

KAPPA SIGS SCORE HIGH IN TOURNNEY

Defeat Zips in Close Bowling Match; Krall is High Point Man With 232 Score

Thursday's Results
Kappa Sigs, 2443; Xi Psi Phi, 2307
The Kappa Sigs won from the Zips Thursday evening in a very heated match. It was by far the best match of the tourney, both teams functioning very well. The games were close and interesting. The Kappa Sig team made some good individual scores, but they did not beat that made by Krall in the first round. Krall made a score for a single game of 223 which is the second high score made throughout the tournament. He made a score of 232 in the first round.

The Zips accounted for themselves very well but were overcome by the high score of the Kappa Sig team. Both teams were the best that have bowled in the tournament, although there was some very good material in the meet. This is the largest tournament that has ever been held at the University. The reason for this is that it has never been made an annual affair, until a few years ago. The interest up to this year has been poor but it is hoped that in the future a greater interest will be taken.

Evenly Matched
The game last evening was evenly matched which is shown by the scores of the game. The Kappa Sigs score for the three games is the highest that has been made in the tournament. The score was 2443 and the second was 2414, also made by the Kappa Sigs. The high individual scorer of the evening was Krall, Kappa Sig, who made 560 for a total of the three game and 233 for a single game. He held the other high individual honors with 609 pins for the match and 232 for a single game. Walters, Ekstrom and Hamilton were the only three other men to crack the 200 mark in Thursday's match. Hamilton made the high score for the Zips with 532 pins and has made a good score throughout the tournament but has had some tough breaks. Raelly has followed close at his heels in the tournament. The Zips have had a good average throughout the tourney but have had no individual scorers.

The summary of Thursday's match follows:
Kappa Sigs—
1st 2nd 3rd Total
Walters 202 162 159 523
Ekstrom 145 164 211 520
Reynolds 99 121 155 405
Paulsen 182 174 121 477
Krall 147 223 199 569
Grand Total 778 834 836 2443
Xi Psi Phi—
1st 2nd 3rd Total
Raelly 162 170 165 497
Hamilton 145 164 211 520
Stevens 135 139 152 426
Beck 160 154 130 444
Piller 147 146 111 404
Grand Total 769 775 763 2307

SMAHA NAMED ON ALL-VALLEY TEAM

Nebraska Forward on First Team of Iowa State Coaching Staff Valley Selection

Ames, Iowa, March 5.—Special: Six Missouri Valley conference schools have been honored on the first all-conference team of this year, the selection being made by the coaching staff at Iowa State. On the all-Valley first team, Kansas, conference champions, has two men, Peterson, center and Captain Burton, guard. One Kansas Aggie man, "Lefty" Byers, is first choice at forward, while Smaha, star of the Nebraska team is at the other forward. Freddie Kling, Iowa State's sensational running guard, is the only Cyclone player honored. Kling is considered one of the cleverest guards that has ever worn the Cardinal and Gold basket ball togs.

On the second all-Valley team Yunker of Missouri has been placed at one forward and has for his running mate Schmidt of the championship Kansas team. Two members of the Oklahoma University five are on the second selection, Victor Holt, elongated center, and Le Crone, guard. Holm of Nebraska is given the other guard assignment.

The Iowa State coaching staff teams: First team:
F.—Byers, Kansas State.
F.—Smaha, Nebraska.
C.—Peterson, Kansas.
G.—Burton, Kansas.
G.—Kling, Iowa State.
The second selection:
F.—Yunker, Missouri.
F.—Schmidt, Kansas.
C.—Holt, Oklahoma.
G.—LeCrone, Oklahoma.
G.—Holm, Nebraska.

IN THE VALLEY

By JACK ELLIOTT

Track fans had a fine chance to see one of the nation's famous runners Saturday when Roland "Gip" Locke ran some exhibition dashes during the Kaggi-Nebraska meet. The Nebraska comet was taking it easy in order not to strain himself but it gave fans a close-up opportunity to see Nebraska's foremost runner work out.

Locke is just beginning to get into shape for the meets he plans to compete in later in the spring. But he isn't going to compete until he is in shape. The mid-west is satisfied that Locke is the greatest sprinter in the world. Coach Schulte knows it. And he is not going to run any risks of hurting Locke's chances to set more world's records by letting the North Platte runner "pull" himself.

The best thing about Locke has been the fact that his University work has always come before his track work. His track progress has often been retarded and he has missed several meets because he put scholastic standing first. Different from many athletes, Locke is building on a permanent rather than a temporary basis.

Coach "Phog" Allen's Kansas Jayhawkers cinched the Missouri Valley basketball title by their victory over Missouri Wednesday night. This makes the sixth straight basketball title the Kansas school has captured after getting a poor start early in the season by dropping two games to Iowa State and Nebraska. Not only did Kansas get the title but got the high scorer in the Valley when Peterson snagged 22 points in the Missouri game. Captain Clark Smaha was severely injured in the Ames-Nebraska game and his chance to capture the high scoring honors was just about completely ruined. Clark has been one of the foremost scorers in the Valley this season and his injury in the Iowa State game was a great blow to the Husker quintet.

Again free throws won a game in the Missouri Valley. In the Washington-Oklahoma game which Oklahoma won last Monday, free throws were the deciding factor in the 22 to 17 win for the Sooners. Ten free throws out of 13 trials was the feat the McDermott men performed to win the game. Both teams made the same number of field goals.

Iowa State will be host to a large vanguard of amateur wrestlers from all parts of the United States when they gather for the National Amateur Athletic Union wrestling tournament on March 24, 25 and 26. Among the teams that will attend the Oklahoma Aggies, champions of the Missouri Valley in '26, University of Iowa, University of Nebraska, University of Illinois, and the University of Oklahoma.

The wrestling meet at the Coliseum Thursday afternoon with Polly Wallace's Oklahoma Sooner grapplers was one of the closest matches Nebraska has featured in this season. The Sooners took the long end of the count 13-2 to 9-1-2 but the score fails to indicate how close the meet was. Two of the matches went for two overtime extra periods and one ended in a draw. The last match of the meet was one of the greatest exhibitions of real aggressiveness that Nebraska has put forth this season. Verle McBride, wrestling in the heavy division threw the Oklahoma grappler in seven minutes and forty-eight seconds. McBride went into his opponent with the tact of a finished football player and with a neat tackle around the knees soon was behind his opponent and after seven minutes of various head spinnings, the Nebraska grappler had his man pinned to the mat.

A Texas minister says that he doesn't believe a tadpole could be made into a college professor in 6,000,000 years. Probably he does not know some of our professors.

256 TEAMS PLACED IN SIXTEEN CLASSES

Iowa State Leads in Honor Certificates For Campus Publications

Ames, Iowa, March 5.—Special: Iowa State College heads the list of Iowa schools in the number of honor certificates won by campus publications, the Green Gander, the Iowa Agriculturist, the Iowa Engineer and the Iowa State Student, received a distinguished rating. The contest followed the congress at the University of Illinois in November. This year's meeting will be in November at the University of Oklahoma.

Iowa Schools were third in total number of awards won. Pennsylvania and Massachusetts were tied for first place with 20 awards each, Illinois was next with 17 awards, with Iowa and New York third with 14 awards apiece. Canada won 13 places. Twelve states only received one award, and two states were given but two. New Mexico received none.

SOONERS COMPLETE SEASON THIS WEEK

Oklahoma Scheduled to Finish Missouri Valley Basketball Conference Soon

Norman, March 5.—(Special)—The Sooners were scheduled to complete their Missouri Valley conference basketball season this week with games with Washington and Grinnell, Monday and Friday, respectively. The Sooners will play a non-conference game with the valley leading Kansas quintet March 8.

With six wins and four defeats, the Sooners began the last week of its schedule hoping to finish second in the conference race or tie with Nebraska for the second position. Kansas, with only two defeats, is doped to win the title for the fifth consecutive year. Oklahoma previously defeated both Grinnell and Washington on foreign courts and was expected to turn the trick again at Norman.

Oklahoma jumped from fifth place to third in the conference Saturday night by virtue of its 43 to 20 defeat of the Missouri Tigers. Missouri managed to keep pace with the Sooners for the first few minutes of the game but a scoring spree by Drake and Holt gave the Oklahoma a lead that was widened as the contest continued. Pinkerton and LeCrone, guards, featured in the Oklahoma offensive each dropping the ball through the loop for needed counters. LeCrone now leads the valley guards in scoring.

The Missourians' invasion of Oklahoma proved disastrous to their title ambitions when they were defeated by both Oklahoma Aggies and the Sooners. They have one more conference game to play with Kansas, at Lawrence.

TRACK SQUAD WINS FROM KAGGIES

(Continued from Page One.)
his first intercollegiate race, after being set back a foot, stepping the 50 in 5.6 seconds for first place. Stephens and Lowe finished second and third, whitewashing the Kaggier in the opening event.

Locke Runs Two Exhibitions

Locke ran two nice fifty-yard dashes, beating Art Easter, freshman, the first time by barely eighteen inches in 5.6 seconds. In the second race, Locke broke the tape a good four feet ahead of the Cambridge lad, for a time of 5.5 seconds. Trumble and Keiss, freshman hurdlers broke even in the exhibition hurdle races. Weir was suffering from a sore throat and did not compete.

Wirsig got over the bar at 12 feet 4 inches in the pole vault. Kaggies didn't enter any men in this event which gave the Huskers another clean sweep. McCarty, after treading on Axtell's heels for practically the whole distance, swung out in the last lap to win the 2-mile run in 10:08. Frank Dailey took the 440 in 53 seconds with Gartner of Kaggies nosing out Campbell, Nebraska sophomore for second place.

Kaggie Hurdler Beats Krause
Krause, sophomore hurdler, who was individual point winner in the meet with the Nebraska college conference winners and winner of the high hurdles at the K. C. A. C. meet found the going a little tough Saturday. Fairchild, Kaggie hurdler crack, breast the tape ahead of Krause in both the high and low barrier races.

"Chief" Enkins showed a few of his stunts for the crowd Saturday, high jumping 5 feet 9 inches, three inches better than the best meet mark. He also broad jumped 22 feet 7 inches. Bauer, another freshman, got over the bar in the high jump exhibition at 5 feet 8 inches, also better than the winning height of 5 feet 6 inches in the meet. Sneath led Wyatt and Dexter to the tape in an exhibition freshman 660-yard run, breaking the tape in 1:27.

Summary:
50-yard dash: Doty, N.; Stephens, N.; Lowe, N. Time 5.6.
60-yard high hurdles: Fairchild, K.; Krause, N.; Fleming, N. Time 6.8.
60-yard low hurdles: Fairchild, K.; Krause, N.; Marrow, N. Time 6.2.
140-yard dash: Dailey, N.; Gartner, K.; Campbell, N. Time 53.00.
880-yard run: Moody, K.; Johnson, N.; McGrath, K. Time 2:01.5.
1-mile run: Johnson, N.; Moody, K.; McGrath, K. Time 4:30 (New track record).
2-mile run: McCarty, N.; Axtell, K.; Cummins, N. Time 10:08.0.
Broad jump: Stephens, N.; Andrews, N.; Doty, N. Distance: 23 feet 2 inches (new varsity indoor record).
High jump: Tie for first between Burton, K.; Fleming, N.; Marrow, N.; and Gillilan, N. Height: 5 feet 6 inches.
Pole vault: Wirsig, N.; tie for second between Downie, N. and Shaner, N. Height 12 feet 4 inches.
Shot put: Ashburn, N.; Hurd, N.; Lyon, K. Distance: 42 feet 2 inches.
1-mile relay: Kansas Aggies (Gartner, Brookway, Axtell, Moody). Time: 3:46.9.

Fads Take College Man's Money

The State College of Washington says that the stamping ground of the "fads" is the American college. Institute an attractive novelty in wearing apparel on the college ground, and it will sweep the campus like wildfire. Up and coming clothing jobsbers see that the varsity sport shops throughout the country have an advance window display each season of the current sweater, the month's newest tie, the week's hit in handkerchiefs.

Styles may come and styles may go, but it's the "little fads" which take the college man's money! Variety being the spice of life for the carefree collegian, he falls an easy prey to each splashy innovation. Men and women alike have taken their turn at baz-baz coats, slickers, sweat-shirts, sloppy socks, galoshes, plus fours, etc., etc., with room to wonder what new accoutrement is to brighten the spring weather at the State College. If fads, like styles, revolve in cycles, the novelty designers will be harking back to the days of bowler hats, psychic knots and pompadours, when bicycling was all the rage, to see what whims distracted the students of earlier days.
