

GRAPPLERS TO IOWA SATURDAY

Nebraska Wrestlers to Try Skill Against One of Big Ten's Best

The second team to represent the University of Nebraska in sportdom Saturday is Coach Kellogg's Husker wrestling team which meets the strong University of Iowa grapplers at Iowa City Saturday afternoon. The Nebraska wrestling team will leave for Iowa City at 1:15 o'clock this afternoon.

The Iowans have one of the strongest wrestling teams in the Big Ten and have not lost a match this season. They have won from two Big Ten wrestling teams, beating Minnesota 12 to 9 and Illinois 19 to 6. This will be Nebraska's only match with a Big Ten team this season. The Huskers are standing fourth in the Missouri Valley and have lost but one match and that to the Cyclones, winning the other two conference bouts with Missouri and the Kansas Aggies. Kellogg's lineup is somewhat changed from that which met the Ames grapplers last Saturday. Max Karrer, Benedict, won back his right to represent Nebraska in the 125-pound division when he got the time decision over Carpenter in the final try outs Wednesday night. Albro Lundy, light heavyweight won from Verle McBride, Belgrade, with a time advantage in the elimination bouts.

The other members of the Cornhusker team who will leave for Iowa City are Captain Brannigan who wrestles in the 145-pound division, John Kish, 115; Joe Toman, 158; E. Luff, 135 and Davis and Lundy in the heavy division. The squad that makes the trip will include these seven men and Coach John Kellogg. No alternates will be taken.

IN THE VALLEY

By JACK ELLIOTT

Yunker, Missouri forward still continues to lead the conference scorers with a total of 89 points accumulated in seven Valley games. The Tiger forward has snagged 34 field goals for his record and 21 free throws. Byers, the Kaggie ace is second with Myers of Drake and Captain Smaha close behind. Byers has managed to get 35 field goals but only seven pointers from the free line.

The individual scoring for the first ten men are as follows:

Yunker (Mo.)	7	34	21	89
Byers (Kan. Ag.)	7	35	7	77
Myers (Drake)	9	27	22	76

The Washington Bears will meet the Cyclones in a dual swimming meet at St. Louis Saturday night in the Wilson pool. Coach Artie Eilers has pronounced his squad to be in excellent condition and is confident of taking the Iowans into tow.

Nebraska abolished their swimming team with baseball last year and is another one of the sports that should be put back into the University of Nebraska sport lineup. Baseball teams throughout the Missouri Valley are swinging into action for the coming season, while the Nebraskans are content to sit back and take on the atmosphere of a spectator.

Should the Kansas Jayhawkers defeat Ames in the dual wrestling meet this Saturday, the Kansas matmen will be rated as having one of the best squads of grapplers in the Valley. The Iowa Staters have consistently produced a winning team in wrestling and from their record so far this season they have the best team that ever represented the school.

Ted Page, the Husker center, says that the Oklahoma Sooners are the cleanest basketball players that he has ever played against. It speaks well for the Oklahoma five and also goes to show how the Husker five appreciate clean sportsmanship. Page has been fouled more than any member of the Nebraska quintet. It seems very easy for an opposing player to hang on to the Cornhusker center when he is attempting one of his tip-in shots.

Three teams will represent the University of Nebraska Saturday in the field of sport. Coach Black and his Husker cage team will be battling it out on the Coliseum floor with the Oklahoma Aggies, Coach Henry "Indian" Schulte will have his Nebraska track team at Kansas City for the Kansas City Athletic Club meet at Convention Hall, and Coach Kellogg and his Nebraska wrestlers will be at Iowa City for a mat meet with the University of Iowa grapplers.

U. of W. Has New Style Debate
Embodying a pseudofudgeship and a system of cross-questioning, an entirely new style of debate will be inaugurated at the University of Washington this year. The new form will consist of a 20 minute speech from each of the team, each talk being followed by 10 minutes questioning, and a final 10 minute summary and rebuttal for each side.

ELEVEN TRACK MEN MAKE TRIP

Cornhuskers Leave Tonight For Annual K. C. A. C. Indoor Classic

Eleven men will make up the University of Nebraska track and field squad which will compete in the annual Kansas City Athletic Club indoor meet at Kansas City Saturday afternoon and evening. The team, accompanied by Coach Henry F. Schulte will leave this evening.

Headed by Captain Stephens, the men who will make the trip are, Krause, Hurd, Ashburn, Johnson, Tappan, Campbell, Davenport, McCarty, Chadderden and either Marrow or Fleming. Stephens will run in the 50 yard dash. Krause will take care of the hurdles for the Cornhuskers.

Glen Johnson and Bob Davenport will represent Nebraska in the Shannon Cup race at 600 yards in an attempt to bring the cup won by Jimmy Lewis last year and the year before back to Lincoln. With Campbell and Tappan, these two men will make up a mile relay team to compete with the fast quartet from Kansas University. Campbell will lead off with Johnson running anchor on the team.

Chadderden will be the Husker's sole entry in the mile and with McCarty running the two-mile without a team-mate. Hurd and Ashburn will work in the shot put. Marrow or Fleming will be taken for the high jump. Marrow had looked the best until last night when Fleming got over the bar at 5 feet 6 inches without difficulty.

Kappa Sigma's defeat eliminates them from the championship of class A and the remaining game on the Phi Sig schedule will prove the deciding contest of the tournament when the Phi Sigs and Sigma Phi Epsilon clash Saturday morning. The class B championship was won by Kappa Sigma.
