

## TEAM ENTRAINS FOR COLUMBIA

**Beagmen Leave for Tiger Lair After Intensive Drill On Stadium Field**

**SQUAD INCLUDES 32 MEN**

Nebraska's Husker football team took its last workout on Stadium field last night before entraining for Columbia, Mo., for the annual Missouri-Nebraska game. Signal drill and an intensive drill on the passing formation was the final program Bearg had on his practice schedule for the Nebraska footballers.

Quitting the practice field at five o'clock the squad made for the dressing room and a quick change to make the Missouri Pacific for Columbia. A rally was held on the Stadium field, followed by a student parade to the depot. Bearg and his Scarlet warriors will arrive in Columbia late this morning in time to get an afternoon workout on Missouri's gridiron before the game tomorrow.

**32 Men Make Trip**  
A squad of 32 men and the Nebraska coaching staff are making the trip to Missouri. This includes two complete teams and a squad of ten reserves. A definite starting lineup for the Missouri game could not be secured from the Husker coaching staff but it is very probable that the Nebraska four horsemen, Howell-Presnell-Brown-Oehrich, will start in the backfield against the Tiger eleven. Bearg is still in doubt about the line positions and it looks as though Sprague will replace Lee at the wing position. Ted James will be at center, McMullen and Holm at guard, Randels and Richards at tackle and Lawson and Sprague at ends.

The men making the trip are: Oehrich, Farley, Beck, Presnell, Howell, Witte, McBride, Sloan, Lee, Lawson, Sprague, Lewandowski, Ashburn, Still, Shaner, Randels, Richards, Lucas, Ray, Munn, Holm, McMullen, Raich, Whitmore, Drath, Schultz, James, Zuber and Amus. This is one of the largest football squads Bearg has ever taken with him on a trip but he thinks it absolutely necessary this time on account of the large number of injuries.

**Clark to be Covered**  
Bearg has something to meet when he sends his Cornhusker warriors against the Missouri eleven with the flashy Flamank-Clark combination. These two Tiger backs look good for an All-American selection and are a source of worry to the Nebraska coach. The dope slipped out that Captain Flamank of Missouri made a

boast that no Presnell or Howell would stop the fast Clark. It was Clark who beat Nebraska last year and the Husker eleven will never let it be said that he did it twice. Clark is undoubtedly one of the fastest and cleverest backfield men in the Missouri Valley and possesses an uncanny accuracy in snagging forward passes.

Captain Flamank is the pass heater for the Tigers and with Bert Clark on the receiving end it is going to be a tough proposition for the Bearg eleven to stop this combination of Tiger backs. Howell and Presnell in the second line defense will find it their duty to stop this man Clark that all the Valley sport writers have been featuring.

A practice on the Missouri field at three o'clock this afternoon will be the final workout before the big battle.

## BACHMAN WORKS KANSAS AGGIES

**Wildcat Coach Whips Team in Shape For Lawrence Contest After Defeat by Missouri**

Manhattan, Kans., Oct. 7.—Since their defeat by the Missourians last Saturday, 13 to 6, the Kansas Wildcats have been through their hardest work this season and from all appearances this prolonged scrimmage and line practice will continue until Coach C. W. Bachman is satisfied that his men are in condition to play four quarters against a strong opponent.

The coaches and players returned from Columbia with a new and clearer idea about the Aggie team. After the first quarter of the Missouri game in which the Aggies made the first score, the Tigers came back and for the remainder of the contest outcharged the Purple in the line. As a result there will be several changes in the Wildcat wall before they meet the University of Kansas at Lawrence on October 15. Also there will be better conditioning of the players since this week is

an open date on the Kansas State schedule.

**Played Important Game to Early**  
"The Missouri-Aggie contest," declared Coach Bachman, "demonstrated the folly of trying to play a game of that importance so early in the season. The men were not in condition as was proved by the numerous substitutions it was necessary to make."

The open date this week is timely for the injured men who are limping around in the Wildcat fold. Ted Fleck, end, D. J. Householder, tackle, and Bert Pearson, center, each sustained injuries that handicap them considerably. Karl Enns, quarterback, is still on crutches as a result of a twisted ankle that he received in the Hays game.

Oranges may not be a staple crop in Nebraska but they are being grown on the Oltman farm, sixteen miles northeast of Columbia. One orange tree, with full sized oranges, in addition to a number of buds just forming, is the astounding evidence and there are prospects of a real crop.

Oltman admits the flavor of the oranges is a little flat, but he expects to improve their quality next year with larger quarters for the tree.
