VOL. XXVI. NO. 3.

THE UNIVERSITY OF NEBRASKA, LINCOLN, NEBRASKA, TUESDAY, SEPTEMBER 21, 1926.

PRICE 5 CENTS

SEASON TICKETS FOR STUDENTS ON SALE TODAY

Price of Ticket Book to All
Athletic Contests Will
Amount to \$8.50

TICKETS AT COLISEUM
Football Tickets Only Will Be Issued
Now. Book Exchangeable Later
for Basketball Seats.

At least three thousand student season tickets will be sold during the sales campaign which opens at the Coliseum tomorrow afternoon at three o'clock, is the prediction of John K. Selleck, business manager of athletics.

No sales campaign will be made on the campus as in former years. Organizations are invited to send one of their members to buy tickets for the group. Such students are required to bring a list of those desiring to buy tickets.

The price of the season ticket will be \$8.50. This special price for students is a reduction of nearly fifteen dollars from the regular single admission prices to the various athletic events during the year, and a reduction of \$2.50 from the regular season football admission price.

Only football tickets are being placed in the books this year. When the football season is over the student can exchange his book for one containing reserved seat tickets for basketball, and general tickets for wrestling and track. Under this plan the student has the opportunity to choose his reserved seat for the basketball season in the Coliseum.

"The sales of season football tickets have exceeded by more than 300 the sales of last year," Mr. Selleck announced, speaking of the general football season tickets, "and before the Drake game, October 2, I expect that the sale of season tickets will be double that of 1925, a record year. Requests for single admission tickets are coming in rapidly, and we have every reason to believe that the number of persons who will see the games this year will be greater than that of any previous year."

Re-decorate Cafeteria In Nebraska Colors

Scarlet and Cream "Nebraska" pennants will be the motif of decoration in the Temple Cafeteria, according to Mrs. L. Dining, director. The decorative scheme will be worked out in the form of a border of pennants, and it is planned to have the work completed in time for the football season.

The cafeteria was newly painted this summer, and the university colors will add a festive air to the place.

Prices on meal tickets are the same, all \$5.00 meal tickets receiving a 10 percent discount.

He represented the eight following states at the committee meeting: Colorado, Nebraska, Missouri, Kansas, Texas, Oklahoma, Arkansas, and Louisiana.

Beta Theta Pi Winner Of the Hainer Cup For High Scholarship

DEAN LYMAN BACK FROM CONVENTION

Nebraska Professor Took Active Part
At Pharmacy Conference Held
In Philadelphia

Dean R. A. Lyman, of the College of Pharmacy, returned Sunday after a two weeks' trip in the east. He spent most of the time in Philadelphia representing the College of Pharmacy at the joint convention of the American Association of Pharmacy Colleges and the National Associated Pharmacy Licensing Board.

At the request of the executive committee of the convention, Dean Lyman presented a paper dealing with the Standardization of Schools of Pharmacy and took an active part in leading the discussion. The convention discussed the advisability of changing the present three year course to four-years. A number of institutions have adopted the four year course and in a few years it will probably be required by the American Pharmaceutical Association.

The problem of raising a million dollar fund for erecting a National Headquarters Building for Pharmacy interests was the main question before the convention this year. Nearly half the sum has already been raised and \$100,000 of this was contributed by the students of the college of Pharmacy throughout the United States.

VARSITY DANCES GAIN POPULARITY

Mixers Similar to Opening
Party Next Saturday Popular
in All Valley Schools

Varsity dances, similar to the one to be held here Saturday night, are held at practically all of the Missouri Valley conference schools. These are mixers in which the entire student body participates, and with a very small stag line, at most of the schools.

At Kansas university, where the parties have reached what is probably a maximum success, practically the whole student body attends. Congestion around the dance floor is eliminated along with the disappearance of the stag line. Robber dances and general exchange dances are used to replace the old methods of getting acquainted.

The parties are a combination of large organization dances and regular pavilion dances. Every one is care free with no thought of acting as host. Special entertainment and refreshments are provided.

Agriculture College Stresses Athletics

The College of Agriculture is coming rapidly to the front this year in athletics. Mr. W. W. Knight, formerly of the Ithica School of Instruction, and later Cornell University, is in charge of the work. He is being assisted by Walter P. Krimmelmeyer former football star at Nebraska.

Forty men have checked out football uniforms at the Agricultural College. There are also about eight men out for the freshman team on the city campus. Competition is going to be very strong for berths on the Agricultural College team this year. The schedule for the year is not yet available.

NEBRASKA MAN WINS HONORS

Sheldon Tefft '22 Takes First
Place in Examination
Held at Oxford

WAS PHI BETA KAPPA

A University of Nebraska graduate Sheldon Tefft of Weeping Water won first honors in the final examinations last June for the bachelor's degree from the Honor School of Jurisprudence of Oxford University. This information was announced by the chairman of the national Rhodes scholarship board, President Frank Aylette of Swarthmore College in a recent letter to the Nebraska committee.

Tefft, who completed his work for the bachelor's degree in jurisprudence in two years instead of the usual three, was one of the three men to be congratulated by the board of examining professors on the quality of his work. The examining board included professors from London and Cambridge universities.

Of the Americans who received bachelor's degrees in 1925 only one "took a first." Eight won second honors. A "first" at Oxford corresponds roughly to the "magna laude" recognition by American universities.

Tefft was elected to Phi Beta Kappa at the completion of his undergraduate course in the University of Nebraska in 1922 and, with an average of about ninety-five, lead his class in the College of Law, receiving his degree with cum laude honors in 1924. He also won membership in Order of the Coif, honorary legal society to which not more than the highest one-tenth of the members of a graduating class may be elected. For three years Tefft represented the University of Nebraska in intercollegiate debates.

Five hours of practice entitles any girl to take part in the class and inter-class tournaments. Each hour of the practice counts as an activity point for sorority freshmen.

Warm Weather Takes Its Toll
In Surplus Weight. Light
Scrimmage In Order

Using three teams and frequent substitutions, Coach Bearg sent his gridsters through stiff scrimmage practice yesterday afternoon. Amateurish defects are rapidly disappearing and the squad is acquiring appearances of mid-season form.

"The boys are getting in condition in good shape," Coach Bearg remarked, watching the scrimmage. None of the men are bothered with injuries and the warm weather has taken care of surplus weight.

In the scrimmage team A, which took the offensive, was composed of Captain Lonnie Stiner of Hastings and Cliff Ashburn of Tilden, tackles; Clarence Raish, Grand Island, and Dan McMullen, Belleville, Kansas; guards; Evar Lee, Edgemont, S. Chairmen of University Discussion
Group Are Undecided As to

Plans for World Forum this year have not been definitely formulated as yet according to Lincoln Frost, jr., '27, Lincoln. Mr. Frost and Miss Margaret Hyde, '27, Lincoln, are joint chairmen of World Forum for the ensuing year.

The World Forum is a luncheon discussion group which meets once a week. It is under the supervision of the Y. M. C. A. and the Y. W. C. A. For several years it has met from 12 to 1 on Wednesday rooms.

MEN TRY OUT TODAY FOR CHEER LEADERS

Innocents to be Judges This Afternoon in Picking Students to
Lead University Yells

Tryouts for the Varsity Cheer Leading staff will be held this afternoon at 4 o'clock on the Parade Ground north of Social Science building with the members of the Innocents acting as judges. All men students are eligible to tryout for the Varsity staff providing they are able to meet the scholastic Missouri Valley athletic competition requirements.

The three Varsity leaders will have charge of the student section of the Stadium at football contests.

Freshman tryouts will be held at the same location Thursday of this week at the same hour. There will be five first year cheer leaders in order to make more competition and better Varsity material in the future. But three of these freshmen, however, will serve at one time during football games. The Innocents will again act as judges Thursday afternoon.

CHANGES MADE IN BUSINESS COLLEGE

Dean Le Rossignol Announces Several
Important Changes in
Business Administration

Several important changes have been made in the curriculum of the College of Business Administration according to an announcement made by Dean Le Rossignol Monday.

Three seminar courses in finance will be offered to graduate students, these include courses in public finance, railroad finance and public utilities.

Four years of accounting will now be offered instead of three as previously offered.

Dean Le Rossignol also announces a number of changes in the entrance requirement of the college of business administration: Students must have a minimum of two years of foreign language unless they have completed three years of foreign language in high school and then exemption is made from this requirement. Twelve hours of English is required and six hours of philosophy.

Four hours of business finance are now required for graduation from the college of business administration.

Install New System In University Library

The Columbia system of book charging has been installed in the University Library.

It was decided last year that the old system of book charging was too antiquated and cumbersome to use in such a large institution. The library force worked all summer making the change to the Columbia system. Cards were made for each book in the collection. These cards enable the library to keep constant check on the books in use. The new system which is almost universal in use, is expected to lighten the work of those in the library, and to make the book charging much more efficient.

CAMPAIGN OPENS FOR NEBRASKAN SUBSCRIPTIONS

Three Organizations Will
Stage Contest For
Subscribers

GOAL IS THREE THOUSAND

University paper will be made
bigger and better. New
features added

The annual subscription campaign for the Daily Nebraskan will start at 8 o'clock today. Three organizations will aid in selling the subscriptions, Xi Delta, Tassels and Silver Serpents. The three will contest until noon Friday. The organization that finishes in the lead and the individual winner will be rewarded for their services in the campaign.

A meeting of the three societies was held yesterday to discuss the details of the contest. Simpson Morton, business manager of the paper gave a talk to the representatives of the organizations and the girls responded enthusiastically. They resolved to enter the fray with such vim that the result would be the biggest and best subscription campaign ever staged at Nebraska.

Interest in The Daily Nebraskan seems greater than ever and a good year is planned for the paper. Already the freshmen have subscribed in great numbers. It is thought that the goal of 3000 subscriptions can be reached easily.

The subscription rate for the paper remains the same as last year, \$2 per year or \$1.25 per semester for local deliveries. By mail the rate is \$3, and for fraternities or sororities it is \$50 per year delivered.

The Nebraskan this year will be as attractive as ever. More cuts will be employed to illustrate the campus news. New sections will probably be added. The first two issues of this year were six pages and frequent editions of this kind are planned.

Freshmen Have Received Over 1200
Free Copies. Upper Classmen
Must Pay a Quarter.

The leaflet welcomes all new women to the Bible study classes, the World Forum, the Freshman women's council, and the Vesper services, and urges them to try out for the Vesper choir.

The pamphlet was distributed on Sunday afternoon, when members of the Y. W. C. A. called on freshmen women. It is also available at Ellen Smith Hall.

Motard Endorses Green Button System

Motard, senior women's honorary society, endorses the wearing of the green buttons by freshmen women. The green emblem tends to bring about a closer spirit of friendship among classmates and promotes a more helpful spirit among upper classmen.
