LARGEST RALLY OF THE SEASON IS ARRANGED

Student Body Urged to Attend Welcoming Party for Syracuse

WILL PARADE TO HOTEL

Preparations Being Made for Season's Greatest Demonstration

One of the largest pep-producing rallies of the season will be held Friday evening in the Coliseum, beginning promptly at 7 o'clock, on the eve of the Syracuse-Nebraska "Dads' Day" football game. The affair will culminate in a parade to the Lincoln hotel, where a huge welcoming demonstration will be staged for the benefit of the visiting team. It is the hope of those in charge of the "noise party" to attract a crowd and create a bedlam of sound that will be reminiscent of the great torch-light parade held on the night preceding the Notre Dame-Nebraska Thanksgiving day game two years ago, when the throngs of students filled the streets for blocks and the crowd in front of the hotel jammed the street from curb to curb and overflowed onto the post office lawn. Each year sees at least one of these gatherings inevitably come to pass—one gathering at which the enthusiasm of the student body reaches its highest pitch—one gathering at which the real, traditional "Nebraska Spirit" that wins football games is exhibited. With the cooperation of every student in the university the Syracuse rally will be such an exhibition.

Speeches at Coliseum

Coaches Bearg, Hutchinson and Rhodes will speak at the coliseum. The Corn Cobs will be on hand with a new novelty song and will demonstrate a new marching step which will be used in the parade to the headquarters of the Syracuse team. The rally at the coliseum will be a "warm-up" for the main event of the evening, and the varsity cheerleaders will be present to start things going. The pep meeting at the coliseum will be short but it is important that everyone be there to insure the success of the parade.

Short Rallies Held

Short pep meetings will be held Thursday and Friday morning in front of Social Sciences hall. The band will be present to help in promoting enthusiasm and one of the varsity cheerleaders will be in charge at each cheering session. All students are urged to attend these brief rallies.

"Football For Everybody" Is A New Slogan

"Football for everybody" is a slogan under the new plan announced by John "Choppy" Rhodes, head coach of the freshman football eleven. Sophomores and juniors are especially urged to report to "Choppy" for a uniform.

Provided enough candidates turn out, Rhodes plans to divide the squad into four or five teams. Each eleven will be coached by a senior in the coaching department, who in turn will be under the direction of Rhodes.

The various teams will play a schedule of games under the Round Robin plan, to determine the winner of the football league. By this plan, each eleven will meet the other teams at least four or five times. Names will be given to the individual teams, either by the players themselves or their coaches.

"The big problem," according to Coach Rhodes, "is to secure a large turnout of students interested in football. Every one interested should report to me any afternoon at the Stadium and get a suit. We can handle a sizable squad."

PHI TAU THETA HOLD DINNER

Meeting for All Methodist Men is Scheduled for Tonight.

A dinner sponsored by the Beta Chapter of Phi Tau Theta will be held for all Methodist men attending the University, this evening, at 6 o'clock at the city Y. M. C. A. Edgar, an address "A Word to Methodist Men" by Dr. Charles Forgyce, and two short talks, "What Phi Tau Theta Is" by a student member and "As the University Pastor Sees Phi Tau Theta" by the Reverend Fawell.

All men of Methodist preference are also cordially invited.

First Military Review Will Be Held Thursday

The first military review of the year will be held Thursday evening, November 3, at 5 o'clock, according to Colonel F. F. Jewett. The regiment will form on the north side of the parade grounds facing south as in previous years. All cadets must attend unless properly excused. Drastic measures have been taken this year to prevent unnecessary excuses from parades. The purpose of the review is to prepare the regiment for the Armistice Day parade.

GATES IS VESPER SPEAKER

Need for Religious Life in College Is Discussed at Meeting

"Are you glad you are alive?" asked Mr. Edgar Gates when he spoke at the weekly Vespers service Tuesday evening in Ellen Smith hall.

In continuing on his topic of the need for religious life in college, Mr. Gates said, "the men who have accepted Christ and his theories have a strength that others do not. There are two ways of living; living to get all you can, Christ's theory of the life of giving has stood the test of time, and it gets results."

Miss Appleby announced the Candle-lighting Vespers which will be held November 8 at the close of the finance and membership week. The service symbolizes living as a true follower of the Lord Jesus Christ.

Michigan President Believes Students Have Right To Cars

"There is no doubt but what students in attendance at the University have a 'legal right' to drive their cars if they want to," President Clarence Cook Little of the University of Michigan declared this morning in commenting on a communication appearing in the Campus Opinion column of the student paper. "But there is likewise no doubt but what the board of regents has the 'legal right' to expel the students that do so," he continued. "This does not require the opinion of a lawyer; this is a very obvious fact."

The comment was made in the course of casual remarks regarding the communication recently published in the Michigan Daily in which the writer expressed curiosity as to whether or not the university had a 'legal right' to prevent students from driving automobiles.

CADETS GET MORE ROOM

Third Floor of Nebraska Hall Given to Military Department.

Because of the removal of the Geography department from Nebraska Hall, the Military Department will now occupy all the space on the third floor of Nebraska Hall. This information was given yesterday to the military authorities.

According to present plans, each class will occupy a different room. The freshmen will occupy the room farthest east to the west of the building, the sophomores farthest to the east, and the other rooms on that floor will be divided between the juniors and seniors.

This arrangement is expected, by the military heads of the department, to relieve the crowded condition which has heretofore been apparent.

Elliott and Othmer are displaying excellent early season form. These two are showing the class that they had last year in valley games. Othmer, Krall, Grace, and Beuchner are also assuming quite a bit of polish in their floorwork tactics.
