

SCHULTE FACES TOUGH PROBLEM

Job of Picking Men for California Trip Is More Perplexing After Saturday Trials

SHOWING NOT TOO GOOD

"Rotten" was Coach Schulte's only word after the track tryouts for the California trip at the stadium Saturday afternoon. But the veteran coach's face was wreathed in a big smile that indicated that he was not entirely devoid of hopes despite the relatively poor showing in the trials. He indicated that the problem of which men to take in the limit of twenty was worrying him fully as much as the marks made.

Glen Johnson's 1:59 time in the 880-yard run was the best performance of the day. Lemly, lanky sophomore, put up a good race in the 880 to finish second to Johnson with a time of slightly over 2 minutes. Sneathin, freshman, led the rest of the varsity half-mile candidates to the tape, nosing out Dexter, who has been ineligible so far this season. Chadderdon, running his first lap too fast, finished a poor fifth.

Chadderdon Wins Mile
Chadderdon returned in the mile, however, to win in 4:38.5 time, beating out Sprague. Lemly, also doubled back in the mile, placing third, overtaking a long lead Kibble had piled up at the beginning of the last lap.

"Stew" Campbell, sophomore, furnished a big upset for the dope when he ran a beautiful 440 to edge out a victory over Bob Daveport, in 52 seconds flat. Daveport made the distance in 52.2. Frank Dailey and young Wyatt, freshman, turned in another fast quarter-mile in the second heat, Dailey winning in 51.8 seconds. Young Wyatt made it in 52.5 seconds. "Perly" Wyatt was kept out of the quarter, having already run the 100 and 220 yard dashes.

Wyatt Takes 220
Wyatt won the 220 handily in 22.5 seconds but was forced to be content with second in the 100. Lowe, another sophomore, won the 100 yard dash in a slow race, hitting it off in 10.2 seconds. Lowe finished third in the 220. Dailey, after taking third in the 100, returned to place second in the 220. Later he took second in the 200 yard low hurdles, and ended up with his fast quarter-mile race.

Krause took the 120 yard high hurdles in 15.9 seconds, only fair time. Fleming dropped out after hitting a hurdle. Arganbright, new prospect discovered earlier in the week finished second in the high hurdles but dropped out in the low barrier race after losing his step. Krause led the low hurdlers to the last hurdle. His step was a little short and he took the hurdle down with his front foot, winding himself up in it. As a result of the mishaps in the hurdles, Coach Schulte announced that both races would be run over again next Tuesday.

Stephens' Knee Improving
Captain Stephens was missed in the broad jump as well as in the sprints. His knee is steadily limbering up. Andrews took the broad jump with a leap of 21 feet, 1-1/2 inches. Frank Wirsig cleared the bar at twelve feet in the pole vault.

Ashburn won the shot put at 43 feet 2-1/2 inches with Hurd half a foot behind. Hurd threw the discus 135 feet in practice but made only 131 feet in the trials to place third. Durisch, who had thrown the platter 134 feet 5-1/2 inches in practice, also fell down, but won the discus trials at 132 feet 11-1/2 inches. Pospisil, with a throw of 132 feet 1 inch was second.

Almy won the javelin easily with a throw of 169 feet 1 inch. Roy Mandery and Gerald Wirsig finished second and third with best marks respectively of 156 feet 5 inches and 152 feet 10 inches. Ted Page took the high jump at 5 feet 6-3/8 inches without serious competition.

Hays and McCartney Tie
Frank Hays, after being in bed the first part of the week and without practice for a week, limbered up to catch McCartney at the finish of the two-mile for a perfect tie. They ran the distance in 10 minutes 4 seconds. Januelvics, running his third race in competition, showed that before the season is over he is likely to be a dangerous distance man. He finished third in the two-mile in 10 minutes 8 seconds.

The weather man squared away Saturday to give the Huskers their first decent day for tryouts. A slight breeze blew occasionally but the weather was good track weather for this time of year.

Coach Schulte is still up a stump in regard to which men to take. Wyatt, Dailey, Davenport, Johnson, Chadderdon, Hays, McCartney, Krause, Andrews, Page, Wirsig, Ashburn, and Almy look to be sure of

making the trip. Picking the last six or seven men is going to be a tough job. Sprinters, middle distance men, and weight men are about evenly matched.

Results follow:
100-yard dash: Lowe, Wyatt, Dailey, Doty, Krause. Time: 10.2.
220-yard dash: Wyatt, Dailey, Lowe, Doty. Time: 22.5.
440-yard dash: First heat: Campbell, Davenport, Hoffman, Ritcher, Varney. Time: 22.0. Second heat: Dailey, E. Wyatt. Time: 21.8.
880-yard run: Johnson, Lemly, Dexter, Chadderdon. Time: 1:59.
1 mile run: Chadderdon, Sprague, Lemly, Kibble. Time: 4:38.5.
2 mile run: Hays and McCartney tied for first; Januelvics, Cummings. Time: 10.4.
110 yard high hurdles: Krause, Arganbright, Leffler. Time: 15.9.
220-yard low hurdles: Leffler, Dailey, Fleming. Time: 25.9.
Broad jump: Andrews, Doty, Holmes, Fleming. Distance: 21' 1 1/2".
High jump: Page, Fleming, tie for third between Andrews and Gillan. Height: 5' 6 3/8".
Pole vault: F. Wirsig. Height: 12 feet.
Shot put: Ashburn, Hurd, Molten. Distance: 43' 2 1/2".
Discus throw: Darfach, Pospisil, Hurd. Distance: 132' 11 1/2".
Javelin throw: Almy, R. Mandery, G. Wirsig. Distance: 169' 1".

IN THE VALLEY

By JACK ELLIOTT

The 1927 officials for Nebraska football games have been selected and assigned, according to H. D. Gish, athletic director. Among the list of referees are several well known officials, Walter Eckersall working the Pittsburgh-Nebraska game, and Frank Frank the New York University game here Thanksgiving day.

Suggestion that the proposed two-team plan of sport competition be given a trial in the 1928 basketball season will be made by Dr. F. C. Allen, director of athletics at Kansas university at the next meeting of directors of the Missouri Valley conference. E. M. Hopkins, president of Dartmouth, suggested the plan for all college sports, one home team meeting an opponent while a second team visited that same opponent's home field. "Phog" Allen does not believe the plan entirely feasible at least for football this year, but believes it worth trying in basketball.

Since the break up of the Big Three in the east, the eastern schools are instigating a conference of the ten big Eastern colleges and universities along the line of the Big Ten

of the Western conference. The schools which might enter the proposed Eastern conference are; Yale, Princeton, Brown, Army, Navy, Columbia, Dartmouth, Cornell, Pennsylvania and Penn State. In the past the East has been the only section of the country which has lacked a representative conference of eastern school sports. The far west has the Pacific Coast conference, the middle west, the Missouri Valley, the south all have their representative groups. A Big Ten of Eastern schools would bring the country to a formation of a national conference system that would promote a higher standard.

The swimming team of one Missouri Valley school entered the western A. A. U. swimming meet at Kansas City, Mo., Saturday. The Washington university aquatic squad of St. Louis, twice champions of the Missouri Valley conference were the only conference representatives.

PERSONNEL SYSTEM IS IN USE

Iowa State College Will Make Survey Of College Careers
Ames, Iowa, March 26.—Special: Following the favorable action by the board of deans at Iowa State College regarding student personnel system a faculty committee is now busy perfecting plans to start the system at the opening of the next school year in September.

Under the proposed system information relative to each Iowa State student will be gathered and filed for the benefit of both the students and the prospective employer. Not only a student's grades, but information concerning his activities, his fraternal affiliations, the strengths and weaknesses of his personality and his pictures as a freshman and senior, will be gathered together and filed. The

college deans feel that such a survey, because of its completeness, will be a service to both student and prospective employer.

Most of this material is now extant in the various offices of the college. The organization committee is working out a system whereby the present faculty will assume the responsibility of collecting and organizing this personnel information.

C. W. READING
from forest to store manager
"After graduating from Illinois in June of '22 I started to learn the business of wood preservation with a company whose president was a close personal friend. As I learned more of the work, I could see less of a real future in it.
Having heard of Kresge's methods and Kresge's prospects, I investigated as thoroughly as it is possible for an outsider to do. This convinced me that there was more opportunity for advancement with this company than with any other I knew anything about.
All my friends argued against the idea of my becoming a stockman in overall. They laughed at me for giving up an almost sure thing to go to work for a big corporation where no one knew me.
Today, as a store manager, I can smile at these friends for I am making more money than any of them. I have gone further socially, financially, and in every other way, than would have been possible in so short a time in any other business.
And I have just started! With the company expanding as it is, the opportunities are unlimited."
C. W. Reading
Your college career will soon be over. And then you must choose your life work. How important it is that you get started right. And it is entirely up to you! You may start in a position that pays well now, but which offers little or no opportunity for advancement. Or you may start for a little less in a job where there is much to learn, but which offers an unlimited future to those who are faithful and willing to work and study hard.
We start college men at the bottom. But as they learn and advance we pay them more. In a few years they may become store managers—dignified positions which pay high salaries.
If you are interested in the job with a future, write now to our Personnel Department. We will send a man who has already found success with this organization, a graduate of your own college, to meet you and tell you more about our business.
