

UNEVEN GAMES FEATURES OF CAGE TOURNEY

Delta Upsilon Wins from Phi Kappa Psi in Only Close Exhibition

PHI DELT MATCH EASY Three Quintets Almost Fail To Score; Kappa Psi Gets One Point

MONDAY'S RESULTS Phi Delta Theta 25, Delta Theta Phi 4. Phi Kappa Psi, Kappa Psi 1. Delta Upsilon 15, Phi Kappa Psi 7. Sigma Nu 25, Xi Psi Phi 5.

TUESDAY'S GAMES Alpha Gamma Rho vs. Delta Sigma Phi. Lambda Chi Alpha vs. Delta Sigma Delta. Kappa Sigma vs. Delta Sigma Delta. Delta Theta Phi vs. Alpha Theta Chi. Delta Upsilon vs. Alpha Sigma Phi. League 4, 7:30 o'clock, Court 2.

No games scheduled for Wednesday. The Games Three very uneven contests and one in which the result was doubtful featured the interfraternity basketball games last evening.

Phi Delta Theta, Phi Kappa, and Sigma Nu all ran up huge scores on their opponents. The Delta Upsilon-Phi Kappa Psi game was a little more contested but the D. U.'s emerged victor.

Delta Theta Phi could not do much to stop the onrush of Phi Delta Theta with Lindell as their main threat. They could not do much in the score column either. The first half ended without a counter for Delta Theta Phi and twenty-five for their opponents. Lindell scored twenty-two of the thirty-five points made by his team. Teale was the only Delta Theta Phi man who could hit the hoop from the floor. Hull caged to gift shots for the other two points.

First Defeat

Delta Upsilon gave Phi Kappa Psi its first defeat. They were in the lead throughout the game and while not by many points, the guards always kept the ball out of danger. Kelley was the best man for the D. U.'s. The Phi Psi's had quite a number of shots but lacked accuracy. They did not circulate around under the basket as well as their conquerors and could not work up for close shots. Reeves played a nice game for Phi Kappa Psi. Besides spoiling many plays at guard, he snared the three field goals that his team made. Near the end of the tilt, Swenson, Phi Kappa Psi, took offense at the manner in which Westopal was guarding him. A fistie encounter ensued, but did not last long. Both men remained in the game.

Phi Kappa Wins

Phi Kappa showed its heels to Kappa Psi in a runaway battle in which the latter only received a free throw, made by Cannon. Janulewicz made thirteen points for the honor of high point man. Cripe and Busbee scored eight and seven for most of the other Phi Kap counters.

The Xi Psi Phi quintet used ten men in trying to send the ball through the hoop for the first point in a battle with Sigma Nu. They were shut out until the dying moments of the game, when Deford, one of the substitutes, caged a field goal and a free throw. Seder slipped in five goals and two gift throws for a total of twelve for Sigma Nu.

The Box Scores

Delta Theta Phi-4. Hall, f. 1 0 1 2. Teale, f. 1 0 1 2. McHenry, f. 0 0 0 0. Johnson, g. 0 0 0 0. Jones, g. 0 0 0 0. Steiner, g. 0 0 0 0. Swenson, g. 0 0 0 0. Kistler, g. 0 0 0 0. Totals 1 2 8 4.

Phi Delta Theta-25

Lindell, f. 10 2 0 22. McHenry, f. 4 1 0 9. Nimmo, c. 1 0 2 3. Metzler, g. 0 0 0 0. Boyce, g. 1 2 1 4. Swenson, g. 0 0 0 0. Totals 16 5 3 35.

Phi Kappa Psi-7

Greenback, f. 0 0 0 0. Shepard, f. 0 0 0 0. Swenson, c. 0 1 1 1. Jones, g. 2 0 3 4. Walker, g. 0 0 0 0. Totals 2 1 4 7.

Delta Upsilon-15

Anderson, f. 1 0 0 2. Kelly, f. 3 1 1 7. Fitzgerald, c. 1 0 0 0. Karnes, g. 0 0 0 0. Westopal, g. 1 0 1 2. Totals 6 3 4 15.

Sigma Nu-25

Sed, f. 1 0 0 2. Porter, f. 1 0 0 2. McGiffin, c. 1 0 0 0. Porter, g. 1 0 1 1. Sed, g. 0 0 0 0. Totals 4 0 1 7.

Xi Psi Phi-5

Kolab, f. 0 0 0 0. Wilcox, f. 0 0 0 0. Chamberlain, g. 0 0 0 0. Dyer, g. 0 0 0 0. Adams, g. 0 0 0 0. Deford, g. 0 0 0 0. Adams, g. 0 0 0 0. Harman, g. 0 0 0 0. Totals 0 0 0 0.

(Continued on Page Three.)

Prairie Schooner Well Received by Critics

"The Prairie Schooner," literary quarterly published by Sigma Upsilon, national literary fraternity, has been exceptionally well received, according to reports from subscribers, purchasers of the first issue, and newspaper critics.

Only five hundred copies of the magazine were printed, and of these a large number have been mailed to subscribers. The remaining copies are on sale at the College Book Store and at the book department of Miller and Paine. Single copies are sold for forty cents. Those who wish the magazine mailed to them will receive it upon the receipt of a request and the purchase price at Box 1232, Station A, Lincoln, Neb.

\$50,000 OFFERED IN ESSAY CONTEST

Woodrow Wilson Topic for 2,500 Word Paper; Prizes Given Both Man and Woman

Two \$25,000 prizes have been offered by the Woodrow Wilson foundation award for the two best essays of 2,500 words on the subject "What Woodrow Wilson Means to Me," according to an announcement recently received in Lincoln. The article is to be strictly confined to an exposition of Mr. Wilson's ideals and principles and what they mean to the writer. There will be two awards, one for the man who writes the best article and one for the woman.

The purpose of the essay is to bring to the young people of the United States a closer knowledge of the ideals and principles of Woodrow Wilson. Each article intended for these awards must seek to appraise the ideals, standards, and principles of Woodrow Wilson according to the personal standpoint of the writer.

The rules for the essay are as follows: Only one article may be submitted by any one contestant. No letter should accompany an article.

No article must bear the name of the author, either on the article or on the envelope, nor must anything be contained on the manuscript or envelope to give the identity of the author.

A plain, sealed envelope attached to the manuscript must contain the full name and address of the contestant, and an affidavit from the father, mother, legal guardian, minister, employer or Notary Public. The contestant must not be under 20 nor over 35 years of age. For the purpose of correct correspondence, a woman contestant should indicate whether she is single or married.

The article must be strictly original. No lengthy quotation must be included.

No manuscript will be returned under any circumstances, and no correspondence regarding submitted manuscripts can be answered. No exceptions will be made to this rule.

This is a direct copy of the rules, one of which may be obtained by writing to the Woodrow Wilson Foundation Award at 17 East Forty-Second St. New York City, New York.

The essay is to be in the office of the Woodrow Wilson Foundation at the above address on or before October 1, 1927. Any article received after that date will not be eligible for the prizes.

Blood Will Speak to Commercial Club Men

The Men's Commercial Club will hold their first monthly dinner of the year at the Grand Hotel, Wednesday evening, Prof. T. C. Blood will be the main speaker. He will talk on the affiliations with the city Junior Chamber of Commerce.

The charge will be fifty cents, and all members of the club are urged to be present.

Gamma Alpha Chi Meets With Advertising Club

The members of Gamma Alpha Chi, woman's honorary advertising sorority, accepted the invitation of the Lincoln Advertising club to become members of this organization, at a luncheon Monday at the Lincoln hotel. The program for the luncheon centered around woman's place in advertising, and Kate Goldstein, president of Gamma Alpha Chi, presided.

Woman's place in advertising was discussed by Miss Marie Weener, head of the advertising department of Miller and Paine, and an honorary member of Gamma Alpha Chi; and by Miss Lucile Wright, who is in the display advertising department of The Lincoln Star.

DOUGLAS MYERS IS FOUND DEAD

Well-Known Husker Athlete Asphyxiated Sunday in New Orleans, La.

FUNERAL IN BEATRICE Word was received Sunday morning of the death of Douglas Myers, former student of the university.

He was asphyxiated Sunday while sleeping in a boarding house at New Orleans, La. Myers was assistant coach at Loyola University. The details of his death are not definitely known, but it is believed that when he retired for the night he turned off the gas heater in his room. It is believed that instead of turning off the gas at the wall cut-off, he turned it off at the stove. In some manner this connection broke while he was asleep. Myers evidently had awakened and had made an effort to reach fresh air as his body was found on the floor near the door. He was discovered Sunday morning by students of the university who made desperate efforts to revive him.

Spectacular Athlete

Myers, while in Beatrice high school, was one of the most spectacular athletes in the state. He was captain of the Beatrice football team in 1920, the year of his graduation. He attended De Pauw two years. He came to Nebraska in January 1923, and played end and fullback on the Nebraska teams of 1923 and 1924. He also made his letter in track in 1923 and 1924. He received honorable mention on all-american football teams. Myers was freshman football coach in 1925, also assistant trainer under Doctor McClean.

His parents are Mr. and Mrs. William Myers of Ellis, Neb. He was engaged to be married within six months, to Miss Florence Sturdevant. He is survived by one sister. He was a member of Delta Tau Delta fraternity.

The funeral will be held at Beatrice, Thursday afternoon at 2:30 o'clock in the Methodist church. Members of the Delta Tau Delta fraternity will attend and will act as pall bearers. Members of the N club and coaches are also planning to attend.

Beauty Contest

The University of North Dakota is going to have a beauty and Who's Who contest. Four co-eds will be chosen for their beauty and eight are to be elected to Who's Who.

Long Weather Prediction Is Goal

Prof. T. A. Blair, director of the Nebraska section of the United States weather bureau, at the microphone, ready to broadcast his morning weather report.

Accurate predictions of weather conditions for an entire year or season in advance may be possible some day if the goal toward which meteorologists are striving is realized, Thomas A. Blair, director of the Nebraska section office of the United States weather bureau, and assistant professor of meteorology in the University of Nebraska, declared in an interview recently.

Professor Blair discounted the predictions of so-called "weather prophets" who have declared that 1927 will be a year without a summer; that the months of June, July and August will be unusually chilly. In the early 1800's, Professor Blair explained, there was such a year. It is not impossible that there may be another, but there is now no evidence which leads scientific students of weather conditions to believe that that year will be 1927.

Seek Causes of Weather Changes "The goal toward which meteorologists are working at the present time," Professor Blair stated, "is a knowledge of the fundamental causes of weather changes which will make it possible to predict the weather accurately for whole seasons in advance. At the present time, there are no results which justify prediction. (Continued on page three.)"

Special Open Night Is Granted for Orchestra

To give all students an opportunity to hear the Detroit Symphony Orchestra Wednesday evening at the Coliseum, Dean Chaburn announced yesterday that special permission should be granted after the customary mid-week hour will be given students who desire to attend. Requests for permission should be made with the house mothers.

BEARG ATTACKS COMMERCIALISM

Husker Coach Says Small Eastern Colleges Only Ones Paying Salaries to Athletes

College football, except in some small eastern schools, is not infused with commercialism, as implied in a newspaper article written by an eastern sports writer, declared Coach E. E. Bearg last Sunday in a talk on "Sportsmanship and Athletics," given before the Sunday Morning Breakfast Club at the City Y. M. C. A.

Upholding the honor of athletics at Nebraska and other middle-western schools, the coach denied that offers of money were made to high school athletic stars to secure them for the football teams of these schools. At several small eastern colleges bids are admittedly made for football players, because of the scarcity of material available to the large number of colleges, and such practices are hardly condemned, according to the Husker coach, but where conferences have been formed these conditions have largely disappeared.

Tribute to Football

Coach Bearg paid a tribute to the character of the football coaches and athletic authorities in this section of the country, asserting that "the athletic director in the Middle-West is a high type of man, with a sense of honor." As a result of the linking together of schools having similar interests, the good moral character of such officials is demanded, and football is being "cleaned up," with the over-emphasis on sports decreasing and scholastic standards for athletes being strictly enforced.

Football fulfills many of the provisions of the Bible, in that it teaches clean living, clean habits, and proper care of the body. It is a powerful builder of stamina, and often brings out characteristics which might otherwise remain hidden, the Nebraska coach declared. "We have no more frontiers to conquer. If we are to have a rugged, sturdy, red-blooded type of men, we must have football."

In conclusion, he lauded the members of the 1926 team for their sportsmanship and character.

DELTA SIGNS WIN IN RIFLE MEET

Theta Chi Is Second, Lambda Chi Third in Greek Match Last Week

DECLARED SUCCESSFUL

The results of the interfraternity rifle match completed last Friday were published yesterday by Col. F. F. Jewett of the military department. Delta Sigma Phi took first place, with a total score for their five-man team, of 434 out of a possible 500. Theta Chi took second with a total score of 429, Lambda Chi Alpha won third place with 422, and Sigma Phi Epsilon came in fourth with a total of 421.

Twenty fraternity rifle teams entered the competition, indicating a much increased interest in the sport. Within a short time the awards for the two fraternity teams having the first and second highest scores will be presented.

High Scores

High individual scores in the contest were made by Danied J. Fagen, Phi Kappa, and John A. Boyer, Phi Delta Theta, who tied for first place with scores of 96 out of a possible 100, and by John B. Welpton, Sigma Chi, and Ralph B. Major, Lambda Chi Alpha, who tied for second place with scores of 95 each. This year's match was a great success on account of its stimulating interest in the sport of rifle shooting, according to Capt. Lewis W. Eggers in charge of the affair.

The first prize is a plaque donated by O. J. Fee, and second is a skin donated by the commandant.

The scores follow:

Delta Sigma Phi 434. Theta Chi 429. Lambda Chi Alpha 422. Sigma Phi Epsilon 421. Tau Kappa Epsilon 416. Phi Kappa 411. Delta Chi 404. Mu Sigma 398. Phi Delta Theta 395. Beta Theta Pi 392. Pi Kappa Alpha 387. Phi Gamma Delta 386. Sigma Chi 385. Alpha Sigma Phi 374. Delta Tau Delta 359. Pi Kappa Phi 312. Kappa Rho Sigma Incomplete. Alpha Theta Chi Incomplete.

NIGHT CLASSES TO BE OFFERED AGAIN

Nine Departments Continue Courses Carrying University Credit For Second Semester

Night classes will be offered again the second semester by nine departments of the University of Nebraska for the benefit of those unable to take work during the day, the University extension division announced Friday. All the courses carry University credit, but some may be taken without credit. The following courses are offered:

American history—Constitutional history of the United States.

Business administration—Advanced accounting, business law, office organization, principles of economics (advanced), advertising practice.

Education—Psychological aspects of classroom procedures.

English—The modern novel, English composition, the short story, the short story (advanced), business English.

Engineering—Mechanical drawing. Advanced and beginning courses and special work to suit the needs of individuals.

Fine Arts—Beginning and advanced courses in dramatic interpretation and public speaking, dramatics for children, drawing and painting, juvenile art.

Mathematics—Algebra, trigonometry.

Modern Languages—Beginning and advanced French and Spanish. There will also be a special Camp Fire guardians training courses.

Registrations for all courses will be received by the University extension division, Social Sciences building, Room 108, until January 31, when classes begin.

Swimming Meet

Pan-Hellenic of Southern California is sponsoring an open swimming meet, the first of the year. All women's organizations are welcome to participate, but the cup for the prize team will go to a Pan-Hellenic group.

Cosmopolitan Club Members at Vespers

The Cosmopolitan club was in charge of the Vespers services yesterday afternoon at Ellen Smith Hall. The president of the club, Sylvia Stastny, was in charge. "Foreign Students," was the topic of an address by Mr. Huan, a club member. Alma Selky spoke on "Student Friendship."

Several vocal selections were furnished by Emilio Del Rosario.

Services Secured

Jack Crawford, one of the "large" orchestra conductors of the country, whose musicians have been secured by Kosmet Klub to play for the Pan-Hellenic ball February 5.

JUDGING TEAM WINS SILVER TROPHY CUP

Junior Livestock Entry in Show At Denver Gains Permanent Possession of Prize

The junior livestock judging team of the College of Agriculture won the large silver trophy cup offered in the Intercollegiate Livestock Judging Contest at the National Western Livestock Show at Denver by winning first place again this year.

The members of the team and the high individual placings were: Paul Jenkins, '28, Gothenburg, fourth; Robin Spence, '29, Crab Orchard, fifth; Clifton Wehrman, '28, Nelson, sixth, and Cecil Means, '28, Red Cloud, ninth.

Alternate

Paul Fowler, '28, Alma, was the other member of the team and Louis Taggart, '28, Lincoln, was the alternate. Prof. A. D. Webber of the animal husbandry department coached the team.

Four teams competed in the contest. Nebraska, first; Colorado, second; Kansas, third; and Wyoming, fourth. Colorado was the only other team in the contest which had won first place two times since the offering of the cup. The University of Nebraska won in 1924 and 1926 and with the 1927 winning, the cup becomes the permanent possession of Nebraska.

Daily Nebraskan Inquiring Reporter

Every day he asks a question from different students picked at random on the campus.

Today's question: What do you think of the new point system being introduced in the woman's athletic department?

Katherine McWhinnie, A. S., '27, Lincoln.

"Before the system was very indefinite. But this is a sound basis, and there will no longer be any meandering around."

Janice, Fredrickson, T., '27, Essex.

"Good idea. There is better balance. All the work doesn't fall on the same person."

Katherine Groves, A. S., '29, Sioux City.

"Haven't given it much thought."

Mildred Fredrickson, A. S., '27, Grand Island.

"It is well worked out. In fact, as good as can be worked out."

Mildred Kennenbarger, A. S., '28, Anselmo.

"Good. But those not interested in major sports should not be required to come out for them."

Madge Zorbaugh, A. S., '27, Lincoln.

"Don't know a thing about it."

Helen Nesladek, A. S., '28, Omaha.

"Sounds like a good idea."

ENGINEERS PLAN INSPECTION TRIP

Kansas City Chosen by Juniors And Seniors at Meeting; Go April 3 to 9

The annual inspection trip for juniors and seniors in the College of Engineering will be taken this year to Kansas City, from April 3 to 9, it was decided at an engineering meeting last week. Kansas City was chosen in preference to Omaha and St. Louis. Last year, on the long trip, Chicago and the surrounding industrial area was visited.

The committee in charge of the inspection trip is composed of: J. E. Smay, chairman, C. A. Sjogren, C. J. Frankforter, D. C. Wallis, L. F. Rader, and G. S. Lebeck. The committee has decided that any one majoring in chemistry may go on the trip by making proper application to the chairman of the department.

CRAWFORD IS ENGAGED FOR ANNUAL BALL

Noted Orchestra Booked for Pan-Hellenic Formal On February 5

300 TICKETS ON SALE

Charge is \$4; Distributed To Fraternity Houses This Week

Jack Crawford, "America's gigantic" orchestra conductor, and his ten-piece orchestra have been engaged by the Kosmet Klub for the Pan-Hellenic ball February 5 at the Scottish Rite Temple.

The Klub has been able to secure Crawford due to the fact that he has just ended a six-month engagement in San Francisco and is going to open a new dance resort in Milwaukee.

Tickets for the ball will be \$4, due to the heavy cost of bringing Crawford's orchestra here.

Famous on Coast

The band is famous on the Coast and in Chicago, where it formerly played. The orchestra plays in clown and blackface costumes and presents ten acts of vaudeville.

The slogan of the Crawford orchestra is "Dance Music—and How!" Judging by their success in San Francisco the music is all that it is reputed to be. The orchestra went to San Francisco under a four-weeks contract, and this was later extended twice.

Crawford, is supported by members of his organization, who present high class amusement. Since the party will be in the Scottish Rite Temple none of this need be misused as it might be in a larger hall. The full benefit of the orchestra and its personality may be gained. It is planned to erect a special stage or platform so the orchestra will not be handicapped in its work.

Seniority Rule

Tickets for the ball are limited to 300. They will be allotted to the fraternity representatives some time this week. Seniority in the fraternities will be respected in the sale of tickets. The limit to 300 is made necessary by the size of the ball room at the Temple.

A smoker for the fraternity representatives, who make up the committee in charge, will be held Tuesday evening at the Delta Tau Delta house. Plans for the ball will be discussed and if possible the tickets will be allotted at that time. The smoker will begin at 7 o'clock in order that it may be over early.

The allotment will be about seven to each fraternity. In case any fraternity does not take all its tickets they may be obtained by members of other fraternities.

Committees

Following are the members of the committee:

- Acacia—Archibald Eddy; Alpha Chi Sigma—Jack Hamlin; Alpha Gamma Rho—James Jensen; Alpha Sigma Phi—Oscar Norling; Alpha Tau Omega—Hal Childs; Alpha Theta Chi—Emerson Smith; Beta Theta Pi—Fredrick Daily; Delta Chi—Ira Gilliland; Delta Sigma Phi—Earl L. Gillette; Delta Sigma Delta—Robert Chah; Delta Sigma Lambda—Ernest Hodder; Delta Tau Delta—Louis Turner; Delta Theta Phi—Adrian L. Hull; Delta Upsilon—Henry Joranson; Farm House—E. Hale Stouett; Kappa Psi—Walter Hoppe; Kappa Rho Sigma—George M. Hooper; Kappa Sigma—Arthur Schroeder; Lambda Chi Alpha—Murray Koser; Mu Sigma—Raymond Dwyer; Omega Beta Pi—Fred Beck; Phi Alpha Delta—Robert Power; Phi Delta Theta—Ira Brinkerhoff; Phi Gamma Delta—Linn Twines; Phi Kappa—Edward Crowley; Phi Kappa Psi—Arthur Sweet; Phi Sigma Kappa—Gerald Griffin; Pi Kappa Alpha—Paul Mitchell; Pi Kappa Phi—Erwin Domier; Sigma Alpha Epsilon—Robert Goodfriend; Sigma Alpha Mu—Zolley Learner; Sigma Chi—William Lamme; Sigma Nu—John Trent; Sigma Phi Epsilon—Tom Elliott; Tau Kappa Epsilon—Merlin Osborne; Theta Chi—Wayne Threlkeld; Xi Psi Phi—Theinhold Miller; Zeta Beta Tau—Phil Gerelick.

MISS MARRIOTT IS LINCOLN VISITOR

National Vice-President of Home Economics Sorority Guest Of Local Members

Xi chapter of Phi Upsilon Omicron, national professional home economics sorority, was honored last Saturday by a visit from Miss Annie Marriott of Pittsburg, Kansas, national vice-president of the sorority.

She was entertained at a luncheon at the Cornhusker hotel by the following faculty members: Miss Margaret Fedde and Miss Birdie Vorhies of Xi chapter, Nebraska; Miss Ruth Knaples of Alpha chapter, Minnesota; Miss Jane Kinkley of Gamma chapter, Ohio, and Dr. Greta Gray of Delta chapter, Wyoming.

Following the luncheon a business meeting and initiation was held. The pledges initiated were: Miss May Yates and Miss Helen Noyes. Both members of Omicron Nu, home economic sorority. Miss Marriott was presented with a corsage from the chapter. Her visit was concluded with a dinner at the Woodbury, given by the faculty members to the active chapter and its honored guest.
