

THREE CONFERENCE GAMES SCHEDULED

Two Valley Teams Idle Saturday and Two Others Meet in Non-Conference Games

Lawrence, Kan., Oct. 19.—Three Missouri Valley conference games are scheduled for next Saturday, October 22, when two Valley teams will participate in non-conference struggles. The gridiron squads of Nebraska and Iowa State will be idle over the week-end. The following games are scheduled for next Saturday:

- Conference games—
 Kansas vs. Washington at Lawrence.
 Drake vs. Grinnell at Grinnell.
 Oklahoma vs. Kansas Aggies at Manhattan.
 Non-Conference games—
 Missouri vs. Southern Methodists at Dallas.
 Oklahoma Aggies vs. Tulsa at Stillwater.

The struggle between Drake and Grinnell is the game of most historic interest to be played this week, the two schools having met almost continuously on the gridiron since 1901. Records show that in the past they have battled on fairly even terms with Drake holding a slight edge. Kansas fans will watch this year's game with unusual interest because the outcome should give some indication of the comparative strength of Kansas and Drake. Drake will play the Jayhawkers here a week from Saturday. In the first game of the year Kansas turned in a 19 to 0 win over Grinnell.

Scores of past Drake-Grinnell games:

KANSAS HAS CLEAN SLATE OVER BEARS

Jayhawks Have Amassed 258 Points To 13 For Washington in Eight Contests, One Tied

Lawrence, Kan., Oct. 19.—When the Kansas Jayhawkers and Washington Bears meet in the Kansas stadium next Saturday for their ninth game the Kansas team will be fighting to maintain their perfect record against the St. Louis team, while Washington will be trying to turn in a first win over the Mount Oread warriors. The two teams did not meet during the two past seasons, but most of the games between the two schools have resulted disastrously for Washington.

OKLAHOMA AGGIES WILL MEET TULSA

Southerners Prepare for Battle on Stillwater Field Next Saturday Afternoon

Stillwater, Okla., Oct. 19.—(Special)—Having demonstrated in beating Marquette university, 8 to 0, that they have a hard charging line and an effective running attack, the Oklahoma Aggie football team has started to prepare for Tulsa university which comes here Saturday afternoon.

The ability of the forward wall to hold experienced running backs such as Marquette sent into the game, with almost no gain was probably the most pleasing development in Saturday's game to the coaches. Wright playing offensive fullback and defensive end, proved a good forward passer and when he alternated with Percy McCoy at hurling and receiving forward passes he presented a varied attack that kept the Marquette secondary defense on the jump.

IN THE VALLEY

By JACK ELLIOTT

Coach "Phog" Allen, director of basketball destinies at the University of Kansas issued his first call for Jayhawk basketball players Monday. The Kansas basketball mentor has turned out more Missouri Valley championship basketball quintets than any other coach in the conference. Last year was the sixth consecutive championship year for the Jayhawk squad. Allen has an abundance of good material from which to form his 1928 aggregation. Lettermen from last year are James Hill, Balfour Jeffrey, Carmen Newland, Duane Henderson, "Zeke" Burton, Harold Schmidt and Bod Maney. The last two are the only lettermen not out for the opening practice as both are wearing the football togs for the Jayhawk school. Around these men Coach Allen expects to build his team which will make a bid for another Valley championship.

The sport column in the Daily Kansan pens this: "Washington is the next victim for the Jayhawkers and according to reports from Missouri it will not be an easy battle." As far as this department can see the Kansas Jayhawkers don't have so many victims to their credit so far this year. But then they beat Grinnell 19 to 0.

"Corkscrew Johnnie" Miller the stellar Iowa State ball lugger ace will perform against the Kansas Aggies this week at Ames. This is doped out to be one of the best battles of the week with the Cyclones the favorite. Although the victory the Farmers put across on the Jayhawkers last week showed that they have a powerful gridiron eleven, the Iowa State eleven held the Illini to a tie and presented an exhibition of some spectacular football in the pigskin classic at Urbana Saturday. Coach Noel Workman has a good backfield combination in Captain Weiss-Lindbloom-Miller-Lamson, and the battle with the Zuppke-men, unearthed another good backfield man in the person of "Red" Hill.

C. L. Brewer, director of athletics at Missouri University, announced that the Tiger school has definitely opened negotiations with a number of universities to schedule inter-sectional football games for the schedule of 1928. Five games in the Big Six have been scheduled for Missouri which are compulsory for all Big Six schools. Mr. Brewer desires to schedule an attractive home schedule for next year.

Nebraska has certainly bitten off a big bite of eastern football when it scheduled Syracuse, Pitt, and New York. The football season is over half spent and these three elevens are yet to make history. Syracuse, the Husker opponent for next week, is one of the outstanding teams in

the east and hasn't been beaten this season. The Pitt Panthers to date haven't let an opposing player cross their goal line. The New York Violets are coming out to the plains of Nebraska to even the count with the Cornhuskers.

The basketball season at Nebraska gets under way early this year, the first game scheduled for two weeks after the close of the football season. "Jug" Brown, Lawson, and Holm, regular lettermen from last year's squad will not be able to report before Thanksgiving on account of football so Coach Charley Black will form his first five for the opening games without the services of these men.

Five girls taking home management at the University of West Virginia live in a model cottage and keep house as part of their course.

Dr. Lucius Clark, chancellor of American University, advises students to specialize. He says: "Choose your subject and keep at it until you are so proficient you can do something practical with the knowledge you have gained."
