VOL. XXVI. NO. 33

THE UNIVERSITY OF NEBRASKA, LINCOLN, NEBRASKA, TUESDAY, NOVEMBER 2nd, 1926

PRICE 5 CENTS

Y. M. C. A. DRIVE TO BE LAUNCHED TUESDAY NIGHT

Ten Teams Will Call Upon
All Male Students
During Week

TEAMS TO HAVE BANQUET Will Discuss Plans at a Dinner in Temple Tonight

One-half of the total number of men students in the University will be interviewed tonight by representatives of the Y. M. C. A. in connection with the finance campaign which that organization is inaugurating. Tomorrow night, the other half of the men students will be interviewed. The ten teams with their captains will meet for dinner at 6:00 tonight in the Temple and immediately after a short meeting will start out on the opening of the three-day drive, to raise \$2000. Those in charge of the campaign are confident of getting the support of the students in reaching the goal.

Allison Issues Statement
John Allison, president of the organization, said yesterday, "The students surely by this time realize the importance of the Y. M. C. A. on a University campus. And they should also realize that it cannot exist without the support of the student body. In other colleges, not a great deal larger than ours, the students subscribe thousands of dollars to the support of the Christian organizations, and we do not expect Nebraska to fall behind."

During the first two days of the drive, an attempt will be made to see all of the men students. On the third day of the drive a clean-up will be staged. All those who were not seen the first night will be seen the last night. A check-up of the day's drive will be made each night at 11:00 in the Y. M. C. A. office when the teams and captains report their progress.

BLOCK AND BRIDLE CLUB TO HOLD MIXER

Plans for Annual Party, to be Held
in New Student Activities
Building, Completed

The Block and Bridle Club of the College of Agriculture will hold their annual mixer on Friday evening, November 5. Elaborate plans are being made by the committee in charge. It is intended to make this the largest mixer ever held at Agricultural College.

The mixer will be held in the new Activities building. The new floor is in excellent condition and will be highly waxed for the occasion. Any person that has danced on the new floor will no doubt remember its smoothness.

Tommy Tompkins Orchestra Secured
The committee has been able to obtain the services of Tommy Tompkins and his five piece orchestra for the mixer. A crowd of about seven to eight hundred is expected.

The small charge of thirty-five cents per person is to be used to defray the expenses of the dance and to help pay the expenses of the Senior Fat Stock Judging Team that will be sent to Chicago to the International Livestock Exposition. All University students are cordially invited to attend and inspect the new Ag College Student Activities Building and to enjoy the fellowship of the mixer.

Tennessee Gives Co-operative Course
A co-operative course in engineering in which study is alternated with practical work is offered at the University of Tennessee. This plan enables students to earn their way through the university by attending in school one quarter and working in various corporations the next.

Y. M. C. A. Club Rooms Supplant Armory As Men's Lounging Place

Since the abandoning of the armory by the men, the only place left for the male sex to lounge, study, eat, sing, read, or what not, is the Y. M. C. A. club room in the Temple building. And this place is quite popular, if one is to judge from the number of students who use it every day. More popular even than the armory used to be, as the appointments are more suitable to a lounging room.

The room in question is the large one in the northwest corner of the first floor of the Temple. A magazine rack on which are kept the latest worthwhile periodicals and the many easy chairs makes the room a pleasant and enticing reading room. Several tables are included in the furnishings of the room making it possible to study or to write letters, conveniently.

New Members Selected For Girls Octette

After several tryouts, new members of the University Girls' Octette were announced Monday by Mrs. Carrie B. Raymond, sponsor. The successful candidates are Gladys Lamb, Margaret Moore, Dorothy Struble, and Marjorie Schultz. The octette, which was completely reorganized this year, will give its first performance at the Girl's Cornhusker Luncheon, November 13.

The members are: first soprano, Nelle Daly and Grace Rague; second soprano, Gladys Lamb and Margaret Moore; first alto, Dorothy Struble and Kathryn Dean; and second alto, Marjorie Schultz and Sylvia Cole.

SEARS TO CLOSE FORUM SERIES

**Botanist Will Give Third Phase
Of Religion With Talk
On "Mysticism"**

World Forum's series of discussions on "The Basis of Religion" will be brought to a close Wednesday with an address on "Mysticism" by Professor P. B. Sears of the Botany department. Tickets are on sale today for twenty-five cents.

Professor Sears will present the least talked about of the three phases being discussed in the series. "Authority" and "Rationalism", the first two talks present the main factors in the present-day Fundamentalist-Modernist discussion. "Mysticism" sometimes enters into the discussion in connection with "Authority" but has not played as prominent a part in the arguments. Professor Sears will attempt to outline this phase of the subject tomorrow.

The World Forum committee has been more than pleased with the success of the series. Capacity audiences were present each week. In Professor Sears, they feel they have an interesting and illuminating speaker to bring the discussion to a close.

LANTZ GIVES TALK TO RADIO AUDIENCE

Instructor in Teachers College
Lectures on "Inequalities in
High School Education"

"Inequalities in High School Education", was the subject of the talk given over KFAB Monday afternoon, by Prof. E. W. Lantz of the Nebraska Teachers' College.

"The curricula should change with the changed needs of the age, every subject tested to see if it has both individual and social values," stated Prof. Lantz. The weaknesses of the present curricula were discussed very thoroughly, and the selection of the courses and their value. Prof. Lantz believes that the selection of the courses and of subject matter could be controlled by offering only courses of proven value such as contribute definitely to the physical, vocational, social and cultural needs of the students.

A great many activities, according to Prof. Lantz, that are desirable have not been provided for in the present day curricula, and very little is done to promote practical efficiency and to teach the students to enjoy the things necessary for their life work. "Training for citizenship has been sadly neglected," said the speaker. The belief that society has been trying to induce the school to take over the moral training of the youth, since the home and the church are largely losing their influence and control, was greatly stressed in the lecture. "The school," Prof. Lantz said, "is in a position to overcome a lot of the moral inequality that exists if it only will."

AWGWAN APPOINTS SIX FOR BUSINESS STAFF

The following appointments to the business staff of the Awgwan were announced by Louis Turner, business manager of the Awgwan: National Advertising Manager, Chas. E. Dox; Advertising Managers, Hal Chils and Robert E. Douglas; Circulation Managers, R. E. Ogier and Austin Haller; Collection Manager, Clayton Moravec. These appointments are made on the condition that satisfactory work is done. If not new appointments will be made for the later issues.

'GO TO CHURCH' DAY OBSERVED

Good Attendance Reported at
"Church Affiliation"
Services

In many respects Church Affiliation Sunday was a success, as good attendance was reported. The programs presented by the various churches were very interesting. However, considering the number of students in the University and the fact that they were all notified, the number of students uniting with a church was comparatively small and in some cases disappointing.

The Westminster Presbyterian church reports the largest number of new members, there being a total of one hundred and sixty. The second Presbyterian church did not receive new members Sunday, but will do so on December 6. During the ensuing period a campaign for members will be launched. Dr. F. W. Russell, '90, will preach appropriate sermons during this period.

Many Join St. Paul's
The Methodist churches report one hundred and nine new members. Of these about eighty enlisted with St. Paul's church.

The Lutheran church did not receive members. The United Lutheran church, the United Danish church, and the Augustana synod had a Reformation Rally service in the evening near Thirteenth and Q Streets. The church was unable to accommodate the overflowing crowds.

COLISEUM HOST TO EDUCATORS

State Teachers Association
First to Use Building
For Convention

The first convention ever to be held in the new University Coliseum will take place the latter part of this week when the Nebraska State Teachers Association meets. Over five thousand teachers will be present at the convention. Speeches in the different departments of educational training will be given by prominent educators and deans of the colleges.

Edward C. Elliott, president of the University of Nebraska is among the speakers, also Dallas I. Sharp, another teacher and publicist of international reputation and many other speakers of national reputation. The sessions will be from 9 A. M. to 5 P. M. Special entertainments have been planned for the visitors.

The Sectional Programs will be held in the different buildings on the University Campus and will consist of special programs arranged by the departments.

PERSHING RIFLES TO DRILL NOVEMBER 12

Organization Will Give First
Exhibition of Year Before Bankers.
Have New Style Uniforms

Pershing Rifles will give their first exhibition of the year in the Coliseum, November 12, before the State Bankers' Convention. The drill will consist mostly of movements not prescribed in the military manual.

New uniforms are being secured for the organization and are appropriately colored and styled for a crack drill company. The uniforms consist of a plain white shirt with blue shoulder straps, white duck trousers with blue side straps, and a blue and white over-seas cap. Black ox-fords, a black tie, and the blue and white Pershing Rifle cord will be worn with the uniforms. Blue and white are the colors of the organization, which account for the color combination of the outfits.

Regular drills have been held for Pershing Rifles on each Tuesday and Thursday since the beginning of the school year. Captain Harding is taking an active part in the work of the company, and is doing much to perfect the drill. An initiation of pledges will be held on the Agricultural College campus on Wednesday of this week.

AWGWAN APPOINTS SIX FOR BUSINESS STAFF

The following appointments to the business staff of the Awgwan were announced by Louis Turner, business manager of the Awgwan: National Advertising Manager, Chas. E. Dox; Advertising Managers, Hal Chils and Robert E. Douglas; Circulation Managers, R. E. Ogier and Austin Haller; Collection Manager, Clayton Moravec. These appointments are made on the condition that satisfactory work is done. If not new appointments will be made for the later issues.

Junior Class Plans to Revive Old Tradition Of Junior-Senior Prom

Will it be possible to revive the long extinct Junior-Senior prom at this University, and make it a tradition along with the Military Ball and the Pan-Hellenic Ball?

This question was raised at the junior class meeting held recently and the matter was passed with unanimous approval by those present. The following committee was appointed by the class officers to investigate all of the details which will be met in the staging of such a party:

Oscar Norling and Kate Goldstein, joint-chairman.
Edith Mae Johnson.
Elva Erickson.
Ruth Palmer.
Corra Francis Tait.
Louis Turner.
Arthur Sweet.
Henry Jorgenson.
Harve Whittaker.

The committee will determine whether the party can be put on with any assurance of success. If it decides favorably committees will be appointed to perfect the detailed plans for the party.

MRS. WIDER TO INTERPRET ART

Noted Speaker Will Lecture
On "Art Appreciation"
At Convocation

Augusta Maguire Wider will lecture on "Art Appreciation" at a special convocation of the University to be held this morning at 11 o'clock in the Temple.

Mrs. Wider, now a representative of the Lecture Board of the State Institute of South Dakota, has been lecturing to various institutions since August 26. Last week she lectured at the State Educational Institution of Oklahoma and the preceding week at San Antonio, Texas, before the largest institution in the world.

Will Discuss World's Masterpieces
"Picture Appreciation" would be a more fitting title for her subject, according to Mrs. Wider, as she will choose several of the world's masterpieces of painting and interpret them. Emphasis is placed on the fact that her talk will not be technical and anyone may enjoy it even if he knows nothing about art.

Subjects to be Interpreted
The probable subjects are "The Aurora" by Guide Reni, "The Transfiguration" by Rafael, "Sir Gallahad" by Watts, and "The Last Supper" by DeVinna. Everyone is urged to take advantage of this fine opportunity to hear an interesting as well as an instructive talk.

Daily Nebraskan Inquiring Reporter

Every day he asks a question of
different students picked at random
on the campus.

Today's question: What is your
opinion on Sunday shows?

Asked at various places on the
campus.

Robert Wolfe, Sophomore, Lusk, Wyo. "I am in favor of Sunday shows."

M. D. Lindemas, Omaha. "I think we should have them."

C. M. Hawke, Freshman, Nebraska City. "I think they're all right. It gives one something to do on Sunday afternoon besides studying."

Art Stroy, Senior, Lincoln. "I think it would give people something to do on Sundays."

"Dutch" Weymuller, Sophomore, Omaha. "I think we should have them. They would bring commercial advantages to the town and give people something to do. The Rent-a-Ford bills would be lower, also."

Janice Cleveland, '30, Nebraska City. "I'm strong for them and hope they are put in."

Jack Wimbell, Lincoln. "I'm for them strong, every large city has them, so why not Lincoln?"

Ted Johnson, '30, Lincoln. "I'm for 'em strong."

G. F. Chapman, '29, Omaha. "I'm for them, why shouldn't I?"

Hale Nelson, '29, Bristow. "Six days a week is enough for shows."

Charles Cooper, '29, Humbolt. "I'm in favor of Sunday shows, because I like to go to them."

C. J. Horack, '29, Omaha. "I am in favor of them. There is nothing to do on Sunday if there isn't a show to go to. Sunday means recreation."

Students Receiving Aid Denied Cars
Princeton undergraduates at the University who are receiving financial aid from the university are not permitted to drive cars unless they can show that the cars are valuable as a means of earning money.

Engineering Graduate Visits Here
Arch Briggs, E. E., '11, visited the University last week. Mr. Briggs is now an electrician for the Chicago, Burlington and Quincy Railroad with headquarters at Alliance, Nebr.

EARLY SALE OF TICKETS FORCED

Military Carnival Committee
Advises Advance
Purchase

WANT TICKET SALESMEN

The Military Carnival Dance ticket selling campaign will start Wednesday morning. All those who desire to sell tickets can secure them from John A. Boyer at the Phi Delta Theta house or from August C. Holmquist at the Phi Gamma Delta house.

There will be three prizes to those selling the greatest number of tickets, the prizes being five dollars for the first prize, three dollars for the second prize and two dollars for the third prize. Anyone attending the university is eligible to handle the tickets with the exception that no more than two persons in the same sorority or fraternity house will be allowed to sell them.

Should Make Arrangements Tonight
Candidates should make arrangements before Tuesday evening as the sales will start Wednesday morning and anyone securing the tickets after that time will work under a handicap.

The Military Carnival dance will be the largest and best party of the fall season. One of the best orchestras in Lincoln has been secured for the evening, and the booths will be under the best management that it was possible to secure. The Tassel, Women student's pep organization, will serve as bar maids.

Many Alumni Will Attend
Due to the great number of alumni that will be at the party, it may be impossible for the committee to furnish all the tickets to the students that it desires. It is hoped that there will be room enough to accommodate all of those who wish to attend but due to the space that the orchestra and the booths occupy, the dancing floor will be cut down to such an extent that the student ticket sales will have to be limited somewhat.

The tickets will sell for fifty cents each making the cost one dollar a couple. It will be a good idea for those who plan to attend to buy their tickets early in order that they will be sure of admittance as there may be no tickets on sale that evening.

Instructions to Salesmen
The salesmen will receive their instructions when they get their tickets. The co-operation of the entire student body is expected to make this Carnival Dance a great welcome party for the returned alumni and the best way to entertain the old grads is to be there and help them have a good time.

VARSIETY QUARTET MEMBERS CHOSEN

Decker Names Howard Vescellius,
Paul Morrow, Paul Pence, and
Wm. Damme for Places

The final selections for the Varsity quartet as given out yesterday by Director Herman T. Decker included Howard Vescellius, first tenor; Paul Morrow, second tenor; Paul Pence, baritone; and William Damme, bass.

The Varsity quartet is a part of the regular Glee Club and appears on all of the Club programs. It is planned to make use of the quartet for the remainder of the football rallies this fall. The use of a double quartet is contemplated.

The Glee Club will hold the first smoker of the year at the Delta Tau Delta house this evening at seven o'clock. The evening is to be given over to discussion and will serve to acquaint the new members of the organization with each other and also with something of the activities of the Club. Paul Schoenemann is in charge of the entertainment.

PLAYERS WILL GIVE "THE AUCTIONEER"

As a special feature of the district teachers' convention at Norfolk this week the University Players will present "The Auctioneer" in the Norfolk high school auditorium Friday evening.

"The Auctioneer" will be presented in Lincoln November 18, 19 and 20 as the second of the University Players' home productions.

ALUMNI VISIT ON CAMPUS LAST WEEK

Hattie Hepperly Dewey, who received her master's degree in 1921, was a visitor at the University last week. After a short stay in this country she will return to Calcutta, India, where her husband is a missionary. Fred Ballard, '05, noted playwright, was also a visitor last week and was entertained at luncheons by the University Players and members of the faculty.

Friendship is Basis Of Vespers Today

Friendship will be the basis of the vesper service Tuesday at Ellen Smith hall which is being arranged by the Big Sister Board. All Big Sisters are urged to bring their Freshmen sisters.

The responsibilities of the Big Sisters will be emphasized by Dean Heppner in the address of the meeting. The Big Sister movement was taken up with the idea of helping the freshmen girls to become accustomed to their new environment. The work of providing each new woman student a Big Sister is done by the Big Sister board and is of great value to non-sorority girls who find the first few weeks of college life trying and lonely.

Besides the address by Dean Heppner, Ruth Ann Coddington will give a harp solo.

CADETS PARADE FOR SPONSORS

First Regimental Review of
Year To Be Held Thursday
On Drill Field

The cadet regiment will assemble for its first regimental review of the year on Thursday, November 4, at 5 o'clock in honor of the newly appointed sponsors. All R. O. T. C. men will report to their respective organizations on the north side of the parade ground, facing south, where the regiment will form in line. First call will be blown at 4:50 P. M.

All cadets will attend the parade except members of Pershing Rifles who are practicing a special drill and other cadets who are properly excused at the military department before the parade.

The order of appointments of Juniors in the advanced course to non-commissioned offices in the regiment will be read at the review. Sergeant majors, color sergeants, and first sergeants will be appointed, and assigned to the various organizations.

LAST DAY TO GET BANQUET TICKETS

Sale of Tickets to Annual Affair
Ends Today. Freshmen Are
Urged to Attend

Today is the last day to buy tickets to the Annual Biazad Banquet, which is to be held at the Lincoln Chamber of Commerce, Friday evening of this week. All of the students that have not purchased their tickets may do so now at the table on the third floor of Social Science building, any time up to five o'clock this evening. Tickets to the Banquet will not be sold after today, but the special Frolic tickets for the dance will be on sale the rest of the week and may be purchased at the door Friday night.

The plans for the banquet and Frolic are complete according to Ella Thompson and Henry Lucas, joint chairmen. The music at both the banquet and the dance will be furnished by the "Cheer Leaders" who played at Kansas and at the Varsity Party last week.

Early returns on the ticket sale indicate that they are selling fast, with the upperclassmen giving their full support. Dean Le Rossignol and the faculty urge the first year students to attend the banquet and Frolic, as it is the college annual "get-together", and so that they may become acquainted with the rest of the students in the Biazad college and the members of the faculty.

Y. M. C. A. Employment Bureau Secured 259 Positions for Students

The University of Nebraska Y. M. C. A. Student Employment Bureau secured 259 positions for students during the months of September and October of this year, according to the report of William S. Trumbull, Employment secretary. Of these 157 were permanent part time positions with a monthly earning of \$4,416 and 102 were part time jobs with an earning of \$565.85. During the above period the Bureau accepted 678 applications by students for employment.

Sales propositions which have been turned over to students and which are handled on a commission basis are not included in these figures. Students earn considerable money selling various articles but the amount is impossible to compute.

"The first year for men in college is probably their test year," Mr. Trumbull states, "if they survive that one they can survive the remainder years required by their course. The hard thing to do is to get established, to get a job. Once they get one they will have little difficulty in getting others if they do their work properly. That is where we come in. We consider that our most important function is to take the new and inexperienced students who need to earn all or part of their expenses and help them get started right."

FINANCE DRIVE BY Y. W. C. A. TO START TUESDAY

Campaign will Open with Mass
Meeting of Solicitors
At 7 O'clock

GOAL IS SET AT \$1800

Ag Campus Drive, Directed by
Ruth Davis, Unusually
Successful

The Y. W. C. A. Finance Drive will open with a mass meeting of all team captains and team workers at Ellen Smith Hall, Tuesday at 7 o'clock. The drive will close, Tuesday, November 9 at noon. The goal is \$1800.

Cyrena Smith, president of the Y. W. C. A. will be the speaker at the meeting and campaign materials will be distributed by the team captains to the members of their teams. Tickets for the Thursday noon luncheon will be on sale during the meeting. Eloise MacAhan, chairman of the Finance committee will preside. A luncheon will also be held on Monday, November 8, at Ellen Smith Hall, and after the luncheon any woman student on the campus not already solicited may be approached by any team member.

Team Captains Announced

The team captains who will be in charge of the work on the city campus are Helen Clark, Martha Farrar, Lucile Refshauge, Winifred Sain, Alyce Cook, Katherine Douglas, Helen Van Gilder, Ruth Palmer, Elva Erickson, Hazel Sutton, Ada Bauman, Mary Elizabeth Ball, Audrey Beals and Romaine Dickinson.

Ruth Davis is chairman of the team that solicited women students at the Agricultural College campus. The drive terminated Monday noon. Unofficial reports show that \$156.70 has been contributed. The usual amount raised at the Agricultural campus has been around \$50.00. The members of Ruth Davis' team include, Winnie Powell, Leona Pele, Helen Farley, Ruth Shannon, Georgia Probert, Mildred Hawley, Jessie Bald win, Helen Bucky, Ruth Leverton, Martha Nesladek, and Elizabeth Ramsay.

Budget to Remain Same
The budget of the Y. W. C. A. will remain the same as in the past few years, \$3600. The expenses of the organization last year totaled \$3379.13. Some of its program had to be cut down to a minimum due to the fact that the Community Chest did not contribute its full share of the budget.

DAVIS TO SPEAK TO CHEMICAL SOCIETY

F. W. Davis of the United States Bureau of Mines will speak at a meeting of the Nebraska section of the American Chemical society November 9. He will tell of the work done at the Nebraska station of the bureau.

University Band In First Public Concert

The University Band will make its first public appearance of the year at the Convocation to be held next Thursday morning in the Temple. The Band, which is under the direction of William F. Quick, includes women players for the first time in its history.

The principal numbers are the overture, "Muella" by Gounod and "The Prophet" by Myerbeer. Several other selections are on the program.

getting others if they do their work properly. That is where we come in. We consider that our most important function is to take the new and inexperienced students who need to earn all or part of their expenses and help them get started right.

"Students must cultivate and exercise dependability. Student workers must, of necessity, do their work at odd hours during the day when they do not have classes. Cases of inefficiency and unreliability among students have been few. Whenever we find a student who is not efficient in one kind of work we try to find something else that he can do more efficiently, and if a student does not care enough for the work to be reliable we drop him from our lists."

"Although many students have been placed there are a number of good reliable men who still need work. The Employment Bureau is doing all it can for these men and would like to have students tell their friends or employers about the bureau. We can furnish men for all types of work."
