A statement of expenditures signed by the treasurer of each competing fraternity and sorority must be turned in to Oscar Norling at the Daily Nebraskan office by 5 o'clock this afternoon. The maximum amount allowed for decoration expense has been placed at twenty-five dollars. This action was taken to influence more contestants to take part in the affair. R.O.T.C. HOLDS FIRST REVIEW

Regiments Practice for Armistice Day Parade Next Friday

The first R. O. T. C. review was held yesterday afternoon at 5 o'clock for the purpose of preparing the regiment for the Armistice Day parade next Friday.

A much larger attendance was had over last year, according to Col. F. F. Jewett, who seemed quite pleased with the results of the review. Col. Jewett commented on the appearance of the ranks and added that the first platoons in both companies "E" and "K" showed up good.

A good representation of the regiment is expected for the parade on Armistice Day. The fact that the chancellor has directed the corps to parade will probably encourage the attendance, Colonel Jewett pointed out.

BASEBALL IS REINSTATED MAJOR SPORT

After Two Years Absence Game Will Reappear As Result of Conference Rule

FIRST TEAM IN 1929

Organization of Team Probably Not to Be Made for Ensuing Year

Baseball will be reinstated as a major sport in the University of Nebraska next year after two years absence, according to an announcement yesterday made by the athletic board of control. It is probably that a baseball team will not be organized this year.

Baseball will reappear at Nebraska as the result of a requirement made by the new conference. The conference names football, basketball, and baseball as necessary sports.

According to Herbert Gish, director of athletics in the university, a Cornhusker baseball team will begin practice in the spring of 1929. The reason for the absence of this national sport in the athletic roster at Nebraska for the past two years is entirely financial. Previous to its elimination in 1925, the pastime had occupied an important place in Husker activities, and it is expected that when reinstated it will be well supported.

At the meeting it was decided that Nebraska would not have a swimming team this year.

BREAKFAST WILL PRECEDE

A description of skits which students would like to produce for the Kosmet Klub vaudeville show on Thanksgiving morning, must be in Herbert Yenne's office in the Temple by 5 o'clock next Thursday, the committee in charge have announced. It will begin at 9 o'clock, and will be preceded by a Kosmet Klub breakfast at the Idyl Hour from 8 until 9 o'clock. All students are invited to the breakfast.

There is some talk of having some downtown theatre present an act in the program, but university talent will be used throughout the greater part of the cast. Students have been requested to contribute any skits which they would like to have put on. The five best acts submitted will be chosen and presented as part of the bill. The entire show will be made up of eight or nine acts, featuring a Kosmet Klub review of song and dance hits from past Kosmet productions.

Fraternities and sororities are being urged to submit skits. Major positions on the bill will be given to the best fraternity skit, and the best sorority skit. These skits will last about eight minutes, the individual acts being shorter. Fraternity and sorority acts must be submitted to Herbert Yenne at the same time as individual skits.

NEBRASKANS TO STAGE ANNUAL BONFIRE RALLY

Traditional Pep Meeting Will Be Held at 7:30 O'clock On Drill Field

LARGE CROWD EXPECTED

Homecoming, Bonfire Rally Combination May Bring Large Crowd to Event

Cornhusker students will participate in their annual bonfire rally this evening at 7:15 o'clock. The drill field north of Social Sciences will be the scene of this blazing manifestation of Nebraska spirit, which will mark the eve of the grid battle with the Kansas Jayhawks. In addition to being the traditional bonfire rally, this pep meeting will also represent the Homecoming rally. This combination is expected to draw the largest rally-attendance ever seen at Nebraska. As usual the rally will be short, and as no parade follows, it will come to an early conclusion.

Each freshman in the university is required to bring one box to the drill field before 6 o'clock this evening, constituting his offering to the first traditional Cornhusker bonfire rally of his career. These boxes will be stacked in one huge pile, and enclosed in wire netting, so that there will be no delay caused by displacement of the bonfire material. The fiery glare of this huge bonfire will illuminate a stage and set of bleachers. The stage from which talks will be made will be erected some time today, and constructed so that everyone will be able to hear the speakers. The bleachers will be assembled for members of the Husker football team.

Plans Are Made

Husker pep will be represented in this instance by fire. The enormous box-bonfire will blaze sufficiently to throw its glare over the entire campus. The drill field will be enclosed in a chain of torches, which will complete the impression of fiery Nebraska spirit. "People who have never seen the drill field on the night of a bonfire rally will be stunned at the spectacle which transforms the drab, empty lot," prophesied a member of the rally committee.
