IS MADE NEW Y. M. C. A. SECRETARY

Has Twelve Year's Experience in Student Association Work As Background

Mr. C. D. Hayes, who succeeds Arthur Jorgenson as secretary of the University Y. M. C. A., comes to Nebraska with twelve years experience in student association work.

Since his graduation from Lehigh University in 1905 he has altered his career, abandoning his chosen trade of electrical engineering to take up Y. M. C. A. work. He began in 1908 while in the employ of the General Electric company at Schenectady, N. Y., and was connected with the Y. M. C. A., of that city for three years.

In Orient Twice

He has been in the Orient twice, once with the Foreign Department in China, and later in the Chinese Students Service at Tokio, Japan. Later he has spent six years in student Y. M. C. A. work at the University of Illinois, although he has been on a furlough for the past two years. Secretary Hayes is married and has two children. His family will join him here soon.

STUDENT DEMAND FOR WORK LARGE

Employment Bureau Reports Excess Of Applications Over Openings

The University Y. M. C. A. Employment bureau has accepted 521 applications by students for employment since September 6.

The Lion's club drive for student employment held Thursday and Friday, September 2 and 3, netted over 130 positions in Lincoln available to students. In spite of the fact that this was one of the most successful drives ever held here, William Trumbull, employment secretary, declares that the situation is not much improved. He points out that the dry year, with the resulting crop failures, has placed more than the ordinary number of students upon their own resources. Consequently the employment bureau is anxious to hear of all possible openings.

Secretary Trumbull announced: "The employment bureau would appreciate the reporting of any student found unreliable or unsatisfactory in his work. We do not want a few men jeopardizing the possibilities of a working student body which is almost wholly reliable, hard working and conscientious."

Nine Fraternities and Sororities Locate New Homes Near Campus

A residential section near the city campus dotted with nine new fraternity and sorority houses greets the students returning for the new school year. Since last spring seven new sorority houses and two for fraternities have been erected. In accordance with the "Back to the Campus" movement all are located within easy reach of the University buildings.

On fraternity row, R Street west of Sixteenth, Delta Tau Delta and Beta Theta Pi have constructed new homes. The sororities which are building include Alpha Omicron Pi, Alpha Delta Theta, Pi Beta Phi, Kappa Delta, Delta Delta Delta, Alpha Chi Omega, and Delta Gamma, all on sorority row, which runs along Sixteenth Street from R to T and includes University Court, at Seventeenth and R Streets.

The remaining Greek letter organizations on the campus will be found in the houses occupied last year, with the exception of Sigma Kappa, which has moved to 1515 L Street.

5000 STUDENTS ENROLL; EQUALS MARK LAST YEAR

Chancellor Avery Predicts the Figures Will Not Beat Those of 1925-26

TWO REASONS ARE GIVEN

Says Poor Crops Kept Many Away; Higher Standards Also a Factor

Reports from Chancellor Avery's office late Thursday showed that the enrollment for the coming year had equalled that of the first semester of 1925. Chancellor Avery predicted that there would be no increase over last year's number. Approximately 5000 students have registered in the University proper. This does not include the School of Medicine at Omaha, the secondary agricultural courses or the Teachers College high school.

Chancellor Avery stated that there were two outstanding reasons why the registration did not show any advance over last year. The first was the bad crops in the Middle-West and western parts of the state. This kept many boys from attending the University. The second is the fact that the standards of the school are much higher than they were a few years ago. The University was unable to handle so many students.

Reports from the Military Department show that there will be a probable increase. About 1500 men from last year are already enrolled and with the new class the total will no doubt exceed that of last year.

The Agricultural College reports the largest increase. Until Wednesday, September 15, ninety-eight boys and seventy-six freshmen girls had registered. This is more than 200 percent greater than last year. This is due partly to the addition of "the Liberal Course in Agriculture" and "Agricultural Administration course."

Green Buttons in Vogue For Freshmen Women

Green buttons will be the fashion this fall for freshmen girls.

The decree is issued by Xi Delta, honorary sophomore women's organization, which will enforce the rule more rigidly than ever before. They promise punishments for those who neglect the wearing of the buttons which proclaim them members of the class of '26.

The wearing of the buttons is not a hazing process. It will not open the wearers to ridicule as is generally supposed. They serve the purpose of helping the freshmen to recognize their classmates, and promote a helpful spirit in upper classes.

Freshmen girls are urged to obtain their buttons as soon as possible at the hosiery counter at Rudge and Guenzel's store at Thirteenth and N Streets.

Architectural Exhibit Shown in Art Gallery

A small architectural display is now on exhibition in the Art Gallery of the Library. The display is composed of pictures, paintings and sketches of public buildings, monuments and bridges, and homes. Some of these are in colors and are very attractive. This architectural exhibition will be here for a short time, and students interested in architecture are urged to take advantage of this opportunity.

To counteract the increasing tendency of fraternities to locate in the residential district of South Lincoln, the idea of a definite and permanent place for the organizations was brought forth. In the future as new houses are constructed, it is planned that they will be added to the present rows of buildings to make a solid section of Greek letter societies. In the early days of the University the fraternities and sororities were all located in the territory near the campus until more favorable residences were offered in South Lincoln.

The same general idea of construction has been followed in all the new houses. The dining-room, kitchen, storage-rooms, and chapter room are all in the basement, while the first floor contains a suite of living-rooms with the study rooms and dormitory on the second and third floors. With the exception of the Delta Tau Delta house, which is finished in white stone, the other houses present the same external (Continued on Page Three.)
