

## PRESENTATION OF 'LILIOM' IS WELL RECEIVED

University Players Produce Molnar's Hungarian Drama Thursday

GIVE FIVE PERFORMANCES

Zolley Lerner and Beatrice Hullett Applauded for Portrayal of Leading Roles

"Liliom," a Hungarian drama, was presented by the University Players at the Temple theater last evening. This stirring drama, written by Franz Molnar, was presented in excellent style by the players, and was well received by the audience. The play was strong in atmosphere, and unusually effective in stage-craft. It will be presented in matinee and evening performances today and Saturday.

The lead role, that of a Budapest tough, was skillfully portrayed by Zolley Lerner who had played a minor part in this same production with the Kansas City stock company a few years ago. The swaggering, swash-buckling bully with his characteristic undercurrent of tenderness was supplemented by the character of Julie, Miss Beatrice Hullett, the servant girl who loved Liliom. The favor of the audience seemed to be very equally divided between these two characters. The word "Liliom" is Hungarian for "Lily," and a slang term for "tough."

**Good Support**  
Miss Hullett and Mr. Lerner were supported in this Players' production by an excellent cast. Martha Bruning as the owner of a merry-go-round in the Hungarian carnival, a hardened woman of the world, was exceptionally good. The part of Marie, a servant girl friend of Julie, was acted by Pauline Gellatly, and the transition in character from the (Continued on Page 4)

All women faculty members, and full time employees of the university are being urged to turn out for the event.

All reservations should be made before noon on Monday, November 14, so that the committee will know how many guests to prepare for. There were fifty-eight present at the October meeting, and a still larger attendance is expected this month.

Plates may be reserved by seeing or calling any of the following ladies: Esther Anderson, Nebraska hall; Mary Keech, registrar's office, or Martha Turner, in her office in the State Historical society rooms in the basement of the main library building. The charge is fifty cents a plate.

## CROSS-COUNTRY GREEK RUN HELD

Annual Interfraternity Harrier Event Run Off With Hundred Men in Starting Field

FARM HOUSE IS VICTOR

Farm House won the interfraternity cross country yesterday with 23 and one-half points. The nearest rival was Theta Chi with 28 points. Kappa Sigma won third with 40 points. Dexter, Theta Chi, won first place with Jamrog, Phi Kappa, second and Clyde Batic third.

Coach "Jimmy" Lewis stated that it was the best interfraternity cross country race since the event has been established in intramural sports. This, he stated, was probably due to the hare and hound chases which have been run every week. Most of the men who ran in the cross-country were in excellent condition.

**Seventy-five Finish**  
About 100 men representing fourteen fraternities started the race and about 75 finished. This is a much larger percentage than usually finishes. The race was run over the old cross country course. The course was about three miles in length, about one half mile longer than it has been in the past.

A trophy will be awarded the winning team. It will also win 75 points on the all-year intramural sporting events. All teams with three men finishing will win 30 points and the winning team gets 45 points additional.

The fraternities in order of their finishing are: Farm House 23 1/2; Theta Chi 28; Kappa Sigma 40; Delta Tau Delta 47 1/2; Delta Sigma Lambda 70; Delta Sigma Phi; Tau Kappa Epsilon; Phi Delta Theta; Phi Kappa; Alpha Sigma Phi; Delta Chi; Sigma Phi Epsilon; Phi Sigma Kappa; Phi Kappa Psi.

The first 25 men in order of their finishing are: Dexter, Theta Chi; Jamrog, Phi Kappa; Clyde Batic, Farm House; Skidmore, Tau Kappa Epsilon; Means, Farm House; Krause Sigma Phi Epsilon; Manning, Kappa Sigma; Yordy, Tau Kappa Epsilon; House, Delta Sigma Lambda; Eckle, Kappa Sigma; Mays, Phi Delta Theta; Rice, Farm House; Davenport, Delta Tau Delta; and Welch, Theta Chi, tied for 16th place; Fredricks, Phi Sigma Kappa; Atradosky, Theta Chi; Barnes, Delta Sigma Phi; Olsen, Delta Tau Delta; Means, Farm House; Pearly Wyatt, Kappa Sigma; Eismhart, Delta Sigma Lambda and Pavoulek, Delta Sigma Phi.

## Mid-Semester Reports Will Bring Action

A little more than one per cent of the students of the University of Nebraska should drop out of school by "request" next week, according to part averages. Following mid-semester examinations, which have been given this week, nearly seventy students in the proportion of 60 men and 10 women, will probably be (Continued on Page 2)

Over Fifteen Acts Presented to Kosmet Klub for Use in Thanksgiving Show

KOSMET REVUE FEATURE

More than fifteen acts were submitted to the committee in charge of the Kosmet Klub show, Thanksgiving morning at the Orpheum. The committee intimates that they are having difficulty in choosing the two acts which are to be features of the show. One fraternity act and one sorority skit will be chosen to take prominent positions on the bill. One or two of the others submitted will be selected to complete the program. The selections will be announced Sunday.

The general plans for the show are now complete and intensive work has been started on several of the acts. The main act will be a Kosmet Revue, featuring four or five of the song hits in past Kosmet productions. Elaborate stage settings are being worked out for this part of the show. According to Merle Jones, who is in charge of this act, the Klub is endeavoring to put into it all of the beauty and the striking features that have characterized Kosmet's productions.

## BARBECUE HELD FOR FRESHMEN

Sixty-four First Year Men Attend Annual Meal for Promotion of Class Spirit

CLASS HAS SHORT RALLY

Sixty-four freshmen turned out last night for the annual freshman barbecue held in the coliseum. The meeting, sponsored by the Iron Sphinx, was promoted for the purpose of organizing the freshman class for the Olympics to be held Saturday, but because of the small attendance, no effort was made toward this.

The barbecue was not recognized this year, as it was last, when three hundred turned out, as few fraternities reported closed tables to the freshmen so that they might attend.

The program last night, which was to have included several talks, was cut short, consisting merely of a short rally, and a talk by Frank Lepicier, president of the Iron Sphinx, who urged that the freshmen devise a definite plan for Saturday's games. Music during the meeting was furnished by the Cheerleaders orchestra, featuring Joyce Ayres.

## HUSKERS HAVE LAST WORKOUT AT PITTSBURGH

Nebraska Eleven Holds Session At Pitt Oval This Morning Before Big Clash

INJURIES HAUNT SQUAD

Bearmen Face Intersectional Tilt Which Panthers Await With Determination

Nebraska's football team will work out on the field at the Pitt Oval this morning in a last practice session before the big intersectional clash with the Pitt Panthers tomorrow. Yesterday Coach Bearg and his scarlet clad warriors took a light workout at Dyke stadium at Northwestern and continued their trip to Pittsburgh.

The injury jinx is haunting the trail of the Cornhuskers and the workout on the Northwestern field yesterday was a demonstration of how badly the Huskers are crippled, as reports come back from Evanston. McMullen, Randels, Bronson and Captain "Jug" Brown are the headliners on the injury list as a result of the Kansas battle last week.

**Face Hard Game**  
The squad of twenty-seven Huskers will have the toughest job of the season when they trot out on the Pitt Oval Saturday. Pitt remains un-

## Early Vocation Selection Aids Effectiveness

"One's effectiveness will depend largely upon how carefully he has chosen his vocation," said H. L. Cushing, director of certification, and the effort expended in making preparation for his particular work." The speech was called "Vocational Effectiveness" and was the fourth in the series of talks concerning the state schools in the program of American Educational Week being given over the university radio.

**Decide Early**

"A study made in the connection with the graduates of the Ord high school," Mr. Cushing continued, "led me to believe that the most successful men and women were those that knew a number of years before they completed their high school work the particular use they expected to make of their high school training."

"I am not saying that many do not make up their minds as to (Continued on Page 2)

## STUDIOS WILL BE OPEN TODAY

Special Opportunity Given for Upperclassmen to Get Yearbook Pictures

SATURDAY LAST CHANCE

Hauck's and Townsend's studios will be open all today for taking junior and senior pictures. All juniors and seniors who have not yet attended to this matter are urged to take advantage of the opportunity.

Saturday is the last day which the upper classmen may get their photographs taken for the Cornhusker. Contrary to custom of former years this deadline will not be placed ahead for delinquents. Students should call at either the Hauck or Townsend studios before 5 o'clock Saturday.

**Negligence This Year**

For some unknown reason students have been noticeably negligent in this matter. The number of upper classmen who have had their pictures taken is considerably below the mark of last year, according to Dwight Wallace, editor of the yearbook.

"The cost of the photograph is slight in comparison to the benefit derived. The Cornhusker is a memory book invaluable to the student after he has completed his college career and it is incomplete without some record of his personal activities and picture," stated Mr. Wallace.

Work will begin on the fraternity and sorority pictures a week from Monday, November 21. It is hoped that this section can be closed before the Christmas holidays.

Organization pictures will be taken at the end of the month.

## FRESHMAN SET FOR OLYMPICS TILT SATURDAY

Annual Contest to Decide if First Year Men Doff Green Caps Will Be Tomorrow

TO GIVE FOOTBALL PLAYS

Account of Game Will Be Announced; Outdoor Events Scheduled for 3 O'clock

With the Olympics tomorrow, both freshmen and sophomores are preparing to tangle in the opening contests at 1 o'clock. The boxing and wrestling bouts will start in the coliseum, while the play-by-play returns of the Pittsburgh-Nebraska game are being given out over the public address system operated by Ray Ramsay, dramatic instructor.

The program has been completed, but all of the tryouts have not yet taken place. The events to be contested in the coliseum will last until about 3 o'clock. At 3:15 the tug-of-war will start in the stadium. This relay will be run at 3:30 o'clock. The relay team has not yet been chosen. The tug-of-war and the relay each will mean 10 points for the winner. The push ball events requires 75 men on a side and will last for ten minutes.

**Time Shortened**

The free-for-all has been shortened to a ten minute contest. A hundred men will be allowed on each side. These two events will count fifteen points each.

The last and most important event of the Olympics will be the pole rush. This will last for five minutes and will count twenty points. The time has also been shortened on this event so as to give the sophomores a more even chance. Those who are to contest in the boxing bouts have been picked. In the 125 pound class, Fussell, freshman, will oppose Toohy, sophomore; in the 158 pound class, Wilson, freshman, will oppose Post, sophomore, and in the heavyweight class Urban, freshman, will box Hurd, sophomore. These men were picked from several candidates for each class.

**Battle Looks Even**

The wrestling tryouts have not yet been completed. The program of events will be over by 4:20 o'clock. As the time for the Olympics approaches the contest is beginning to look like an even one. Many freshmen are leaving town for the Olympics and some sophomores who intended to leave are staying to help make the freshmen wear their green caps until Christmas. With numbers of freshmen leaving town the Olympics are going to be close.

Admission to the coliseum will be (Continued on Page 2)

## SENIORS ARE W.A.A. HOCKEY CHAMPIONS

Win Games From Three Other Classes; Sophomores Take Second Place

The senior women claim the 1927 hockey title by virtue of three straight wins over the underclassmen in the annual hockey tournament sponsored by the Women's Athletic association.

The sophomore women proved to be worthy foes and gave the seniors something to worry about. The score of the senior-sophomore game stood at a tie until the last few minutes of play. A lucky shot through a quickly discovered hole in the sophomore defense gave the senior team the point that eventually gave them the championship. The sophomore team came in for second honors, having suffered defeat only before the sticks of the champions.

The junior women are credited with one victory, and that over the freshmen. The freshmen were no match for their experienced elders. They showed their sportsmanship however, by coming up smiling after the third defeat.

To Miss Wagner, coach, and Winona Ayres, hockey manager, go the honor of having conducted a most successful sport season.
