

FORTY YEARLING CAGERS REPORT

Large Squad of First Year Men Reports to Coach Bearg. Will Assist Varsity

About forty freshmen have answered the call of Coach Bearg for aspirants for the yearling basketball squad. Drills on basket shooting, passing the ball, and defensive positions have occupied the early practice periods.

A smaller squad will be selected from the group shortly after the vacation period. They will be instructed to use systems of the Husker opponents in scrimmages with the Varsity. Those who have been watching the freshmen in their preliminary workouts predict that they will give the Huskers an interesting struggle.

The following freshmen have already reported: Frank Miller, Elk Creek; Wyman Kanegy; Francis Donnell, Kearney; Ward Minor, Kearney; Donald Smith, Douglas; Ed Strong, Syracuse; James McGinty, Omaha; George Wurga, Havelock; Willard Witte, Lincoln; Joe Hepp, Adam Kahler, Lincoln; Harvey Grace, Mas-Edwin Hansen, Mannin, Ia.; Harry cot; Raymond Aden, Gothenburg; Pumphrey; Dan Richardson, Madison; Joe Turner, Omaha; Jack McCarthy, Ogallala; Frank Kronkright, Kimball; William Sawyer, Lincoln; Alfred Calvert, York; Ralph Buchner, Lincoln; Clair Sloan, Verdun; Eldon Haas, Omaha; Harold Swenson, Omaha; Bert Councilman, Ogden Ia.; Clyde Kelly, Pampa, Tex.; Frank Sercl, Valparaiso; Harlan Owen, Ashland; Curtis Post, Lincoln; James Mason, Omaha; John Curry, Lincoln; Claude Mason, Omaha; Warren Strand, Polk; Joe Burkhardt, Omaha; Howard Toms, Scribner; George Jelen, Omaha; Harold Halbeson, Litefield; Carl Kube, Buffalo, Wyo. Carl Schefold, Norfolk.

HUSKERS TO MEET NATIONAL CHAMPS

Nebraska Quintet Will Play St. Joe Hillyards In Practice Game During Holidays

Definite arrangements for a practice game with the Hillyard quintet on December 30 at St. Joe have been made for the Huskers during the holiday vacation. After a short pause in the workouts to enable the men to return to their homes for Christmas day, the squad will report the following Monday at St. Joe for a week of early season drill which includes the practice bout with the Hillyard team.

After a short workout in which a center and two forwards attempted to work the ball in a series of short passes through a pair of guards, the squad was divided into four teams for scrimmage. Several changes have been made in the lineups this week as Coach Black is giving all the candidates a chance to show whether he should be included in the group of players to be selected next week for the St. Joe trip.

Four Teams Scrimmage
In the first scrimmage, Captain Smaha and Elliot, Othmer, Krahl and Gericke opposed Klepser and Brown, Page, Lawson and Holm. The scoring was evenly divided, and the teamwork showed a slight improvement over that displayed against the freshmen the afternoon before.

The other two squads which scrimmaged for a lengthy period had Marrow and Lindell, Nimmo, Gohde and Mielenz on one team, and Armstrong and Shaner, Holmes, Morrison and Roth on the other.

Silver Serpents Plan Junior Women's Party

Silver Serpents, the Junior Women's honorary, will hold a party for all junior women January the thirteenth.

The plans have not been completed, but the affair will probably be a Hard-Time Party for all junior women. The Silver Serpents are attempting to establish a closer bond of union between the girls in the junior class. They also sponsored a luncheon which was held in October.

Band Again Moves to Another New Location

Owing to the fact that the quarters which the R. O. T. C. band has recently occupied in the Coliseum were entirely unsuited to rehearsals the band has moved back into Teacher's College. The band is at present holding but two rehearsals a week, on Tuesday and Thursday, and is working on material for the concert season which will soon open.

The organization will spend the rest of the winter on inside rehearsals until warm weather will allow resuming marching tactics.

GREEK BASKETEERS PREPARE FOR MEET

Enthusiasm Mounts Among Fraternities in Practicing for Intramural Basketball Tourney

If determination is anything the Phi Sigma Kappa team will carry off the inter-fraternity basketball championship again this year. The Phi Sigs have been practicing for about three weeks and will have the five men coordinating perfectly when the opening whistle blows. They have played two practice games each week. Some of the teams that they have met in preliminary tilts are Sigma Alpha Epsilon, Sigma Phi Epsilon and Beta Theta Pi.

With four of the regulars who composed last year's championship team back again, the chances are certainly favorable for Phi Sigma Kappa. King, forward, will not compete this year. However, Grace, his running mate at forward will be in the games. Andrews will be at center again. The two guards, who showed probably the best defensive work of last season's tourney are Higgins and Nicholson. There are several men from whom the fifth man shall be chosen. Three freshmen show promise, Wurga, Lewandowski and Folman. Morrison who did not play last year, may play with the fraternity team this season.

FIVE HARRIERS GET NUMERALS AT AMES

Cross Country Track Material at Iowa State Has Been Above Average of the Past

Ames, Iowa, Dec. 16.—Special: Five Iowa State freshman cross country runners have been awarded their numerals by the Athletic council, and three others have been voted honorab' ment in the recommen-

datation of Bob Simpson, head track coach.

The cross country and freshman track material at Iowa State this year has been above the average of other years, with several outstanding men who are expected to strengthen the varsity track and cross country teams next year.

The yearling barriers who will receive their '30 numerals are: Theron Smith, Cedar Rapids; Carl Gericke, Fort Calhoun, Nebr.; Ted Hedt, Mankato, Minn.; Maurice Mechem, Clarion; and Herbert Fritz, Burlington. Honorable mention goes to Franklin Mohler of Des Moines, Paul Righter of Broken Arrow, Okla., and Walter Sample of Port Byron, Ill. Righter won a numeral on the freshman football team as end and after the close of the prep grid season reported for cross country.

HARVARD ADOPTS NEW ATTENDANCE SYSTEM

A new departure in regard to class attendance was adopted at Harvard this last spring. The rule reads as follows: "Men on the dean's list, and all seniors in good standing, are trusted with the greater responsibility and discretion in the matter of attendance, so far as this does not interfere with the collective interests of the classes to which they belong."
