

## EIGHTY LINE UP WITH YEARLINGS FOR GRID DRILL

**"Choppy" Rhodes Looks Over New Material; Kaggie Game Listed**

Eighty wouldbe warriors from the freshman tribe have reported and taken out equipment for football. Their initial practice was last night but workout was general and none of them were given a chance to show much action.

The task of lining up this bunch of hopefuls and picking an aggressive eleven from their midst has fallen to "Choppy" Rhodes, Nebraska's star backfield man last year. He will be assisted by Harold "Hutch" Hutchison, center in the '26 Varsity team. "Hutch" has been chosen as special mentor of the line. Another assistant for Rhodes is to be appointed soon. There are several candidates for the job, but as yet no definite selection has been made.

### On Drill Field

Fresh practice this year will be conducted on the drill field north of Social Science building. According to Coach Bearg, the freshmen are somewhat handicapped by the lack of a suitable place to train, but he hopes that soon there will be a real grid for the exclusive use of first-year aspirants for varsity fame.

Freshman football this season offers more opportunities for its participants to gain fame in grid circles than it has ever before. They are to play the Kansas Aggies November 6 in the Nebraska Memorial stadium. If the dope at the present time is correct, the Freshmen are going into a conflict that will be as strongly fought as any Varsity game played.

### Future Not Known

The future of the new men is not known yet because of the short time they have practiced, but some of them have the faint halo of coming stars already. Witte and McBride, Lincoln's contribution to the squad, give great promise. From this spring's freshman ranks come Craig, Richardson and Munn, from whom much is expected. Much other material with great promise is in the freshman ranks but as yet they haven't had time to bring themselves to the front.

## CROSS-COUNTRY MEN TO REPORT

**Monday Afternoon at Stadium Is Time Set by Jimmy Lewis, in Charge**

A call has been issued for all candidates for the cross-country team to report at the Stadium Monday afternoon to check out suits. The call was issued by Jimmy Lewis, captain of last year's squad, who is to assist in the coaching this fall. Freshmen wishing to work on cross-country should report at the same time.

Hays and Reller are the only members of last year's regulars who are back this year. Dickson, a letterman of two years ago, is back in school. Graham, star of the freshmen cross-country team last year, is also out of school.

### Schulte Is Away

Jimmy Lewis will have charge of the cross-country team until about the first of October. Coach Henry F. Schulte is visiting the high schools of the state and will not be back until shortly before the first contest. Three home meets and one out-of-town are scheduled this year in addition to the Valley meet to be held at Norman, Okla. Nebraska's first meet is with Drake in Lincoln on October 2.

With only three lettermen back, chances for new men are unusually bright, according to authorities. The failure of Graham to return to school was a distinct disappointment. Captain Hays is at present handicapped by a bad ankle so there may be four places open to new men.

### Men Reported.

Among the men who have already reported are: MacCartney, a substitute from last year; Johnson and Roberts from last year's track squad; Chadderdon, crack University Place distance man; and Schulz and Lesser who have been working out all summer.

The cross-country schedule follows:  
Oct. 2—Drake at Nebraska.  
Oct. 9—Missouri at Nebraska.  
Oct. 23—Nebraska at Kansas University.  
Nov. 13—Kansas Aggies at Nebraska.  
Nov. 20—Valley Meet at Oklahoma.

## IN THE VALLEY

... by ...  
Fred Zimmer

Two weeks from this Saturday will see the beginning of the 1926 football season at the University of Nebraska. Official practice for the Cornhuskers, as well as other Valley teams, started Wednesday. We shall await with interest the oncoming season.

Coach Ernest Bearg has eleven letter-men back in suit this year and a host of promising material from last year's second and yearling teams. Bearg politely informed those gathered for the opening practice that no one was assured of a place on the team. With this ultimatum before them it is up to the individual players to show their ability. The 1926 Husker team will have no one on the roster because of a so-called "drag."

The Drake "Bulldogs," the team that handed Nebraska a defeat in a blizzard at Des Moines last year will be the Huskers' first opponents. This game is only a little over two weeks away and much hard work is ahead of the coaches and the players in order that a winning combination may take the field for the opening whistle.

New material must be uncovered

and developed to take the places vacated by the loss of Weir, Rhodes, Hutchinson, Westoupal and Locke. In this combination Nebraska lost speed, brawn and brains and it may be difficult to find men capable of taking their places. However, both off and on the campus, optimism reigns supreme as to what this season has in store for the Cornhuskers.

An added feature to this year's football schedule is the game scheduled between the Nebraska freshmen team and the Kansas Aggie freshmen. Allowing the freshmen teams in the valley to enter competition against other schools will undoubtedly create more interest in football among the first year men. It will also give the coaches a chance to observe how future Varsity material looks under fire.

It is the purpose of this column to give the Nebraska readers a comprehensive view of athletics in the Missouri Valley Conference in detail, and of inter-collegiate athletics in general. Watch this column for a resume of all of Nebraska's opponents this year.

### Valley Seals Are Placed in Coliseum.

Above the stage of the new Coliseum have been placed ten large seals of the universities in the Missouri Valley conference. They include Missouri, Kansas State and Kansas University, Oklahoma University and Oklahoma State, Ames, Drake, Washington, Grinnell, and Nebraska. The N club room has two large seals of the University.

### Husker Grid Men Report for Practice

(Continued from Page One.)

The matter of filling the center position left vacant by the graduation of Harold Hutchinson and Joe Westoupal is one of the big jobs facing the Husker coach. Among the outstanding new men are Lloyd Grow, Osceola, 185 pounds; Louis Holmes, Grand Island, 200 pounds; Ted James, Greeley, Colo., 200 pounds; Paul Morrison, Havelock, 173 pounds; Joe Reeves, Omaha, 178 pounds; and Merle Zaver of Adams, 188 pounds.

### Letter Men in Backfield.

In the backfield, the six letter men are John Brown, Lincoln, 162 pounds and Robert Stephens, Hastings, 160 pounds, quarterbacks; Frank Dailey, Alliance, 160; Avarad Mandery, Tecumseh, 173; Frank Mielen, Stanton, 160; and Glen Presnell, 180, all halfbacks.

There are a number of backfield men who have had experience but have not lettered. These include Bill Bronson, Lincoln; Ellsworth DuTeau, Morrill; and James Wickman, Morrill.

quarterbacks; Archie Hecht of Havelock and Arnold Oelrich of Columbus, fullbacks. Among the new men who will make strong bids for a place in the backfield are "Blue" Howell, Omaha, 180-pound fullback; Victor Beck, Broken Bow, fullback; Don Lindell, Wakarusa, Kas., quarter; Perly Wyatt, Scottsbluff; Elmer Holm, Omaha; Wally Marrow, Omaha; Ralph Andrews, Nemaha; Clarence Busby, Wakefield; Adrian Westoupal.

### Must Find Punter.

Among these backfield men Bearg must find a punter to take the place of Ed Weir. Jug Brown and Bobbie Stephens, quarterbacks from last year, have had experience in the aerial gam and may be on the throwing end of the passes again this season.
