

TRACK SQUAD HAS EASY DAY

Team Rather Stiff After Last Meet; Prepares For K. C. A. C. Event

Coach Schulte's tracksters were taking it light Monday as they limbered up from their meet last Saturday with the Nebraska college conference winners.

Who will make the trip to Kansas City for the Kansas City Athletic Club's indoor meet is still unknown.

Most of the squad came out of the opening meet in good shape although all were somewhat stiff Monday.

Frank Wirsig, pole vaulter, had recovered enough from his attack of tonsillitis to report at the stadium Monday.

PHI SIGS CONTINUE WINNING STREAK

(Continued from Page One.)

tourney this year had little difficulty in downing Phi Gamma Delta. However, the eyes of the winners were not as keen as usual, and if it had not been for their cool, collected playing, the result might have been somewhat different.

In the Class B games Phi Sigma Kappa nosed out Sigma Phi Epsilon, six to four, in a slow game, and Kappa Sigma took a run-away tilt from Tau Kappa Epsilon.

The box score:

Table with columns for team names (Phi Gamma Delta, Phi Sigma Kappa, Sigma Phi Epsilon, Phi Kappa Alpha) and statistics (g, w, l, pct).

STUDENTS CURED OF CURIOSITY IN STRIKE

Seek First Hand Information on Strike-Life; Find Plenty in First March

(By New Student Service)—Marching for a few minutes with 500 striking paper box makers, a few inquiring Columbia University and Hunter College students were quickly supplied with data on strikes.

One student, James D. Wyker of Unica Theological Seminary, received additional information. He was arrested, spent some time in a police cell and then was released on \$500 bonds on the charge of disorderly conduct.

About a dozen college students had come to strike headquarters to get first-hand information on strike life. They first attended a mass meeting at the Church of All Nations, 9 Second Avenue.

IN THE VALLEY

By JACK ELLIOTT

Last week-end was no different from the past as far as Missouri Valley basketball is concerned. Upsets—yes, there were quite a number of them. To start off, the Nebraska cagers were successful in upsetting the Kansas Aggies, then the Oklahoma Aggies, the victors over Nebraska were subdued by the Missouri Tigers.

By their victory over the Sooners the Missouri five went into the lead alone in the rush for the Valley pennant. This Missouri Valley derby is getting exciting as the season draws to a climax.

The one game that did come out the way it was doped was the Kansas-Grinnell game, in which the Jayhawkers won 41 to 19. This puts the Kansas five in third place, and still gives them a chance to come back and give the leaders a stiff battle for the championship.

Captain Clark Smaha was doing some of the best exhibition of basket shooting at Manhattan Saturday night, that has been seen on the Aggie floor for some time.

This week-end, the Husker five have a pair of games that looms big on the Nebraska schedule. On Friday the Oklahoma Aggies journey to Lincoln for a conference game with Black's aggregation and the next night Coach Hugh McDermott's Sooners five will be on the floor against Nebraska.

The crowd at the game last night was one of the best this season, and the results were plainly shown. The fans were with the team from the first gun and lustily shouted their approval of all plays that the Husker five executed.

Again Captain Smaha shone as the outstanding star of the game and was going "hot" in the game as in the Aggie-Nebraska game at Manhattan last week.

The work of Elmer Holm was not overlooked by the fans or by the Missouri forwards. Holm stopped every play that the Tigers launched last night and was returning the ball down the hardwood to the Nebraska forwards for short range shots.

The second semester officers of the "Cornhuskers", freshman dental organization, were installed at a regular meeting held in the usual form of a banquet at the Grand Hotel, last Friday.

NEBRASKA WINS 27-TO-22 GAME FROM MISSOURI

(Continued from Page One.)

a superb game at guard all evening heard the cry of the yelling crowd and sank one of the cleanest shots of the game, the yellow sphere sizzling through the rim without touching iron.

The Huskers started their last rally and a basket from the hands of Smaha, followed by one from Tom Elliott raised the score 27 to 22 and the gun put an end to one of the greatest games seen on the floor of the Coliseum this year.

"Red" Eagan handled the game and kept it moving at a fast pace throughout.

Table with columns for player names (Smaha, Klepper, Page, Holm, Anderson, Brown, Othmer, Elliott) and statistics (g, w, l, pct).

Oklahoma Plans Less Strenuous Initiations

Norman, Feb. 14.—(Special)—Plans for less strenuous initiatory services among the fraternities at the University of Oklahoma are being made following a conference between President W. B. Bizzell, Prof. M. L. Wardell and members of the various Greek-letter organizations this week.

Under the present custom fraternity pledges are required to go through a probationary period commonly called "hell-week" just before they are taken into the order.

Doctor Bizzell called attention to the fact that nation-wide opposition had developed with regard to fraternity "hell-week" practice, and expressed the opinion that the pranks carried on during the regular week's rough play made it impossible for the student "victim" to carry on his regular university work during the ceremony.

"I realize that most of the things required of the students in these initiations are harmless," he said, "but I remind you that students cannot sit up all night or be out most of the night on foolish errands and be in physical condition for preparation of class work."

"The whole tendency of Greek letter fraternities throughout the country is in modifying the life to the best traditions of intellectual endeavor."

"The phrase 'hell-week' does not appeal to me as being a very appropriate expression for college men in connection with their initiatory ceremonies. I would like to see the fraternities in the University of Oklahoma take the initiative in the reform of these initiatory ceremonies."

Botanists Will Hold Session In Mountains

The Botany Department will have a summer session in the Rocky Mountains during the summer of 1927. The students will spend their time at Camp Olympus and in the Rocky Mountain National Park.

An enthusiastic response in 1926 amply justifies the continuation of the work for another summer according to Dr. R. J. Pool, chairman of the Department of Botany.

The work will begin in Estes Park, Colorado, on June 7, and will continue for the same period as the term at Lincoln, closing on July 13. The student should be able to make this trip for about \$165 as is shown by the costs of past summers.

How Leaders Stand In Valley Basketball

710 Books Taken In At Y.M.C.A. Exchange

710 books were taken in by the University Y. M. C. A. Book Exchange up to Monday morning at ten o'clock. The bringing of books has practically ceased. Out of that number of books taken in 269 books have been sold; 47 withdrawn.

The books that are now on hand will be used in the summer session of the fall session, although some of the modern language books will undoubtedly be used late in the present semester.

Books can still be turned in for sale. All those who have turned books in are urged to collect if they have been sold. Plans are being laid to advertise extensively the Book Exchange at the beginning of the next semester of the regular school year.

Amberson, '11, Visits Ferguson

A. Boyd Amberson, '11, called on Dean O. J. Ferguson of the college of engineering Wednesday. Mr. Amberson is in the employ of Peter Kiewit's Sons, contractors of Omaha who have the contract for the new Burlington station in Lincoln.
