Y. M. C. A. DRIVE FOR BUDGET TO BEGIN TUESDAY

Ten Teams of Workers Ready To Commence Annual Campus Canvass

BANQUET IS STARTER

Organization Workers and Leaders Scheduled To Speak at Dinner

The teams in the Y. M. C. A. finance drive are primed for the kick-off on Tuesday. Plans and instructions have been perfected and given to the members. Immediately after the inauguration banquet which will be held Tuesday evening, at 6:00 o'clock in the Temple, the teams will begin the canvass.

The entire list of men students has been apportioned to the ten teams and these will be called on during the evenings the drive is on. Each man working on the campaign has been given twenty men to call on. This will be done on the first two nights and the third night the captains and their teams will see all those who might have been missed.

No Pledges Will Be Taken
There will be no pledges taken this year. All subscriptions will be made in cash. It will be possible, however, to write post dated checks for a month in advance.

"Pledges of all amounts will be taken," stated Robert Davenport, drive chairman, "but judging from the subscriptions already made it is expected that five dollars will be the average amount. Nearly a hundred dollars have so far been given to the Y," stated Davenport. "We expect to reach the goal of two thousand with little difficulty," he went on. "We feel assured that the students are behind us in full measure."

Rev. Paul Johnson will probably be the main speaker at the dinner Tuesday evening, according to word received at the Y. M. C. A. office Saturday. The other speakers will be C. D. Hayes, Secretary, Ralph Bergeson, finance executive, and Robert Davenport, campaign manager.

Wednesday night at six o'clock another dinner will be held to check up on the standing of the teams and to redistribute names. All drive members are to meet at eleven o'clock each evening of the drive to check in and make reports.

Eloise Keefer Will Not Attend Students' Meet As Announced Friday

The report in the Friday Daily Nebraskan which stated that Eloise Keefer was to be the Nebraska delegate to the National Student Conference at Milwaukee, Christmas vacation, was in error. There will be sixteen delegates from Nebraska, whose names will be announced later. The Daily Nebraskan regrets very much that the above mistake was made in its news columns.

League Aids Council With Election

The League of Women Voters at the University of Cincinnati, has offered assistance to the student council in the fall election. The league assists in getting out the vote for both off-campus and campus elections.

Musical Journey Around the World Is Promised on Navy Band Program

A musical journey around the world is promised music lovers of Lincoln when the United States Navy Band, Lieut. Charles Benter, director, gives its concert here on the evening of November 6, at the University Coliseum under the auspices of the University of Nebraska. This is revealed in the formal programs for these de luxe events which were announced today by John K. Selleck, agent of student activities.

The audience will be taken through the Orient, to China and Persia; through Europe, visiting Germany, France, Spain, and Norway; to England, to attend the coronation of a King; to Scotland and Ireland, to hear the folk songs and melodies of the people; and to South America, for a musical gem of which it is said that the mines of Brazil will never produce a jewel to rival it in beauty and worth. However, the travelers will never be permitted to forget the homeland, for they will be treated to varied numbers of American music, and at the end will be brought to their feet with a patriotic thrill when the band crashes forth the ever-familiar and ever-inspiring national anthem, "The Star-Spangled Banner."

Mrs. Wider Will Speak At Convocation Thursday

Mrs. Augusta McGuire Wider, of South Dakota, will speak on "Art Appreciation" at a special convocation for all university students at the Temple, Tuesday morning, November 2, at eleven o'clock. Mrs. Wider, who is the sister of ex-Congressman McGuire, has lectured extensively on art through this part of the country.

TWO WEEKS FOR ANNUAL PHOTOS

Deadline for Junior and Senior Sections November 13; 400 To Be Taken

But two weeks remain for juniors and seniors to have their pictures taken for the class section of the Cornhusker. With but twelve working days and over four hundred pictures to be taken to fill the quota set by the editorial staff, it will be a busy time for Hauck and Townsend's, the official photographers for the annual Upperclassmen are urged to make their appointments for pictures within the next few days.

Many students who desire to have last year's picture in the 1927 book, may make arrangements with the studio where their picture was taken, by having an extra print made of the negative and paying the extra assessment for the print.

Organization members, including those in professional fraternities which will have individual pictures in panel this year, should take advantage of being in the class section, as the extra assessment for the fraternity page is only fifty cents after paying for a class picture.

With only two weeks left upperclassmen should see the need of an early appointment, that they may avoid the rush of the last week and secure a good time for a sitting. November 13 is the deadline date for class pictures.

Reed is Nebraskan At Inauguration

The University of Nebraska will be represented at the inauguration of Dr. Henry Sloane Coffin as president of the famous Union Theological Seminary in New York City by Merrill V. Reed, '14. Mr. Reed, a son of Prof. A. A. Reed, director of the extension division, is now assistant eastern manager of the Darnell company of New York, publishers of Sales Management magazine and similar periodicals.

Student Fellowship Holds First Banquet

The first banquet to be given this year by the Pilgrim Student Fellowship Association was held Friday evening at the University Club and was attended by about one hundred Congregational University students.

The principle speaker, the Reverend Harold Cooper of Crete, had for his theme, "Lincoln or Cleopatra—A Student's Choice." Other speakers were, Chancellor Samuel Avery, State Superintendent W. A. Tyler, District Secretary C. G. Murphy and the Reverend Ervine Inglis of the Vine Congregational Church.

Y.W.C.A. DRIVE FOR \$1800 WILL START TUESDAY

Program Planned for Week of Work; \$3,600 Is Budget For This Year

CHEST FUND MADE LOWER

Increased Budget is Due To Agricultural College Development

\$1800 is the goal set in the Y. W. C. A. annual finance drive. Every woman in the University will be solicited. The drive will start Tuesday, November 2, at 7 o'clock and close on the following Tuesday, November 9, at noon.

The following program will be carried out:

Tuesday, Nov. 2.—Mass Meeting in Ellen Smith Hall at 7 o'clock.

Thursday, Nov. 4.—12 o'clock luncheon in Ellen Smith Hall.

Monday, Nov. 8.—12 o'clock luncheon in Ellen Smith Hall.

Tuesday, Nov. 9.—Final reports of team members due at 12 o'clock.

Tuesday, Nov. 9.—Report of campaign to be announced at Vespers.

All team members are urged to be present. Contributions by team members should be made at the mass meeting on Tuesday, November 2. The winning team will be entertained at dinner Wednesday, November 17, by the Y. W. C. A. cabinet.

Budget is \$3600

The budget of the Y. W. C. A. for the past few years has been \$3600. One-half of this sum has always been raised on the campus from student contributions, and the other half has been given by the Community Chest. This year, the University Y. W. C. A., instead of receiving the usual \$1800, will receive only \$1200, providing the Community Chest reaches its goal which is doubtful.

The \$600 cut makes a deficiency which could have been met by increasing the goal drive. This has not been done, but instead the finance committee is asking that the students cooperate to make the drive go over the top. More \$10 and \$5 gifts will be needed in order to do this.

The following is an itemized account of the Y. W. C. A. budget for 1925-26 and 1926-27.

Salary, \$1900—\$1900.
Conference, Convention—
Curry Bible Camp, \$337—\$300.
Office Supplies, Telephone—
Publicity, Printing \$286.77—\$300.
Furnishings, \$154.72—\$55.
Social, \$214.28—\$300.
Social Service, \$72.96—\$75.
Publications, \$29—\$30.
Regional and National Councils, \$300—\$300.

Vesper Choir, \$14.40—\$25.
Speakers, \$70.00—\$100.
Retirement, —\$115.
Contingent, —\$100.
Totals, 1925-26, \$3379.13—1926-27, \$3600.

Social Expense Increases
The increased social expense is largely due to the growth of the Ag campus. The expenses of many speakers as well as contributions to Regional and National projects, such as Inter-racial education, is included in the item allotted to Regional and National council. The retirement fund is an insurance plan that provides annuities for Y. W. C. A. secretaries upon retirement. By this agreement the secretary makes a monetary payment from her own salary.

Eloise MacAhan is at the head of the drive. There are fourteen teams working. Each team is made up of a captain and eleven members. Each team member will see thirteen girls during the week. Arrangements will be made by team members with each woman student over the telephone for a personal meeting. \$150 is the goal for each team.

Ruth Davis is head of the team at the Agricultural campus. Their drive started Tuesday, October 26 and will close Monday noon, November 1.

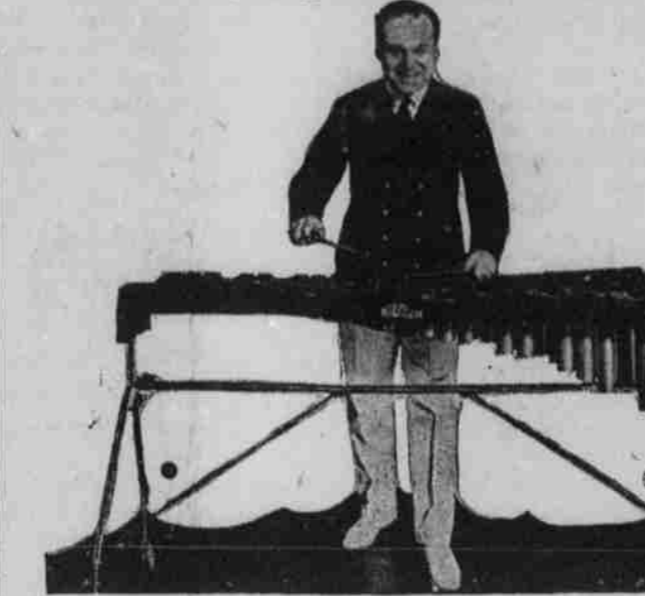

The team captains are Helen Clark, Martha Farrar, Lucile Refschauge, Winifred Sain, Alyce Cook, Katherine Douglas, Helen Van Gilder, Ruth Palmer, Elva Erickson, Hazel Sutton, Ada Bauman, Mary Elizabeth Ball, and Audrey Beals.

Ag College Displays Cheney Silk Exhibits

Friends of the College of Agriculture and those interested in drape and dress materials are cordially invited to come to the Home Economics building and see the Cheney Silk Exhibits.

The exhibit will be on display two weeks beginning Monday, November 1. The exhibit has come from New York and contains one hundred of the textiles and costumes from the Renaissance to the Directoire Period. Those interested in textiles are urged to come as this exhibit offers an excellent opportunity to study the design and texture of various fabrics of this period.

Xylophone Soloist

Louis J. Goucher, xylophone soloist with the United States Navy Band, will play "Fantasia on Irish and Scotch Melodies," by W. R. Stobbe, as a part of the concert of the Navy Band to be given in the University Coliseum Saturday night.

Hays loses Record And Lets McCartney Letter

Captain Frank Hays of Nebraska's cross-country team yesterday gave up his chance for setting a new varsity cross-country record when he let McCartney take first in the Drake-Nebraska dual meet. This gave McCartney his letter after four years of unrewarded work.

Hays and McCartney were both running in fine form but Mac couldn't keep up with the little Wyomingite. With only a quarter of a mile to go, Coach Schulte told Hays that if he ran the race out he would easily smash the varsity record for the course. Instead, Hays chose to jog along and let McCartney, who, almost exhausted, was running about thirty yards to the rear, overtake him.

McCartney has been a sincere worker for all of his four years. His chances of making a letter this year were practically dependent upon winning first place yesterday. He ran the best race of his career, finishing within half a minute of the varsity record himself.

DRAMATIC CLUB TO PLEDGE THURSDAY

Forty-Eight New Members Selected From Hundred That Tried Out; Ceremony Written by Yenne

"The talent displayed in the try-outs for the Dramatic club this year was of an unusually high caliber," was the statement issued by Ruth Clendenin, president of the club. "The task of selecting forty-eight members from over a hundred aspirants proved to be very difficult."

Pledging will be held at the club room at the Temple on November 4, at 6:30 p. m. The ceremony written by Mr. Yenne, head of the dramatic department, is very impressive and is held after the annual try-outs. Those assisting in the pledging service include Elizabeth Tracy, Viola Loosbrack, Harold Felton, Gladys Burling, Harold Sumption, and Elton Fee.

The new members of the club are: Belle Howe Arey, Hawthorne Arey, Elva Barrett, Bartha Bruning, Clark Cadwell, Genevieve Carney, Rose Cecil, Edna Charlton, Betty Coolidge, Sam Diedrichs, Ruth Dimick, O'Neil Dubry, Blanche Farrens, Jane Glennon, George Gregory, Kathryn Grummann, Jas. Big Sister Board To Lead Vesper Service

The Big Sister board will have charge of the vesper service for this week to be held at Ellen Smith hall at 5 p. m. Friendship will be the basis of the meeting to which all the Big Sisters are to bring their little Freshmen sisters.

Dean Heppner is to give the address of the evening in which she will emphasize the responsibilities of the Big Sisters. The Big Sisters are upperclasswomen who have taken up the task of helping the freshmen girls become accustomed to their new environment. The work of providing each new woman student a Big Sister is done by the Big Sister Board and is of great value to non-sorority girls who find the first few weeks of college life trying and lonely.

A harp solo by Ruth Ann Coddington will compose the musical program in Tuesday's Service.

CORNHUSKERS TRAMPLE IOWANS IN EASY GAME

Nebraska Football Eleven, Under Injury Handicaps, Romps Across Stadium Field Before 12,000 For Four Touchdowns and Kick to Beat Ames

WEISS SCORES FOR AGGIES AFTER HUSKER FUMBLE

Miller and Fisher Other Iowa State Threats; Bobby Stephens Place Kicks From The Center of The Field For Huskers; Holm Plays Good Game

By Oscar Norling
Taking the lead in the first few minutes of the game, the Huskers had an easy time yesterday afternoon running up a 31-to-6 score against the Ames squad. The only flash of Iowa State strength came in the first quarter when they took advantage of a Nebraska fumble and plunged through the line for a touchdown.

Although somewhat marred by a few costly fumbles, the Huskers displayed a powerful offensive that overwhelmed the Cyclone line. The Ames squad, failing to gain by line plunges, resorted to an aerial attack and made good on five of their eleven attempts to gain yardage by forward passes.

Bobbie Stephens made good on all of the possibilities of a triple-threat player. He broke away from several good gains through the line, was on the tossing end of most of the passes, booted the kick-offs and punts, and featured the game with a place kick from the Ames 46-yard line in the last quarter.

DRAKE RUNNERS TRAIL HUSKERS

McCartney Wins While Six Nebraskans Break Tape Ahead of Visitors

Nebraska's cross-country team completely ran away from the Drake runners in the Nebraska-Drake dual cross-country meet run over the five mile course yesterday afternoon by a score of 15 to 40. All six of the Nebraskans finished ahead of the first Drake man.

Captain Hays and McCartney led all the way, Hays pulling away in the last mile. He was leading McCartney about thirty yards when they came to the stadium track for the final laps. With a lap to go, Hays took it easy, letting McCartney overtake him to win first place and his cross-country letter. Reller, Chadderdon, Sprague, and Diedrichs finished in that order well ahead of the leading Drake runner.

Martin Wins Race
A. O. Martin, former Northwestern star, had a bad leg but stepped the 660 in 1 minute 25.2 seconds, in a between-halves exhibition. Ritcher, Campbell, and Lesser were given a five yard handicap but he caught them in the first 220 and led them to the tape by five yards. Locke hurt his foot Friday evening and was unable to run an exhibition 100 yard dash.

Trumble and Keiss, high school stars of last year, led a group of varsity hurdle candidates to the tape in an exhibition 120 yard low hurdle race. Trumble made them in 12.2 seconds. He was aided by a backwind.

Munn and Gibbons Appear
Another feature of the between halves was a football game between two Lincoln grade school teams, dressed in miniature Nebraska and Iowa State football suits. Coach Schulte also introduced Tommy Gibbons and Monte Munn to the crowd. Both bands paraded on the field between halves.

The results of the cross-country track events were: Cross-country: McCartney, N.; Reller, N.; Chadderdon, N.; Sprague, N.; (Diedrichs, N.); Manchester, D.; Wright, D.; Hixon, D.; Lockhart, D.; Beale, D.

660 yard run: Martin won in 1:25.2. Ritcher and Campbell tied for first among those with 15 yard handicap and Lesser was third.

120 yard low hurdles: Trumble, first; Keiss, second; Krause, third. Time: 12.2 seconds.

Stevens Kicks for Counter
Presnell slipped through the Ames line in the third quarter and raced forty-four yards for his second touchdown. Stephens again scored on the try for point. The other scores came in the last quarter when Stephens added three with a long place kick against the wind and when A. Mandery scored on line plunges. Lindell chalked up the final score with an extra point on the try for point.

The game was witnessed by more than twelve thousand fans. The (Continued on page three)

World Forum Acquires Position of Prominence During Last Five Years

The World Forum, which is managed by a joint committee from the Y. M. C. A. and the Y. W. C. A., was started in 1920-1921 and has been constantly developing until it has acquired the eminence of an institution.

It was started with the idea in view that the students of Nebraska were interested in a discussion of the current topics of the day. This faith in the students of Nebraska seems to have been borne out, for the World Forum has grown from a little round table affair to a luncheon group of two hundred students.

The World Forum holds its meetings every Wednesday noon at the Grand Hotel at which time some leader in public or student affairs presents a discussion of some topic of general interest. After the presentation by the leader the students discuss the question as they see it and thereby either clarify their own ideas or attempt to clarify those of the speaker.

In choosing the subjects for discussion the committee attempts to find challenging questions which are worthy of the thought of University students and to present the paramount arguments regarding the question rather than a prejudice or biased viewpoint.

The speakers are chosen with regard to their knowledge of the subject and their ability to present their ideas to others.

One of the subjects which the Forum never seems to have settled to its satisfaction is the question of Fraternities with its various angles. This topic has been discussed every year and according to reports is going to be discussed again this year with the hope of deciding it for all time.

Presnell, the Husker pile-driver, continued his line smashing tactics of the Kansas game and broke through the line for consistent gains and a couple of touchdowns. Dailey and A. Mandery each contributed a touchdown to the Husker score.

Coach Bearg, taking no chances on having his squad handicapped when they will go against Kansas Aggies next week, did not use any of the men bothered with injuries. Morrison, Drath and Durish were new linemen who were placed in action against the Cyclone crew.

Huskies Score Early
Nebraska started off with a rush and scored a touchdown in the first few minutes of play. Oehlrich started the march down the field when he received a pass from Stephens and raced forty yards before he was downed on the 6-yard line. Presnell made small gains on three attempts through the line. Nebraska decided to place-kick, but reconsidered and Dailey made three yards around the right end. The play was called back and Ames was penalized half the distance to the goal for off side. With the ball on the one yard line on the fourth down Presnell hit center for a touchdown. Stephens place kicked the extra point.

The Ames score came a few minutes later when they took the ball on the 20-yard line by recovering a Nebraska fumble in the first play after the Iowa kick-off. Fisher and Holman carried the ball to the one-yard line and Weiss went over for the only score. Thomas' kick for the extra point was blocked.

The second Husker touchdown came in the second quarter when they took the ball on the Ames 33-yard line where Coe had punted out of bounds. Presnell, Dailey, and Stephens carried the ball to the Ames goal by line smashes and Dailey made the scoring play when he recovered a fumble and plunged through for a touchdown. Stephens kicked the extra point.

Stephens Kicks for Counter
Presnell slipped through the Ames line in the third quarter and raced forty-four yards for his second touchdown. Stephens again scored on the try for point. The other scores came in the last quarter when Stephens added three with a long place kick against the wind and when A. Mandery scored on line plunges.
