APPOINTMENT OF OFFICERS IS ANNOUNCED

Colonel Jewett Makes Public New Leaders in Drill Companies
LAST YEAR'S PLAN USED
Only Juniors Are Made Sergeants and Only Sophomores Are Corporals

Col. F. F. Jewett, of the military department, yesterday published special orders concerning the appointment of all non-commissioned officers in the R. O. T. C. regiment. The new sergeants and corporals were selected according to last year's plan, of allowing only juniors to hold the positions of sergeants, and only sophomores to be corporals. However, a few exceptions were made in the latter case.

The appointments were made on the basis of the ability and efficiency of the men as shown both in the class room and on the field. The following named men are appointed to the grade shown and assigned to organizations as indicated:

- Regimental Sergeant Major: W. Keith Miller (attached to Co. E.)
- Battalion Sergeant Major: Ilo A. Trivette, assigned to First Battalion (attached to Co. B); Melvin Harris, assigned to Second Battalion (attached to Co. G); Charles E. Olmstead, assigned to Third Battalion (attached to Co. I)
- Color Sergeant: Don J. Randall (attached to Co. G); Joseph W. Stenner (attached to Co. I)
- Technical Sergeant: Henry E. Jorgensen (attached to Co. F); William F. Matzschka (attached to Co. M)
- First Sergeant: Anton L. Frolik, assigned to Headquarters (attached to Co. A); Robert B. DeFord, assigned to Co. B; Robert H. Douglas, assigned to Co. D; Edward E. Matzschka, assigned to Co. E; William L. Stueker, assigned to Co. F; Kenneth K. Matzschka, assigned to Co. G; Donald Spiker, assigned to Co. H; L. Parker Matthews, assigned to Co. I; Debra C. Lettifer, assigned to Co. K; Alcorn B. Johnson, assigned to Co. L; Vernon W. Carlson, assigned to Co. M; Russell E. Doty, attached to Co. E
- Sergeants assigned to Headquarters: Co. W. Stewart Campbell, James W. Rooney, William J. Simic
- Assigned to Company A: Casper M. Benson, Arthur Sweet
- Assigned to Company B: Albert J. Barstow, Floyd H. Bridges, Ernest L. Collins, Herbert Newell, Richard D. Reed, George F. Scovier
- Assigned to Company C: Harland G. Robinson, Wm. A. VanWick, Nick Amos, Jr., assigned to Company D: Ernest L. Dune, Keith A. Eddy, Lamin F. Otradosky, Jake F. Stoffer, Jr.
- Assigned to Company E: Clifford L. Bier, Forrest J. Horton, J. Lee E. Collins
- Assigned to Company G: Leon W. Ashton, Fred S. Claus, Bernard E. Halsted, Roy E. Hill, Ernest M. Lohr, Frank H. Prichard, Louis V. Smetana, Frank C. Summers
- Assigned to Company H: Kenneth R. Smith, Gordon T. Steiner, Addison D. Davis, Alton M. Pardee
- Assigned to Company I: W. W. Cook, Eugene O. Kline
- Assigned to Company K: Glenn L. Bennett, Gordon Cress, Russell B. Lindskog, H. H. Stephens, Richard D. Reed
- Assigned to Company L: J. Don Chaloupka, Lloyd Effling
- Assigned to Company M: Strawn Morgan, Marion W. Schewe, Robert F. K. Smith, Delazeb W. Utter, Fred W. Walters

RESULTS OF RECENT DEBATES COMPILED

Secretary of High School Debating League Announces Scores of Contests

Results of recent high school debates, held under the auspices of the Nebraska High School Debating League, have been announced by the secretary of the league, Supt. C. K. Morse of the Nebraska School of Agriculture at Curtis.

Eighty-nine Nebraska high schools are members of the league this year. They are debating the principles of the Curtis-Reed bill, which would establish a federal department of education with a secretary in the president's cabinet. The schools are divided into twelve districts. District winners will meet at the University of Nebraska about the middle of May to decide the state championship.

- The results announced by Mr. Morse:
- Auburn (Negative) defeated Pawnee City (Affirmative), 1 to 0.
- Blair (A) defeated Tekamah, 1 to 0.
- Plattsmouth (A) defeated Raymond, 1 to 0.
- Syracuse (N) defeated Pawnee City, 2 to 1.
- Blair (N) defeated Lyons, 3 to 0.
- Loup City (A) defeated St. Paul, 2 to 1.
- Brook (N) defeated Tecumseh, 2 to 1.
- Ceresco (A) defeated Raymond, 3 to 1.
- Beatrice (N) defeated Holmesville, 3 to 0.
- Auburn (N) defeated Tecumseh, 2 to 0.
- Oakland (A) defeated Tekamah, 3 to 0.
- St. Paul (A) defeated Cedar Rapids, 2 to 1.
- Norfolk (N) defeated Battle Creek, 3 to 0.
- York (A) defeated Aurora, 3 to 0.
- Havelock (A) defeated Plattsmouth, 3 to 0.
- Diller (A) defeated Holmesville, 3 to 0.
- Auburn (N) defeated Peru, 3 to 0.

Dean James To Speak At Phi Beta Kappa Initiation

Dean Herman G. James, of the College of Arts and Sciences and the Graduate College, will give the address at the annual initiation of the University of Oklahoma chapter of Phi Beta Kappa April 25. His subject will be "The Present, Past, and Future of the Arts and Science College." While in Norman Dean James will also give a talk on "Our Relations with Latin America" at a general convocation of University of Oklahoma students.

GLEE CLUB HOME FROM ROAD TRIP

Men's Organization Returns From Annual Spring Tour Of Nebraska Cities

The University of Nebraska Men's Glee Club returned Friday night from a trip that carried them to the Nebraska towns of David City, Schuyler, Stromberg, Grand Island, Aurora, and Utica. Large and appreciative audiences greeted the club at most of the stops on the trip.

The program, in good shape before the road tour was started, has rounded up nicely, according to Herman T. Decker, director. Intensive rehearsals by the full club during the next month will put the concert in a finished state for the home concert to be given at St. Paul's Methodist church Sunday evening, May 15.

HOME CONCERT IS IN MAY

"The Voyage of Columbus", a cantata in six night scenes, by Dudley Buck, is the feature number of the club's program this year. It is considered an especially fine bit of work and was highly enjoyed by music lovers who heard the organization on its spring trip. The part of Columbus is sung by Paul Pence, baritone, and William Damme, bass, sings the part of the priest. This cantata will be presented at convocation at the Temple theater some time in May, and will also be a part of the home concert.

The program used on the tour was varied for the last three stops. The skit which was to have been put on by members of the University Players was changed to a minstrel show. Mr. Decker, as interlocutor, and Dean Brown and Robert Collins as endmen, furnished the "wise cracks"; the Variety quartet sang "Blue Skies"; Wallace Barta gave several readings; and Kenneth Cook and Carl Olson entertained with "A Little Close Harmony." The program closed with a group of school songs, according to Kenneth W. Cook, business manager.

Week-end Trips Are Planned
Several week-end trips are being contemplated for the remainder of the school year, including trips to Hastings and Omaha. Following the (Continued on Page Three.)

Nebraskans To Be Attendants At Convention

The department of physical education for women is to be well represented at two national meetings which will be held this week. Miss Mabel Lee, head of the department, left Friday for Iowa City to make final preparations for the national meeting of the Association of Directors of Physical Education for Women in Colleges and Universities, which will be held there April 11 to 13. Miss Lee is president of the society. Misses Teresa Huesman, Dorothy Simpson, and Miriam Wagner, instructors in the department, will leave today to attend the director's meeting.

Main speakers on the program at this meeting will be Dean Seashore of the University of Iowa graduate college; Dr. Bird T. Baldwin, director of the Child Welfare Society of Iowa and Dr. S. T. Orton, mental hygienist, director of the University of Iowa psychopathic hospital.

Following this gathering the annual meeting of the American Physical Education Association will be held at Des Moines, April 13 to 16. Misses Clara Ransch, Bernice Belance, and Mary Wheeler, instructors in the department of physical education for women, will leave Wednesday to attend the Des Moines meeting. About a dozen young women who are majoring in the department are also planning to attend the convention, since most of the program is to be devoted to discussion of teaching methods.

Miss Lee is a member of the national council of this association and Miss Wheeler is a member of the national women's basketball committee. Miss Ransch, a member of the national women's swimming committee, will act as chairman of the group at Des Moines.

Mid-Semester Reports Reveal Fact That There Were 211 Delinquents

"Because of being delinquent in 2-5 of their hours following mid-semester reports, 211 students were requested to meet the Scholarship Committee," according to a report from Dean Chaburn's office. Of the 211 students, 105, or 50 percent, were freshmen, and 106 were upper classmen.

The committee suspended 14 of the 211, and of the 14 suspended 7 were freshmen. The 14 students were in the following colleges:

- Business Administration, 4.
- Engineers, 4.
- Arts and Science, 2.

The remaining 197 students, continued on probation for the rest of the semester, are in the following colleges:

- Fine Arts 12
- Teachers 27
- Engineers 40
- Arts and Science 47

Business Administration	27
Pharmacy	13
Pre Meds	17
Agriculture	7
Dentistry	6
Graduate	1
Total	197

Of these 197, 98, or 50 percent, were freshmen.

A total of 1306 students, or 22 percent of the total number of students enrolled in the University were delinquent in one or more subjects. This is a higher percent of delinquency than the first semester for at that time there were 1286 delinquent and the enrollment was larger than it is at the present time.

Out of the 189 students starting on probation the second semester, only 22 of them are now delinquent in 2-5 of their hours. A large majority of the students delinquent were persons who had not been so before.

April Awgwan Due to Appear First of Week

"The 'Scandal Number,' the April issue of the Awgwan, will appear tomorrow," states Alan McIntosh, associate editor of the publication. The usual features will be included. Bob Barr's Mirror will appear as will Aunt Mamie's Mail Box and The Scandal Sheet.

Work on the issue is now well under way, and the Awgwan staff considers this the best number they have published. The May publication will be the last sent out this semester.

The Awgwan staff states that anyone wishing to subscribe for next year may do so by calling at the office in the basement of University Hall. Copies will be sent to any address at a special rate.

ENGINEERS RETURN FROM KANSAS CITY

Engineering Students Complete Inspection Trip to Plants in Missouri and Kansas

Part of the juniors and seniors of the College of Engineering who made the annual inspection trip to Kansas City returned yesterday; the others are expected back today. The men who have not returned are those who drove down and those who are looking for positions with Kansas City engineering concerns.

The trip was made in order that the men might secure first-hand information regarding the construction and operation of engineering plants in Kansas City and surrounding industrial centers. The tours were arranged so that the representatives of each department had the opportunity of inspecting those plants which were of special interest to them.

Visit Points of Interest

In addition to the inspection of the plants, a general tour of the city was made to inspect some of the engineering achievements and to view points of interest in the city. The group was entertained at lunch as guests of the Kansas City Light and Power Company, Thursday.

The men made their headquarters at the Westgate Hotel, Kansas City, Missouri, and most of the men stayed there. They made daily trips to plants in Kansas City, Missouri, Kansas City, Kansas, Cement City, Missouri, and Sugar Creek, Missouri.

Ninety-five students and a committee of faculty members of the College of Engineering made the trip, representing the electrical, chemical, mechanical, civil, agricultural, and architectural departments.

The Engineers' inspection trip is an annual affair and is made by all juniors and seniors of the Engineering college who are able to go.

GRAMLICH BACK FROM UTAH

Judges Beef Cattle at Inter-Mountain Stock Show at Salt Lake City

Prof. H. J. Gramlich, head of the animal husbandry department of the College of Agriculture, has just returned from Salt Lake City, Utah, where he judged the beef cattle classes of the annual livestock contest of the 10th Annual Inter-mountain Livestock Show.

Professor Gramlich states that they had ideal weather out there during the show. The show had very good classes and the stock was very good. Large crowds attended the livestock exhibits and they displayed great interest in the cattle.

Mr. Earl Godfrey, of Cozad, Nebraska, had the prize winning carload of hogs at the show. They were Hampshire hogs and averaged 240 pounds per head. They could easily have been classified as very choice hogs. These were sold to Mr. George German, also of Cozad. Mr. Godfrey is an alumnus of the University of Nebraska College of Agriculture, having received his degree in 1915. The hogs were judged by Mr. Murphy, head of the Hog Department of the Cudahy Packing Company at Omaha.

While at Salt Lake City, Professor Gramlich had the opportunity of addressing the noon-day luncheons of the Kiwanis Club and also the Salt Lake City Chamber of Commerce.

The season in Utah and Southern Colorado is well in advance of the season in Nebraska. The alfalfa is well up in those districts and the crops are looking very good for this time of year. The prospects at the present time indicate a good crop for the west.

Pan-Pacific Group to Discuss Independence For The Philippines

The Pan-Pacific discussion group will consider the question of "Philippine Independence," Sunday afternoon at 4 o'clock in the Student Pastors' room in the Temple. The meeting will be presided over by Rafael Velosi, a Filipino student here, and a committee made up of other Filipino students has arranged for this meeting of the discussion group.

Edward Jennings will review the attitude which the United States has taken toward the Philippine question.

All faculty members, students, and townspeople who are interested in taking part in a discussion on the subject of Philippine independence, which is pertinent at this time, may attend the meeting.

Silk Worm Cocoons Received

A shipment of living native silk worm cocoons from New York has recently been received by the department of zoology. The specimens will be used in nature study classes.

Large Number of Nebraska Professors Are Included In the 1927 Who's Who

Over one-third of the professors of full professional rank in the University of Nebraska are included in the 1927 Who's Who. They were selected on account of special prominence in creditable lines of effort. The development of literature, science, art and other phases of American activities are pictured through the life sketches of these men and women.

Dean Chaburn

George Richard Chaburn, Dean of Men, was born near Magnolia, Iowa, on December 24, 1863. He received the degree of B. C. E. from Iowa State College in 1884, and C. E. in 1910. An A. M. degree was conferred upon him in 1897 by the University of Nebraska.

Dean Chaburn was a teacher in

the district schools in Shelby County, Iowa, from 1884 to 1885. He served as principal of a school at Plattsmouth, Nebraska, from 1885 to 1889. Mr. Chaburn was next superintendent of the public schools in Humboldt, Nebraska, from 1889 to 1891 and held the same position at Wyoming from 1891 to 1894. Successively he became instructor and adjunct professor of civil engineering at the University of Nebraska from 1894 to 1905, and associate professor and professor of applied mechanics and machine design since 1905, also head of the department of applied mechanics and machine design. Professor Chaburn also served as a railway and highway consulting engineer.

During the World War, Dean Chaburn had charge of the publicity and instructional work of the Students'

DEBATE SEASON IS CLOSED WITH AMES CONTEST

Negative Team Discussion At Iowa State Is Final of Forensic Battles
YEAR IS SUCCESSFUL ONE
Season Included One of the Most Extensive Schedules In Many a Year

Nebraska's negative debate team met Iowa State at Ames last night in the final debate of the season and upheld the negative side of a discussion of the merits of the McNary-Haugen farm relief bill.

The Cornhusker team is composed of Dennis M. Dean, '29, Seattle, Washington; Munro Kezer, '29, Fort Collins, Colorado; and John P. McKnight, '29, Auburn. McKnight replaced John A. Skiles, who was forced, at the last minute, to give up his debate work because of doctor's orders.

This is the first debate this year in which the negative team has worked as a unit. They have heretofore been accompanied by the affirmative team in split-team debates.

Ninth Debate of Season

This is the ninth debate of the season and closes the most extensive program Nebraska has scheduled for several years. All contests so far have been non-decision affairs.

The affirmative team, composed of David Fellman, Lloyd A. Speer, and Evert M. Hunt, with John P. Jensen as alternate, completed its schedule March 29, when it met the University of Kansas at Beatrice.

The Cornhusker teams have been trained this year by H. Adelbert White, formerly in charge of debates at Washington and Jefferson. Following the practice of the last eight years, there has been no actual faculty coaching of the team.

The Nebraska team left Lincoln for Ames Friday noon and is expected to return sometime today.

Rabbi Starrels Will Speak at World Forum

"Sanity in Religion" is the subject of the address which Rabbi S. E. Starrels will give at World Forum Wednesday noon. Mr. Starrels is well known to many who have attended World Forum in previous years, and is always a very popular speaker with this group.

World Forum is being resumed after a few weeks in which no forum was held due to mid-semester examinations, illness of one of the speakers, and spring vacation. World Forum will be held Wednesday noon, as usual, at the Grand Hotel during the remainder of April.

Tickets are twenty-five cents and may be obtained at the Y. M. C. A. office in the Temple, at Miss Appleby's office in Ellen Smith Hall, or at Vesper's Tuesday evening. Tickets must be secured before Tuesday evening at six o'clock.

May 15 Is Date Set For Glee Club Home Concert

Sunday evening, May 15, has been definitely set as the date for the annual home concert of the University Men's Glee Club. A full evening's program will be sung and several special instrumental numbers will be added for the occasion.

Mother of German Instructor Is Ill

Miss Margaret Hochdoerfer, instructor in Germanic languages in the University of Nebraska, has been called to Springfield, O., where her mother is seriously ill.

CORNHUSKERS VANQUISHED BY CALIFORNIA TRACKSTERS

Coach Henry F. Schulte's University of Nebraska Track Team Badly Beaten by West Coast Outfit. Bears Run Up 85 to 46 Score in Saturday Meet

LOCKE LOSES TWO EXHIBITION RACES TO PHIL BARBER
Nebraska Comet Beaten by Narrow Margin in Century and Furlong Dashes. Johnson Stars for Nebraska With Firsts in Half-mile and Mile Runs

BERKELEY, Calif., April 9.—(Special to The Daily Nebraskan)—The long trip and hasty meets coupled with the injuries of Captain "Bobbie" Stephens and Perley Wyatt, Valley quarter mile champion, took its toll of the Cornhusker track squad, the final count finding Nebraska on the short end of an 85 to 46 score. Thirty-five hundred people watched Barber beat "Gipp" Locke in the special century and furlong races. Hail and rain fell throughout the meet.

Glenn Johnson surprised every Californian when he easily outdistanced Schwobeda, the Bear distance star, in the mile run. Johnson also came back to lead the field in the half-mile making the distance in 1:57.2. Johnson was easily the star for the Cornhuskers. Husker hopes were shattered when Stephens pulled up limping in the hundred, and Wyatt, the Cornhusker hope for first place in the 440, pulled a muscle. The injury put Stephens out of the broad jump.

Mandery looked good in the javelin event, taking first place with a fling of 172 feet, 3 inches, while Almy took second in the event. Wirsig cleared the bar in the pole vault, garnering first place with a 12 feet 6 inches mark. Ashburn although not able to take either first or second in the shot put made his best throw to place third.

Andrews Wins Broadjump

Andrews secured a first in the broad jump with a leap of 21 feet, 7 1/4 inches. Krause took a second in the high hurdles and managed to grab off a third in the lows. The Husker relay team, composed of Campbell, Tappan, Davenport and Dailey, failed to come through in their race losing to the Bears in fast time. Wyatt took second in the hundred and third in the two-twenty.

Nebraska track fans were disappointed when tickets were sold to see Locke, Nebraska's greatest dash man, defeated in the special dash events. In both the matches Locke raced Barber neck and neck but was unable to overcome the small margin lead of Barber. Locke is in bad shape and it will doubt be some time before he gets back into form.

Coach Schulte was not disappointed in the outcome of the meet and stated that Nebraska would come back next year and reverse the score.

TICKET SALE ON FOR CLUB PLAY

Advance Sales for "Cyrano de Bergerac" Is Reported to Be Large

CONNELL IS DIRECTOR

The member of the Dramatic Club who sells the most tickets to "Cyrano de Bergerac" will be presented with a five dollar gold piece, it was announced by the business manager Saturday.

The advance ticket sale to the Dramatic Club show started Thursday evening when tickets were checked out to the members by Herbert Morrison, general chairman of the ticket sales committee.

Although no positive check will be made until Wednesday night, early indications point to a heavy advance sale. This was attributed partly to the fact that the drama has been read by so many students and partly to the fact that it is being directed by L. H. Connell, who is recognized as one of the best dramatic coaches in this part of the country.

Forty People in Cast

The production will be given April 28 and 29 in the Temple Theater with 40 members of the Dramatic Club taking part. Rehearsals have been held for more than a month already and by the time the play is staged, it is expected to be one of the most finished productions seen in Lincoln for several years.

The chairmen of the committees which are now selling tickets are Don Donisthorpe, Geraldine Grote, Helen Aach, Ardath Srb, and Willard Bailey. Each of these chairmen have from 15 to 18 members of the Dramatic Club on their committee.

May Have Seats Reserved

The advance tickets are selling for fifty cents. They are to be exchanged any time after April 25 at Ross P. Curtice Co. for reserved seats, although this is not necessary. The tickets being sold now will admit the buyers to any of the three performances, Thursday night, Friday matinee, or Friday night.

Rehearsals for "Cyrano de Bergerac" are being held regularly three times a week with Mr. Connell coaching the principals and Miss Viola Loosbrock coaching the rest of the cast.

PLAN FOR SCHOOL OF AG EXERCISES

Commencement week for the School of Agriculture, a high school within the Agricultural College, will begin with the Baccalaureate sermon delivered by the Rev. F. F. Travis at the Epworth Methodist Church, Sunday morning, April 10, at 11 o'clock.

Tuesday evening the seniors will give their Class Day program in the College Activities Building. This program will consist of the traditional class will and prophecy in addition to a short play.

The Commencement exercises will take place on Wednesday evening, April 13, at 8 o'clock, in the College Activities Building on the Agricultural college campus. Dean Frederick Mumford, of the Missouri College of Agriculture, will deliver the commencement address on the theme, "Agriculture in the New Era." Dean Mumford has a nation-wide reputation in agricultural and college circles and will present an address dealing with the new problems of the American farmer. The class consists of 100 students.

Field Events

Pole vault—Won by Wirsig, Nebraska. Time: 25 seconds.

220 yard dash—Won by Vangelder California; second, Ewing, California; third, Wyatt, Nebraska. Time: 22.2 seconds.

880 yard run—Won by Johnson, Nebraska; second, Boyden, California; third, Chadderton, Nebraska. Time: 1:57.2.

440 yard run—Won by Talbot, California; second Johnson, California; third, Tappan, Nebraska. Time: 50.2 seconds.

Two mile run—Won by Stevens, California; second, McCartney, Nebraska; third, Hays, Nebraska. Time: 9.57.

220 yard low hurdles—Won by Ragan, California; second, Enos, California; third, Krause, Nebraska. Time: 25 seconds.

Articles Concerning Weather Written By Blair Are Published

A series of papers dealing with weather topics of general interest, written by Thomas A. Blair, assistant professor of Meteorology at the University and Meteorologist of the U. S. Weather Bureau, are appearing in a meteorological quarterly known as "Tycoo-Rochester." The first paper, published in the January number, dealt with climatic fluctuations in short periods, in historical times, and in geological epochs.

The second paper, on weather cycles, has just appeared in the April issue. It raises the question whether the months and seasons follow each other according to some law or system by which the character of a coming season can be inferred from that of a past season. Professor Blair reaches the conclusion that the so-called cycles or periods are not numerous and of such varying length that the future behavior of the weather is not predictable by this means.
